LOWELL 12, IONIA 2 IN THE LONG AGO

Lowell Ball Tossers Mopped Up the Ground With Eastern Neighbors.

We are feeling fine by bringing home the bacon from Ionia. Our boys looked Mr. Ritchie over for five innings, then went after him in the sixth inning for five hits, base on balls, two errors and a sacrifice for seven runs. In the seventh the boys got cooled off and in the eighth inning a base on balls, sacrifice fly, and a sacrifice hit, the last hit being a three bagger netting five runs.

Score by innings:
 1 2 3 4 5 6 7 8 9 R. H. E.
 Lowell 1 0 0 0 0 0 1 0 2 4
 Ionia 0 0 0 0 0 0 0 0 12 15

Battery for Ionia: Ritchie and Miller, Lowell, Dresser and Ronney, Umpires, Barber and Gazella. Time 2:10.

Our boys sure have their batting eye, and the little boy Chadwick on first looks good. Dresser is going fine. The last two games pitched he has only allowed five hits for three runs.

Lowell team goes to Hastings June 23. Let us ask with them. Pop and Heyboers here Sunday, June 26.

Hastings base ball team will play here June 30, which will be the first week day game of the season, and Ionia plays at Lowell July 1. Can we win the next two games from them? Come out and see us Murphy.

LOWELL CHURCHES

Religious and Social Activities of the Church People of Lowell and Vicinity

LOWELL METHODIST NEWS.

Next Sunday is the time we will observe Children's Day. In the day, and an opportunity for the baptism of children, and reception of members into the church. At 7:30 will be the annual program. The boys and girls are preparing songs, exercises and drills. The young people are forming into a chorus choir, led by Mrs. C. J. Collier. By this united effort we are anticipating a very interesting program.

The men of Class No. 12 are planning a "Stunt Test," for the members of Mr. Kenyon's class next Friday evening. The boys are requested to meet at the church at 6 p. m. with bathing suits. The men will meet there with machines, games, feed, swim, and other interesting features. Every boy be on hand for the good time.

Several from here are planning to attend the Young People's Institute at Albion next week. For several years this has been the largest institute of its kind in America. It will be a time for study, recreation and spiritual uplift. It is expected that forty cars from Grand Rapids district will be needed for Albion next Monday.

Twenty-one members and friends of the Young People's class, of the Vergennes Sunday school met at the McPherson home Monday evening for a social time. Games, charades and songs were entered into heartily and helped to make a very enjoyable evening. The young people are to have these gatherings occasionally.

The Children's day services last Sunday at Vergennes were very interesting. The subject of the main program was "The Secret of Happiness," followed by recitations and songs. The exercises were well carried out and brought an impressive lesson to all present. The offering for education amounted to \$10.65.

On page eight of the Michigan Christian Advocate, of June 15, will be found a very interesting article as to how money and the contents of packages have been distributed in China.

The regular time for the ball game between the fathers and sons has been changed from Wednesday evening to Tuesday evening. The game is called at 6:30 and every one invited to attend.

The first of several anticipated good times for the summer was held on the church lawn Wednesday afternoon. Eighty-five boys and girls, under twelve years of age, and their mothers gathered for a summer party. The time was divided into four divisions, each in charge of a member of the committee. The first half hour was a demonstration of the regular work of the primary department, and a short program for the mothers. The second division was the telling of Bible stories by Mrs. Austin Goons, and dramatizing them by the boys and girls. The third division was games in charge of Mrs. C. J. Collier. Lastly, Mrs. Frank Goons had in charge of that which was of great interest to the boys and girls, the serving of ice cream cones and cookies of all shapes and sizes. This happy occasion was planned and carried out by class No. 12, and was another demonstration of the good times that can be had through the church and Sunday school.

OBITUARY—W. H. KEECH

William Henry Keetch was born at Stockbridge, New York March 1, 1840, and passed away June 17, 1921, aged 81 years, 3 months, 18 days.

On Oct. 9, 1861, he responded to the call of his country and joined Company K, of the New York Light Artillery, and was honorably discharged January 19, 1865.

In 1866 Mr. Keetch moved to Michigan, and soon settled at Alton, which has since been his home.

Feb. 11, 1869, he was married to Jennie S. Garver, who died July 31, 1902.

He leaves to mourn their loss two sons, Frank Keetch, of Moseley and Charlie Keetch, of Vergennes, two daughters, Mrs. Chris. Lathrop, and Miss Anna Keetch, both of Lathrop, and one brother, Peter Keetch, and many friends.

About eleven years ago Mr. Keetch had a paralytic stroke and has since been nearly helpless and a great sufferer.

The funeral was held at the Alton church, in charge of Rev. H. H. Harris.

OBITUARY—MRS. ELIZA FEUTZ

Mrs. Eliza Feutz was born May 12, 1867, in Parry, Kanton Bern, Switzerland. Sept. 10, 1885 she was united in marriage with Abraham P. Feutz. This union was blessed with twelve children, nine sons and three daughters. She came to this country in 1889. They settled in Ada township, where she lived until her death. A year ago last April, she with her husband joined the Zion German Methodist Episcopal church. She was also a member of the Ladies' Aid.

Mrs. Feutz was a true wife, a kind mother, and a devout woman, having implicit trust in God.

About a year ago she had to submit to a severe operation at Bloodgett hospital. She recovered sufficiently that hopes were maintained that her health would be fully restored, but only too soon her condition became worse. In spite of the best care and medical attendance she gradually grew weaker, so that for the last month she was constantly confined to her bed.

During her sickness and suffering she was patient and yielded to God's will. Wednesday, June 15, at 7:35 a. m. death released her from her earthly suffering at the age of 54 years, one month and three days.

A kind mother who toiled for her large family, and her labor. The departed is survived by her husband, nine sons, three daughters, 17 grand children and a host of friends.

The funeral services were held Friday, June 18, at 2 p. m. at the German Methodist Episcopal church, Rev. Link, officiating.

She was laid to rest here in the Lowell cemetery. (Com.)

EARLY RESIDENTS PLAN MARKING OF MANY LANDMARKS

At the annual picnic of the Old Residents' association to be held in the former Huber pavilion at Ramona park June 30 the plan for marking historic sites in Kent county will be discussed. To assist in this work members of the Daughters and Sons of the American Revolution will be invited to attend the meeting.

Capt. Charles E. Belknap, president of the association, advocates the launching of an organized effort to mark the historic sites, dated more than half a century back. The six Robinson trading post, which was near the bridge over the Grand at Ada is one of the sites planned for marking and there are many other landmarks of pioneer days which, it is believed, should be perpetuated in memory by suitable markers and tablets.

An invitation is extended to all old settlers to attend the midsummer reunion and picnic. Brief talks will be given by old residents and visiting members. Community singing will be one of the features and will be led by Mrs. Harold R. Nye and Mrs. A. Hazenbergs—Grand Rapids Press.

Many an industrious, far-seeing man can attribute his business success to the first dollar he deposited in a savings bank.

That dollar can truly be regarded as the first stone in the foundation of his business structure.

And many a young man to-day who is cultivating the habit of regular saving will have the same story to tell.

Those wishing a safe depository for funds (\$1.00 or more) can find no institution more likely to safe-guard their interests than this bank.

THE MAN WHO DIDN'T GIVE UP:
If you at the age of should be counted in what, that on your back, unable to wear a hand or foot or turn your head, would you give up? All these happened to Jesse Laidlaw, despite his handicaps. Dungee cares on a business of a size seldom attained by aged men in most health.

From his couch, with a telephone strapped to his head, he dictates letters and keeps office forces on the jump at the three hundred concerns in which he is interested.

Successful? After a year of invalidism he has just bought a \$50,000 house. "That's because I still have my head," says Laidlaw. "I have full use of my mind—which means I have the real reason for the important part of the human body."

Sometimes the battle for a few minutes you disengage. Sometimes it seems that no matter how long you live, you are never against you. Sometimes it seems that you never will get ahead.

But everywhere, such a man as Jesse Dungee have proven that if you keep your right state of mind and grit your teeth you can overcome handicaps comparable to those your present ones are never shadows.

Pick up your load, brother. Tomorrow's a new day.—Leland Boyd Press.

As the Salvation Army says it: "A man may be down, but he is never out."

IT DID MEET FINING:
In this department last week the compositor had to misquote former Vice President Charles D. Wick and this made a joke of our remark that Mr. Marshall's declaration needed no fixing.

This is what Mr. Marshall said: "You must defend this flag with the last drop of your devotion or ally yourself with the uncivilized, no law, no civilization, no God, no religion, no anything, no anything, no door but I do object to their knocking after we open it and let them in. And if they try to use our flag, their hearts are still in the Fatherland, and we are the United States should put their bodies where their hearts are. We are citizens who cannot read, write and speak the English language."

Any one who will compare this statement with the original language will agree that it did need fixing very much. "Tidy the survivors of a poor editor must."

The Village Council has found it necessary for public protection against possible great loss to the city during the coming year, National state, county and municipal will pay \$2 for every man, woman and child and Representative Knight of Ohio declares that appropriations and expenses must be made to save the country from ruin.

Francisco Villa, erstwhile Mexican hero, has been reformed, and with 9000 men, and 100000 acres, and to have ready for market 50,000 bushels of wheat for the relief of the starving people of Mexico. He is said to be true and just; but he's kidding.

Many kind-hearted people advocate life-improvement rather than capital punishment for murderers. A prisoner in the Michigan State Prison at Correction, himself injured in his cell after serving one day of a term for attempted murder, seems to have a new idea on the subject, the point of view has much to do with our opinions.

Insurance against old age and poverty is guaranteed by the savings of an old man, citizen, which simply to save and bank money on every dollar received. Good plan, and it will carry out. No wish will require back bone. No wish bone will do it.

The good old silver dollar of our day is coming to be a thing of the past. States mint having resumed coinage to replace 27,000,000 sold to Great Britain during the war. Wilson, the back, old friend of the people.

BUSINESS MEN OF '80

Former Lowell Business Man Recalled Names of Lowell Men of Old Residency.
H. S. Schriener, a former Lowell business man now living in Grand Rapids, was here for a number of days, recalled names of men in business in Lowell, here thirty-five years ago. Most of whom have crossed the Great Divide.

Afterward he recalled the following: Mr. and Mrs. William Wilcox, Lowell, who he said he had known in Lowell, as follows: Lowell is a handsome progressive town. It is a market place of great renown.

It is a market place of great renown. It is a market place of great renown. It is a market place of great renown. It is a market place of great renown.

Ship and sail under the Stars and Stripes all parts of the world.
There is a long period when it was not true, but today it is true. It is true. It is true.
