MONEY, TRADE AND PROSPERITY

Money is an ingenious device of mankind that reason we give you the figures above in to facilitate the exchange of commodities order that you may make your own combetween people.

Its use has replaced the ancient custom of barter, in which commodities were swapped to such an extent that people have misunderstood its function.

Although the United States has \$4,642,-906,405 worth of gold, or considerably more than its share in comparison with the rest Charles Fiske, bishon: of the world, it is not enough to prevent the "Science can give us no information about break down of prosperity. What is needed the really great problems—the meaning of to restore "good times" is the increased bar- the universe, the problems of evil, the fact mous Buffer Heel

The wheat farmer for example, finds a huge surplus depressing prices while millions in China starve. Yet, everyone knows that China has many commodities which the world can use and obviously a swap of compression of the speech to a microphone; it never nods approval." modities would be to the interest of both proval."

The illustration, repeated thousands of Edward Albert Wiggan, author: times explains how the prosperity and progress of peoples are interwoven -and intertwined in the trading of their commodities twined in the trading of their commodities. twined in the trading of their commodities. It also demonstrates that prosperity depends Fred Butler, doctor: upon trade that is advantageous to both peoples or individuals.

AIR TRAVEL NIGHT AND DAY

Louis E. Bisch: Just to give you an idea that the country "Boiled down to the bottom of the pot a is becoming "air-conscious" and that eventu- moron is anybody who doesn't agree with ally travelling in the air will be as common you." as automobile transportation we call your attention to the inauguration of an all-air Hanson E. Ely, Major-General, U. S. Army night-and-day passenger and mail service between New York and San Francisco.

It is interesting to observe that the west-

bound trip requires 31 hours but the eastmiles in 28 hours. There will be thirteen "Love seldom dies a good swift clean stops in nine states. Passengers will not death. The Eighty-ninth division liked A Modern Sphinx its "old man"—Gen. Frank Winn.
And because those men from Kansas and Missouri and Colorado

IN SPITE of the common opinion
that a man or a woman cannot of many a song and joke. But, it seems that the general didn't have seems that the general didn't have a very keen sense of humor—at least from the point of view of the jokesters. Ask Carter Vaughn, now a Missouri newspaper man, but in 1918 a soldier in the Eightyninth and the composer of a song which he used to sing on frequent occasions. The thousand and one verses of this song told about all the things that were wrong with

Unsolved Riddles That Still Puzzle

Authorities Here and Abread

the things that were wrong with his outfit and every other line would wind up with "General Winn would have passed generally as an would wind up with "General Winn is the cause of it."

Before he realized it Vaughn and his singing had become famous throughout the division. One day he received an invitation to visit division headquarters and demonstrate his vocal ability before the general. In the presence of that personage Vaughn suddenly became bashful. He had a bad cold—and besides he had left his music at home—also he had been smoking so much that his throat was a bit sore words, he was treated by the authorities as if he were—as he may

home—also he had been smoking so much that his throat was a bit sore—more than that be just naturally didn't feel in the mood for singing. But the general insisted that he do his stuff. So the singing editor cleared his throat, threw back his head and with great gusto and much feeling sang his song.

Besides General Winn, his audience consisted of several high ranking officers and they didn't seem especially to appreciate his efforts. In fact there was no applause at all. But General Winn, as was proper, took command of the situation.

"What is your name?" he asked.
"Corporal Carter C. Vaughn, sir," was the reply.

"You are mistaken," said the "old wind he was treated by the authorities as if he were—as he may have been—a woman.

Doctor Barry made rapid strides in his profession, sometimes jump-ing two ranks at a time and, when he died at the age of seventy-one, held the post of inspector general of army hospitals, a title which appears upon the headstone over his grave in the Kensal Green cemetery.

No one ever suspected the doctor of being of a sex opposite to the one in which he posed until the year following his death, when a long article appeared in one of the leading English periodicals which elicited statements which became the transcal as if he were—as he may thorities as if he were—as he may thorities

Reports on 1,845 traffic accidents
were made by highway patrolmen
or out-state posts of the Michigan
State Police during 1930, according
to a tabulation of work made by the
department's bureau of traffic and
safety just issued.

Of the 1,845 accidents, 113 were

reported to the war office that the
deceased inspector of hospitals was
not only a woman, but it was evident that early in life she had been
a mother."

When this article appeared, an
officer of the Third West India
regiment recalled an incident connected with Doctor Barry, which
threw additional light upon the
matter.

ing her sex? How was she able to carry on the impersonation for more than fifty years? What tragedy lay concealed behind her strange determination to appear a man? Unfortunately, the answers to these and numerous other questions about this modern sphinx lie interred in that grave in the little cemetery at Kensal Green—never to be disclosed in the world.

Little Mary was attending church with her mother, when she com-plained of feeling sick at the stomach.
"Go out in the churchyard for a few minutes and you will feel bet-ter," whispered her mother. Mary left the pew, but returned in a few minutes.
"Why, Mary, where did you go?" again whispered her mother, sur-prised at her quick return.
"I stopped at a box in the back which said on it, 'For the Sick.' I feel all right now."—Vancouver

This is the year when tree cover, especially evergreen, around the spring has a most beneficial effect. With their tremendous capacity for catching and holding water in the soll, evergreen trees often mean the difference between a flowing and a dry spring. They keep the water

Not so long ago a famous personage advised the American public "to spend." Another equally noted man retorted with the advice "save." Perhaps both were right, but the better policy would seem to be

Spending wisely simply means to use your money for those things that you need, as the condititon of your purse may warrant—and at the same time, to buy only those articles that have actually proved their quality and worth. By purchasing merchandise that gives the greatest value for the money, you secure the longest service and so save the price of a repurchase.

Thrift is a virtue, but so is wise investment. The advertising in this paper is a re-liable guide as to where and when to get the utmost value for your money.

Advertising is a safe and trustworthy
