Lowell Farmer Badly Hurt by Falling Tree

Leon McCarty, well-known Lowell township farmer, living three miles west of Lowell on the South Ada road, was struck by a falling tree Friday and suffered a broken hip and other injuries. Saturday morning he was taken to Blodgett hospital in Yeter's ambulance, his brother-in-law, M. N. Henry, accompanying him. He stood the trip well considering his condition and is receiving the best of attention. Dr. Shepard visited him Monday and gives a hopeful report. Mr. McCarty is most unfortunate. Several years ago his large barn with his season's crops was burned in a fire. A handsome barn replaced the old one and then Mrs. McCarty, a loyal help-mate, suffered a long illness and died, leaving her husband and four children. Since that time, himself, never strong, he has fought a manly battle, carrying a double burden. And now this, with the Spring farm work coming on.

Good Time Coming Say Clover Leafs

The regular meeting of the Clover Leaf club was held March 13. It being American Home day, the program was given by pupils of Miss Zachariah, Domestic Science teacher. The girls very capably demonstrated different phases of work in the home. Music was furnished by the Octavo club. The next meeting of the club will be March 27 and the committee has planned a fine musical program which will consist of groups of songs by a male quartet, an instrumental number or two, another group of songs by a mixed quartet and readings and cantillations by Mrs. Charles Yeaker, of Wayland, who is a charmer. The Lowell Literary club is invited in a body and each member of the Clover Leaf club is urged to bring a guest. The business meeting will be called at 3 o'clock p. m. Com.

LOWELL LITERARY CLUB.
The Lowell Literary club with guests enjoyed a delicious supper and fine program Wednesday evening, March 14th. This was Civic day and Mrs. E. S. White, with her committee, Mrs. Fines and Mrs. Armstrong had an unusually pleasing program. The meeting opened with community singing with Mrs. J. M. Hutchinson at the piano. Miss Bernice Yeter played two piano solos. Mary Sterkins and Robert Fines favored their audience with two vocal duets: "Lullaby," "The Boy and the Frog."

Little Betty Stuart delighted the audience with two readings, "The Big Brown Bear," and "Two Little Kittens" had a falling out. C. H. Runciman, Norman Borgerson, John A. Archart, Rep. D. G. Look and J. M. Hutchinson gave a short talk on Civic improvements. Beth Burdick gave two readings, "William's Night Mare" and "An Inch." R. M. Shivel gave a very interesting and enlightening talk of his recent trip to New Orleans. Mrs. Peter J. PAVEMENT BOND DEFEATED.
The pavement bonding proposition voted on at the Village election was defeated by a vote of 88, YES, and 71 NO, a two-thirds majority being required to carry. Full report of March 15th council meeting next week. In the small vote cast, the voters showed the most strenuous. If this represents the attitude of the village as a whole, the matter can be presented again and the work done fully as cheaply as now, by our own workmen, and perhaps at a time when the expense will not be so burdensome. It is proposed to publish the Council Proceedings in The Ledger regularly hereafter, a more promptly than formerly, each meeting being reported in the following week's paper. Matters of immediate importance will be given more prompt attention on due official notice. This is a public service volunteered freely by The Ledger.

CHRISTIAN SCIENCE.
Services are held every Sunday at 11 o'clock over the Lowell State bank. Subject for the 4th lesson sermon for March 25, is "Reality." Every one is cordially invited.

Our Neighbors Want Light and Power

Postmaster Watson, of Alto, was before the Lowell Village Council Monday evening in behalf of the franchise asked by the Consumers Power company for Lowell township, Alto and Bowne township for light and power service. Clarence Yeter has a brief letter regarding the matter in this issue and it will be followed by a longer one by Mr. Beckett next week; but not too long, Elder. The Ledger invites a free discussion of the matter in brief letters pro and con in the interest of fair play for all.

The Press has the following regarding the matter: Having on March 19—The Southern Michigan Light & Power Co., a subsidiary of the Consumers Power Co., with district offices in this city, has been petitioned to extend electric service lines to Alaska, Alto and McCords and if the necessary franchises are approved by the voters of Caledonia, Cascade, Bowne and Lowell townships, at the regular election April 2 these villages will get electric service this year. Farmers along the proposed line also may get service if they desire. Service also will be available to the cottagers of part of Campau lake in Caledonia township. The Southern Michigan Light and Power Co., also has promised service for cottagers at Morrison Lake gardens in Boston township, Ionia county, and the lines will be run early this year if the franchise is approved at the coming Spring election.

LOWELL VOTERS ATTENTION!
I have been solicited by the people of the Southern part of Lowell township to ask the voters of the village of Lowell to vote "Yes" on the franchise to the Southern Michigan Light and Power company. It means that the company will pay taxes on what lines they build and it gives us people in the country the privilege of having electricity for lights and power. As they are going through Bowne township Bowne would get all the lines instead of Lowell part of them. So kindly give us your co-operation and vote "Yes." Yours in behalf of the people of the southern part of Lowell township. Clarence W. Yeter. Advertise in The Ledger.

We aim to give our customers the best value obtainable. By the best value we do not mean the highest priced merchandise. In work clothes the price can be too high or too low to get the greatest value.
Work clothes can be too cheap to be good and to give satisfactory wear, then, too, a garment can be too high priced.
In this class you often pay for a lot of extras that do not add to the life of the garment.
For the greatest economy and value from work clothes buy medium priced garments. There you get the most for your money.

Gypsy Rover Well Received. School Notes

HELEN KYSER

On Thursday, March 15, the Lowell Music club of Lowell High school presented "The Gypsy Rover" before a large audience. The orchestra accompanied by Agnes Kallinger, added much to the production. The opera was under the direction of Miss Holler and Mrs. H. Finch. The principal characters were Helen Kyser and Albert Butterfield, who showed unusual talent. The entire cast did exceptionally well, as did the choruses.

ALBERT BUTTERFIELD
Ionia High School Music clubs are giving the same opera, March 22, and their cast attended the Lowell production in a body. They were very much pleased with it and have invited the Lowell clubs to their opera this week.

The proceeds will be used to further school activities.

The Ward of Robbers' Roost

By Crittenden Marriott

Stirring romance of the West as it was and still is, in a few places. The setting is of the present, near the Mexican border, and involves outlaws engaged in robbery, rum-running and other crimes. Opposed to them is a fearless, resourceful government man. An unusual girl, a thorough-daughter of the plains, figures in the plot.

Will Start as a Serial in

The Lowell Ledger April 5.

Lowell Farmer Badly Hurt by Falling Tree

Leon McCarty, well-known Lowell township farmer, living three miles west of Lowell on the South Ada road, was struck by a falling tree Friday and suffered a broken hip and other injuries.

Saturday morning he was taken to Blodgett hospital in Yell's ambulance, his brother-in-law, M. N. Henry, accompanying him. He stood the trip well considering his condition and is receiving the best of attention. Dr. Shepard visited him Monday and gives a hopeful report.

Mr. McCarty is most unfortunate. Several years ago his large barn with his season's crops was burned in a fire.

A handsome new barn replaced the old one and then Mrs. McCarty, a loyal help-mate, suffered a long illness and died, leaving her husband and four children.

Since that time, himself, never strong, he has lived a lonely battle, carrying a double burden.

And now this, with the Spring farm work coming on.

Member Board of Review—Harry Fishbaugh, Matt Laux.

BOSTON TOWNSHIP OLD RESIDENT DIES.

Mrs. Anna Wright Goodell, 75, widow of Charles Goodell, died Thursday at the home of her son Rob, in Boston township, Ionia county. She was born in England and moved to Boston township with her parents when just a small girl and had lived there and in Saranac the rest of her life. She leaves two other sons, Willard of Oregon, and Arthur, of Keene, and two daughters, Mrs. Ruth Waters, of Lowell, Mrs. Maude Baizes, of Detroit.

Mrs. Goodell was a charter member of the Ionia O. E. S. O. E. S. funeral in Saranac at 2 p. m. Saturday with burial in the Saranac cemetery. —(Grand Rapids Press.)

"THE RED ROAD."

Adventure, romance and history are combined in "The Red Road," a romance of Bradock's defeat, by Hugh Pendexter, which The Ledger plans to offer to readers of its regular larger edition in a near future. Watch for further announcements. We predict that "The Red Road" will be one of the most profitable and thrilling serials presented by this paper in many years. This feature alone in a book form would cost the price of the entire paper for a whole year.

If your business is not worth advertising, advertise it for sale.

Good Time Coming Say Clover Leafs

The regular meeting of the Clover Leaf club was held March 13, being American Home day, the program was given by pupils of Miss Zachariah, Domestic Science teacher. The girls very capably demonstrated different phases of work in the home. Music was furnished by the Octavo club.

The next meeting of the club will be March 27 and the committee has planned a fine musical program which will consist of groups of songs by a male quartette, an instrumental number or two, another group of songs by a mixed quartette and readings and cantillations by Mrs. Charles Yeakey, of Wayland, who is a charming entertainer.

The Lowell Literary club is invited in a body and each member of the Clover Leaf club is urged to bring a guest. The business meeting will be called at 3 o'clock p. m. Com.

LOWELL LITERARY CLUB.

The Lowell Literary club with guests, enjoyed a delicious supper and fine program Wednesday evening, March 14th. This was given by Mrs. E. S. White, with her committee, Mrs. Fines and Mrs. Armstrong had an unusually pleasing program. The meeting opened with community singing with Mrs. J. M. Hutchinson at the piano.

Miss Bernice Yeiter played two piano solos.

Mary Sterkins and Robert Fines favored their audience with two vocal duets, "Lullaby," "The Boy and the Frog."

Little Betty Stuart delighted the audience with two readings, "The Big Brown Bear" and "Two Little Kittens" had a falling out.

C. H. Runciman, Norman Berger, John A. Archart, Rep. D. G. Look and J. M. Hutchinson gave a short talk on Civic Improvements.

Both Burdick gave two readings, "William's Night Mare" and "An Inch."

R. M. Shivel gave a very interesting and enlightening talk of his recent trip to New Orleans.

Mrs. Peter J. Fines gave a brief outline concerning the work the Ionia Lore Club is desirous of accomplishing this year.

PAVEMENT BOND DEFEATED.

The pavement bonding proposition voted on at the Village election was defeated by a vote of 88, YES, and 71, NO, a two-thirds majority being required to carry. Full report of March 15th council meeting next week.

In the small vote cast, the yes voters showed the most strength. It represents the attitude of the village as a whole, the matter can be presented again and the work done fully as cheaply as now, by our own workmen, and perhaps at a time when the expense will not be so burdensome.

It is proposed to publish the Council Proceedings in The Ledger regularly hereafter and more promptly than formerly, each meeting being reported in the following week's paper. Matters of immediate importance will be given more prompt attention on the official notice. This is a public service volunteered freely by The Ledger.

CHRISTIAN SCIENCE.

Services are held every Sunday at 11 o'clock over the Lowell State bank. Subject for the lesson sermon for March 25, is "Reality." Every one is cordially invited.

Our Neighbors Want Light and Power

Postmaster Watson, of Alto, was before the Lowell Village Council Monday evening in behalf of the franchise asked by the Consumers Power company for Lowell township, Alto and Bowne township for light and power service.

Charles Yeiter has a brief letter regarding the matter in this issue and it will be followed by a longer one by Mr. Beckett next week; but not too long, Elder.

The Ledger invites free discussion of the matter in brief letters pro and con in the interest of fair play for all.

The Press has the following regarding the matter: The Southern Michigan Light & Power Co., a subsidiary of the Consumers Power Co., with district offices in this city, has been petitioned to extend electric service lines to Alaska, Alto and Bowne townships.

The necessary franchises are approved by the voters of Caledonia, Cascade, Bowne and Lowell townships at the regular election April 2 these villages will get electric service this year.

Franchise along the proposed line also may get service if they desire. Service also will be available to the cottagers of part of Campau lake in Caledonia township.

The Michigan Light and Power Co., also has promised service for cottagers at Morrison Lake gardens in Boston township, Ionia county, and the lines will be run early this year if the franchise is approved at the coming Spring election.

LOWELL VOTERS ATTENTION!

I have been solicited by the people of the Southern part of Lowell township to ask the voters of the village of Lowell to vote "Yes" on the franchise to the Southern Michigan Light and Power company.

It means that the company will pay taxes on what lines they build and it gives us people in the country the privilege of having electricity for lights and power. As they are going through Bowne township Bowne would get all the lines instead of Lowell part of them. So kindly give us your co-operation and vote "Yes."

Yours in behalf of the people of the southern part of Lowell township. Clarence W. Yeiter.

Do You Know How to Spend?

Spending is as important as saving to those who intend to get ahead. For if you can't spend effectively, you can't save wisely. A prodigal throws money away. A sluggard lets his rot from lack of use.

Each of us must decide this problem personally. But if you spend with care, if you wish to save, this bank will help you to plan and to save for the things you want. Come in.

We aim to give our customers the best value obtainable. By the best value we do not mean the highest priced merchandise. In work clothes the price can be too high or too low to get the greatest value.

Work clothes can be too cheap to be good and to give satisfactory wear, then, too, a garment can be too high priced.

In this class you often pay for a lot of extras that do not add to the life of the garment.

For the greatest economy and value from work clothes buy medium priced garments. There you get the most for your money.
