OUR AIM

It is not our aim to become the largest bank in Kent County, but instead we are striving to be one of the strongest and safest banks to be found in Michigan.

We are under the supervision of the State Banking Department and the Federal Reserve Banking system and are subject to rigid examinations at all times.

We are always mindful of our depositors' interests and use every precaution to always see that they will get their money, with interest added, on demand.

It is generally known that we are a strong and conservative bank and we are proud of this reputation. It is our aim, first to see that we operate a strong and safe bank for our depositors; second that we give best service to our borrowers, commensurate with safety; third, that we make a fair rate of interest return to our stockholders who furnish the Capital Stock and who are liable for double the amount of stock which they may hold.

REPUBLICAN LANDSLIDE

MOST EVERYTHING FROM COOLIDGE TO CORONER GOES TO G. O. F. AMENDMENTS ARE DEFEATED

It's a Republican year. Everybody else, starting from under Coolidge is elected by 382 electoral votes to 136 for Davis and 13 for LaFollette, who managed to carry his own state, Wisconsin. The election will not be thrown in to the National House—not this year. Groesbeck for governor and Couzens for U. S. Senator both win out. The income tax, reapportionment and parochial school amendments were all snuffed under, as was the proposition to increase supervisors' pay from \$4.00 to \$5.00 per day.

In Kent, the entire Republican ticket was elected by a rousing majority, votes ranging downward from 29,777 for Register of Deeds Reel.

Ma Ferguson is elected governor of Texas.

The Coolidge landslide may result in giving Michigan a solid Republican legislature with one woman member of the House, Mrs. Cora Reynolds Anderson of the Iron district.

Republican control of both houses of Congress seems probable.

Lowell township voters delivered a record-breaking vote Tuesday, number of votes cast being 1,045, which were divided as follows:

President—Coolidge 786, Davis 144, LaFollette 74.
Governor—Groesbeck 501, Frensdorf 179.
U. S. Senator—Welsch 718, Doyle 238.
Sec. State—DeLand 746, Jarvis 221, State Treas.—McKay 767, Merrick 283.
Aud. Gen.—Fuller 860.
Atty. Gen.—Daugherty 787, Cavanaugh 183.
U. S. Senator—Couzens 609, Coolidge 390.
Congress—Mapes 819, White 167, State Sen. 17th Dist.—Quinlan 708, Peterson 404.
Rep. Dist. No. 2—Look 842, no opposition.
Judge of Probate—Higbee 771, Eastman 214.
Sheriff—Smith 725, Hanley 217.
Clerk—Wagner 811, Vanderveen 166.
Treas.—Clark 792, Somes 139.
Reg. Deeds—Reed 788, Kneel 175.
Pres. Atty.—Munshaw 791, Houseman 186.
Cir. Ct. Com.—Eardley 796, Duiker 174.
Drain Com.—Patterson 742.
Coroner—Hilliker 842, LeRoy 817, Surveyor—Williams 704, McCarthy 111.

LOWELL VOTE ON AMENDMENTS

Lowell voted no on all the amendments including the proposition to increase supervisors' salary from \$4.00 to \$5.00 per day. The vote on this being Yes 181, No 710.

School amendment—Yes 442, No 560.
Income tax amendment—Yes 232, No 713.
Restricting the State—Yes 123, No 689.

VERGENES VOTERS KNOW HOW TO SPLIT

This is the way Vergenes voted: Amendments were snuffed under: Coolidge 231, Davis 90, LaFollette 14.
Groesbeck 117, Frensdorf 216.
Couzens 178, Coolidge 153.
Welsch 182, Doyle 144.
Peterson 225, Quinlan 110.
Smith 236, Hanley 95.

IONIA COUNTY

Groesbeck will lose Ionia county for a third time. Representative O'Brien for legislature is re-elected. Henry J. Cook, Democrat, for sheriff, won by 2,000. Winners are probate judge, Montgomery Webster; sheriff, Henry J. Cook; clerk, Wm. Billey; treasurer, Bessie Galloway; register, Herbert L. Smith; prosecutor, Foss O. Eldred.

COUNTY OFFICERS WARN HUNTERS AGAINST FIRES

Supervisor Ira M. Dean, a member of the county finance committee, recently urged Kent county hunters to exercise caution in preventing forest fires in this section. A bad fire was reported a few days ago near Alaska and because of the condition of the wooded lands, it is feared other disastrous fires may result. The committee asked County Game Warden Charles F. Merrifield to warn sportsmen against carelessness while in the woods.

JACKSON JUBILEE SINGERS

An occasion which merits unusual interest will be the appearance here on Wednesday evening, November 12, on the local Lyceum course, of the Jackson Jubilee Singers, a company of seven negro melodists, who present every variety of negro music.

The music of the American negro is original and distinct. It is highly colored by the swift emotional reactions of the race and ranges from the carefree and joyous simplicity of the plantation melodies to the subtle, peculiar rhythm of the spirituals.

Vocal songs are a particularly interesting feature of negro music which have attracted wide attention in recent years. Running through these songs is a minor strain of religious fervor, half hypnotic in its intensity, and culminating at times in a frenzy of exaltation leading to the Anglo-Saxon mind.

ARMISTICE DAY CELEBRATION

BIG PREPARATION FOR SIXTH ANNIVERSARY AT CITY HALL TUESDAY EVENING, NOVEMBER 11

An urgent invitation has been issued to all regular members of the Grand Army of the Republic and the Ladies Relief Corps to join with the American Legion and the Ladies Auxiliary as their guests in celebrating the evening of November 11th, the sixth anniversary of Armistice Day.

All over the country on that date, old and young participants in America's past struggles will join hands and hearts once more in their common cause, the preservation of the neutrality and the safety of this country for which they suffered and which they beyond all else desire that no future generations may have to suffer in like manner. But it will be a jolly reunion. On Memorial day these veterans, for veterans they are, men and women alike, bow their heads to the country's fallen. On this day, they rejoice in memory of the great joy they had in their "Success" days of the war. And many are the yarns we bet will be swapped when the "Olds" start out to beat the youngsters on the field of battle.

The Ladies Auxiliary is planning a supper that promises ill for the long life of any but the most sturdy of harness leather belts while a special entertainment committee from the Legion has a completed (Continued at bottom next column)

KENT RESIDENTS PAY COUNTY \$28,000 FOR RIGHT TO KEEP DOGS

Kent county dog owners have paid \$25,330.50 this year in licenses, and receipts from the municipal pound, including fines and other collections and \$2,100 as the amount the city was in arrears, making \$27,755, making a total of \$28,005.50 residents of the county have contributed to the treasury for the right to keep dogs, according to a statement submitted to the board of supervisors yesterday by County Treasurer Jesse W. Clark.

Asserting the receipts from dog licenses is increasing rapidly, as Treasurer Clark said 3,537 dogs appeared on the township rolls and 4,178 in the city census, making a total which is nearly 1,500 greater than last year.

After March 1, when the township treasurers report to the county treasurer the number of dogs on which licenses are unpaid, it was discovered there were 4,513 or 56 per cent of the dog population which did not yet have the right to wear the 1924 tag. At this time it is estimated there are nearly 300 dogs in the townships and 400 in the city on which licenses have not been paid. During the year the county has reimbursed farmers to the amount of \$1,200 for damage done by dogs to sheep.

Chairman Melville B. McPherson, declaring the dog license law is cumbersome in that dog owners are not penalized for delinquency in paying the licensed fees, urged a county ordinance fixing such a penalty.—Grand Rapids Herald, Oct. 7.

program including a short talk by a prominent attorney of Grand Rapids. Altogether from what we have gleaned from interviews with various members of these organizations, it looks like the society editor who writes a report on this meeting will have to find some considerably more effective description than her usual "a pleasant time was had by all."

With transportation supplied those who would otherwise be unable to attend and with the other details of the function so well mapped out in this far in advance, it looks as though the local boys are going about their fun in as thorough-going manner as they did their scrapping, and the editor of this paper just has to admit a wee bit of jealousy of those who will be their guests.

Much Profit in Well-Bred Bull

Animal Should Be Given Care and Management to Insure Good Condition.

By the United States Department of Agriculture.

The use of purebred sires has been a subject of investigation for at least a century and a half and is still a most important. A critical study of the literature on the subject leaves the impression that the bulk of the material presented is inconclusive, says the United States Department of Agriculture.

The amount of rain to feed to dry cows varies from four to ten pounds per cow per day. The condition of the animal and the kind of roughage. A grain mixture recommended by the department has been found to have access to cows during the last three months of pregnancy.

Ground oats are considered especially valuable for bulks. Contained in the grain is a large amount of protein, especially when fed to cows during the last three months of pregnancy.

On some farms the bulls are given roughage or mucky hay or waste feed by the farmer. This is a waste of practice. It is just as necessary to feed the bulls properly as the cows.

There is a definite relation between the size of the set used and the number of stems and tubers produced to a bush.

Winter of Importance The importance of giving cows through the winter is a subject that has been discussed in many articles. It is a subject that has been discussed in many articles.

The use of purebred sires has been a subject of investigation for at least a century and a half and is still a most important. A critical study of the literature on the subject leaves the impression that the bulk of the material presented is inconclusive, says the United States Department of Agriculture.

The amount of rain to feed to dry cows varies from four to ten pounds per cow per day. The condition of the animal and the kind of roughage. A grain mixture recommended by the department has been found to have access to cows during the last three months of pregnancy.

Ground oats are considered especially valuable for bulks. Contained in the grain is a large amount of protein, especially when fed to cows during the last three months of pregnancy.

On some farms the bulls are given roughage or mucky hay or waste feed by the farmer. This is a waste of practice. It is just as necessary to feed the bulls properly as the cows.

LEGISLATIVE DAY

The regular meeting of the Clover Leaf club Nov. 4 at the home of Mrs. A. M. Andrews. In the absence of the president, first vice president, Mrs. P. C. Peckham, took the chair.

After the regular business routine Mrs. W. M. Hurst, chairman of the legislative committee, took charge of the program for the day which opened by the singing of "Michigan, My Michigan" by the club members.

This was followed by the address of Representative D. G. Cook, who gave us some very pertinent remarks which would have been heard had it not been for the fire.

The club enjoyed Mr. Cook's talk very much and gave him a rising vote of thanks. Edison selection "Marching Thru Georgia," after which Mrs. W. M. Hunter read an editorial by Ida Clyde Clark in regard to women using their franchise.

Then came a voting rehearsal in charge of the committee which resulted as follows: Twenty-one ballots cast—20 Republican, 1 Democratic.

Governor—Groesbeck, 10, Fenwick 11, U. S. Senator—Cauzens 0, Cooley 21, Senator, 17th District—Quinlan 12, Peterson 9.

Rep. 2nd District—D. G. Cook 21, U. S. Senator—Cauzens 0, Cooley 21, Sheriff—Smith 20, Hanley 1.

The program closed with a song by club members, "America the Beautiful." We adjourned to meet November 18 at the Congregational parish house.

VERGENNES BIRTHDAY CLUB

The Vergennes Birthday club met Friday Oct. 31 with Maggie McPherson for a one o'clock dinner, and all were there to enjoy a lovely two-course dinner, after which we had some stunts of which the hunting party came first, then the wishing contest, Mrs. Daisy Biggs coming first in that. Then each wrote as many words from the word "Hallowe'en" as they could think of in a given time. Ruby Hudson writing 47, claimed first. A very good program was given, part of which were several selections on the phonograph. So the time passed and time to separate came all too soon, but will meet soon again with Helen Tuttle.

Mr. and Mrs. H. O. Burt.

CARD OF THANKS

I wish to thank the Cheerful Doers, friends and neighbors for the flowers and many kindnesses and sympathy shown me during my illness and we also wish to thank those who so willingly helped when I broke out in my home.

Mr. and Mrs. H. O. Burt.

CARD OF THANKS

We wish to express our heartfelt thanks to the relatives, neighbors and friends who so kindly assisted during the illness and death of our dear wife and mother, to those who sent floral offerings, for the food sent in and to those who furnished the music.
