KILLED BY G. T. FAST TRAIN

AGED THOMAS SMITH CUT TO PIECES BY PASSENGER TRAIN TUESDAY AFTERNOON.

Thomas Smith, a well-known and respected old resident of Lowell, aged 85 years, met a tragic death Tuesday afternoon on the Grand Trunk tracks south-west of this village, when struck and run over by the east-bound passenger train No. 58.

Mr. Smith, whose home is on the south side Grand river road, was very deaf. He was walking west on the Grand Trunk track, when he met the section crew, with whom he chatted. The men warned him that the train was about due and that he had better keep off the track, but he proceeded on his way.

Just then the train came into view. The men shouted and the engine whistled its alarm, but Mr. Smith kept on the track and was seen to stoop and pick up a steel trap he was carrying, when the train struck him and hurled him about fifty feet, still on the track, when the train ran over the body, terribly mangled the same.

Justice Andrews was called as coroner and decided an inquest unnecessary, entirely exonerating the railroad men concerned.

It is a coincidence that the place where Mr. Smith was killed was near where Daniel Fletcher met a like fate many years ago.

Mrs. Smith was visiting with Miss Taylor at the Yeller chapel when the body of the unfortunate man was taken there; and that was her first knowledge of the tragedy. She had left him sitting quietly and comfortably at home.

Mr. Smith is survived by his wife, four daughters and three sons, four daughters and three sons: Mrs. Ada Halpin, Mrs. Minnie Boudier, Lillian Smith, all of Grand Rapids; and Mrs. Dora Fletcher (of Lowell); Arthur Smith, of St. Petersburg, Florida; Oscar, of Chillicothe, Ill.; and Lee, of Kansas.

Funeral services will be held Friday afternoon at 2 o'clock.

One Director and Delegate in Kent Body to Be of Fair Sex.

Farm women are to have a more important part in administering the Kent County Farm Bureau during the coming year. It was indicated at the eighth annual convention in the courthouse Friday. One delegate to the Michigan State Farm Bureau convention also is to be a woman.

In line with the bureau's policy to vest more power in the women, President M. B. McPherson, of Lowell, named Mrs. Jacob Spandenber, of Sparta, as chairman, of the resolutions committee.

McPherson is re-elected. During the business session McPherson was re-elected for the third time as president of the organization. Leo Riggs, of Caledonia, was re-elected vice president.

KENT GRANGE ATTACKS COUNTY SCHOOL HEAD.

Grand Rapids, Jan. 15.—County School Commissioner Allen M. Freeland was the object of an attack by the Kent county Ponon, grange when it adopted resolutions, at a meeting at Sparta, to "actively promote at the primaries a candidate to serve the rural interests in the office of the county school commissioner." The grange indicated it will make another attempt to cause enactment of a bill, defeated at the last session of the legislature, removing the right of cities to vote upon the election of a school commissioner.—Detroit Free Press.

LOWELL SPECIALTY COMPANY WORKING OVERTIME ON ORDERS—EXTENSIVE MACHINERY EQUIPMENTS.

The Lowell Specialty company is working its large force of factory employees overtime in an attempt to fill its orders, which are coming so fast that Manager J. A. Arnhart says the company is put to it to fill them. One answer to the problem is sought in a new series of automatic machines now being installed in the Specialty company's newest building, which are expected to deliver 2,000 cans per day for the hand sprayers.

"How long before the sprayer market will be glutted at this rate of output?" asked the Ledger scribe as he was shown through the different busy departments of the factory. He was informed that the end, if any, isn't in sight, that replacements are expected to keep the factory busy for many years to come.

Another fact that may or may not be connected with the foregoing, but will certainly be of interest to the people of Lowell, is that the Specialty company some time ago acquired by purchase additional land between the Hotel Waverly property and the Perc Marquette side tracks, adjacent to the site already occupied by the numerous Specialty company factory buildings.

So let it be and, "Long may it wave."

LOWELL WINS TWO MORE COURT GAMES.

The Lowell girls sprang the unexpected Friday night and soundly defeated the fast traveling Belding six. Jumping in a 6 point lead at the very start, the locals were never headed through in the early part of the second period, the visitors tied the score at 8 all, but were stopped by exceptional guarding of the Lowell centers and guards. In the second half the locals gradually pulled away until the score at the final whistle stood 37-29 in favor of Lowell.

The local girls showed considerable improvement in their floor work and basket shooting. The Misses Hapeman and Lee being especially apt in dropping the ball through the hoop, while Misses Bunker and Jones stopped many of Belding's plays in mid court.

In the final game of the evening, the Lowell boys scored a 31-19 victory over the veteran Lee High quint. As in the girls game, the boys took an early lead and were never in any real danger of being overtaken.

Maxson led the scoring with 6 field baskets and 2 free throws. J. Moore was a close second with 4 field goals and 3 free throws, while King played the best floor game for Lowell.

On Friday night of this week, the team will play Rockford boys and girls on the Lowell floor. Rockford has a veteran team the same that made Lowell play two over time periods to win the county championship last year.

Funeral services were held at the home this Thursday morning at 10:30, Rev. L. H. Nixon, officiating clergyman; burial in the near-by Kanon cemetery. REVIVAL SERVICES AT NAZARENE CHURCH.

Special revival services which are scheduled to continue until January 31, started Sunday at the local church of the Nazarene located at Washington and Avery streets. Rev. P. P. Belew, who is the evangelist in charge, has studied in several different schools, traveled and preached in a number of the states, and has a very important and timely message. His first discourse was on prayer, in which he called the attention of the audience to the importance of prayer, essentials of prayer, hindrances to prayer, and examples of prayer. Sunday evening he spoke on "Leprosy, a Type of Sin." He said sin like leprosy was hereditary, spreading, contagious, defiling, loathsome, and incurable except through supernatural agency. Special music is rendered at each service by the local pastor, Rev. E. L. Buck and wife. Service begins each evening during week days at 7:45, on Sunday evenings at 7:30. The public is invited and urged to attend these interesting and profitable services.

LEGION DOINGS.

A good turn out Monday night and those new Legion caps arrived just in time for the meeting. They sure are spiffy looking.

If you were not at the meeting you can get your cap at the Vanity shoppe. The caps cost \$2.00 and the Post pays half, making \$1.00 to members.

The dance committee reported everything going fine for the dance Friday, February 12.

A very popular orchestra from Ionia has been secured. The decorating committee has everything planned for appropriate settings for the occasion, at last, but not least, the refreshment committee announced a very pleasing menu. To give a real party is the big idea.

The committee appointed to see about putting on a boxing match has been on the job also and reports there will be two four-round boxing matches at the next meeting Monday, February 1. Belding and Saranac Post will be invited, and perhaps smokes and refreshments will be served.

Charles W. Clark Post is now an Honor Post, there being only eight others in the state. So you better join up with us, Buddy. We may do something else before the year is over.

LYCEUM DATES AS ORIGINALLY PLANNED.

Last week a change of date for the fourth number of the Lyceum, the Adanac Male Quartet, was announced. It was found that this made a conflict with the annual Board of Trade banquet.

It has been possible to arrange so that the original date of Wednesday January 27, will be kept for the Quartet number.

How's Your FEET?

Did you ever notice a person going down the street, stepping as if they were walking on eggs and were afraid of breaking them?

YES, THEIR FEET HURT THEM!

Did you notice that man, Saturday, with his shoes run over until he was walking nearly on the side of them?

YES, HE HAD CORNS CAUSED BY BAD ARCHES AND HE WAS TRYING TO GET AWAY FROM THOSE CORNS.

Do you know that seven out of every ten people have defective feet and that at least 75% of that trouble could be relieved? If you are not one of the seven you are lucky, for you are only as good as your feet.

We carry a complete line of Dr. Scholl's Arches and Foot Remedies and are prepared to give you expert advice and service on these matters.

We want you to know and understand that we are not satisfied to just sell you a pair of Arches and then forget about the matter. We want to give you real service and lasting benefit and we feel that part of the price you pay us for Arches is for the service you are entitled to get afterwards, for they should be adjusted once each month, at least, and you are not getting your money's worth unless you get that service. It's yours and free. Come in and get it.

Until your new Arches begin to work why not try **DR. SCHOLL'S ZINO PADS** for CORNS for BUNIONS for CALLOUSES

Do your shoes slip at the heel? Do they wear your stockings there badly? If they do why not try a pair of **DR. SCHOLL'S NU-GRIP HEEL LINERS**

It's wonderful what they will do to relieve that ache and pain.

They will stop all that trouble and they come sized in black and white.

Pains, Callouses or Cramps There? Dr. Scholl's Anterior Heated Arch Support brings quick relief and corrects the cause by supporting the weakened arch. Price \$2.75 to \$5.50 per pair.
