Poultry Tour-ists Feted by King Mill Co.

The second annual Michigan poultry tour, an epoch making event, came to a fitting close Friday evening with a chicken banquet in the City hall. The King Milling company provided the banquet for approximately 225 touring poultrymen, who left Lowell favorably impressed with the very generous hospitality shown them during their stay here.

The poultry tour made nineteen stops, visiting four commercial poultry farms, three breeding farms, five hatcheries, two farms where large numbers of turkeys are raised, one duck farm, two research farms and the King Milling company feed manufacturing plant. It required three days to complete the trip of inspection. The second last stop of the tour was made at the King Milling Co. plant, where the poultrymen had an opportunity to inspect the high quality ingredients used in the manufacture of the various King feeds. The study of feed ingredients was educational to the visiting poultrymen and the general comment seemed to be, "Now we know why King Poultry Feeds produce such satisfactory results and are used by the leading poultrymen of the State."

The last stop of the tour was at the Foreman Poultry farm. Here the visitors had an opportunity to see what is probably the most attractive hatchery and laying house in the State. The Foreman Poultry farm is divided into two units: the hatchery and the breeding plant and the chick range. Mr. Foreman was called upon to give a short discussion of the practical advantages of the types of buildings, the construction of which was nearing completion on his farm. On the chick range many poultrymen who had followed the tour during the three days were heard to comment: "The finest stock we have seen on the tour."

The banquet tendered by the King Milling company was probably the high spot of the tour. A very interesting program followed the banquet, which included many prominent State college officials and leaders in the commercial poultry feed and poultry breeding world. J. A. Hannah, poultry extension specialist, Michigan State college, acted as toastmaster and called upon Wm. C. Doyle, the host of the evening's entertainment. Mr. Doyle urged all poultrymen to come to Lowell, if for any reason they were dissatisfied with their present location, as they would find Lowell the ideal community in which to locate. He mentioned the State Poultry Tour made the first stop at Lowell and suggested that next year the entire tour be conducted here at Lowell.

C. H. Runciman, president of the Board of Trade, welcomed the visiting poultrymen to Lowell and spoke of the many advantages Lowell offers as a most suitable poultry location. A letter just received by both the King Milling company and E. C. Foreman from J. A. Hannah, who sponsored the tour, contains the following: "The second Michigan Poultry Tour is, I believe, the outstanding poultry event that has occurred in Michigan's poultry world to date. A total of 294 persons registered during the tour and it is probable that approximately 100 additional persons visited the tour or took part in it and failed to register. The success of the tour was made possible through your co-operation and the co-operation of the other farm and plant owners who allowed us to inspect their plants. Lowell is now on Michigan's Poultry map and bidding for national recognition."

MISS M. A. TAYLOR BUYS MANGE-TAYLOR AGENCY.

Having purchased the interest of the estate of David G. Mange in the Mange-Taylor Ins. Agency, I wish to thank our friends and the business of the past and solicit a continuance of your patronage. The fire insurance business will receive my best attention and the protection of your property will be my aim. Myrtle A. Taylor.

The new Intermediate Epworth League will meet at 5 o'clock Sunday afternoon.
Prayer meeting Wednesday evening.

The Ladies' Aid will meet at the church Friday, Oct. 4th at 2:30 p. m.
The ladies of the church serve their big annual home-coming supper next Tuesday evening, Oct. 8th. See ads elsewhere.

VERGENNES M. E. CHURCH.
Service Sunday at 9 a. m. All are invited.

SWAMPLAND HAMPERS WORK ON NEW HIGHWAY.

Ionis, Sept. 23--Grading for the new M21, through Prairie Creek swamp is giving workers more trouble than was anticipated by surveyors. For a considerable stretch it has been found necessary to excavate eight or ten feet of black muck before reaching a suitable foundation, on which will be placed earth taken from the nearby hills.

Graders now are at work at the northeastern limits of the city. One of the advantages of the new route over the one farther south, one proposed, is that between Hecht's corners and Ionis no less than six curves will be eliminated.

Women's Club Opens Season 1929-1930

The Lowell Woman's club met in a very delightful meeting at the Morrison Lake club house on Wednesday afternoon, Sept. 25. After the usual business session the meeting was given over to the program committee of which Mrs. L. W. Rutherford was chairman, she announcing the following program:

Two vocal solos were given by Mrs. Charles Doyle in her usual pleasing manner. Mrs. Clayton, past president of the Lowell Literary club of Grand Rapids, was introduced and gave a very instructive talk on "Applied Psychology." Mrs. Hoffman is a prominent teacher of this subject. Mrs. Gracia Haysmer was called giving a cantillation accompanied by her mother. Mrs. Phil Schneider entertained with a violin solo. Mrs. O. J. Yeiter, in her pleasing way, gave a group of musical readings. The chairman then asked the club to retire to the dining room where they were greeted by Mrs. P. J. Fineis and Mrs. A. Armstrong, hostesses, and seated to a bountiful luncheon such as the women of Lowell are able to make.

The club year of 1929-30 has the outlook of being a very good year, both instructive and constructive under the efficient leadership of its president, Mrs. C. D. Hodges.

After visiting for a short time the club adjourned to meet in the club rooms in the City hall on October 9, the Garden Lore club having charge of the program.
Mrs. A. S. Bennett,
Recording secretary.

SCHULTZ-MILLER WEDDING.

A pretty wedding was solemnized Thursday noon, September 26th, when Carolyn A. Miller, daughter of Mr. and Mrs. George H. Miller, Lowell, and William C. Schultz, son of Mr. and Mrs. Kark Schultz, Byron Center, spoke their nuptial vows in their new home at 601 Woodbridge street, Grand Rapids.

Rev. E. Gross used the impressive ring service. The bride was charming in a gown of royal blue satin and carried Ophelia roses, swainsons and maiden hair fern. Miss Ella Schultz, sister of the groom was maid of honor and was lovely in pink satin and carried a bouquet of vari-colored garden flowers. George L. Miller, brother of the bride, assisted Mr. Schultz as best man. After the ceremony a dainty lunch was served. Mr. and Mrs. Schultz left for the West on their wedding trip amid showers of rice and good wishes.

YOUR BEST INVESTMENT.
It's an actual fact that there are advertisements in this paper in a single issue, that are worth more to the wise house supply buyer than the price of the paper for an entire year. What other investment pays so well? Besides that, you get all the home news in your best home paper for a whole year as a bonus. Better U B WISE.

Admission 15c and 35c

Fineis Oils Finish Third Want 'Nother

The Fineis Oils ball tossers defeated the North-easterns Sunday at Ramona by the score of 2 to 1, thereby winning third money in the tournament. It was one of the best games played at Ramona this year. Due to the umpire's decisions in the game of the previous week the crowd was overwhelmingly in sympathy with the Fineis Oils and showed its belief that the Fineis Oils should be playing for first money.

Lefty Genter was on the slate for Lowell and pitched a wonderful game of ball, allowing only four hits in the entire game.

BOX SCORE.

Fineis Oils.

AB	H	R	E
Pheli	4	1	0
Ashley	4	2	0
Hutchinson	4	0	0
Pullner	4	0	0

Vaughn	3	1	0
Bogiana	4	0	1
Felner	3	1	0
Weinmaster	4	0	0
Bills	4	0	0
Wagner	4	0	0
Kronberg	4	0	0

"Pete" Fineis has decided to enter the fold with even a stronger team for next year playing three games a week. All these games will be played at either Ionis or Lowell, every Wednesday at Ionis and every Thursday at Lowell, with the Sunday games alternating. Tony Gazella is busy with the Lowell grounds now. Already he has had part of the infield filled in with new dirt and he hopes to be able to have all this done before freezing weather sets in so that it will be in excellent shape by Spring. Mr. Gazella certainly deserves the thanks of the community for the condition in which he has kept the entire park this Summer.

Mr. Fineis has challenged the Ramonas to play another game for a thousand dollars, feeling that the Lowell team was unfairly treated by the Grand Rapids umpire in the game which made the Ramonas victors in the tournament, the challenge providing that the game shall be played outside of Grand Rapids.

Reply to the challenge has not yet been received and the outcome is awaited with interest.

CHURCH OF THE NAZARENE.

Corner Washington and Avery. Sunday Bible school at 10:00. Will have a rally day program. A special invitation is extended to all.

Morning worship, 11:00. N. Y. P. S., 6:45. Senior N. Y. P. S., 6:45. Evening service, "evangelistic," 7:30. Friday afternoon the W. F. M. S. will meet at the home of Mrs. Velma Dawson.
Rev. Earl J. Stevens.

Governor's Fire Prevention Proclamation

For some years past it has been the custom to inaugurate a campaign of education and action for Fire Prevention, with the view of reducing the great unnecessary fire losses which cause an enormous destruction of property each year.

The time designated for this commendable undertaking is the second week in October of each year, therefore as Governor of Michigan I proclaim the week from October 6th to October 12th, 1929 Fire Prevention Week.

The work which will be accomplished during that period will result in a great saving of life and property, therefore it is essential that it will be given the co-operation which the movement deserves. It should be observed in cities, villages, and rural communities to the fullest extent.

Heretofore there has been a lack of extending fire prevention week activities into the rural districts where it is so much needed. A scattered population, numerous buildings grouped and no means or apparatus for fighting fire, the farmer is quite helpless in case his buildings take fire, facing the complete destruction of his accumulation of years. Therefore, it is hoped that the work may this year be extended into the rural districts.

Benefits would follow in the years to come if teachers in rural schools would instill in the minds of the growing pupils the most common dangers of fire on the farm, and how to combat them, with the suggestion that they closely watch for fire hazards, that their parents be advised, and the property made safe.

With the near approach of time for the starting of heating plants, furnaces, stoves, pipes, chimneys, etc., should be placed in safe condition, rubbish removed and burned, all combustibles, gasoline, oil, paints, varnishes, etc., should be safely stored.

The marked interest shown by the Michigan Fire Chief's Association, in their efforts to make Michigan safe from fire furnishes an example of what may be accomplished by other similar organizations.

Through the united action of citizens of our state, it is hoped that we may be able to continue to decrease the great unnecessary fire waste.

Given under my hand and the great seal of the state this twelfth day of September, in the year of our Lord one thousand nine hundred and twenty-nine, and of the commonwealth the ninety-third.
By the Governor:
FRED W. GREEN,
Governor.

JOHN S. HAGGERTY,
Secretary of State.

Motor Bus Smashed Up At Ada

The Ionis-Lowell-Grand Rapids Motor bus was wrecked Thursday at Ada Sunday at 3:30 p. m., when Driver Loren Belding swerved it into the ditch at the intersection of M. 21 with the Ada village road, to avoid collision with a car driven by W. C. Miller, of Grand Rapids.

Fortunately all the bus passengers escaped serious injury, only Cecil Sheldon, of 47 1/2 Hall street, Grand Rapids, being cut by broken glass from the wind shield, though all on board shared in a rough shaking up which left the motor bus in a badly wrecked condition.

Services of a wrecker were required and another bus was called to complete the trip.

COMBINATIONS YOU WANT

Look for and remember this combination---Quality and Price. For Quality in Our Wall Paper you don't have to guess if seeing and feeling mean anything to you. And Price! I must explain that we have one hundred and fifty patterns of America's finest Wall Papers on sale at 5c per double roll up--but not very high--which means that you can buy Wall Paper at Look's from the time you read this adv. until October 1, cheaper than ever before. That's it.

Mr. and Mrs. Elmer White returned from a ten day tour through Northern Michigan spending a few days at East Lansing.

Mrs. Elmer White is entertaining a party at the home of her son, Mrs. Emma Ford and her parents, Mr. and Mrs. Howard for several days.

Mrs. Lillian Higgins, Mrs. Carrie Gilland, of Grand Rapids, and Mrs. Cecil Smith and son Robert, of Ionia, were in Ionia.

Little Doris was always frail and every effort possible was put forth to aid her but in vain.

She was a loving and sweet child and will be greatly missed in the home of her mother.

She leaves to mourn their loss her mother, her father, and one brother, Lottie and Grace, and one sister, Helen, besides a large number of friends and other relatives.

She is called to Heaven covered in the faith of her mother, and had blossoms there.

Services were conducted from the home by Rev. M. H. Dawson, of Lake Odessa, burial in Oakwood cemetery.

CARD OF THANKS.

We wish to express our deepest appreciation to our friends and neighbors for their kindness and flowers during the sickness and death of little Doris, also to the friends of Grand Rapids, Adrian and Ionia, who called and brought comforting words.

Mr. and Mrs. Charles Dawson and family.

A City of New Telephone Buildings

IN 1926, the Michigan Bell Telephone Company entered upon the largest expansion program in its history. The intervening three years have witnessed the engineering and construction of 25 new telephone buildings and major building additions throughout the state.

Grouped together, these structures, housing thousands of telephone workers and millions of dollars' worth of equipment, would make an imposing "business city."

But this building construction represents only a portion of the extension of telephone plant by this Company during that period. Total expenditures for telephone plant expansion in Michigan the past three years were \$72,000,000, greatly increasing facilities and improving the service. This is a continuing program, for as business and social activities increase, demand for still greater telephone expansion develops.

This plant expansion and improvement would be meaningless if it were not translated into terms of service and a desire to afford increasing telephone comfort, convenience and satisfaction, and to meet the growing needs of the state.

Our policy—"To continue to furnish the best possible telephone service at the lowest cost consistent with financial safety"

Here's the Story

Washed to death. That was the housewife said of a shirt brought up from her basement—torn, and streaked with sickly blue. That is what had washing to do.

Washed to Death

That was the housewife said of a shirt brought up from her basement—torn, and streaked with sickly blue. That is what had washing to do.

"You're The Doctor"

If your credit is healthy, you made it so; if it is unhealthy the chances are you have no one to blame but yourself.

Every time you open a new account; every time you secure credit from any source you have an opportunity to build up or to undermine your Credit Health.

The rating after YOUR name is the result of one thing only, the manner in which you pay your bills. A prompt rating results from prompt pay; a slow rating from slow pay.

A Prompt Rating is worth the effort. Pay Your Bills Promptly and Keep Your Credit Rating Healthy

Red Top Steel Fence Posts

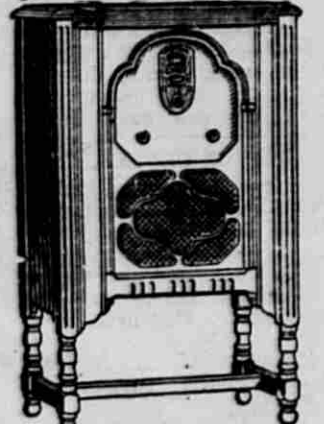

Fence This Fall—It's Easier

THERE is no time like the present to get at that fencing job which you have had in mind. Do it now—this fall—while you have more time.
It is no trick at all with Red Top Steel Posts. These drive easily through the hardest of soil and make it possible to take this fencing job out of your busy spring season. You'll be amazed how quickly the job can be finished, for with Red Tops you can build in a single day as many rods of fence as you could in a week in the old posthole digging days.
One man with a Red Top Driver can drive 200 to 300 Red Tops a day. It is easy to figure how short a job you can make of a complete fencing and repair program—right now—this fall—by using Red Top Steel Fence Posts.
Come in and let us show you the advantages of this post—the features that make it the strongest and most dependable post for you to use—for all purposes.

C. H. Runciman

Quiet! The NEW and Startling Majestic RADIO
Has no A-C Hum!
It Offers You Exclusively POWER DETECTION With the New -45 Tubes

Model 91 \$137.50—less tubes

Power detection and the new -45 tubes plus four tuned stages of radio frequency enable Majestic to produce the most powerful and selective radio set ever built. KROGER STORES

SALE of FLOUR

This wheat crop this year is much smaller than last year's. This is a splendid opportunity to buy at lower prices than will prevail later.

Country Club
A Low Price - 24 1/2 lb. sack
99c

King's Flake
24 1/2 lb. sack
94c

Lily White
24 1/2 lb. sack
\$1.05

Gold Medal or Pillsbury
