## LOWELL METHODIST CHURCH.

Last Sunday the church services began on "the new time." Morning service, 10:30, Sunday school 11:45, Epworth League 6:30, preaching services 7:30. Notice the change.

The Epworth League school class will hold its monthly business and social meeting at the home of Mrs. F. N. White Friday afternoon, April 21. Business meeting begins at 2:30. A social hour with refreshments will follow. All members of the class are urged to be present and bring a guest.

The Fellowship class will have a box social at the City hall next Monday evening, to which the public is invited.

The ideal weather last Sunday did much in filling the people with the Easter spirit. There was a large attendance at all the services, even the babies brought for baptism seemed to catch the spirit of the day.

We were glad to welcome those who came into the membership of the church, both by letter and by the regular form of preparatory membership. The day closed with a musical feast in the rendition of a cantata, "Resurrection Song," by a chorus with orchestra accompaniment. The people of Lowell and vicinity, by their presence, showed their appreciation of our splendid local talent. The audience was supplied with librettos, which enabled them to closely follow the singers. The music committee and the church greatly appreciate the efforts of Mrs. C. J. Collar, the leader, and all who took part in giving us this wonderful Easter story in song, and we trust that the services of the whole day will help us to better appreciate the truth expressed in the closing words of the cantata, which were: "For the Lord is Great, and Greatly to be Praiseed."

The interior of the church at Vergennes has recently been papered, which adds to its attractiveness. A new linchard has also been purchased, which will greatly help in presenting the sermons to the boys and girls in the Sunday school work. The people at that point are very desirous of having the Easter cantata given in Lowell, repeated in their church. The leaders and those who took part have very graciously consented to do so on Sunday afternoon, April 30.

LOWELL BAPTIST CHURCH. Monday, April 22. Eastern time. 10:30 Sunday school lesson, "The Perils of Prosperity," 2 Chron. 20: 1-21.

"Pride goeth Before Destruction, and a Haughty Spirit Before a Fall," Prov. 16:18. Read Prov. 16: 18-25. 11:30, morning worship: "Christ Among the Common Things of Life," 6:53 Young People's devotional: "How to Overcome Difficulties," Num. 13: 25-31.

7:30, evening worship: "The Guilt and Power of Sin." Lowell has changed the time to Eastern time and we need to remember that the services begin one hour earlier than before.

The young people will give a social Friday evening at the home of Cecil Boerna. A good time is expected.

CONGREGATIONAL CHURCH. 10:30, morning worship. 11:45 Sunday school. 7:30, evening worship. Band No. 3 meets with Mrs. Fred Wingeier, Friday afternoon, April 21.

Band No. 2 meets with Mrs. Will Buttrick Friday afternoon.

Mrs. F. N. White will entertain her Sunday school class at her home Monday evening, April 24. Every member is requested to be present. Remember the Sunday school is to be held Friday, April 28 at the Parish house. If you are not a member of the Sunday school, better join at once, as we have jolly good times at these parties and a splendid supper. The names of those eligible to sit at the birthday table will be posted next Sunday. Be sure and attend Sunday school and see if your name is there.

Next Sunday is communion. The membership of the church should all be present.

The Easter services of last Sunday were well attended and greatly enjoyed by all. Special mention should be made of the music, the floral decorations, and also of the well prepared program given at the Sunday school hour.

## NOTICE TO TAXPAYERS.

Another important amendment was made by act 213 of the Public Acts of 1921. This act amends the so-called mortgage tax law, that all mortgages and land contracts upon which the specific tax has not been paid are subject to the provision of the general tax law, and will be treated as taxable credits.

There are strange things that happen in that land of perpetual snows and cold, where the Nabob, the Prince and the Beggar meet on common ground, where one man's life is as good as another, where the lawless stalk their prey and the Scarlet Riders stalk the lawless. But it's not always a land of death and pain. Love and romance demand their toll of the lives that come within the great borders, and there's happiness and sunshine to spare—enough to dim the tragedies that make this story the most startling and realistic tale of the Northwest ever written.

## PRESIDENTS' DAY

Clover Leaf Club Entertained in Grand Rapids Women

The Clover Leaf club held its annual Presidents' Day meeting Tuesday, April 18, at the home of one of its honorary members, Mrs. J. B. Nicholson, of College Ave. Grand Rapids. Fifty-one members, women and juniors, enjoyed a delightful drive into the city, and the splendid program, which Mrs. Nicholson and Mrs. Durian Russell, as joint hostesses, had prepared for our pleasure. Mrs. Peter, of Detroit, (guest of Mrs. Nicholson) gave a group of piano selections: "Spring Song," "Dancing Doll," "Lullaby from Iceland" and others.

Mrs. Russell spoke a few words of encouragement and introduced Major Emery, who attended the Arms conference at Washington, and was present at the burial of the unknown world war veteran, which was very impressive. He told us how President Harding and many other celebrated men of several nations were present at the burial of the unknown soldier, and that the President said: "All join me in the Lord's prayer," that we should have the spoken name of God in American history.

Every nation represented there, except Japan, presented some national tribute, besides thousands of floral offerings. One delegate of the program closed up in her car. The speaker said she could not pass but, she said, "I'm Mrs. Coolidge," "What is your husband's first name?" he asked. "Calvin," she replied. "And his business?" Vice president, she answered. "Vice president of what?" he asked.

Then he told a little story on himself, both of which illustrated the fact, that we are not as well known as we sometimes think we are.

The World War, he said, cost France \$41,000,000,000 and 900,000 square miles of her territory was devastated. \$50,000,000,000 was England's toll, and \$33,000,000,000 that of America. 93.2-10 per cent of our expenses are for past, present and future wars.

Major Emery was full of enthusiasm, and told us many instructive and interesting facts, and closed by saying that America has always been right in war, that American citizenship of the world was good, but we must keep American citizenship first.

Miss Nye, of Grand Rapids, was then introduced and gave several charming vocal selections, accompanied by Mrs. Burch.

"The Demonstrator," and responded with an encore.

Piano solo, Miss Morrison, who also responded to an encore.

Miss Belle Arthur then gave a group of readings in Irish, German and French Canadian dialect.

The program closed with a violin solo by Miss Dorothy Blake, which we all greatly enjoyed, as she was one of our helpers some time ago. Miss Blake was generous with her responses and was accompanied by Mrs. H. L. Weekes.

Our President, Mrs. Van Dyke, in behalf of the Clover Leaf club, extended thanks to Mesdames Nicholson and Russell for a most charming afternoon.

A social hour followed, after which a dainty luncheon was served by our junior members, eight of whom were present.

## ONE VERSION OF SPRING

Spring, as interpreted in water, finds charming expression in this belated clothe model, of utmost refinement. It has a plain, straight skirt with a narrow separate belt of the material. The short coat falls open down the front, having only one fastening place at the collar. There is a slit down the back and a novel decoration of silk embroidery in red and blue which finishes an exquisite ensemble of the tailor's art.

Finished the Job.
