BOARD OF TRADE ANNUAL MEET

HARRY DAY FOR PRESIDENT, F. COONS, VICE PRESIDENT
ANNUAL BANQUET JANUARY 25.

PRESIDENT HARRY DAY.

The Twenty-first annual meeting of the Lowell Board of Trade was held at the City hall Monday evening, January 17, 1927.

At 6 o'clock seventy-two enthusiastic members sat down to an excellent fish dinner which was ably served by Bandall and Ashby.

A fair of good fellowship was manifested throughout the meal, and continued during the business meeting which followed.

Every member present seemed to take an interest in the business for which the meeting was called, and listened attentively to the reports of those in whom the business of the Board is invested.

President Archart spoke feelingly of the support which had been given him by the members throughout the past year, and for the co-operation of all who had aided him in handling Board matters, as he hoped, to the satisfaction of all concerned.

Mr. Archart called to mind the loss of a most earnest worker and supporter of the Board, and appointed a committee to draft resolutions upon the death of Frank N. White, and a eulogy to be read at the annual banquet of January 25, 1927.

Committee—R. M. Shivel, Rev. L. H. Nixon, Rudolph Van Dyke.

Minutes of the last annual meeting read and approved.

Reports of secretary and treasurer were accepted.

O. J. Yeiter, chairman of the nominating committee was then called upon for a report, suggesting the names of Harry Day for president; F. E. Coons, for vice president; John A. Archart, director to succeed F. E. Coons; H. L. Weekes, director to succeed himself.

There being no other nominations the above were chosen and elected by acclamation.

Speeches were called for and each of the newly elected officers hoped to serve creditably throughout their term of office.

M. N. Henry, of the Sien committee, was kidded to some extent, but "got away with it" in his usual good natured manner.

A short speech by R. M. Shivel, reminiscent of other days was altogether too brief, as was manifested by the applause which followed his words of loyalty to Lowell, past and present, and to the Board of Trade, of which he was proud to be a member.

William C. Hartman, R. Van Dyke, William Doyle, D. G. Look, spoke of the accomplishments of the committees upon which they had served as chairman during the year of 1926.

Remarks by Lee Lampkin, Harrison Goff, Rev. L. H. Nixon, Prof. W. W. Ganser, R. W. Bethel, E. M. Johnson, Dr. S. S. Lee, and a good "Scat" story by "Tuncie" brought the meeting to a close.

Next is the big annual banquet Tuesday evening at 7 o'clock January 25, 1926. Earl Thomas, chairman.

PROBE IS ORDERED IN TWO KENT OFFICES.

Clerk, Sheriff Kept Interest Illegally, Report Shows.

Grand Rapids, Jan. 12.—A sweeping investigation into the finances of the offices of the county clerk and sheriff, which may go back as far as 1905, was ordered by the board of supervisors today.

The action was characterized by Mayor Elvin Swarthout as "a hot bank."

The probe is the result of receipt yesterday of an auditor's report showing the clerks since January 1, 1921, have retained interest amounting to \$2,000 on bank deposits of alimony, and judgment tenders.

Supervisor Frank J. Walsh, named as chairman of the probe committee, explained he believed clerks prior to 1921 may have retained fees which should have been deposited in the county treasury.

Former County Clerk Robert G. Hill, now postmaster, appearing before the board today, stated that although he had been of the opinion the clerk was entitled to retain interest on the fund in question, he has become convinced the interest belongs to the county and he offered to repay whatever amount may be found due. The auditor stated that from January 1, 1921, to July, 1923, when Hill resigned, his interests receipts amounted to \$500.

The auditor's report also showed that in 1924 Sheriff William L. Smith failed to turn into the treasury \$100 received from the state for capture of an escaped convict.—(Detroit Free Press.)

KENT JAIL ANNEX PLANS DELAYED.

Grand Rapids, Jan. 12.—Confronted with a report that the heating plant at the county jail is in such condition that it is not only incapable of heating the building but is a hazard, the board of supervisors today deferred action on ordering an addition to the jail, which, it was estimated, will cost \$50,000 when completed. Some supervisors urged that nothing be done relative to the jail until a new detention hospital can be erected to replace the present building declared to be a fire trap.—(Detroit Free Press.)

PRINCE CUPID GETTING BUSY

THREE YOUNG COUPLES MADE HAPPY—BIBBLER-CORRIGAN—ANTONIDES-MONKS—NORWOOD-OSBORN

Married, Saturday morning, at 9 o'clock in St. Mary's church, Miss Mable Corrigan and Mr. Cecil Bibbler, both well known young people of Lowell, Father J. F. Drew, uncle of the bride, assisted by Father Simons, local priest, read the wedding ceremony. The bride was attended by her sister, Lorraine Corrigan, of Grand Rapids. Best man was Orls Bibbler, of Lowell, brother of the groom.

Mrs. Frank McMahon sang "O Promise Me" to her own accompaniment. The bride was gowned in rose georgelle with a picture hat in rose, carrying a bouquet of pink roses and frezias. The bridesmaid was dressed in tan crepe de chine and carried pink roses and lavender sweet peas. The church was decorated with pink carnations.

A quiet wedding took place Thursday evening at the home of the bride's parents, Mr. and Mrs. Gay Monks, when their daughter Vera, was united in marriage to Mr. Lester Antonides, Rev. E. L. Buck, officiating. Miss Wilma Monks, sister of the bride, and Howard Antonides, brother of the groom, acted as bride's maid and groom's man respectively.

NORWOOD-OSBORN.

Mr. and Mrs. Ernest Norwood announce the marriage of their son, J. Elgin, to Miss Blanche E. Osborn, in Toledo, Ohio, Monday, January 17. The young couple are visiting Mrs. Norwood's sister at Pontiac.

BRIDE-ELECT HONORED.

The Misses Minnie Morse, Hazel and Mildred Taylor invited guests for the pleasure of Miss Mable Corrigan at the home of the former Tuesday evening, January 11. The house was beautifully decorated in green and white, and the color scheme was carried out in a two-course luncheon served from small tables with pretty nut baskets of the prevailing color as ornaments. Out of town guests were Mrs. Adelle Richmond, from Belding, the Misses Elsie Vely, Marie Bibbler, Lorraine Corrigan and Viola Simons, of Grand Rapids. Other guests were Mrs. Carl Wingeier, Mrs. Bert Charles, Mrs. Charles Knapp, Mrs. Vincent Gary and Misses Minnie Meek, Martha Laz, Edith, Charles Kathryn and Olive Corrigan, Marion McMahon, Abbie O'Dell and the guest of honor, who was the recipient of many and beautiful gifts.

The hostesses furnished games for entertainment and otherwise made the event a most enjoyable and memorable one.

ROAD PATROL TO PAY OWN WAY

SHERIFF PATTERSON PROMISES ENFORCEMENT OF TRAFFIC LAWS. WANTS FOUR MORE MOTOR CYCLE COPS.

"If the highway and motor laws are enforced diligently in Kent county the returns will more than pay for the four special motorcycle highway patrol cars," Sheriff Byron J. Patterson Wednesday. Sheriff Patterson declared his intention to see these laws thoroughly enforced.

His plans include establishment of an accident investigation department, which already is under way, and posting of roads with signs warning motorists not to pass others in the same direction on curves and hills. He has been promised co-operation from the Grand Rapids Motor club and the Kent county road commission in placing these signs.

Keeps Records.

Along the line of accident investigation Sheriff Patterson has installed a new record system which is costing the county nothing. Reports are made on accidents and these are filed where the information will be available at any time. Reports of accidents in the county outside the city are expected to be filed at the sheriff's office and Mr. Patterson hopes the supervisors will provide him enough motorcyclemen to investigate them as well as patrol the roads.

Should the supervisors allow the four extra men, six motorcycle officers will be detained to highway and investigation in the summer months. Two men will care for highways and investigation in the winter while two will work toward enforcement of the liquor laws. Two of the proposed six men would be on the pay roll only six months of each year.—(Grand Rapids Press.)

LOWELL TOWNSHIP MATTERS.

The Lowell Township board met Monday, January 10, and appointed Mrs. Mary Hodges, township treasurer to fill vacancy caused by the resignation of Mrs. Lulu Bradish, and at the same time appointed Clarence W. Yeiter temporary clerk to fill the vacancy caused by the death of Frank N. White, until the latter's successor can be appointed.

The board reconvened Saturday and again Monday to take care of an accumulation of township matters and for an audit of township accounts.

Supervisor Lewis Yeiter is in charge of the township clerk's office at present.

CARD OF THANKS.

I wish to express my sincere appreciation to the church and school organizations and friends for the many beautiful flowers, for the kind letters and cards of sympathy, and for all the kindnesses shown me during my recent illness.
Miss Evelyn Rollins.

GREEN APPOINTS OLD LOWELLITE

CHARLES D. LIVINGSTON, STATE INSURANCE COMMISSIONER, ONCE A LOWELL SCHOOL BOY.

Charles L. Livingston, of Detroit, appointed state insurance commissioner by Governor Fred W. Green, last week, is a former Lowell resident. He was born in Bowline township, where his brother John, still resides, and was educated at the Lowell High school.

Several years study at Ypsilanti Normal college followed, during which Mr. Livingston met Governor Green and formed the friendship that has endured for more than thirty years. After graduating from Ypsilanti Normal in 1896, Mr. Livingston taught school in Jackson for several years. For the past seven years he has been engaged in the insurance business in Detroit, and resigned the general agency in Michigan for two prominent fire insurance corporations to accept a post under the new governor.

Mr. Livingston's rise to prominence and appointment as a responsible public official adds another name to the list of those receiving their early training in Lowell who have achieved outstanding success in later life.

Mr. Livingston is a veteran of the Spanish-American war and devoted several years to the Michigan National Guard. His wife was Miss Jean M. Dougal, of Jackson, and they have one daughter, Katherine, who was graduated from Cornell university last year. G. H.

FARMERS—ATTENTION!

Now is the time to save the grain and other birds. The deep snow and cold weather have deprived them of their natural feed. Small quantities of grain placed in protected places which they frequent will save a good many of these birds. Quail have been placed on the protected list, mostly through the efforts of the farmers. Now is the time they can show their appreciation. If there is any farmer or other person who knows of a covey of quail or partridge that are not getting food, grain will be provided by notifying:

Walter J. Kropf,
Secretary Lowell Rod and Gun club.

Epworth League meets at 9:15. The service is open to anyone who may be interested.

Valley Hall will be played by the men of the church on Tuesday nights. Any men who are interested will be welcome.

Wednesday after school the boys' and girls' group meet with the pastor for instruction and recreation.

Wednesday at 7:30 the mid-week service of devotion and Bible study will be led by the pastor.

Every Thursday evening at 6:30 the Pioneer club meets.

This is the season of the year when sickness and bad weather keep many of our people away from the services. We need the support, morally, of every person who is able to be present. Let every lover of righteousness and of a better community rally for our service of worship in the community every Sunday.

Mullet's Legal Standing
The bureau of fisheries says that the mullet is a fish. The question arose many years ago, when an attempt was made to restrict the catching of certain kinds of fish in North Carolina. The mullet among them. A fisherman was apprehended who had caught a mullet. His defense was that the mullet had a gizzard instead of a stomach—therefore, it was a fowl. The judge agreed with him.

It don't ever make much difference Where you go, you'll always find That yer home-town friends're faithful. Though you leave 'em far behind. Mebbe you won't know they like you Very much, for years an' years— Mebbe not till death or sickness Or some other grief appears; But it's then they prove the sayin' That, no matter where you roam, There'll be someone glad t' help you When you turn again towards home.

There'll be friends you had forgotten— But their hearts have been so true That it's part o' their religion Jus' t' be a friend t' you. Mebbe you won't understand 'em An' you'll treat 'em kinda mean, But I hope yer heart 'll tell you What yer eyes had never seen. Life may bring you many blessin's, But there's few that can compare With yer home town an' the friendship That's a-waitin' for you there.

How the 50 Cent Customer is Treated at VanDyke's

Some city banks require an initial deposit of \$100 before opening up an account and in some retail stores unless you look as tho' you were going to spend a lot of money, they don't spend a lot of time.

The 50 cent garter, collar or handkerchief customer is treated by us as tho' we were in the music business and he came to buy a Piano.

And when a man stops in for a 5c collar button from our attention you'd think he came in for a fur coat.

Come in—bring as little as you please—and whether you spend a mint or a minute—you'll want to come back again—soon.

THE NAME TELLS A TRUE STORY.
The very name, Foleys' Home and Tar Compound, tells its own story. It is so effective because the medicine is made in and from the best of materials and in the best of conditions. It is so effective because it is so simple and so easy to use. It is so effective because it is so cheap and so economical. It is so effective because it is so reliable and so trustworthy.

Speed Power Economy
and Smoother Performance

Only by driving a Ford car equipped with the new Vaporator can you appreciate the remarkable performance its motor delivers.

In addition to assuring more mileage to the gallon of gasoline, smoother operation and greater power and speed, the new Vaporator reduces carbon and crankcase dilution, and makes starting easier.

The Vaporator is now standard on all Ford cars—a notable contribution to their famed performance.

Let us explain its advantages. We will be glad to prove them, if you wish, by demonstration.

All Ford Cars are now finished in color
