### LOWELL SCHOOL SPORT NOTES

**LOCALS SUFFER FIRST DEFEAT AT FREMONT, ROCKFORD BOYS PLAY HERE SATURDAY, OCT. 30.**

The football team representing the local high school traveled to Fremont Saturday, where they met the first defeat of the year. The boys were pitted against a well drilled aggregation. It is known far and wide that Fremont boasts of one of the best back-field men in the state. This boy's name is Oosting and he almost single handedly defeated our lads. And yet, Lowell would have earned the victory had they played smart football in the pinches. We will have to give our boys credit for playing the finest football that they have shown this year. It is true that their forward passing was not up to standard, and that, too many gains were made around our ends. But it's also true that our boys on the whole played better offensively and defensively than they have at any time this year. Our line from tackle to tackle on defense was a stone wall. Their ability to advance the ball around the ends, off tackles and through the line was far better than it has been in any other game. If the boys continue to show improvement, Coach Finch has hopes that they will make a good showing against Rockford when that team plays here on Saturday, October 30th. The team travels to Greenville this week Saturday.

**First Quarter.**  
Lowell received the ball and started to march down the field. Two first downs put the ball on the 35 yard line. On the next play the boys fumbled and an alert Fremont lad scooped up the oval and raced for a touch down. Captain Miller chose to receive and again they started to march down the field. Herron circled the ends, Miller plunged off tackles, and Buck pierced the line. Dawson finally caught a pass and fell over for the first touch down, just as the whistle blew, ending the quarter. The drop-kicked for the extra point. Score 7-0.

**Second Quarter.**  
Neither side managed to score. On a fake punt Fremont made the only gain of the day through our line. Both teams played poor football, and the game became a punting duel. The ball was in mid-field when the half ended.

**Third Quarter.**  
Fremont received and for a two downs was thrown for a loss. On the third attempt Oosting took the ball on a criss-cross and galloped out right end for a touch down. Marsh intercepted Oosting, but was injured in the play. Miller playing defensive L. H. was the only player who touched Oosting. Fremont passed for the extra point. The quarter ended with the ball on Fremont's 40 yard line, in possession of Fremont.

**Fourth Quarter.**  
Fremont continued to advance the ball, and once more on the old criss-cross Oosting took the ball and galloped around our B. E. for 30 yards to a touch down. They failed to secure the extra point. Lowell received and by completing a few forward passes got down to the 10 yard line from which point Moore caught a pass and crossed the goal just as the whistle blew ending the game. Score 19-13.

**Line Up.**  
Alexander, L. E., Morse, L. T., Parsons, L. G., Hauss, C., Glumbo, R. G., Richmond, R. T., Marsh, R. E., Miller, Q. B., Dawson, L. H. B., Buck, F. B., Moore, R. H. B.

### PAT B. LAUGHS LAST AND BEST

**RECOVERS HOLD-UP MEN, GUN AND GIFT WATCH, EXPOSES DESIGNS ON LOWELL BUSINESS PLACES.**

**PAT BOWES.**  
Pat Bowes went to Chicago Wednesday night, Oct. 13, on information from the Chief of Police of that city that the LaValley gunmen who had robbed Bowes, Gould and Moore near Toledo, September 26th, had been taken into custody by Chicago police on tip previously furnished by Mr. Bowes.

The former deputy sheriff secured his men and took them to Monroe, Mich., where they pleaded guilty to his charges in justice court and will be held for trial in Circuit court for this and numerous other offenses. Mr. Bowes will recover his revolver and gun taken from him in the Toledo scrape.

With the gun men were found two sawed-off shot guns, automatic revolvers, six sticks of dynamite, 100 feet of fuse, caps and diamond drills and bolt cutters. They had been back in Lowell since the Toledo scrape, and according to confession made to Mr. Bowes had designs on the Lowell business places.

Mr. Bowes learned of the Chicago hang-out of the LaValley men through a girl acquaintance in Grand Rapids.

The landing of the LaValley gunmen in Monroe jail took place in nineteen days from the day of the Toledo scrape, and was made without permission, help or hindrance of Sheriff Smith or any of his men. Following is a copy of the telegram above alluded to:

Regular meeting Monday night with new officers in the chair. A good turnout was present and several plans were made for activities for 1927. The first of which being a membership campaign and this has met with very good success as we have thirty-five already paid in for 1927. Our aim is fifty-one or our last year's membership paid in before October 27 or the night of the Seventh District meeting.

Plans are also being made for a rifle club and a committee was appointed to hunt up a good range and gallery.

A committee was also appointed to plan the Armistice day celebration. The Auxiliary will serve the supper at the Fifth District meeting and we know from past experience that they sure can serve.

Plans are being made for about seventy-five out of town Legionnaires and we want all of our own fifty-one to be there.
