OLD VETERAN RESTS

D. E. Pratt Civil War Soldier, Old Resident, Passes Away.

Daniel Pratt, son of Macy and Sarah Pratt, was born on a farm at Eagle Harbor, Orleans Co., N. Y., January 25, 1835, and died at his home in Lowell, Mich., Sept. 6, 1920, age 85 years, 7 months, 11 days.

On Sept. 1, 1862, he enlisted in Co. D., 151st regiment, New York Volunteer Infantry, and the last of the month he was ordered to Baltimore. He was made orderly sergeant, and until the spring of 1863 his regiment was held at Baltimore, where Sergeant Pratt spent his time drilling troops and doing guard duty.

In March his regiment was sent into West Virginia and later returned to Harper's Ferry, and did duty along the Potomac after Gettysburg and lay in the battle line for three days.

When Lee crossed into Virginia, Sergeant Pratt was with the pursuing army. He was in the hospital for two months with typhoid fever, but rejoined his regiment in time to take part in the engagements of Brandy Station, McLean's Ford, and Locust Grove.

He was discharged at Brandy Station, Jan. 21, 1864, and returned to his home town and was engaged for five years in the milling business.

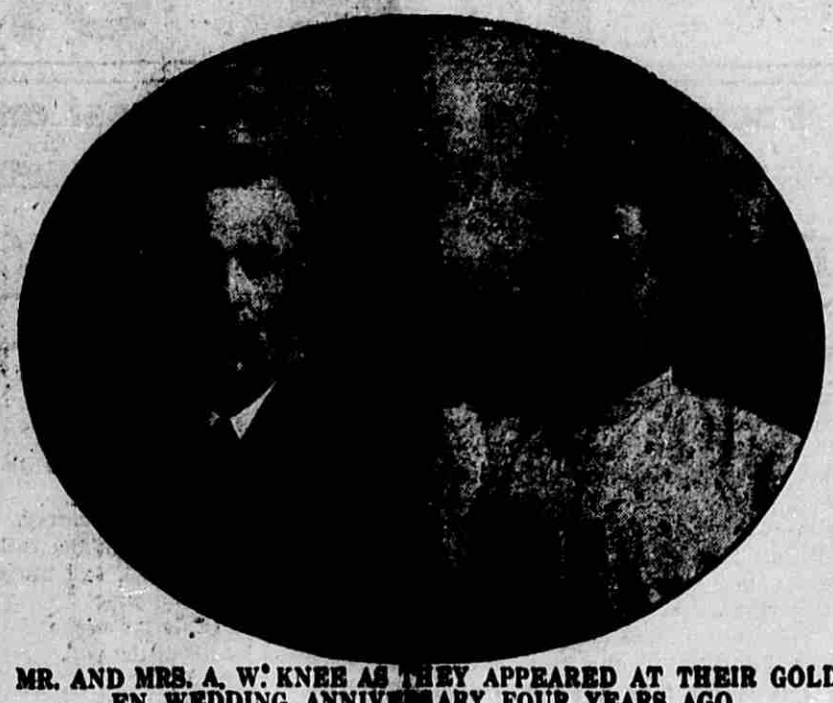

On December 22, he was married to Anna Horien, in the Methodist church of Eagle Harbor. They, like many other young people, saw the greater opportunities in the West and they came to Michigan. They have been residents of Lowell for about 45 years.

Mrs. Pratt passed away in 1918 and had been a member of the M. E. church of Lowell for 44 years. Mr. Pratt joined some years later. Mr. Pratt was a true patriot, a loyal friend, and a devoted Christian.

The funeral services were held in the Methodist church Wednesday, September 8, in charge by the pastor, Rev. H. H. Harris, assisted by Rev. A. H. Lash, of Lake Odessa, and the remains were laid to rest in the Oakwood cemetery.

CONGREGATIONAL CHURCH
Sept. 12, 10:30 a. m. "The Day." Do we live too much, or not enough in the present? The consciousness of a day's work well done is man's best compensation. Motives for our work will be discussed frankly.

7:30 p. m., half hour earlier than usual, "The Night."
There is a direct conflict between the works of the day and the night. Axes to grind, are many, who'll turn the grind stone? We shall try to make these discussions interesting.

MR. AND MRS. A. W. KNEE AS THEY APPEARED AT THEIR GOLDEN WEDDING ANNIVERSARY FOUR YEARS AGO.

MRS. A. W. KNEE HAS PASSED AWAY

Harriet Dodds was born in Keene Iowa county, January 15, 1850 and died September 2, 1920 at her home in Keene. She was the daughter of James and Betsy Dodds, youngest of nine children. When but three weeks old she was left without a mother, then at the age of six weeks she was taken into the hearts and home of Mr. and Mrs. John M. Waters, who reared her tenderly, and as their own. She was married to A. W. Knee on Oct. 15, 1866. To this union were born five children, John, Blanche, (who died in 1898), Jesse, Allison and Evah. Her life has been spent in the vicinity of Lowell. She was a member of the Women's Relief Corps, and the Keene Aid society, whose emblems at her death, bespoke for them their sorrow at the loss of so worthy a member.

Sunday, Oct. 15, 1916, Mr. and Mrs. Knee celebrated their golden wedding anniversary at their home with their children and grandchildren. Beside her children and grandchildren she is survived by the aged husband, and two sisters, Mrs. Jerome Duffy, of Orting, Wash., and Mrs. Nancy Clark, of Minnesota, with a host of other relatives and friends. The funeral was held at the late home Monday, Sept. 6, by Rev. A. H. Lash, of Lake Odessa, officiating. Burial in Oakwood, amid a bank of flowers, which told of the esteem of her many friends. [Com.]

BIG FIGHT IN REPUBLICAN COUNTY CONVENTION.
According to reports in the Grand Rapids papers, the Kent county Republican convention was "some" row between the Chase and McKay factions, featured by fist fights, forcible seatings, police and deputy sheriff interference and a general pandemonium with two sets of officers trying to operate in the same place at the same time. As a result two sets of delegates were elected to the state convention, one for Henry E. Chase, for Attorney General and one for Frank D. McKay for state treasurer, each claiming to be the legal delegation for Kent county. The net result, in the opinion of many, will be that neither candidate nominated and that the Kent county Republicans have made a breach that will be a long time in healing.

CARD OF THANKS.
I wish to thank the Cheerful Doers and all who sent flowers, and all the others who so kindly remembered me while at the hospital.
Mrs. Charles McIntyre.

PATRICK MURPHY.
Patrick Murphy, aged 82, died suddenly at his home in Vergennes township Wednesday evening. He had been a resident of Vergennes for 53 years. He is survived by his widow and seven children, two sons and five daughters: Mrs. E. G. Cody, of Harsey, Mrs. John McCabe, of Ada, Mrs. Richard McGee, Mrs. John F. Byrne and Miss Tessi Murphy, of Vergennes township. Funeral services were held Saturday morning at 9 at St. Patrick's church, Parnell.—(Herald.)

WON 2 MORE GAMES

Fast Lowell Team Beats Freeport and Portland Bell Players.

Lowell is playing good ball and it is up to the village and vicinity to support the team. Sunday they copped the game from Freeport, 4 to 3 with Pitcher Enbanks, formerly with the Detroit Americans opposing them.

Labor day, at Portland, after a bad start, showing Portland five runs in the first inning, our boys held them the rest of the game, and believing the game is not won or lost until the last man is out in the ninth, they kept after them and pulled the game out in the ninth inning by four clean hits for three runs, winning by 6 to 5.

Freeport and Portland, each have won their first games in Grand Rapids in the Western Michigan tournament. Score by innings: R. H. E. Freeport 3 0 0 0 0 0 0 3 4-3 Lowell .0 0 0 3 0 0 1 x 4 7-3 Batteries, Enbanks and Tooker, Dresser and Rooney. Struck out by Enbanks and Dresser 8. Portland vs Lowell. Score by innings: R. H. E. It's easy to fall downstairs

What we are going to say in the next 50 words or so IS SO.

It's a little signal of warning that will keep you out of hot water if you let it run thru' your memory and splash around in your spreading sense.

DON'T FALL TOO HARD FOR A PRICE THAT IS EASY TO PAY.

The cost of GOOD Fall clothing is established the same as the price of good milk, butter and eggs and no store will give you a reliable suit at a ridiculous price—any more than you would sell your home for \$2,000 less than it is worth.

\$45, \$50 and \$60 are the prices you should pay for satisfaction.

\$30 and \$35 sound sweeter but watch your step this Fall—it's easy to fall downstairs.

Young people in the country towns, who have been getting restless with rural conditions, should note the news that work in many of the cities is slackening up. In the clothing, shoe, and some other lines, there have been extensive shut-downs. The high wages paid in those industries have been only temporary, and can't last. The young folks with good homes in the country, who are leaving the science of country life and food production every day, should not give up their advance in an industry that never shuts down. [Coopersville Observer.]

The Ovid Register-Union found 74 empty coal cars of the gondola type standing on siding in the big gravel pit east of Ovid a couple of weeks ago. These were back out of sight of the public. Those who have had occasion to travel over this line for the past six months have found that on nearly every side track there were empty coal cars, and in many cases coal consigned to other points, that have stood for weeks on these sidings. There is no wonder that there is a car shortage and it looks like a deliberate attempt to create a shortage of coal in order to get a higher price. The railroad men have got their raise in wages and the railroad companies have passed it on to the consumers. Now, we believe it is time for the public to demand service from both the company and the men. There is no reason for the way freight is handled. The raise in wages and freight rates should have been based upon the service they give. The public is getting to the limit of their patience in this matter and someone is going to wake up and give the short haul high wages a good old blast for an honest dollar.—(Sarasin Advertiser.)

Mr. and Mrs. Will Chapman, of Bay City, were callers last week at the home of Mrs. T. W. Mason. Will was a former Lowell boy, and always enjoys visiting the old home town.

Let "The Two Joe's," do your automobile repairing. We do all the work ourselves, and know it is right. Satisfaction guaranteed. Scott & Murphy, of Gould's garage. [c 14]

Miss Katherine Towseley, a former Lowell girl, will play a leading part in "Can You Beat It," a musical comedy, at Powers Beach, Grand Rapids, Sept. 10 and 11, with Saturday matinee.

Repairs are being made on the building north of the Lee block for the occupancy of the Parrott eating house, and a new and wider approach walk is being built. Following Mrs. Parrott's removal, Bradshaw & Gazella, (George and Tony) will occupy the vacant building with a shoe repair shop, using the equipment of the Hosley business, which requires the use of the room now occupied as a repair shop. An inside doorway will connect the two places.

THE SIGN OF QUALITY

For Perfect Baking Results Use

LILY WHITE

"The Flour the Best Cooks Use"

THIS flour has stood the test of time. Three generations of women have won reputations as expert home bakers through its use. The high standard of quality has been maintained. It is just as good as flour made from wheat can be produced in perfectly equipped mills, with America's foremost milling experts on the job.

Choicest Wheat Grown in America Used

In producing LILY WHITE the choicest wheat grown in this country is used—a soft winter wheat of perfect balance. It has just the right strength, neither too hard nor too soft. Its color, texture and flavor are beyond comparison. Only the choicest goodies of every wheat kernel are milled into LILY WHITE. It is all quality.

How We Handle the Grain

Every kernel of wheat that goes into LILY WHITE is treated in a way to bring out its best qualities. First of all it is cleaned four times, scoured three times and then thoroughly washed before going on the rolls for the first break. Few mills take so much pains. This separates numerous by-products from the grain. Only the choicest hearts of the kernel go into LILY WHITE flour. The "six-break system" of milling which we employ is the top-most process known to the milling art. Our machines and our silk bolting cloths are the best known to this industry. From the raw material to the sack no human hand touches LILY WHITE. The packing is done automatically. With infinite pains and care the raw materials are converted into a flour of unsurpassed uniformity of granulation, of unmatched color, of texture and volume that are a joy to those who are judges of quality.

Makes Delicious Bread, Rolls, Biscuits, Pastry

The care in milling LILY WHITE comes out in the baking. Everything baked with it looks good, is light, tender, of fine flavor. Bread and rolls are splendid and appetizing. Biscuits are light, tender and flaky. Pie-crust is so flaky and fine that it melts in the mouth.

Satisfaction Guaranteed

We have always guaranteed LILY WHITE to be not only a good flour but the very best obtainable. LILY WHITE costs only a little more than ordinary flours. It is guaranteed to give perfect satisfaction.
