## FAIR OPENS SEPT. 5 LABOR DAY

NEW BUILDING, TWO BIG BANDS, MIDWAY, 25 FREE VADEVILLE, HORSE RACES, FIRE WORKS.

Michigan's State Fair will open Labor Day for its seventy-eighth annual harvest exposition on Labor day, Monday, Sept. 5. There will be day and night shows week on, closing Saturday, Sept. 10th. There will be no Sunday show.

The fair combines an agricultural exhibit with an industrial exposition, prizes in various departments aggregating \$107,000. To make ready for the constantly growing institution considerable improvements have been made this summer. Four new horse barns have been built and more than 500 race horses can now be accommodated on the Detroit track. All buildings have been painted, with new walks, sewers, lighting and other repairs made. Two band stands, platforms and dressing rooms are among the other improvements.

Ray Smith's Highlanders Band from St. Petersburg, Fla., a concert organization which has toured the country, as well known to many Michigan people who winter in Florida will be on the fair grounds all week together with the Al Sweet band from Chicago.

While the many exhibition halls and the Midway shows will be of even greater scope and interest than usual this year the fair management has shattered all past marks in free entertainment. No less than 25 free vaudeville acts are on the program in front of the grand stand. Air novelties, acrobats, clowns, thrills and animal acts including two herds of elephants are included.

Between the vaudeville turns there will be three horse races a day, purses running as high as \$1,500 a race. The Governor's cup will be run on Sept. 7. The harness fields will get the bell each week day with automobile races on Saturday.

Evenings, in place of races, a gigantic fireworks spectacle will be given. "The Fall of Troy," a historic pageant with 300 figures will include two revue choruses with 48 beautiful girls now being drilled by Mr. Schooley, of Schooley & Collins, who has carpenters at work erecting the city walls. They will be 500 feet in length and the big feature show is the masterpiece of Thearle Duffield Fire works Co., the largest fireworks producer in the business.

Every night there will be a horse show in the Coliseum. National and state fly and bait casting contests will be staged as well as state horse shoe pitching contests. By no means the least important feature which has been planned by Manager Fred A. Chapman is the new admission policy. The gate has been reduced from 50c to 25c for adults with children under 10 admitted free. Auto entrance also is cut in half to 25c this year.

## Stole Car— Given Term in Prison

A term of 1 to 10 years in the state reformatory at Ionia was imposed yesterday upon Charles Atkins, 22, of Ada township, charged with theft of an automobile owned by Charles H. Tildy, 615 Stanley terrace, N.E., which he found at Ramona park, Aug. 5.

Atkins admitted to the court he had stolen the car from the father of E. A. Atkins, and stole the automobile to take to Knoxville, Tenn. Mrs. Selma Jones, whom he had met a short time previously, and her five-year-old daughter. Between them they had \$30 with which to meet expenses, he said.

Lost Auto Companion.  
Now Atkins doesn't know the whereabouts of either Mrs. Jones or the automobile. The car was stalled in the mud near Knoxville and he abandoned it for a short time. When he returned it was gone and he is said to have "bummed" his way back to Grand Rapids.

Atkins was arrested by East Grand Rapids police at his home on Knapp road, informed Judge Brown he intended to return to his wife and asked leniency out of consideration for her.

Your appeal to the court in the interest of your wife is a very hollow thing because you were not even supporting her," Judge Brown said. He added he was leaving to prison authorities the question of determining whether Atkins is entitled to clemency after having served a year.—(Grand Rapids Herald, Aug. 25.)

LEGION DOINGS.  
Lowell was well represented at the American Legion convention at Jackson with three delegates, R. M. Shivel, Walter Kropp and James O. Scott. Dr. Goffredsen as fifth district commissioner and W. J. Smith, Walter Kaufman, Loyd Lacey, Wm. Doyle, Tony Gazella and Orest Sterkins as guests. Mrs. Joe Scott and Mrs. P. M. Shivel were delegates of the Auxiliaries.

Reports of the convention will be given at the next meeting which is to be a camp fire meeting and woe-nie roast, place of meeting to be made known by special notice will be held in City hall. Entertainment committee in charge: Walter Kropp, Floyd Dolloway and T. A. Gazella.

CHASE REUNION.  
The Chase reunion was held at Campau lake Sunday, August 28. There were no members of the first generation, only one of Joshua and Martha living in the person of Mrs. Addison Lewis, living in Detroit, but was unable to be present. There were forty cousins there to enjoy the day and a beautiful dinner was spread upon the long table. A big society, all heart could wish for. There were relatives there from Howard City, Williamston, Battle Creek, Lowell, Saranac, Grand Rapids, and Zeeland. The next meeting will be at Townsend park the first Sunday in August.

COUNTY BOARD WILL MARK OLD TRADING POST SITE.  
Employees of the county road commission are arranging to set up on M-21, just west of Ada, a large bonfire to mark the site of Rix Robinson's trading post, the first established in Kent county. A suitable bonfire has been located near the Arrowhead Inn by Supervisor Grant Rogers of Ada township, who was largely instrumental in bringing about means of marking the trading post site. The bonfire may be dedicated Sept. 11, the anniversary of the old settler's arrival.—(Grand Rapids Herald.)

## REPUBLICAN BARBECUE AT RAMONA

GOVERNOR GREEN WILL TALK. PROGRAM AT 1 P. M. BALL GAME AT 2:00. HURRY UP.

Governor Fred W. Green, who announced last week in his accounting to his home folks at Ionia that he will "choose" to become a candidate for re-election next year, will be the principal speaker at the annual Republican barbecue to be held at Ramona park Thursday, Sept. 1.

There will be other speakers from the state capital but their identity will not be divulged by the picnic committee, of which Clarence L. Hoixie, of Grand Rapids, is chairman, until Thursday. The few addresses scheduled will be brief, the committee desiring to give their permit the frolicers to give their attention to the games and athletic contests and the ball game between a team composed of members of the board of supervisors and a team made up of county building employees.

The program will begin at 1 o'clock with the ball game scheduled for 2 o'clock and with the games and sports program, under direction of Henry W. Lightner, superintendent of municipal recreation, Grand Rapids, providing entertainment throughout the afternoon.

Dr. Jacob Steketee, chairman of the Kent County Republican committee will preside at the speakers' program at 3 o'clock.

The barbecue, which is handled by Flint Phillips, of Clarksville, will be ready at 3 p. m. when coffee also will be served.

The event is under the joint auspices of the Republican clubs of the county, including the old C. Quinlan club, president, the Grand Rapids club, president, the Lincoln club, president, the Lincoln club, of which Prosech Attorney Earl W. Munshaw is president; and the Women's Lincoln club, of which Mrs. Hurdley Russell is president.

THE BLUE PENCIL AGAIN.  
The Ledger is reluctantly compelled to renege the blue mark on the Kent County Republican club, whom have allowed their payment to lag behind the legal limit. Hundreds have thanked us for permitting the subscriptions to run behind and have cheerfully paid arrears, and we appreciate. But the Post Office department has notified us that it expects us to comply with the law and we have no choice but to obey. Beginning with the first issue in September we will resume the blue pencil for delinquents the subscription label at the left hand of the paper. Those who wish to avoid this will please pay arrears and a reasonable advance payment before that date, which will give every club a chance to get subscriptions paid a year in advance. According to custom all subscriptions not paid in advance date will have to be blue marked. Our thanks are due to the many who have already complied with the request to pay subscriptions in advance. Editor.

SAYLES REUNION.  
The Sayles reunion will be held Sept. 4, 1927 at Island park, Lowell, Mich. Picnic dinner at 1 o'clock. Come and bring some one with you.

Perrin McQueen, of New York, is visiting his father, E. O. McQueen.
