### BROWN SEED CO. RE-LOCATE HERE

**MOVES SHIPPING DEPARTMENT FROM CHASE BUILDING TO PECKHAM VENEER HOUSE.**

The Brown Seed company business, successfully conducted by G. H. Runciman during the last Fall and Winter months will remain in Lowell, and the packing and shipping department at present operating in the Chase Furniture factory building, will be moved to the Veneer building of the Peckham Furniture company, which lies along the Erie Marquette side tracks on the East side and will be an ideal location for the shipping department.

The Ledger had this announcement in connection with the account of proposed working of the Chase factory and the building of an oil station and Ford garage on the site. This apparently left the Brown-Seed people "up in the air" for a place to go and as this enterprise has been employing from sixty to eighty people, it seemed a shame to leave them there for another week, much as we needed the assurance that these good people would not leave Lowell.

But there was a hitch in the proceedings and we had to leave our story half told.

However, "All's well that ends well," and when, on or about March 1, agreeable to orders from L. E. Johnson's garage builders, The Brown Seed company vacates its present packing and shipping quarters, it will be moved to another desirable location right here in Lowell.

#### P. T. A. VERGENNES NO. 7—VOTE FOR RURAL MUSIC TEACHER.

Vergennes No. 7, P. T. A. held its regular monthly meeting at the Bennett school Friday evening, February 11. A splendid group gathered and an interesting program was enjoyed. Mrs. Weaver, of Cedar Springs, spoke on the "History and Aims of P. T. A. Mr. and Mrs. Fred Gress sang a vocal selection.

The president, Mrs. Althaus again brought up the problem of employing one of the rural music teachers. The plan met with instant approval, and as a result Miss Parks gave her first lesson at Vergennes No. 7 school Monday afternoon.

After the meeting refreshments were served and a social good time enjoyed by all.

Vergennes No. 7, P. T. A. held its penny carnival at the Vergennes Grange hall Monday night, February 14, 1927. Some of the features were a four act vaudeville stunt and contests, cartooning by Dale Ford, a game telling by Florence Althaus, and booths for candy, pop corn and refreshments. The party was a success socially and financially. It was planned to make enough for the new organ at the school. This was accomplished and a surplus for the treasury.

The American Legion presents "The Big Drive" at Strand theatre Monday and Tuesday, February 28 and March 1. Matinee Monday 3:45 o'clock.

### VILLAGE CAUCUS WELL ATTENDED

**ONLY CONTEST ON TREASURERSHIP. ALL OTHERS NOMINATED BY ACCLAMATION.**

About a hundred voters attended the Citizens' caucus for the nomination of village officers at the City hall Monday evening.

Phil Hartley, of the village committee, called the meeting to order and read the call, and the caucus organized with B. Van Dyke, chairman, E. A. Thomas, secretary and F. F. Coons, Phil Hartley and W. W. Gunser, tellers.

The only contest was on nominations for treasurer on which the first ballot stood: Floyd Steed, 38; Maude McTavish, 38; and on second ballot: Steed 51, McTavish 46—total 97.

The rest of the nominations were made by acclamation and the ticket chosen is as follows:

President—O. J. Yeiter.  
Clerk—Oscar Brazina.  
Treasurer—Floyd Steed.  
Assessor—Christopher Bergin.  
Trustees—Harry Day, Charles Doyle, Robert Hahn.

As village committee the chairman reappointed the former members: Phil Hartley, Mrs. Bertha Shivel, E. R. Kniffin.

#### LEGION DOINGS.

About twenty members were out meeting Tuesday night, and much interest was shown, whether to purchase or lease a place for meetings and club rooms was still the main topic of discussion.

The committee appointed to inquire into the matter asked for more time which was granted.

The community was fortunate Monday and Tuesday in being able to see "The Big Drive" presented by the American Legion at the Strand theatre.

Here are a few of the intensely interesting events in the most dramatic picture ever assembled for public presentation:

Ambassador Gerard is presented to the Kaiser at the Imperial court in Germany—Reception given English fleet by the Germans at the time the Archduke was assassinated.

Kaiser tells Ambassador Gerard he will tolerate no non-sense from America—Germans cross Belgian border—Belgium women driven from homes and deported—actual battle scenes from the following great battles—Marne, Somme, Conflignes, Chateau Thierry, St. Michael, and the world's greatest battle—"The Argonne Forest."

The most wonderful moving picture ever presented. It will live forever. Future generations will look at these pictures and understand what it costs to protect Americans to defend the Belgians and the cause of humanity.

#### Auditorium Activities.

Something unique in the way of an auditorium program was given on Wednesday, February 9, before both Junior and Senior High. "Farmer Burns," a noted wrestler, under the auspices of the Y. M. C. A., gave a plea for clean living and healthy living. After a short talk he demonstrated some of his wrestling tactics upon Mr. Finch, much to the amusement of everyone.

On Friday, February 11, the Junior class of the schools again met, this time for a double purpose, one being a pep meeting for Friday night's game with Grandville, and the other in honor of Lincoln's birthday. After some general singing, led by Miss Bolfe, Mr. Haas, accompanied by himself and by Glenn Converse on the violin, sang, and Paul Wachterhauser played a trombone. After some vells, led by Roger McMahon the auditorium quieted down, and Mr. Gunser read "The Perfect Tribute," the story centering around Abraham Lincoln's "Gettysburg Address."

In Wednesday of last week the boys went to Lee High and administered a crushing defeat to their rivals in the city. The final score was 55-8. The boys again played as a unit.

Grandville Girls are Victims. Coach Ericson's sextette turned the tables on the Grandville lassies Friday night in the local gym. Earlier in the season the Lowell outfit tasted defeat at Grandville, 15-11. The game Friday started out like a walk away for the visitors and the quarter ended 9-1. Hapeman and Lee found the hoop during the second period and caged some beautiful shots. The half ended 16-9 with Grandville leading. The last half was all Lowell's and the game was tucked away in the six column to the tune of 17-12. The victory was all the sweeter because this was the first defeat suffered by Grandville this year.

Greenville Wins and Loses. The boys squads played at Greenville last Friday. The second stringers again went down to defeat 21-18.

Lowell 21—Greenville 15. The boys included the list of their old rivals at the first and surprised were the staunchest supporters. Greenville had been defeated but once all season and that was done by Finch's outfit. The gymnasium was packed by a throng of people eager to see Lowell defeated. The combination of Dawson, Moore, Haysner, Miller, Claus and Morse was working on all six and again Greenville had to bow to defeat. All of the boys did excellent work.

Backford Teams Here Friday. The last High school games of the season will be played in the local gym Friday when the Backford girls and boys teams come for what should be two exciting games. Backford will come with a good crowd. Lowell fans should pack the gymnasium as a testimonial to those seniors on the teams who will not again represent their High school floor. There is a possibility that the boys will play the city team a little later, but nothing definite has been decided.

#### AMERICAN LEGION AUXILIARY.

The regular meeting of the Auxiliary was held Monday afternoon at the home of Mrs. V. H. Matthews, since the hall was unavailable that evening. It was voted last month to unite with the other clubs in renting the club rooms to be arranged in the City hall. Regular monthly bulletins were read and acted upon and a report of the recent card party given.

Hereafter a strict roll call report is to be kept, as a basis for the election of delegates to the state convention next August. To be eligible members must attend at least half of the meetings. Poppies for Memorial day were ordered and Lowell hopes to be near the top in the sales campaign. They are being made in Michigan by our boys, who are paid for their work, besides the indirect benefits, they receive through the unit welfare funds.

Any one who has not paid her dues is not a real member of the Auxiliary. Will those wishing to be reinstated, please see the secretary, Mrs. Mabel Scott?

Don't forget the pot luck supper the first Monday of every month at 6:30 in the City hall.

#### SPORTSMEN UPHOLD SPEARING OF FISH.

Grand Rapids, Feb. 11.—The West Michigan Game and Fish Protective association has recorded itself as opposed to the proposal to outlaw the spear in Michigan's inland waters and to shorten the deer hunting time to the last 10 days of November. The association which plans to hatch 1,000 pheasant eggs next summer and which will hold its annual sportsmen show here late in April, will recommend spearing be allowed on the inland lakes only for carp, suckers, pike and noxious fish during January and February and that the deer season be changed to open from November 10 to 15.—(Detroit Free Press.)

**THE COUNTY RECOMMENDS:**

Kennt County's Republican Convention yesterday endorsed Regent Benjamin S. Hanchett of this city for renomination and reelection to the governing board of the University of Michigan. It also endorsed Melville R. McPherson, of Vergennes, township for renomination for reelection to the State Board of Agriculture which is the governing body of Michigan State college at East Lansing. Neither of these positions belongs in the full-and-fairness of politics. Both of them involve responsibilities that are essentially nonpartisan. In such circumstances, sitting members on these boards deserve primary consideration when their records disclose distinct faithfulness to duty. This is emphatically true in the case of Mr. Hanchett and Mr. McPherson. Their experience and their proven fidelity is worth capitalizing for the sake of the institutions they serve. The fact that a body of these great State institutions, and the recommendation of an official Republican body, speaking for Grand Rapids and Kent County, should be final with the State convention.—(Grand Rapids Herald, Feb. 18.)

**On the Island that sold for \$24**

thousands of men's suits are produced daily.

They leave New York for the four corners of the earth and every rung in the clothing ladder is represented.

Some are extravagantly priced suits at \$90 but more are the super-extravagant garments that sell at \$20.

In our campaign to give true values neither kind of exorbitance is indulged in here.

Good suits sell for \$30 to \$45.

When you go under or over that cost you are asking your appropriation to pull too heavy a load.
