The versatile toast

With a good electric toaster, or a long fork and a grate, you may enjoy such a variety of good things. It is surprising what a number of dishes may be had from toast as a foundation.

Toast as toast, well buttered, with a bit of marmalade, conserve or jelly and a cupful of tea makes a most satisfying meal. Toasted sandwiches never lose their appeal; a finger of toast with a small cooked apple placed upon it and accompanied by a slice of sliced apple is another most worth serving. Haricots maitres, grated cheese mixed with cream spread on sandwiches and toasted bread, are always enjoyed. The following are a few of the thousand dishes one may serve with or toast:

THE RIGHT TIME FOR A GIRL TO MARRY

WHAT do you consider the right age for a girl to marry? The one of our readers asks. The letter she sends me a recent editorial giving statistics gathered by a life insurance company on the probability of marriage at various ages.

"A girl's chances of marriage fall off sharply after she reaches the age of twenty-five, while the chances of her marrying after a young man's age increase for a time after that age. We are told, 'The twenty-year-old girl has a better chance of marrying within ten years than the young man of the same age. By the time she reaches the age of twenty-five, however, the tables are turned, for the young woman has less chance as years go by and the young man more chance to take the marriage.'"

NUTTY NATURAL HISTORY

By HUGH HUTTON

THE APPALACHIAN OWK

TRAVELERS often catch sight of this solitary bird of prey, soaring from some lonely crag, looking a tobacco field. It is the chief enemy of the snake, which is found everywhere in the well-forested lowlands of this district. When an unsuspecting snake is sighted by the owk, it strikes and carries it off in its strong talons to its lair to cool off.

Good service wins a good reputation; a good reputation wins up good will; good will gains confidence, and confidence creates customers for the good service.

Circle this thought as often as you like . . . Start from "Good Service" and you will end with the same two words.

We believe that service is something more than selling right and delivering promptly. It is more than a consideration of others in their personal needs and commercial requirements.

LOOK'S SERVICE is far more than all this. Service is the satisfaction we enjoy in giving something that cannot be bought and that something is sincerity. Isn't that so, John?

October Wedding

Dorothy M. Kyser Becomes Bride of John E. Brake.

The home of Mr. and Mrs. R. A. Kyser was the scene of a pretty wedding Sunday morning when their second daughter, Dorothy Mabel, and Mr. John E. Brake, son of Mr. and Mrs. John Brake, of Clarksville, were united in marriage. An uncle of the bride, Rev. Wm. A. Minty, of Grand Rapids, performed the ceremony, which took place at 9 a. m. The bride was becomingly attired in a blue silk crepe dress and carried a bouquet of snapdragons. Miss Floy Kyser, who wore brown satin, acted as bridesmaid, and Gerald Kyser was best man. The father gave the bride away.

The ceremony was witnessed only by the immediate families, the grandparents, Mr. and Mrs. P. C. Freeman, Mrs. Charles Kyser, of Lowell and Miss Margaret Heidrick. Refreshments consisting of ice cream and cake were served. Mrs. Brake, after graduating from the Lowell High school and Ionia County Normal taught four successful terms of school. She was also a competent club leader, is a talented musician and skilled in domestic economics.

Mr. Brake graduated from the Clarksville High school, and is now a prosperous farmer of Campbell township. Both Mr. and Mrs. Brake are high standing young people and the best wishes of the whole community are extended to them as they go to their home on the Brake farm near Clarksville, where they will reside after returning from a motor trip to Escanaba at which place they will visit Mr. and Mrs. Henry Wiley, the latter a sister of the bride. A reception is to be tendered to the newlyweds at the South Boston Grange hall Saturday evening.

about him, something went wrong and he suddenly slipped over the edge headfirst into a rainwater barrel. By the time the women folks had succeeded in rescuing him, during which it is alleged a couple of mean men tried to shove him back into the cask, it is said he had swallowed a couple quarts of wigglers and a whole lot of his previous ambition.—Fred D.
