Legion Names Committee for Memorial Day

Several members of the Lowell Post will go to Grand Rapids Thursday night, April 11, to attend a meeting of the Fifth District Legionnaires and Auxiliary. The Legion is considering putting on a "Kiddies Day," at Lowell Recreation park some time in June. Announcement will be made later as to particulars. Committee appointed to take charge of this event: Chairman, T. A. Gazella, Dr. J. R. Stryker and G. D. Cook.

W. W. Gumsier spoke of the friendly spirit of the Lowell Post and stated that he had belonged to several posts since the Legion was organized and that the Lowell Post was by far the most well organized and congenial post he had been connected with. Mr. Gumsier's remarks were well received by the members as a "pat on the back" now and then serves to keep up the high morale of the Legionnaires.

Memorial Day committee was appointed to take charge of the program. Chairman, Commander N. E. Borgerson, W. W. Gumsier and George Hatch. Notices will be published later.

The Legion band under the direction of C. Howard White is progressing nicely and will be heard from in the near future.

W. J. K., Adjutant.

G. A. R.—W. R. C.

The regular monthly pot-luck dinner was held April 4 at the City hall, attendance about three dozen, including two members of the G. A. R. During the noon hour in order to observe Grand Army day the time was given over to a patriotic song fest, after which A. W. Kneel told of the surrender at Ft. Donaldson. Hearty applause greeted the old gentleman, who has just passed his 86th birthday.

At the finish of his remarks a very interesting meeting of the W. R. C. was held in the afternoon which included the auditing of the books, reading of an application for membership and a contest for the good of the order.

The ladies decided to hold their next "Public Coffee" at the home of Mrs. J. C. Hatch Wednesday, April 24. The next meeting will be held at the Corps rooms April 18.

STUDENTS OF 50 YEARS AGO.

Among the residents of the village who attended the Lowell Union school fifty or more years ago and whose grand children are now attending the Lowell High school are Mrs. Winnie Hatch Morse, Mrs. Rosanna (Bergin) McGee, Charles Alexander, Rudolph Van Dyke, Mr. and Mrs. L. M. Yeiter, (Nellie Kiel), Mr. and Mrs. W. S. Winegar, (Dora Hildreth), Mrs. Libbie McWilliams, Mrs. Emma Winegar White, Mrs. Nellie Kellough Andrews, Mrs. Cassie Burt Hawley, Mrs. Myrtice Kopf Bangs, Mrs. Willard Hunter, (Edna Cahoon), Frank Pickard, Mrs. Mary Warner Curtis, whose father-in-law was a teacher in the schools in the seventies. There may also be others whose names we have not secured.

ANNUAL MEETING.

The annual meeting of the Lowell Building & Loan association will be held at the office of the Mange-Taylor Insurance agency, Negonce block, on Monday evening, April 15, 1929, at 7:30 o'clock, daylight saving time, for the purpose of electing two directors, full term and such other business as may come before the meeting.

All persons owning shares in the Lowell Building & Loan association are members and are requested to be at the meeting and vote.

Harvey J. Coons, Secretary.

LOWELL BOY HONORED.

George Whitfield was recently initiated in Tan Beta Pi, oldest and strongest national scholastic engineering honorary fraternity. It is thought that George is the first Lowell boy ever taken into this organization.

This honor is a signal recognition of his ability and is an achievement attained by few.

It is particularly noteworthy coming as it does during his Junior year for only those with a B plus average are considered. And even then many are called but few are chosen. Congratulations.

DINNER FOR MRS. CURTISS.

Mr. and Mrs. O. J. Yeiter attended a dinner at the home of Dr. and Mrs. Lustig, Grand Rapids, in honor of her mother, Mrs. Earl Curtiss' birthday anniversary. Mrs. Curtiss was the recipient of many beautiful gifts and was completely surprised by the event.

BETTER BUSINESS BARGAINS LOWELL, SATURDAY, APRIL 27

Mr. C. H. Runciman, live-wire president of the Lowell Board of Trade, with an eye to the future prosperity of Lowell and vicinity, recently appointed a new committee to be known as the Better Business Bargains committee and this committee, with the aid and approval of the Lowell Board of Trade, announces the following plan for a Spring Trade Extension campaign. Special bargains will be offered by Lowell merchants on Saturday, April 27, and other Bargain days are to follow in May and June.

On these days each merchant is pledged to offer some special items at prices representing no more than the cost to manufacture and the merchants' sole profit on the deal will be the community good-will thus acquired.

As a rousing cracker to the Better Business Bargains campaign, the merchants of Lowell will on the last big Better Business Bargains day give away an automobile. Particulars concerning this event can be learned at the various business places in Lowell.

The Lowell Ledger of April 18 will carry a two-page spread advertisement containing the merchants' announcements of the Better Business Bargains for April 27, in addition to which several thousand bills from the same form will be distributed throughout this section of the country.

The Better Business Committee confidently announces "The greatest sale of the greatest variety of Spring merchandise ever attempted in any community, regardless of population!"

All roads will lead to Lowell on Saturday, April 27. Come and get your share of Lowell's Better Business Bargains.

Ledger's Guess on Power and Light Situation

Pending a report of the inventory-audit by outside electrical experts, the Lowell Village Council is at a standstill in the matter of additional break-down power and the matter of purchase of an additional Deisel engine, as discussed by Trustee Kniffin in this paper several weeks ago.

Since that publication, the Consumer's Power Co., as made an offer of break-down service that would seemingly obviate the necessity for the expenditure of some \$45,000 for the proposed additional oil burning engine.

Since the proposal was received, however, opinion that the best course for the village will be to build a new dam, in which case, neither additional engine nor renting of further break-down service will be needed and the expense would be approximately but \$15,000 more than for the proposed additional engine, which would still leave the Village liable to rebuild the dam, should it go out.

An early report on the inventory-audit is expected, when the Village Council will be in position to act intelligently. In the meantime, it members maintain a non-committal attitude on the subject.

This report by The Ledger scribe is merely in the way of giving the people of Lowell an idea of the drift of things and is strictly on our own and perhaps conjectural.

Complete feeding directions are given with all Amco Feeds, on the tag carrying the Open Formula.

Special chick starters are more expensive than growing mash, not because they contain superior ingredients, but for two very different reasons. 1.—Their marketing season is so short that mixers and distributors have to make prices cover the chance they take in handling them, and 2—using a special starter has become a habit with so many poultrymen that almost any price may be charged. But this expense is going out of date among sound poultrymen. Special starting mashes have been proved unnecessary.

An Egyptian Cemetery

The modern cemetery has progressed greatly in advance of some of the ancient graveyards. The Egyptian cemeteries were always located on the western bank of the Nile toward the setting sun and the tombs usually faced east, occasionally south, but never west, since to the Egyptians the setting sun was the symbol of death.

If you will call, we will show you some examples of modern burial architecture and furnish you prices or any other data you may request.
