LOWELL LITERARY CLUB
The Lowell Literary club met last Wednesday with the president, Mrs. Chas. Doyle. The subject for the afternoon was "Shall the Immigrant be Excluded?" and was in the form of a debate with Mrs. William Stowell and Mrs. A. S. Bennett for the affirmative and Mrs. R. L. Dyk and Mrs. J. M. Meyers for the negative.

Many interesting points were discussed in favor of the Immigrant while a general feeling among the club was that too many were being brought into this country for its own good and that the place to stop the Immigrant was in Washington and not Jackson.

Mrs. Lynn Fletcher and Mrs. L. Rutherford presented several pieces of music in a very pleasing manner. The next meeting will take place April 6 at the home of Mrs. Octave Gardner with Mrs. J. S. Hooker as director. Her topic will be "Current Events of Our Home Town."

CLOVER LEAF CLUB
The regular meeting of the Clover Leaf club was held Tuesday afternoon at the home of Mrs. F. P. Coons.

After being called to order by the president, Mrs. A. M. Andrews, the club listened to a well rendered flute solo, "In the Woods at Evening," by Howard White, accompanied on the piano by Mrs. H. E. Weekes, and in response to an encore, "La Serenade" by Herbert was also rendered. The regular business session was followed by a short talk by Mrs. Gilbert on the Historical Society and by the report of the Thrift committee chairman, Mrs. P. C. Peckham.

Miss Mildred Peckham then rendered very beautifully a piano solo, "Lohengrin" by Leybach, followed by "On Lake Champlain" by Frederick Williams, as encore. This being "Patriotic day" in the club decorations were in keeping, as well as the spirit of a paper by Mrs. M. B. McPherson on the Monroe Doctrine, its Author, Why We Fight and Its Relation to Our Present Trouble with Mexico. Mrs. McPherson also led in a short discussion of the topic "How Can the Mother Teach Children High Ideals of Patriotism and Citizenship?" Then followed a delightful number, a vocal duet by Mesdames R. T. Ford and C. J. Collar, "Creole Love Song" by Danza. The meeting closed with a parliamentary drill by Mrs. F. E. White, the club to meet next April 12 with Mrs. F. J. McLaughlin.

IN MEMORIAM
In loving memory of our dear son Albert Winger, who died one year ago today, Mar. 31, 1920.
A year ago today you left us and all our tears and longing cannot bring you back.
More and more we miss you. Folks may think the wound is healed but little do they know the grief that lies within our heart concealed.
Often do we sit and wonder since the day you went away.
Hopes may wither. Hearts fade and die. Forget you never will we.
Father, Mother,
Sister and Brother.

Two Good Men For Supervisor

Lowell Voters May Select Their Township Officers From Two Good Complete Tickets

LEWIS J. YEITER
Mr. Yeiter, who heads the Republican ticket, is a life-long resident of the Lowell township, who has had two years' experience as supervisor, in which office he has given conscientious service. Though he is a Republican, he has endeavored to serve all the people regardless of politics. Lew's smile is not because he expects an easy victory over his good neighbor, but because he is a happy grandpa. He isn't worrying any, says it's up to the people.

Following are the other township nominees on the Republican ticket: Clerk—Frank N. White, genial, faithful, capable.
Treasurer—Myrtle A. Taylor. We've been neighbors 25 years and she's all to the good.
Justice of the peace—Clarence Yeiter, brother of Lewis. It's a good family and so numerous you've got to be careful how you talk.
Highway commissioner—Charles McIntyre. Has had two years' experience and is learning more every day.
Highway overseer—James Denton, well known farmer, has served with Mr. McIntyre.
Member board of review—A. M. Andrews, good judge of property, fair-minded.
Constables—Ed. Walker, Harvey Haysmer, Melvin Court, Merritt Sayles. They all have their friends. You know them as well as we do.

RUDOLPH VAN DYKE
Mr. Van Dyke, who has consented to run for supervisor on the Democratic ticket, is a Lowell "boy" from "away back," in business here 25 years, has served as Village Trustee and President, member Board of Education, President of the Lowell Board of Trade, etc., in all of which capacities he has been a success. "Van" looks a little stern in the picture. Guess he realizes he's got some job over-coming his political handicap. Still, he isn't lying awake nights, though like Barkis "He is willing."

Running with Mr. Van Dyke on the Democrat ticket are the following: Clerk—George M. Parker, well known old resident and real estate dealer.
Treasurer—Chas. H. Alexander, old business man, experienced accountant.
Justice of the peace—William Tredenic, well known farmer.
Highway commissioner—Walter Blakeslee, knows good roads and how to make them.
Highway overseer—George Hazel. Worst any one knows against him, he's a Democrat.
Member board of review—Robert B. Boylan, another old neighbor and a good one.
Constables—John Callier, George Bradshaw, Wesley Yeiter, Miles O'Harrow. Will make good officers if given the chance.

LOWELL METHODIST NEWS
Several members of our Sunday school are attending the Kent County Sunday school convention held in Grand Rapids Thursday and Friday.
One of the interesting numbers will be the address by Bishop Henderson, at the First Methodist Episcopal church Thursday evening.
The April meeting of the Ladies Aid society will be held at the home of Mrs. Kelllogg Friday afternoon, April 5th.

The election of officers in the Sunday school at Vergennes, resulted as follows: Supt., C. M. Himebaugh; assistant, supt., Mrs. John Krum; secretary and treasurer, Donald McPherson; organist, Abbie O'Dell. The two delegates sent to the county convention from this school were D. S. Hudson and Donald McPherson.
The Easter joy and spirit which permeated every part of the service of last Sunday, helped to make the day a memorable one. The choir contributed much to the morning service, with the beautiful and well rendered anthems and solos. All those present were earnestly urged by the parents in bringing their children for baptism. Following the sermon, we were very glad to have several enter the membership of the church. The program in the opening exercises of the Sunday school was joyful yet impressive. The thought for others was expressed in bringing of forty-five dozen eggs for Bronson hospital, and the special offering for missionary work. The evening of the Easter day found a large number of worshipful expectant people gathered to hear the inspiring Easter story in song. The chorus consisted of twenty voices with Mrs. McNaughton as pianist. The solos, quartets and all the parts were beautifully sung. From the opening sentence, "When darkness falls on the city walls," to the closing "Hallelujah" the audience was thrilled with the thought of the "Risen Christ." Some of the listeners expressed themselves by saying "It was one of the finest musical productions ever given in the church." Others declared that many places much larger than Lowell would not listen to as wonderful music as we enjoyed that evening. Thus closed the day, which should be the gladdest of all the year.

The most important and most interesting spring announcement we have ever made

NEVER in our history have we entered a new season in a condition to render a more satisfying clothes-service to men and young men than this spring season of 1921.

The reason: The decks are cleared of old merchandise and we are able to present fresh, new merchandise, at the same moment when the clothing market has been stabilized and prices are down to where they should be.

In meeting the unsettled conditions which existed in the clothing industry during the past fall and winter, we revised our prices to even less than the downward market trend, and thus were able to reduce our stocks to a point, seldom, if ever reached, at the end of a season by any merchant.

Difficulty in securing action is due to lack of witnesses who will make legal complaints. Mr. Holland declares he saw no drinking nor unseemly conduct aside from some scuffling by boys which ceased on orders. Some woman, supposedly from Grand Rapids, had a room upstairs and he heard some loud laughing and talking there, found several men there and ordered them out, but saw no evidences of misconduct otherwise, he being busy serving lunches. The hall street door is nailed up and a lock will be placed on the inner door, making access to the upper rooms impossible except to those who have a right to it. Mr. Holland declares his purpose to run a respectable place and desires to cooperate with the authorities to that end.
