ME XXXIII, NUMBER 7

LOWELL, MICHIGAN, JULY 16, 1925

THE HARDEST MAN IS THE BUSIEST MAN
He is ambitious to achieve; disposes to do; desires to serve; cheerfully meets difficulties; expects disappointments.
The pleasures he enjoys from the results of his accomplishments pays back many times the disappointments.
This man is known at the bank. He has transacted all his business through the bank and will testify to the courteous treatment, and of the kind of co-operation that had much to do with his success.

WOMAN KILLED IN AUTO CRASH
LOWELL RESIDENT DIES AND DAUGHTER IS INJURED IN ACCIDENT NEAR LANSING
WILLIAMSTON, July 9.—Mrs. Letta Kneel of Lowell was killed, her daughter, Evelyn, 14, severely cut and bruised and two men were cut about the head when two automobiles collided at the village four corners here early this morning and hanging together plunged 75 feet across the road, jumped a curb and crashed into a brick building.
Mrs. Kneel died an hour after the accident from concussion of the brain.
The two men injured were Everett Harris, 22, of Pontiac, nephew of Mrs. Kneel and driver of the car in which she was riding and W. H. Miller of Jackson, who and Francis W. C. Miller, also of Jackson, were driving to a lake near West Branch where they planned to spend their vacation.
Mrs. Kneel and her daughter were returning with Harris to Pontiac for a visit.
A coroner's jury found that Mrs. Kneel came to her death as the result of an automobile accident caused by the negligence of both drivers, Harris having admitted that he was driving from 25 to 30 miles an hour in the village limits while Miller said because of the early hour he had failed to stop when he approached the trunk line M-16.
The body of Mrs. Kneel was taken to Lowell where funeral services will be held from the residence at 3 o'clock Saturday afternoon.
Lettie E. Carter, youngest daughter of Theodore E. and Frances A. Carter, was born in Lowell, October 3, 1881. She was educated in the Lowell schools, and spent most of her life here. She united with the Baptist church when quite young, and still retained her membership. She was married to Jesse Kneel, September 29, 1900. One child was born to them, a daughter, aged 14. She and Evelyn and her mother lived at her home, 622 Washington avenue.
She and Evelyn had started for Pontiac to visit her sister, Lillian and family, when at Williamston, east of Lansing, they met with an accident, which resulted in her death, July 9, 1925. She leaves to mourn her loss, a daughter, mother, three sisters and two brothers and a wide circle of relatives and friends.
The funeral service was held Saturday at 2 o'clock, Rev. A. J. Blair officiating.

FORMER LOWELL TEACHER WEDS AT PETOSKEY
At a simple home wedding Tuesday evening, Miss Letta Pearl Lancaster became the bride of Lyman S. Brown, of this city, at Petoskey. The bride was accompanied by her father, Rev. A. M. Hodgman, pastor of the Christian church, in the presence of the immediate families and a few friends, at the home of the bride's parents, Mr. and Mrs. W. T. Lancaster, of Howard street.
The note of simplicity was carried further in the attire of the bride, whose ensemble suit was of white wool and crepe. Bride's roses and white Swainsona former her bouquet.
Mr. and Mrs. Glenn S. Bain attended the bridal couple. Mrs. Bain wore a little frock of silk broadcloth in a shade of peach. She carried a bouquet of pink roses and sweet peas.
A buffet supper was served immediately following the ceremony. Orchids and daisies were attractively arranged in decorating the serving table as well as the rooms of the Lancaster home.
Mr. and Mrs. Brown left Tuesday evening on an automobile trip in the Northern Peninsula. Upon their return to Petoskey, in about a week, they will reside at 114 Howard street.
Mrs. Brown is a graduate of the Petoskey high school and the State Normal college at Ypsilanti, and for the past two years has been physical training director in the Petoskey schools. Mr. Brown, a son of Alfred Brown of this city completed his high school work in Charlevoix and is connected with the Alfred J. Brown garage of West Mitchell street.—Petoskey News Reporter, June 30.

Protection Is Essential on Very Hot Days. (Prepared by the United States Department of Agriculture.)

Protection of the lives and safety from the direct rays of the sun during the hottest part of the day should be given the utmost consideration, according to a bulletin of the United States Department of Agriculture.

Seven hundred and thirty-two stars have been awarded to the United States in the office of the United States Department of Agriculture. These stars represent the number of cow-testing associations now showing light on the milk and butter production of 307,073 cows.

The improvement of farm herds and flocks under the best of conditions is especially marked in Kentucky, where county agents have been the work of the United States Department of Agriculture.

Several agencies of small jumping insects are causing considerable damage on garden plants at this time of the year. The western cabbage root fly is one of the most common.

The potato beetle is the most common pest of the potato crop. It is especially common in the West and South.

Control measures for these insects have been suggested. These insects have been very destructive to the potato crop.

Recommend Alfalfa and Corn for Work Horses. During the last two years the Michigan experimental station has tested eight work teams on alfalfa and corn.

Control measures for these insects have been suggested. These insects have been very destructive to the potato crop.

Many Causes for Sow's Desire to Eat Her Pigs. A sow's desire to eat her pigs may be due to many causes. It is not natural for a sow to destroy her young.

Origin of Arabian Horse Never Traced. The early history of the Arabian horse is shrouded in mystery. It is believed to have originated in the East.

Water for Fowls Quite as Important as Feed. Most efforts at increasing the egg production of hens deal with the problem of feed.

Best Food for Goslings. The proper food for goslings is of great importance. It should be rich in protein and contain a large amount of water.

Scratch Feed for Hens. Not over one-third of the scratch feed should be fed in the morning. The rest should be fed in the afternoon.

System Pays for Farm. A system of farm insurance has been developed. It is designed to protect the farmer from financial loss.

In Place of Fur. A new fashion trend is the use of wide bands of clipped ostrich in place of fur for trimming for silk coats.

Suede Sports Jacket. The suede sports jacket is very popular. It is made of soft, supple material and is easy to wear.

Shades in Millinery. Many of the newest hats in both straw and felt are in shades of blue, a deep purplish red, or the softest of pinks.

Deport the Reporter. The returned missionary was as busy as a missionary can be. He was busy with his work and his family.

Medals for School Boys. In awarding 25 medals to school boys for their good deeds, the American Legion has shown its appreciation of the young.

Spiders in Amazon Are as Big as Small Rat. A traveler who has recently returned from an expedition into the forests of the Amazon has reported that he had seen spiders as big as small rats.

Seeing Christ in Men. St. Vincent de Paul made it a rule of his life to be always looking for the Christ in men. He saw the Christ in the poorest of the poor.
