SOMERSAULTS ONCE, ROLLS OVER TWICE WITH THREE PEOPLE—NO ONE HURT. SEEMS IMPOSSIBLE.

A Dodge coupe belonging to James Fahri and occupied by Marie and Louise Clemenz and himself, with one of the girls driving, plunged down the steep Flat River embankment from Riverside drive Sunday afternoon, a distance of 72 feet, tore out a wire fence with five posts and a spruce tree, somersaulted once, rolled over once or twice and landed right side up with no one seriously hurt and the car with but minor damages to windshield, hood and one wheel.
Two wreckers were unable to haul the car back to the road and Archie Lewis was summoned with his windlass, which did the business and the car was taken to the Gould garage.

CARL HAGENBECK-GREAT WALLACE CIRCUS.

The Carl Hagenbeck-Great Wallace circus, known as the "Highest Class Circus on Earth" will soon be in our midst as it is scheduled to be here after noon and night performances in Grand Rapids, June 28. The advance advertising men have visited this community and have placed posters in store windows, as well as on barns and fences. Many automobile parties are being arranged and there will be a large delegation to go from here to witness the big show.

Since the Carl Hagenbeck and Great Wallace circus were combined twenty years ago it has been universally recognized as the peer of all trained wild animal shows. During the past winter large groups of jungle-bred lions, tigers and leopards arrived at the Peru, Indiana winter quarters.

Such noted subjugators as Clyde Beatty, the youthful American; Bob McPherson, the noted Scotchman and Capt. Barnardo, of Italy, will send their charges through sensational routines in the big steel arena. Many new and startling features are promised. Owing to abandoning the street parade, it was possible to secure better and higher class performers and patrons will witness a much superior performance than heretofore. Such noted acts as the Orin Davenport Kimball Troupe, of aerialists and Clyde Beatty and his mixed group of lions and tigers are outstanding features. Cleveland was secured here and low for slapstick artists and pantomimes and such names as the Arthur Borella Trio; the three Harding Brothers; Joe Gyle, Mickey McDonald and Earl Shipley, men of plenty of good clean fun.

As the parade has been eliminated the performances will start promptly on time at 2 p. m., and 8 p. m., with the doors opening an hour earlier.
