#### Belding Booz Peddlers Draw Smart Fines in Lowell.

The ball game at Recreation park last Sunday was enlivened by some "sport" not drawn in the bills, the main features of which were provided by James Couzens, Frank Goodenough and Frank Snider, of Belding, who were evidently in a condition more hilarious than wise. After some promiscuous driving about the ball field and track—Couzens driving—and being ordered off the track, they drove out of the gate where, with plenty of room to spare, they crashed into another Belding car and smashed its gas tank. Then Goodenough ran behind a building and smashed a can, the smell of the contents of which were suspicious to Village President Henry and Village Marshal Haysner who were on the job.

The men were arrested and lodged in jail. Afterward they were released to appear before Justice A. M. Andrews Tuesday, at which time his Honor assessed Couzens \$50 and costs, and Goodenough \$25 and costs, and Snider \$25 and costs. The Justice was lenient with Couzens on account of his having a wife and two little children; otherwise he would have received a jail sentence.

#### BASE BALL NOTES.

The Ionia Independents and Lowell Legion will play the fifth and deciding game of the series at Recreation park, Lowell, Sunday, Sept. 11. Ionia team will be strengthened by the addition of players from Central League.

The game with Belding at Recreation park Sunday was won by Lowell with a 9 to 6 score. The same teams played at Belding Labor day and Lowell won again, this time 6 to 0.

Sunday, Sept. 18, comes the game with the Pope Heyboers in the tournament in Grand Rapids. But four teams are left to finish the contest: Reed City, Holland, Lowell, Pope Heyboers, of Grand Rapids.

C. and the Methodist Episcopal church. She died at her home Sept. 4, 1921. She leaves to mourn their loss, two sons, O. Also two brothers, Orville and Alfred, of Orange township, Ionia county, Michigan and one sister, Mrs. Ina Reese, of Long Beach, Calif., and a host of other relatives and Christian friends.

#### Lansing Motorists Plunge With Car Into Grand River.

Another automobile party has taken the high dive from Lowell's upper Grand river bridge, and not only "dred to tell the story," but drove away in their own car. The occupants scrambled out of their lives were spared, but that they were practically unhurt.

They were Mr. and Mrs. Newton E. Brown, of Lansing, and the time was Saturday evening. They were making the quick turn from the east at the south side of the bridge and Mrs. Brown was driving. Mr. Brown nervously grabbed the wheel, and though the car was going slow, it was going too strong for the guard rail on the bridge, broke through and the car dropped 25 or 30 feet into three or four feet of water, but right side up.

The occupants scrambled out and to shore where Saul Randall took them to his clamming camp and built a roaring fire to dry their soaked garments.

They were visited by Lowell people who quickly learned of the mishap and taken to the home of R. L. Dyk, where they received friendly aid and afterward proceeded on their way in their damaged, but "still in the ring" car and physically but little the worse for their experience.

Of course, the first thought in such cases is "Booze and gasoline mixers," but this was not true of Mr. and Mrs. Brown, who are not that kind of people.

#### DUNHAM FAMILY REUNION.

The second annual reunion of the Dunham family was held with Mr. and Mrs. John Court, Aug. 27.

The Courts have a pretty grove and much hospitality so the "Family" enjoyed the afternoon greatly. Of course there were full lunch baskets and many melons.

The oldest member of the program was Mr. David Flanagan who very splendidly recited "The Pipes at Lucknow" and also "Friar Phillimore" and "The Court" was elected president for the ensuing year. Mrs. O. J. Odell, sec-treas., and Miss Viola Onan, historian.

Four of the seven main branches of the family tree were represented by Omar, Carey, Court, Austin and Mrs. These, with their lesser branches, all to the number of forty-seven had a good old fashioned visit.

Next year the reunion will be held with Mr. and Mrs. David Flanagan.

#### BORN IN LOWELL—DIED AT MANISTEE.

Manistee, Sept. 5.—Perry R. L. Carl, former member of the city commission and for the last 13 years general manager of the Manistee & Northwestern railroad, died at his home here last night, following a long illness. He resigned from the city commission last June on account of failing health.

Mr. Carl was born in Lowell 53 years ago and had been a resident here 25 years. His widow and two sons, Francis, of Detroit, and Walter, who recently moved to Grand Rapids, survive. Funeral services will be held tomorrow at 3 p. m., under Masonic auspices.—[Herald.]

The class adjourned to meet with Mrs. Henry Alexander, Oct. 3.

The people of the Congregational church are inviting the superintendent, teachers of the public school, school board and their wives to a reception at the church Friday evening, Sept. 9, at 8 o'clock. Every one who is interested in the church is requested to be present to meet the teachers and give them a welcome.

Did you see that Band of Workers with their picks and shovels ago through the street Wednesday morning? If you didn't you missed something!

But it is not too late to observe the effects of their labors, so drive by the church and see. Don't fail to watch the future developments, because there will be something doing every day!

Band No. 3 meets with Mrs. Geo. Murray Friday afternoon.

#### LOWELL METHODIST NEWS.

"The church needs folks, but it is also true, that folks need the church. Every one should share in what they have to give to make it a power and a blessing. The church is here because its Founder believed everybody worth while. The church has no substitutes."

Morning service and Sunday school next Sunday at the usual hour. In the evening, Miss Bertha Creek, a returned missionary from China, who is speaking in many places throughout the state, will give an address commencing at 7:30.

The reports at the annual meeting at the Ladies' Aid society showed that the past year has been the best year in its history. All financial lines, and much work has been done in other departments.

The election of officers was as follows: President, Mrs. M. C. Greene, first vice president, Mrs. L. P. Thomas, second vice president, Mrs. A. H. Sisset, secretary, Mrs. E. B. Gollar, treasurer, Mrs. A. M. Andrews.

The annual meeting of the Woman's Missionary society will be held Friday afternoon of this week at the church. All members are urged to be present to hear of the splendid work done during the past year, and help make plans for the coming year.

The coming of September brings many changes, especially among the young people. Some have gone away to school. Some to college, others will go soon. We are very glad for them to have this opportunity, yet they will be greatly missed from their accustomed places in the church and Sunday school.

#### PRATT LAKE DRAIN CONTRACT RE-LET.

\$11,000 Saved in Tax-payers of Lowell and Bowne Townships.

County Drain Commissioner Robert B. Patterson re-let the contract for the digging of the Pratt lake drain on Tuesday of this week. It was struck off to the Woolman Construction Co., for \$17,000, this being the lowest bid. The contract was awarded to this concern in the first instance for \$28,000. That contract was set aside by Circuit Judge John S. McDonald in a suit brought by the townships of Lowell and Bowne to hear of the suit filed by Mr. Patterson in rejecting a lower bid. This decision was later affirmed in the Supreme court.

The re-letting of this contract for \$17,000 is a saving of \$11,000 to the two townships of the taxpayers. It is a vindication of the attitude and procedure of the officials of the two townships who have always contended that the first contract, was excessive in amount.—[Com.]

The Kuch-Klan, familiar name to many, are again making the history of reconstruction in the South. It is the history of the states of that part of the country and from reports in the newspapers seems to be active in Texas. The original organization devoted its efforts to discouraging the attempts of the Kuch-Klan to make good its claim in so-called political expediency. It received Kuch-Klan's conditions to act as a general vigilance committee. It has visited white men as well as negroes, and it has administered its favorite punishment of tar and feathers to several white men whose conduct for one reason or another has brought the moral sense of the community. The authorities have so far shown little disposition to challenge the Kuch-Klan's right to do as it pleases. It has expressed in Texas its determination to continue without confessing its own devices. It is the Kuch-Klan's own devices.

Complained is made by the railroads that motor bus lines are being established in the Detroit area. It is the history of the states of that part of the country and from reports in the newspapers seems to be active in Texas. The original organization devoted its efforts to discouraging the attempts of the Kuch-Klan to make good its claim in so-called political expediency. It received Kuch-Klan's conditions to act as a general vigilance committee. It has visited white men as well as negroes, and it has administered its favorite punishment of tar and feathers to several white men whose conduct for one reason or another has brought the moral sense of the community. The authorities have so far shown little disposition to challenge the Kuch-Klan's right to do as it pleases. It has expressed in Texas its determination to continue without confessing its own devices. It is the Kuch-Klan's own devices.
