LOWELL, MICHIGAN, AUG. 28, 1924

Growth

When an institution shows a healthy growth over a period of years, the reason is apt to be found in the character of the service it renders its clientele.

It is somewhat significant that the deposits of this bank have grown to ONE HALF MILLION (\$500,000.00) since 1907.

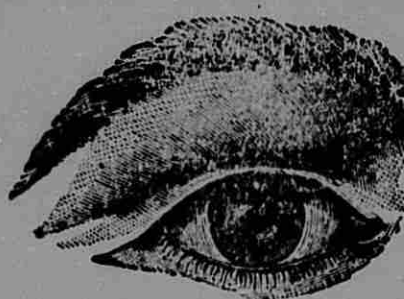

These are facts that tell a story of satisfied depositors; of clients well served.

In soliciting your business, we offer ourselves not simply as a depository for your funds, but as a service giving institution, able and willing to co-operate with you in the promotion of your own business activities; giving you a safe, strong and conservative bank with which to do your business.

Monday, Sept. 1st., Labor Day and a Legal Holiday, This Bank Will Not Be Open.

SCHOOL TIME!

School opens Tuesday, Sept. 2, and it's the old question of school books again. We have them, a bigger and better stock than ever before, new and second hand, both for Lowell and country school. We also have a large stock of school supplies, everything that a scholar will need, such as Tablets, Ink and pencil, 5c and 10c; Note Books, Composition Books, Lead Pencils, Pen Holders, Pens, Crayons, Water Colors, Erasers, Pencil Clips, Pencil Sharpeners, Rulers, Ever-Sharp Pencils, Fountain Pens, from \$1.00 up; Pencil Boxes, Banner Loose Leaf Note Books, Dictionary, Song Keapsacks, etc. Send the children here.

WINEGAR & HARTMAN

FARM'S PICNIC POLITICAL DAY

IF GOVERNOR'S EARS DIDN'T BURN, IT WASN'T BECAUSE HE WASN'T TALKED ABOUT

Library's picnic day in Lowell Wednesday was candidates' day as well as the political pot was boiling hot so all Elmer White and his assistants had to do was to pop in the weenies for the free lunch and let them go it. Wasn't that nice? Our neighbor, McPherson had charge of the doings at Island Park, which was proper, as he at least is a "real dirt farmer," though all of the candidates tried to claim it. We guess the nearest most of them ever came to it was when they drove through the farmyard between Grand Rapids and Lowell; and if the road wasn't any better oiled or salted than usual they got plenty of "real dirt" at least. The speakers were duly introduced by Mr. McPherson, Hal Smith of Detroit, formerly of Ionia, candidate for United States Senator, lead, paying his respects to his townsman Senator Couzens in due and ancient form.

W. W. Potter, chairman of the Utilities commission, State Senator Charles R. Sligh and Lieut. Gov. Tom Read, candidates for governor, all had plenty to say of the present administration. Mr. Potter, especially, had his lambskin with him and the way he waded into Governor Groesbeck was interesting to say the least. Repeatedly, he said: "It is time to stop talking and do something," and then he went right on talking some more, until the other speakers had to be limited to five minutes each.

State Senator Charles R. Sligh of Grand Rapids, candidate for governor, spoke on the importance of the forthcoming primary, which he said was even more vital than the election which follows. It will determine, he said, whether or not our next group of public officials will be the kind of men who hold the state constitution in respect, or whether we shall continue to have at the head of state affairs an administrative board which makes the state constitution no more than a scrap of paper. He called attention to the growing extravagance in county and city government, and exhorted the audience to follow the lead of President Coolidge and work for a sane, economical administration of governmental affairs.

Read the name of a candidate to speak regarding prohibition and enforcement of the prohibition laws. And he did it with emphasis. First, he said he believes temperance, which he said is the greatest experiment ever launched, is a "great thing" for the state and country, and second, if he is elected governor, he pledged investigation which will go to the bottom of the accusations against many officials charged with the enforcement of the liquor laws that are "fences" for the violators. Myron H. Walker and Geo. P. Tilma, candidate for congress, talked briefly on national affairs. The former spoke a good word for Harry C. White, Democratic candidate for Congress.

"Sooner or later the communists will find our form of government is the only correct kind," Tilma said, urging hesitancy in changing the constitution before awakening to the possibility that if something is wrong with government, it may be because of the men who are in office. "If elected, I'll not forget the ordinary man," he said. The horse-shoe pitching contest had 30 entries and lasted from 2 o'clock until 8. Sylvester Bibbler and Otis Bibler won first prize and Frank Freeman and Will Hartman second; score 246 to 243. Prizes \$5.00 and \$3.00.

In the baseball game between the Fats and the Leans, the Fats won, score 5 to 3 in 7 innings. Winning batters, Vern Ashley, pitcher; Will Doyle and Tony Gazzola, catchers. Losing batters, Dr. Shepard and H. M. Shivel. A number of former players on both sides did so well that opinion in the packed grandstand was general that a team of "has-beens" could be organized here that would make the regulars sit up and take notice.

Number of weenie sandwiches 2,500, one to the person, indicating a good crowd. There may have been some repeaters, but a lot got away without any.

County, legislative and other candidates were so numerous that the Herald reporter doubted whether there were more farmers than candidates and the picnic ground, park and grandstand were strewn with their cards.

The local members of the Michigan National Guards gave a military drill and the Lowell band discoursed lively music throughout the afternoon.

HUNT THIEVES WHO STOLE THE TIRES FROM LOWELL CAR.

Lowell, August 22.—Thieves entered the garage of Ralph Story, justice of the peace, Boston township, living three miles south of Lowell, and took the two front wheels of each of two cars, the tools from one car, a can of cylinder oil, and drew off the gas from both machines, while the family was asleep.

The sheriff's office was notified and deputies set on the case. No trace of the thieves has been found. Grand Rapids Herald.

NOTICE
Having quit the horse-shoeing business, I have sold my stock of shoes to Dr. Draper. I operate the repair and grinding end of the shop. The shoeing shop is occupied by Mr. Bowman for garage purposes. Mr. Bowman having had many years' experience in the auto repair business, a share of your business is solicited. Location, east from corner, Broadway and Riverside Drive. C. L. F. Williamson.

METHODIST CHURCH
The pastor and his wife are vacationing in Northern Michigan on a motor trip and will return Saturday. Rev. Beckett of Alto and Rev. Harris will exchange pulpits next Sunday.

The Sunday school is holding its own during vacation days, and every one is urged to be present next Sunday. Evening services as usual.

NOTICE
All school books are strictly cash. We handle them for accommodation and not for profit.

FOOD SALE
Classes No. 7 and 9 of the M. E. church will hold a food sale Saturday, August 30, at Klump's market, one o'clock sharp.

CLASS OF 1913 L. H. S., REUNION

The members of the graduation class of Lowell high school of 1913 and their respective families held a reunion and pot-luck supper at the Methodist community house on Wednesday evening, August 20. Eleven out of a class of seventeen were present.

The evening was spent in renewing acquaintances and enjoying the addition of the junior members of the class. At an early hour the class bade farewell after planning to meet each year in the future.

Members from a distance were: Mr. and Mrs. Dexter Conklin, Flint; Mr. and Mrs. Norton Avery, Lansing; Mr. and Mrs. Otto Andrews, Oxford; and Mrs. Adeline Yelder Jacobs, Akron, Ohio.—A member.

GIRDLER-KEENE WEDDING.

Friends have recently learned of the marriage of Miss Pearl B. Keene of Grand Rapids to Mr. Frank Girdler of the same city, the ceremony having taken place quietly on Monday, August 4, at first Church of Christ, Madison ave., SE, of which the bride has been organist for some time. The pastor, Rev. Brady, officiated. Mr. and Mrs. Girdler are making their home on Fremont street, NW, Grand Rapids.

The bride is a daughter of Mr. and Mrs. Sprague Keene of Horton avenue, and prominent in musical circles and in work of the Eastern Star and the White Shrine, and has many friends in and about Lowell, where she spent her girlhood, who will join in sincere congratulations and good wishes for her happiness.

SURPRISE ON PASTOR'S WIFE.

Some of the ladies of the M. E. church, having found out that Friday, August 22, was Mrs. Harris' birthday, set about arranging a surprise for her and invited all ladies and friends of the church, and their husbands, at four o'clock the continuous honking of an auto horn and the ringing of her door bell announced to her that she was wanted on the outside, and stepping to the door she saw ladies gathering from every direction. Surprised? Well, I guess! But she soon collected herself and was the life of the party. Some time was spent on the lawn in visiting and at six o'clock about fifty repaired to the church dining room, where a bonneted pot-luck supper was spread. As the close of the meal Mrs. Cheetham presented Mrs. Harris with a slight gift, and the latter responded in her pleasant way and said that gathering had been one of the occasions that would always remain in memory.

BIG HARVEST CELEBRATION.

Saturday, August 30, at Saranac. Two big ball games at 10 a. m. and 3 p. m. No admission charged. Music by the Ionia city band. Program with Congressman, Bird J. Vincent as principal speaker. Big program of sports, two tugs of war. Boy Scouts' demonstration. Wiener roast at 11:30, free. Dance Friday and Saturday nights. Everybody come.

NOTICE TO CORRESPONDENTS.

We're getting more than we can handle. Please cut out all neighborhood calls, unnecessary words and trivialities and boil the rest down. No "fillers" needed.—Editor

Mrs. H. S. Hunter of Lake Odessa is visiting her niece, Mrs. George H. Cheetham.

SCHOOL OPENS TUES., SEPT. 2

NEW TEACHERS INTRODUCED TO LOWELL PUBLIC REMARKS BY SUPERINTENDENT MACLEAN.

The Lowell public schools open in all grades Tuesday, Sept. 2, at 9:00 a. m. After Tuesday the hours are as follows: 8:30-11:45 a. m.; 1:00-3:30 p. m. Tuesday will be used in classification of all students and assigning of text books so far as possible. High school students are at a disadvantage if they enroll late as classes are liable to be full or conflicts in schedules can not be met.

When over three hundred individuals must be accommodated in a quite similar program of class periods, with a great variety of subjects, and a number of required subjects in every grade, some students are bound to be disappointed by not always being able to take all the elective subjects which they may have planned. But in every case we shall try to meet the best interests of the majority so far as our facilities will allow. Probably no student has gone through school without having to substitute some subjects for what they previously had chosen to take. Many times, however, the substitute subjects were of as much value as those earlier preferred.

The only way to reduce class conflicts to a minimum over a period of time is in students conforming to a definite program, not by attempting to adjust the program to individual students in any one year.

We believe it will be a help to the book dealers and that less mistakes will be made if students will not secure new books until they have been definitely assigned by the teachers.

Introducing the new teachers.

The senior high school Miss Jennie McGuffie will have charge of the mathematics department. Miss McGuffie is an experienced teacher and a recent graduate from the University of Michigan. Miss Elnice Buehler is head of the English department. A recent graduate of the Ohio Wesleyan University and was principal of the New Baltimore high school last year. Miss Marion Lincoln is a graduate from the University of Michigan with two years' experience at Richmond. Miss Lincoln will teach French and History. Miss Freda Gunneman, who will teach Latin and English, is a graduate of Hope college and has taught at Shelby for two years. Miss Olive Hurlbert, who will have charge of the commercial department, is a graduate of the University of Michigan and has taught in the Ann Arbor schools.

The teachers in the senior high who return to us are Mr. Lynn Clark as principal; Mr. M. L. Bailey, agriculture, science, athletics; and Miss Irene Hartman, home economics.

In the junior high the only new teacher is Mr. Willis Peck, who will have charge of history, citizenship and geography department. Mr. Peck is a graduate from Kalamazoo Normal college. The teachers who return are Mr. Poulson, principal; Miss Kanamurat, English; Miss Lovejoy, mathematics; Miss Evans, hygiene, girls' physical training, coaching and athletic director.

In the grades Miss Barbara Sowerby returns to the sixth grade; Miss Laue Moody to the fifth grade; Miss Katherine Perry to the West ward, 3 and 4; Miss Marion Bushnell to the 1 and 2; and Miss Doris O'Harrow to the kindergarten. The new teachers in the grades are Miss Lois Krieger, East ward, 3 and 4; Miss

SENATOR SLIGH AT ADA PICNIC

Grand River valley in the days when Indian children's names were on the Ada school register and freight and passenger boats made the river an important commercial thoroughfare, lived again in the interchange of reminiscences at the annual picnic of the Ada Pioneer association in Schenck's grove last Thursday afternoon. About 500 old residents of Ada and vicinity, with their descendants, attended the picnic. Senator Thomas McNaughton, president of the association, presided and introduced Sen. Charles R. Sligh, who spoke briefly on the gasoline tax and other issues of the state election.

About 100,000 tourists from outside the state will have come into Michigan this summer," said Sen. Sligh. "Isn't it fair that they should contribute to the roads they use and we furnish them, at least, as much as a 2 cents on the gallon of gasoline? Michigan has appropriated \$50,000,000 for highways, and that is only the beginning of the road-building program."

Promised Road

The speaker drew a round applause when he declared that if elected governor before the projected road to Grand Rapids was built, he would endeavor to see that the main route from the east passed through Ada and other towns of the Grand River valley along the course of the old Detroit-Grand Haven road. The old route is the most scenically beautiful in the state south of Grand Traverse, he said.

Mr. Sligh, whose father settled in Grand Rapids in 1846, mentioned that his mother who made the trip here from New York state, shortly afterwards, came all the way by automobile, traveling from the mouth of the Genesee river, by river and lake to this city.

Oldest Attendee

The oldest attendee at the picnic was Mrs. Mary A. Stevens, now of Ada, who will be 98, August 28. She was born on Grand Island, but went to New York state when she was 24 years old, and about three years later came to Kent county, where she has resided in Caledonia, Grand Rapids and Ada. Her husband, Robert, died in Ada about two years ago and she has since lived with her niece, Mrs. Arthur Martin, of Ada.

The gathering was also a reunion of the Ada high school alumni association, the president of which is Frank Burt of Grand Rapids. B. M. Myers of Owosso, who was superintendent of Ada schools 35 years ago, and Mrs. Myers attended the picnic.

Sen. Sligh's talk followed the serving of the picnic dinner. A program of sports, including a baseball game between volunteer teams, concluded the afternoon. Russell Ward of Ada was chairman of the committee on arrangements.—Grand Rapids Herald.

UP & DOWN TOWN, ALL ROUND TOWN

Mrs. Geo. Denton entertained with a dinner last Friday in honor of her six sisters, Mrs. Geo. Neustra of Beadlands, Calif.; Mrs. Bird Bainter of Owosso; Mrs. Nick Scarpina and daughter Jeanne and Mrs. Neil Klauon of Grand Rapids; Mrs. Millie Wilson of Grand Rapids; Mrs. Geo. Bainter. Mrs. Jake Staal and two children and Ona Denton were also guests. All enjoyed a very pleasant day.

Mr. and Mrs. Charles McIntyre, Eldon and John, Dorothy Kellogg, Mrs. Harry Anderson, daughters Viola and Ethel camped near Holland last week and motored to Grand Haven, South Haven and Macatawa and returned home Sunday.

The descendants of William and Anne Byrne and John J. and Phoebe Weeks, Kent county settlers, will hold their annual reunion at Grouched Lake park, near Parnell, Saturday. A basket luncheon will be served at noon. The Byrne and Weeks families settled in Grattan township in 1844.

In Owosso Monday we called on our old townsman H. A. Sherman. Harry is looking much better than when he was here last on Decoration day, 1923. He says the rest of his people are well, too.

Mrs. W. C. Denick suffered another stroke last Wednesday, leaving her entirely helpless. Mr. Denick remains about as he has been for a long time. They require almost constant attendance.

Mrs. Claude Lane and sons Floyd and Victor are visiting her mother, Mrs. Frances Carter, Evelyn Kneel and Willard Bell, who have been at Harbor Springs all summer, came home with them.

Invitations have been issued by Mr. and Mrs. Archer Lee Knapp to the marriage of their daughter, Virginia Lee to Mr. Roy Edwin DeHart Friday, Sept. 12, at 2:30 Cadillac ave., Detroit.

F. A. Gould is visiting at his old home near Rochester, N. Y. A card from him says he visited the Titus family at Penn Yan and enjoyed reading The Ledger there.

Mr. and Mrs. Reiner and two children of Lowell visited Edward Kyser and family Sunday. Mrs. Reiner was formerly Helen Williams and taught school in the Kyser district twelve years ago. The two families held a picnic on the island Sunday and there were forty present.

Mr. and Mrs. John Rittenger and daughter Margaret Jean of Grand Rapids left Thursday on a trip to Lansing, Ann Arbor, Detroit and Pontiac.

Mrs. Jessie Aldrich of Ionia came Sunday for a few days' visit at the home of her brother, Wellington Long.

Irving and Willie Wepman won \$5 in prizes for foot racing and potato race at the Freepoint Field day last Thursday.

Mrs. Ray Rittenger has returned from a two weeks' visit with friends in Holland and Muskegon.

Alice Smith, 1 and 2, and Miss Eva Dehn, south ward grades, 1 to 7. All are graduates of the Kalamazoo Normal and with some teaching experience.

Quite a number of improvements have been made over the summer vacation to help make school more pleasant and attractive. Teachers and students will have clean, attractive rooms to greet them on their first day of the new school year.

Dance at Woodland Park Saturday Eve., AUG. 29. 8:30 to 12:30. Five Pisco Colored Orchestras of Grand Rapids. Fine Music and Songs. Bill 75c. E. V. STOREY, Prop.

THOMAS McNAUGHTON FOR SENATOR. Thomas H. McNaughton, candidate for State Senator in the August primary, was born on a farm in Ida Township, Kent county, in 1861, and has never had another occupation but that of a farmer. He is Scotch, his parents coming from Scotland. He was brought up a Presbyterian but turned to the Roman Catholic faith when he was a young man. He has had considerable business experience, serving in the House and Senate. He has always been one of the leaders in his community for the orange and other farm organizations. He has been very active in the laboring people and helped to pass the Workmen's Compensation act and other laws.

McNaughton says he will do all in his power to pass a gasoline tax and he thinks he will carry it in the bill that the money from this tax should be used to pay the present outstanding road bonds and also to pay up what the State owes on its bonds. He has had considerable experience in the insurance committee of the Senate, helping to pass out that committee the most important bills passed during the session of the legislature, the so-called "Hating Budget" bill, which saved the insurance public of the State of Michigan more than two million dollars per year. He spent the evening with Mr. and Mrs. Joe Yetter, who are in the city on their way to the State to see to it that the money from the State should be used to pay up what the State owes on its bonds. He has had considerable experience in the insurance committee of the Senate, helping to pass out that committee the most important bills passed during the session of the legislature, the so-called "Hating Budget" bill, which saved the insurance public of the State of Michigan more than two million dollars per year.

Great Painters Used Eggs to Mix Colors. Many pictures which pass as oil paintings are not done with oil at all, according to the directors of the Art Museum at Harvard. An American artist named John S. Hart was found for mixing paint in Italy several hundred years ago. He used eggs for the purpose. The eggs were used as a binding agent for many of the pigments, often used in the form of a water and egg yolk. The water and egg yolk were mixed together and used as a binding agent for many of the pigments, often used in the form of a water and egg yolk. The water and egg yolk were mixed together and used as a binding agent for many of the pigments, often used in the form of a water and egg yolk.

Wrog Mental Attitude; How We Get That Way. The man who has just taken his head out of the water and is looking at the world with a new perspective. TO THE ONE WHO FOOTS THE SHOE BILLS

Of course no boy or girl deliberately spoils their shoes, but it does seem so, especially when Mother just finished lecturing about the Care of New Shoes and Father just paid for them. And to make children take care of their shoes all the time would take half the joy out of life.

The solution of the problem is to buy
Star Brand and Simplex Flexies
They "Stand the Gaff"

They conform to the shape of the child's foot and the soles are flexible and easy.
We are ready with a big line of School Shoes.
