FORGING AHEAD

We cash many pay checks each week and have learned some interesting things in this way. We have found out, for instance, that the men and women who deposit part of their pay checks in a Savings Account are the ones who bring in larger pay checks later on. And we have found that those who have Checking Accounts in this bank are always the ones who are promoted with greatest regularity.

The reason is simple:

Thrifty, Systematic People Forge Ahead Faster Than Others.

A bank account is a good index to character. Have you one? If not, why not bring YOUR pay check to this bank and open an account with us?

Such an account will help you forge ahead.

DAMAGED BY FIRE

Kuhn Family Suffers Loss of Goods in Austin House.

A fire discovered by neighbors of M. E. Kuhn in his home on Monroe street at 9:30 a. m., Tuesday, destroyed and damaged much of the household goods and wearing apparel and did much damage to the house, which is owned by O. C. Austin.

The fire seems to have started in a closet located under a stairway leading to the chamber and much of the loss is on clothing, bedding, etc.

The Kuhn family were all absent from home and the attention of the neighbors was attracted by smoke from the roof. The fire alarm soon called the department and friends who removed much of the furniture, etc., and extinguished the flames promptly, considering the start they had.

House and contents were insured. The Kuhn family are living temporarily with Mrs. Kuhn's mother, Mrs. Hiscutt.

A peculiar circumstance, concerning the fire, is the fact that smudges had started in the same place on the previous Thursday and Friday nights, indicating defective electric wiring as the cause.

LOOK'S Annual One Cent Sale

Next Week
Thursday, Friday and Saturday
October 21, 22, 23

This sale is put on by the United Drug Co. as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full size package of standard merchandise for one cent. On former sales, we issued large bills giving a list and prices of articles offered, but owing to the scarcity and high price of print paper we are obliged to omit it this year, but we invite you to call and see the goods displayed and the splendid bargains we are offering. Every article is high class merchandise, the same as we sell you every day at regular prices.

Toilet Articles, Food Products, Candy, Rubber Goods, Household Remedies, Stationery, Etc.

LOWELL SCHOOL NOTES

The Lowell High school football squad easily defeated Belding High here Friday afternoon by a score of 54-0.

This is the second victory of Lowell High this season, the first being when it smothered Catholic High's reserves team under a 91-0 score.

This week, Friday, Lowell meets Lake Odessa's team on their own grounds.

A feature of the Belding game was the brilliant interference which the Lowell line and backfield offered their runners. Belding never threatened to score after the first half. The score at the end of the first half was 23-0.

The Lowell line-up was greatly weakened when the fourth quarter, Aldrich, Lowell's right tackle, sustained a fractured nose and had to leave the game.

Fortunately this will not hinder him from participating in the game Friday.

Belding's strong play was a drive of tackle, while Lowell favored a more open type of play with many strong end runs, and a shower of forward passes which bewildered Belding's defence.

Lowell's squad met Tuesday morning and elected Aldrich as temporary captain.

Lowell's next game at home is when she meets Rockford High on October 27.

METHODIST CHURCH

All services next Sunday begin at the same hour as usual, which means one hour later on account of the change in time.

The subject of the service next Sunday morning, "The Growing Church." In the evening we have another picture lecture, "False Views of Equality." These services are very interesting. Time 8:00. We hope several will be present.

Subject of the prayer meeting Thursday evening, "The Star in the East." We hope several will be present.

Among the interesting features of the Sunday school last Sunday, was the promotion of one of the classes from the Primary department. The Superintendent of that department in a very touching address, presented the class to the Superintendent of the main school. They were received with cheers, and the Superintendent, in some well chosen remarks received them and gave them to the care of their new teacher, Miss Eva Laux.

A larger attendance at Vergennes last Sunday than usual. But there was room for many more. Come and boost with us, and help to make the services a still greater power. If you live in the community, lend us your aid.

TO CELEBRATE ARMISTICE DAY.

The several committees of the Community Welfare association met Monday evening, Oct. 11, at the City hall, at which time plans were made to fittingly celebrate the anniversary of the signing of the Armistice. A committee was named to take charge of this celebration. Mr. L. C. Dyer acting as chairman. There was a discussion of the need of a district nurse, and it was moved and carried that Supervisor Yeller be requested to use his influence to forward this work in the county. All spoke very highly of the work of Miss Pease, Mr. Appleton speaking in regard to her work in the schools, and Mrs. P. C. Peckham and Messrs. Look, Coons, Hutchinson and Smith, regarding her work in the community at large. Watch for notices of the celebration for the American Legion, Armistice day, Thursday, Nov. 11, afternoon and evening.

Lalley's Announcement of Lower Prices

This store was the last to raise the prices
and now the first to drop.

Wholesale prices on high grade clothing for this
fall season have not been reduced and will not be
before January 1st, 1921. We anticipate then a
reduction of about 15 per cent.

To maintain the confidence of the public in our
business methods, to meet the demand of the
clothing purchaser and make new customers for
this store, we have decided to take such action.

Last Wednesday's Audience Mystified by Phonograph

Drawn from
actual photograph

hears famous baritone

compare voice with RE-CREATION by Edison's new phonograph—
could not tell the two apart.

GLEN ELLISON, the famous Scotch baritone, gave
an extraordinary recital last Wednesday night at
the City Hall.

Mr. Ellison walked onto the stage and stood beside
a statey cabinet. He began to sing "When the Bonnie
Heather is Blooming." The audience immediately
yielded to the spell of his beautiful voice. Then sud-
denly there was a stir—a subdued murmur of surprise
and a perplexed rubbing of eyes. Mr. Ellison's voice
continued to fill the hall with undiminished sweet-
ness—your ears were proof of that—but his lips had
become silent—your eyes told you that.

What wizardry was this? It was the test of direct
comparison with the living artist, which Thomas A.
Edison has developed to demonstrate that the Official
Laboratory Model of his new phonograph will sing
any song exactly as it was sung by the artist, and that
his RE-CREATION of a singer's voice, as it comes from
his wonderful new phonograph, positively cannot be
distinguished from the singer's actual voice, when
both are heard in direct comparison.

Mr. Ellison made repeated comparisons—always with
the same result. It was truly wonderful. This master
achievement of the great wizard Edison, marks a new
epoch in music.

The NEW EDISON

"The Phonograph With a Soul"

You can have a duplicate of the wonderful instrument used at
the City Hall and, if you act quickly, we can furnish you with an
engraved certificate (signed by Mr. Ellison) certifying that it is
an exact duplicate in tonal quality of the instrument he used in
his amazing comparison; also that it will sustain precisely the
same test.

We have ten of the famous Official Laboratory Models and
Mr. Ellison has certified every one of them. Come to our store
at once and ask to see and hear the Official Laboratory Models
on which Mr. Ellison has issued his Certificate of Authenticity.
