## EARLY FIRE ALARM

### Home of C. R. O'Harrow Had a Narrow Escape.

A smoldering fire in walls of the Charles O'Harrow home in Lowell, discovered about 5 o'clock Monday morning, caused an alarm to be sounded that roused the good people of the town from their slumbers. The fire department responded, but neighbors had rendered first and efficient aid and prevented the destruction of the house which would have been inevitable had the discovery of the fire been delayed a few minutes longer.

**CARD OF THANKS.**  
We wish to thank the neighbors and the fire department for the very prompt assistance given us to save our home.  
C. R. O'Harrow and Family.

**WALTER MORRIS, WHO UNDERWENT A CRITICAL OPERATION AT BLODGETT HOSPITAL, IS REPORTED THIS THURSDAY MORNING AS DOING FINELY, AND IS BEGINNING TO TAKE NOURISHMENT.**

**LOWELL METHODIST CHURCH NEWS.**  
Last Sunday was a fine winter's day. The morning attendance was large and the Sunday school numbered 105.  
Plan on attending the Sunday school institute to be held in the church Wednesday afternoon, and evening, Jan. 19. This is to be for the benefit of all interested in Sunday school work in this community. It will be conducted by the Kent County Sunday School association. Let each contribute his part to make it successful.  
The Woman's Missionary society will meet with Mrs. Orlo Yeller Friday at 2 p. m. The subject for the study is, "Every man in his own tongue." No progress of the 19th century is more remarkable than that of Bible translation. People of 600 languages may now read in their own tongues at least a part of God's word.  
Next Saturday afternoon at three o'clock Mrs. Kenyon's Sunday school class have a business meeting and feed in the church basement. They are anticipating a fine time. This class has adopted the name of "Willing Workers," which is very appropriate. But some think the name "Live Wires," would also be applicable.  
Fifteen members of Class Number 10 met in the church basement for the election of officers and a social time Tuesday evening. The following were elected: President, Richard Munge; vice president, Frank Morse; secretary, Wilber Sneathen; treasurer, Smith Kyster. Several interesting games were played after which the appetites of all were satisfied with an abundance of sandwiches, fried cakes and coffee. Mr. and Mrs. Austin Coons have invited the class to their home for their next business and social meeting.

The remains will be brought to Lowell today. No arrangements for the funeral service have yet been made.

**OBITUARY—MRS. JOHN RICHARDSON.**  
Alice Angeline McBride, youngest daughter of John and Mary Richardson, was born in Topinka, Mich., April 27, 1874, and died at her home in Lowell, Mich., Jan. 3, 1921. At the age of 18 she was converted, and lived a devoted Christian life ever since. She was married to John Richardson, and to this union six children were born. She is survived by her husband and six children, two brothers and two sisters, and a host of relatives and friends.

## The Man Who Borrows

The man who borrows gets the habit. And its a bad habit. The chronic borrower is shunned by his friends, and soon becomes his own worse enemy. Thebest way to keep from borrowing is to have a savings account at the bank. Then, if you need money, draw it and you're under obligations to no one.

Most men and women make a fizzle of saving, because they put a great deal of thought into the earning of money and none at all into the saving of it.

Members of the board of supervisors are in a quandary as to the new state dog law. The prosecutor told the supervisors there was something like \$15,000 in uncollected dog taxes in the county. He said it is almost impossible to start 3,000 separate prosecutions and he could not see how the sheriff was going out to slay some 3,000 dogs to force collection of a 1920 tax. He also pointed out that it is time for the 1921 dog tax to be collected and nothing for 1920 has been done. While the discussion was at its highest point and nothing definite was in sight, an adjournment was taken.—[Press.]

### COUNTY BOARD OPPOSES COMMISSION

From Wednesday's Press:

With Supervisor Edward L. Smith, of the Second ward, deserting the ranks of the city members of the supervisors and casting his ballot with the rural members, the latter were enabled to secure the passage of a resolution Tuesday afternoon condemning the proposed county commission government bill which will be presented to the board of supervisors in session, the appointment of two new deputies the final count stood 24 to 23.

The introduction of the resolution was made by Supervisor Melville McPherson, of Vergennes township. Immediately members of the city side of the board took against it, and for a few minutes a wordy battle was waged. McPherson charged the Citizens league wanted to obtain the passage of this measure and that it removed from the townships their right to representative government. The charge was combated by the city members and then the vote was taken. Supervisor Charles P. Muller, of Caledonia objected to the resolution, saying the board of supervisors was no place for its introduction as it meant "we are trying to perpetuate ourselves." To a man the township members voted for it and the city members against it until Smith threw his lot in with the townships. After the vote was announced Supervisor McPherson thanked Smith for the deciding vote.

After this resolution had passed Supervisor McPherson called up his previous resolution calling for a semi-commission form of government over which the supervisors would have control. Supervisor John McNabb introduced one immediately after which provided that the finance committee, the chairman of the board of supervisors and the chairman of the building committee should be the managing body of the county. After a lengthy debate it was decided to give both resolutions to a special committee. Chairman W. D. A. named Supervisors Oltman, Waterston, Shaw, Jakeway and Gallmeyer on the committee. Supervisor McPherson's name was named but the latter resigned.

In speaking in support of his resolution Supervisor McPherson declared that he was "ready to accept any plan that would remedy the terrible sickness that has afflicted the county government." Supervisor McPherson has been a persistent opponent of the proposed county commission form of government.

The supervisors Tuesday afternoon approved the rules which will govern the conduct of the juvenile home board of control in the future. The board refused to allow Sheriff Yieverge to withhold the appointment of two new deputies for night work and divide the salary among the men now on the force, even though they take over this extra work. The sheriff said it would mean a saving of \$1,200 a year to the county. The board overwhelmingly refused to accept the sheriff's proposition and as a result the sheriff's force will be augmented by two new deputies, each drawing \$1,500 a year.

A resolution urging the legislature controlling heavy traffic on state and county road, introduced by Supervisor Quinlan, was passed unanimously.

With one or two exceptions, the opposition to these ordinances came from members from the townships some of whom believed that by killing the ordinance relative to the clerk, treasurer and register-of-deeds they were reducing their salaries. Their remuneration, however, was fixed last October and cannot be reduced nor added to during their term of office.

The ordinance providing for an increase in fees charged in the register of deeds office unanimously repassed over the governor's veto.—[Press.]
