

# HONOR MEMORY STANLEY MOORE WITH MEMORIAL

MUSEUM BUILDING TO BE ERRECTED IN CENTER OF CAMP CHARLEVOIX WHERE STAN SERVED AS DIRECTOR OF A BOYS' GROUP.

Readers of the Ledger will recall the shocking news of the death of Stanley M. Moore, one of Lowell's finest young men, who was cruelly murdered last summer when he was shot in the back by a young man of about his own age with whom he was riding in an automobile, enroute to Denver.

Now a movement has been begun to provide a permanent memorial by friends of Stanley, to be erected at Camp Charlevoix on the shores of Lake Charlevoix in Northern Michigan, where Stanley served three seasons as counselor of a group of boys and where he was held in the highest regard. The memorial museum will be 20x30 feet in size and will be of fine log construction as are the other 24 buildings of the camp. The rock and forestry collections which Stanley had made will occupy the center of the museum.

Work on construction of the memorial will begin as soon as the camp opens in July. Mr. and Mrs. J. K. Moore, parents of Stanley, will attend the dedication services after completion of the building.

Camp Charlevoix is made up of upwards of 100 boys who come from coast to coast. Mr. L. C. Reimann, of Ann Arbor, owner and director, was in Lowell the latter part of last week, the guest of Mr. and Mrs. Moore. In speaking of Stanley to a Ledger reporter Mr. Reimann said: "Stanley was one of the finest boys we had in camp. He had the most difficult task of being counselor of the youngest group and was most successful in it. Modest, kind, able and friendly, he left an everlasting impression with those who knew him."

## A Ledger Reader Nearly 40 Years

Aberdeen, Wash., April 27, 1932.

Enclosed please find \$2.00 for the renewal of the Lowell Ledger for 1932. I could hardly get along without it as I have had it ever since it was published. I also more than enjoyed the Lowell Centennial book that I received from my niece, Abby Malcolm, for Christmas, and I thought it my best Christmas gift. Thanking you, I am, Respectfully yours, Mrs. Belle M. Weatherwax.

# THE LOWELL LEDGER

and ALTO SOLO

LOWELL, MICHIGAN, THURSDAY, MAY 5, 1932

NO. 50

## BLUE MARK NOTICE

A blue mark around this notice will call your attention to your address label, which shows that it's time to renew.

## LEDGER ENTRIES

### FOR CIRCUIT JUDGE

A LARGE number of Kent county citizens have been in Lansing this week urging upon Governor Wilber M. Brucker the appointment of Roland M. Shivel to the vacancy in Kent County Circuit court caused by the death of Judge Major L. Dunham. Numerous telegrams and letters have also been addressed to Governor Brucker in Mr. Shivel's behalf.

Other candidates for the vacancy include Leonard D. Verdier, Arthur F. Shaw, Bartel J. Johnson, Thaddeus B. Taylor, Earl F. Phelps. Each candidate has strong support, but The Ledger is certain that among the outstanding men named none is more worthy or better qualified than our fellow townsman, Mr. Shivel. His ability as a practicing lawyer is well recognized, his character is above reproach and the judicial temperament so essential to the judgeship is his by nature. Governor Brucker would never have cause for regret should he appoint Mr. Shivel.

### BALANCING VILLAGE BUDGET

The matter of balancing income and expenditures is so much in the air these days that there has been to be a slang play upon "budget" and "budget." Perhaps it is just as well to permit a smile along with a hard job. There is coming to attention these days a new notion with respect to funds for public expenditures. It is, in a word, that the money-providing source should be a money-spending power on an allowance. In other words, the proposal is that the taxpayers shall say to their government, "Here is so much—go and buy with it the most and best government obtainable for the money." The idea is not altogether novel and impracticable and our Village Council takes that view apparently. It is no mean endeavor to cut village expenses almost in half and yet not impair the proper functioning of our local government. Yet we appear to be well on the way toward accomplishing that very thing. The Village Council and its President will have the support and cooperation of practically all citizens in their endeavor to keep expenses within the taxpayer's ability to pay.

Ordinarily the taxpayer, when he has money is pretty liberally minded. It is not likely the sources of revenue would be winded up were the limit of taxation to rest in the hands of taxpayers rather than in legislative bodies. If the idea makes headway it will be worth watching.

### CO-OPERATION

IT IS well to keep in mind that community co-operation costs nothing. The tendency to postpone all efforts for civic improvement until "times are better" is regrettable. It will do much to hurt the admirable spirit of progress that has been visible in so many ways during recent years. There are any number of activities, which would greatly add to the attractiveness of Lowell without adding much to its financial burden. The systematic beautification of gardens and yards, the careful improvement of buildings and a general clean-up campaign will cost little enough and yet, will add much to the appearance of Lowell.

OVER in the village of Grandville is a fine bunch of up-and-going men. Evidence of this fact was fully apparent last Tuesday evening when Secretary of State Frank D. Fitzgerald addressed the Commercial club of that village, following a 6:30 dinner served by the O. E. S. in the Masonic temple. Upwards of 100 Grandville business men were present and all gave close and interested attention to the splendid talk given by Mr. Fitzgerald. Senator Ernest T. Conlon also gave a good talk on state affairs. Supt. James Davies, president of the Grandville club, presided at the meeting. Attorney Campaign of Grand Rapids was the toastmaster. The vocal and instrumental music was of the highest order. Much credit for the success of the occasion is due to Editor J. John Pope of the Grandville Star. Mr. N. Henry and R. J. Jeffries of Lowell were among the guests present.

RECENT APPALLING crimes against childhood and the home have aroused American women to the dangers attending the failure of law enforcement agencies to cope with organized crime. The demand that law shall be at least as efficient as its violators is rising in volume throughout the country. Vigilant and intelligent women are at work on the problem. In millions of homes the men are urged to attack this problem of suppressing modern crime. Out of the outraged souls of American women may come the organization of society in such form as to put an end to the regime of banditry, kidnapping, robbery, and murder which endangers American liberty.

### Legion Broadcast

The Lowell American Legion will be on the air next Sunday evening from 9:30 to 10 o'clock over WOOD. There will be music by a Lowell quartette and the Vagabond orchestra. W. J. Kropf will give a six-minute talk.

## Village Expenses Slashed in Half

Council Adopts Budget for Fiscal Year—Expenses Fixed Well Within Tax Levy—Personnel Is Reduced—Jobs Combined—Salaries Are Cut—Appointments Made and Confirmed.

At the regular council meeting last Monday evening the village went under a budget system with regard to finances for the first time in its history. By "budget system" is meant the rather simple process of keeping expenses within the probable income. That is what is meant by "balancing the budget."

For weeks the various committees have been working to that end at the suggestion of President Ashley with the result that village expenses for the current year have been tentatively fixed at \$13,249. If expenses can be kept within that figure it will mean a reduction of practically one-half when compared with yearly expenses of the past two or three years. It will be noted that the budget contemplated is well within the tax levy of about \$17,000.

The proposed reduction will be brought about largely by the elimination of duplication of efforts, reduction in help, reduction in salaries, and discontinuance of free electric lamps which cost the village approximately \$2,200 last year. Under the plan the general fund will show a saving of about \$4,200. The street fund will be called on for about \$1,000 less than last year. There will be a reduction in light and power personnel as well as in salaries. The cut in policing costs amounts to about \$1,000 and the cut in clerical costs about \$1,200.

## Senior Class Play Fri. Evg., May 20

Two weeks from this coming Friday on the 20th of May at 8:00 p. m. the Senior class of Lowell High School presents its annual play. This year the play is to be "Oh, Kay," a mystery play with very amusing complications. Come and meet Frances McCarty and Richard Court as "Gram" and "Gramp," Geraldine Dawson as Mrs. Whitman and Lester Ross as her son Art and Audrey Carey as her daughter Edith, Carlton Runciman as Captain Whitman, Edith Althaus as the beautiful detective, and a series of dastardly villains, Richard Baird, Lester Stauffer, Richard Peckham and Zeona Rivette. The cast has worked hard and promises an evening of joy and entertainment. Admission will be 25 cents. The extra for reserving seats. The reserved seats may be obtained at Coons store on and after May 14th. There will be a matinee in the afternoon for the children. Come and boost your school.

## Farmers Get More Time to Ask Loans

The time for filing applications for 1932 crop production loans has been extended to May 14, in northeastern states, including Michigan and Ohio. The additional time was given because there is still time to plant crops. In other sections, planting time is virtually over.

### John Howard Dies

Mr. John Howard, age 70 years and 2 months, passed away Wednesday at 1:45 p. m. at his home at 120 S. Division street, after a three-day illness of heart trouble. Funeral services will be held Friday morning at 9 o'clock at St. Mary's church, Lowell, the Rev. Fr. Jewell officiating and burial in St. Mary's cemetery.

Those left to mourn their loss with Mrs. Howard are two daughters, Mrs. Leo Denny and Miss Anne Howard and four sons, William of Lowell, James of Detroit, George of Alto, and Leo of Ionia, a sister Katherine and a brother David of Parnell. Mr. Howard had lived in Lowell and vicinity a great many years and had a large acquaintance.

## Poppy Day Sale, Sat. May 28, Announced by Legion Aux. Unit

Saturday, May 28, will be "Poppy Day" in Lowell. On that day every person in Lowell will be asked to wear a bright red poppy in honor of the men who gave their lives in the World War, and second, it will appeal to them to help lighten the burden for those who are paying the price of America's victory in suffering and hardships, the disabled veterans, their families and the families of the dead. Every penny which the people of Lowell contribute for the poppies will go to the relief of the living victims of the war, the bulk of the money remaining right here in Lowell to finance the Auxiliary's relief activities among needy veterans and their families here.

## Grange Speaker

HON. WILLIAM M. SMITH

Hon. William M. Smith of St. Johns, former State Senator and former chairman of the Michigan Public Utilities Commission, will be the speaker at the regular meeting of South Boston Grange to be held this week Saturday evening, May 7. Mr. Smith is a speaker of outstanding ability and many will be glad of the opportunity to hear him. A fine program will also be given, in charge of Miss Rosalyn Schueller of the North Bell school. All are cordially invited.

## County 8th Grade Exams May 12, 13

The hour of beginning is 9 o'clock. Only those pupils who have completed seventh and eighth grade subjects are eligible. Among the rules are orders to teachers who may attend the examinations to keep away from their pupils because in the past year the examination conductors by overzealous instructors. Pupils who have an average of 75 per cent with no standing below 60 per cent will receive a diploma. Commencement exercises have not yet been arranged.

## League Presents Oratorical Contest

Last Sunday night, at the Methodist church, the local Epworth League, combined with the High School Music Departments, presented the first annual Epworth League Oratorical Contest and Music Festival. The program, under the chairmanship of Robert Merrill, consisted of vocal and instrumental numbers, along with two orations on the subject of "Disarmament." The winner, as chosen by the judges, was Darrel Burras, who will represent Lowell Epworth League in Grand Rapids this (Thursday) evening. Mr. Burras, as winner of the local contest, also won the Ladies' Aid Oratorical prize of \$2.00 in appreciation for the splendid work he did.

The Epworth League wishes to thank the Music Department, and Miss Dorothy Marsman, director, for the fine contribution they made towards making the evening a success.

## Fineis Oil Company Beautifying Grounds

The lawn at the front and sides of the head office of the Fineis Oil Co. have always presented a pleasing appearance, but the grounds are now being further enhanced in beauty by the construction of a large pool and a rock garden in the rear of the office, visible from the street. A border line of shrubbery is also being planted on the south side, while a large rose trellis will adorn the northwest corner of the grounds.

All join in making similar improvements and Lowell would soon become the most beautiful spot on earth. Who will start the movement for the beautification of our river banks—Lowell's greatest natural asset? A hint to the Grand Rapids club. We are sure every citizen would co-operate.

### FOR MOTHER'S DAY

The Christian Endeavor of the Congregational church are planning a special Mother's day program led by Grace Warren at 6 p. m., as follows: Mother's Day hymn. Reading—Mr. Wenger. Special Music arranged by Martha Brown. Readings—Beth Burdick and Sarah Baupon. Solo—Mrs. Wenger. Discussion—"Our Mothers" led by Grace Warren. Refreshments. All Endeavors and their friends are invited. The Mothers are given a special invitation.

## Odds and Ends Here and There

R. W. Covell is setting a good example in neatness by cleaning up the premises back of his garage. He is also removing the bulks of worn out automobiles which lined the alley and which were a menace to effective fighting a fire in case one should break out in the vicinity.

Jerry Cook says a civilized nation is one that is horrified every time some other nation goes to war but calls it "patriotism" when it gets into one.

Mrs. Bert Myers on south Hudson street has quite a curiosity. One of her hens has the mother instinct developed to such an extent that having no family of her own she has adopted a litter of kittens—the mother cat lies nearby but seems content to be relieved of the responsibility. It is quite a sight to see the little kittens' heads peeping out from the hen's wings. The hen seems mighty proud of her odd family.

According to President Ashley the only difference between a female gold digger of today and a male pirate of the 17th century is that the pirate is dead.

Patrons of the Lansing-Ionia-Grand Rapids coach line are advised to clip the new bus schedule from the first page of this paper and keep same for handy reference.

Richmond's Cafe is being nicely redecorated. New electric fixtures will also be installed.

Mrs. F. B. Howard of Berlin township, Ionia county, was adjudged Michigan's best jelly and fruit preserve maker by the National Farm and Garden association of Detroit.

Glen Barnes suggests that the girl who wants to acquire a beautiful complexion might try sleeping on a collar button.

An economical way of sending money is by the use of bank money orders. Further particulars are given in the Lowell State Bank adv. in this issue.

The Lowell Bakery interior presents a fine appearance with new wall decorations and new floor covering. A new case especially for cookies and friedcakes is an added feature. George Herald, the proprietor, is a progressive citizen.

"It must be a good deal of a jolt," asserts Charley Cook, "to change all of a sudden from a college graduate to a mere guy looking for a job."

Russell Smith has moved into the store building on Main street, west of the postoffice, with his line of electric refrigerators, radios and appliances. He also has a large service room in connection. Mr. and Mrs. Smith will occupy the living rooms over the store. Chris Leonard, the well-known photographer, will use the large room in the rear, which is equipped with skylight. Mr. Leonard will divide his time between his Ionia and Lowell studios.

If we dared to do it we might credit the Rev. R. W. Merrill with asserting that the electric chair is all right for discouraging crime but the best place to start in preventing it is with the high chair. In trout stream vernacular we are now "looking for a raise."

The Village of Lowell has entered into an agreement with the Kent County Road Commission for furnishing electricity for lighting Fallisburg park. Poles are now being set and lighting service will begin the near future. The Consumers' Power Co. will furnish electric service for Fallisburg and surrounding territory.

## Chivalry Merely Skin Deep Among Booze Peddlers

Chivalry among bootleggers, if it exists at all, seems to be somewhat shallow, declares the Clinton County Republican-News in telling the following incident. When picked up by state cops on M-21 in Dallas township April 18, Broughton Wathen of Pontiac, declared he was the owner of the 24 quarts of "bonded" whiskey found in his automobile. On the strength of his story his traveling companion, Ruth Lewis, 25, of Pontiac, was released.

Last Thursday morning Wathen was given a 1 to 4-year prison sentence by Judge Kelly S. Searl. The next day Wathen changed his story entirely. "I was told by the state cops that if I would plead guilty and 'take the rap' the worst I would get would be probation, but the judge hands me 1 to 4 years." That liquor was not mine. It belonged to the Lewis woman."

Wathen was granted another hearing before Judge Searl and after changing his plea was put on probation for a year and assessed the court costs. And now police are looking for the woman. When last seen she was "thumping" her way west.

When "Scarface" opens at the Strand this Sunday and Monday the theatre patrons are in for one of the most thrilling entertainments that has emanated from the studios of Hollywood. It is the stark, dramatic record of a racketeer who rose to dizzy heights on a flood of illgotton gold then the curtain was drawn on his lurid end.

## Plan Big Affair For L.H.S. Alumni

Mr. H. J. Fuller and Mrs. H. L. Weekes, president and secretary respectively, of the Lowell High School Alumni Association, which was formed at the Home-Coming last August, have sent letters to all the graduates of the Lowell High school. This letter has gone out to graduates in all parts of the United States, and it is hoped and expected that there will be a good response. In checking over the records it was found that two members of the first class of 1878 had died some time ago, but that several of the members of the class of 1879 are still living. Mr. Fuller is planning on a gigantic banquet or picnic for all members of the Association during Commencement week.

## Name Committees For Memorial Day

## Arthur Shilton Dies at Age of 82

Arthur Shilton, son of Benjamin and Hannah Shilton, was born at Orange, Ionia Co., Oct. 18, 1849, and died at his home in Cascade, Friday, April 29, 1932, aged 82 years, 6 months and 11 days. May 4, 1869, he was married to Eliza C. Bush of Berlin, Ionia Co. who entered into rest October 30, 1925. Two daughters were born to them. Ethelyn L., who has been his constant companion in his declining years and Mrs. M. P. Schneider of South Lowell. The family came to Lowell township in 1888, and with the exception of two years' residence in Ada, has lived at his home in the Snow neighborhood.

He was a man of high ideals, exceedingly active, doing all his farm work until he was stricken four days before his death. He leaves to his children the heritage of an honorable, brave and cheery life. Surviving are the daughters, three grand sons, Arthur, Will and Philip Schneider, ten grand children and one sister, Mrs. Marion Patrick of Ionia.

Funeral services were held Monday at Snow church, conducted by Rev. J. H. Bennet, of Ada. Burial in the Snow cemetery. The funeral arrangements were by Roth & Brezina.

## Measles Prevalent

Several cases of measles have developed in the community and it has been suggested that parents co-operate in preventing spread of the disease by taking prompt action to case their children show signs of sickness. A so-called "cold" may really mean measles—a disease that sometimes leaves bad after-effects. If sickness develops, keep the child out of school until a physician can be called to diagnose the disease.

## Ada Mail Carrier Survives Seven Autos and Six Horses

Horses, wagons and motor cars may come and go, but Arthur E. Winters, rural free delivery carrier for Ada, goes on indefinitely. During Mr. Winters' 26 years and eight months on his route he has hidden farewell to six horses, four buggies, one mail wagon and seven automobiles, all of which did their bit in delivering the daily mail. Winters alone has weathered the wear and tear of the years and today is a hardy specimen, proud of the fact that his long record shows a total of but two months of sickness during his service.

Mr. Winters spoke a little sadly of the changes that have taken place since he first began serving his patrons regularly nearly 27 years ago. Only a dozen of the original families remain. Some have moved to other sections, but in a quarter of a century the Grim Reaper takes much toll.

When Mr. Winters made his last trip last Saturday, April 30, he recalled the names of the following families still on his route and whom he had served from the beginning: Frank Conk, S. A. Beach, L. O. Beach, Frank Canfield, David Keil, Andrew Keil, Thos. Boyland, Perry Archibald, Rev. J. H. Bennett and the De Friend family. Mr. Winters says there may have been others whom he served from the beginning and of course

## HIGHWAY BILL TAKES TIME OF LEGIS. SESSION

TO PREVENT ADDITIONAL UNEMPLOYMENT AND BRING RELIEF AT SAME TIME IS THE MAIN QUESTION IN SOLVING DISPOSAL OF HIGHWAY FUNDS.

BY ELTON R. EATON

Lansing, Mich., May 4.—Official Lansing has been spending the present week checking over the work of the special session of the legislature in an effort to find out how much good has been accomplished for the taxpayers of the state so far as a result of the activities of the law-making branch of the government.

It is certain that the highway bill, held for days in the house committee, is not going to do all the things that many had anticipated.

How to prevent additional unemployment and at the same time bring relief to some of the counties and municipalities of the state is the main question that members of the legislature have been considering. The Highway Department is about the only department of the state government that provides a substantial amount of common labor with employment. Members of the house of representatives have been endeavoring to save as much highway work as possible and at the same time use as beneficially as possible the proposed diverted highway funds for the benefit of property owners.

It is the highway bill which has been in the house committee for days that has been responsible for the time-marking of the legislature. The lower branch of the legislature, in the senate, the budget bill which has for its purpose a reduction of expenses of various state departments and institutions has been under consideration for nearly two weeks. The senate members have the same purpose as many members of the house, to force a greater reduction of higher-up salaries than a uniform fifteen per cent cut for all would bring about.

If the highway bill a secure immediate action in the house and senate where it must be returned because of amendments that the house contemplates making, and the senate will act speedily upon the budget bill, there remains nothing more for the legislature to do but adjourn and return home, something that members have been anxious to do for the past two weeks.

The recommendation of the governor that the legislature submit to the voters this fall the question of a constitutional amendment which would permit legislative enactment of an income tax law, did not meet with the approval of the house of representatives when taken up for consideration late last week. To send this question on the way to the senate for consideration would require a two-thirds vote of the house, which it failed to receive.

Two or three additional special messages from the executive office call for more legislative action. One called attention to the fact that many cemetery associations had not complied with state laws by paying the fee imposed. It pointed out that this was due to lack of knowledge of the requirements of the law and it recommended that legislation be enacted which would permit them to keep their charters even though the fees have not been paid.

The other message had for its purpose the restoration on presidential ballots of the names of presidential electors rather than the names of the presidential candidates. Party leaders said this recommended legislation might keep certain names from influencing the decision of voters.

## GRAND TRUNK TIME CHANGE

Grand Trunk trains now arrive and depart from Lowell as follows: Going west, 12:10 p. m.; going east, 4:20 p. m. Central standard time is given. Lowell time is one hour faster. The freight and ticket office closes at 5:30 p. m., Lowell time.

## MOTHER'S DAY

Sunday, May 8

When you give Mother a box of candy as a remembrance on Mothers' Day, it becomes more than a mere box of candy to her. Although it is sometimes difficult to realize how much mothers appreciate the little extra thought, it's true such a small thing as a box of candy becomes a symbol of your deep affection for her. And at the same time it recalls much of the traditional glamour that a gift of candy has always had. This year, give her candy!
