

HONOR MOTHER AT BANQUET BY H.S. GIRL'S CLUB

DELIGHTFUL AFFAIR MARKED BY INSPIRING ADDRESS GIVEN BY MRS. J. B. NICHOLSON OF GRAND RAPIDS.

"The thing that we call living isn't gold or fame at all. It is the laughter plus contentment and the struggle for a goal. It is everything that is needed to the shaping of a soul." Thus spoke Mrs. J. B. Nicholson at the grand banquet given by the Girls' Club of the Lowell High School Tuesday evening.

Mrs. Nicholson's address was based on the three "G's": Culture, Character and Citizenship. The cultural enlightenments in school be curtailed even for a few years, the burdens placed upon the shoulders of our children will far exceed their capacity for bearing it. Because of trying times there are nine thousand young folks out of school, four thousand schools closed and 14,000,000 older boys wandering the streets. You say we have no money? Yet five times as much is spent for luxuries as for education. Truly a nation marches forward on the feet of its children. Roads and bridges may wait, but education cannot. We have grown so rapidly we have not had time to think of character. The shimmer of gold has dazzled us and material success has blinded us. Character is made by those who come before you and maintained by you for those who will follow. Mr. Nicholson gave the foregoing quotation which aptly applied to both mothers and daughters.

"Citizenship begins in the home. Far more important than the kind of home the family lives in, or the family account or sound standing it enjoys are the attitudes of the people in the family toward each other. The personality of each member of the family expands to its fullest only when there is peace and understanding affection and freedom."

Valuable aid was given to both mother and daughter in their association with one another, making possible a more pleasant and understanding association taking in consideration the wishes and pleasures of both.

In concluding her talk she read portions of the "Most Beautiful Will Ever Written" by Charles Launsberry in which he distributed his interest in the world among succeeding men. She concluded with this beautiful sentiment: "To our loved ones with snow crown I bequeath the happiness of old age and the love and gratitude of their children until they fall asleep."

The Girls' Club, composed of High School girls from the ninth grade to the twelfth grade has become a valuable feature in the activities of the High School and ranks among one of the clubs to the honor won by our boys. This year terminated for the year the program of our club. The program opened with a speech by the President, Dora Jane Thomas, who, after a few words of appreciation to our sponsor, Miss Ruth, and the girls themselves, turned the meeting over to the toastmistress, Gladys Armstrong. Helen Frost gave the welcome to mothers, which was gracefully responded to by Mrs. Lee Lampkin. A most beautiful and solemn ceremony was observed by a moment of silence and the faint echoes of "Taps" for our departed sister and daughter, Margaret Reynolds. Musical selections were given by Gracia Haysmer and Mrs. Charles Doyle and Lucille Warner entertained with a tap dance. The evening's entertainment was completed with group singing.

Several Cars Looted At Veterans' Meeting

A number of motor cars belonging to Lowell veterans were broken into and ransacked by thieves while the veterans were attending a meeting of the 40 and 42 club, held at Campau Lake last Saturday night. The doors of all of the cars are said to have been locked, but the thieves gained access by breaking windows.

Dr. H. P. Gofredsen reports theft of two bags containing surgical instruments, a medicine case, a Kelley pad, etc., all very valuable and of use to no one but a physician. Other loot included blankets, hats, overcoats, flashlights and other articles. Constable Frank Stevens was notified and went to work at once on the job with the result that on Monday night Lamar Emmert of Grand Rapids was taken into custody and on Tuesday Leo Normand, also of Grand Rapids, was taken. Emmert is said to have confessed. Part of the stolen property has been recovered. Constable Stevens was assisted by Trooper Carpenter of the Rockford post. The two men taken are in the county jail.

Says the Ledger Is Live and Up-to-Date

Rev. Lloyd H. Nixon of St. Joseph, formerly pastor of the Lowell M. E. church, is kind enough to write The Ledger as follows: "Let me commend you for maintaining a live, up-to-date community paper. Certainly, it is a want to keep informed about the events and people in Lowell, your paper is a satisfying organ."

NOTICE—All bills contracted by myself should be sent to me personally, as I will be personally responsible for all bills which I contract. Mrs. Emma Pullen. (p50-51)

Scrip Issued by School District Complies With All Legal Requirements

Several Lowell citizens wrote to the County Treasurer to ascertain whether the scrip issued by the Board of Education would be accepted in the payment of school taxes for district Number 1. They were told that the prosecuting attorney would have to pass upon the legality of the resolution passed by the Board of Education which permitted the issuance of this scrip. Before the Board had acted on May 5 the County Prosecutor and the County Treasurer gave verbal consent to Mr. Ashley and to Mr. Gamsers relative to the acceptance of such scrip by the County Treasurer. However, in going over the resolution passed by the Board of Education on May 5, the prosecutor found one or two minor technical errors and he proceeded to assist the Board of Education in drawing up a resolution which would satisfy the letter of the law. This was done and the Board of Education met as a committee of the whole at a special meeting on May 9 and passed this resolution, and the following letter signed by the assistant prosecuting attorney explains the rest. This letter shows that all the legal questions that the citizens might have relative to the acceptance of these orders for taxes. The scrip issued on May 5 is not acceptable for the payment of taxes as it was issued before this, but those who want it for this purpose may have the date changed by Mr. F. F. Coons, secretary.

Prosecutor's Letter
Gd. Rapids, Mich., May 10, '33.
Hon. Thomas Vidro, County Treasurer, Kent County, Michigan.
Dear Sir:
I have examined the certified transcript of the proceedings of the Board of Education of School District No. 1, Lowell Township, at the meeting held May 9th, 1933, at which there was authorized the issuance of \$6,400.00 of School District time orders.

Gregg Tells How to Beautify River

Stressing the permanent and lasting advantages that will follow for the entire community by beautifying the banks of Flat River was the theme of an interesting talk given by Prof. O. L. Gregg of the extension department of Michigan State College at a noon-day luncheon of the Lowell Board of Trade, held last Monday at Richmond's cafe. Prof. Gregg spoke particularly of landscaping, stressing the point that water is the greatest asset a town can have for scenic spots and numerous small parks close by the water's edge. He stated that care must be taken not to remove too much of the native trees and that native shrubs and trees should be used for replacement, especially elms, white birch, weeping willows, sumac, etc. Many valuable suggestions were also given for grading and filling in at various points, all of which will involve little cost. The use of plantings as screens to unsightly spots was also explained. The suggestions made by Prof. Gregg fit in nicely with the work and plans which had already been started here in charge of Village President Ashley.

In carrying out this improvement Lowell is taking advantage of its natural resources and is building permanently for the future. In every sense of the word it is truly a self-liquidating program that will enhance the value of any piece of property here and add to our daily happiness and appreciation, as well as an attraction to motorists and tourists who will want to linger longer here.
Glorify Lowell!

Coming Events

Make Plans For Annual 'Poppy Day'

Honor World War Dead May 27 by Wearing Memorial Poppies.
Lowell will observe "Poppy Day" this year on May 27, the Saturday before Memorial Day, it has been announced by Mrs. Bertha Shivel, chairman of the poppy committee of Charles Clark Unit of the American Legion Auxiliary. The unit is making extensive preparations for the observance of the day and is hoping for the full cooperation of all other organizations and individuals.

Memorial poppies, to be worn in honor of the World War dead, will be made available to everyone in the city by volunteer workers from the Auxiliary Unit. Organization of the workers is going forward rapidly under Mrs. Shivel's direction and the unit expects to have its "poppy girls" in all parts of the town by the time of the day. The flowers for the sale have been ordered from Veterans Hospital No. 100, where they have been made by disabled World War veterans.

"Poppy Day is the day for personal tribute to the men who lost their lives in the country's service," Mrs. Shivel explained. "It is a day when all can show that they still remember and honor the sacrifices made by those who defended America during the great war crisis, and that they are carrying on for America in the time of peace. The poppy is a patriotic symbol which means honor for the dead and service for the living."
"No price will be asked for the American Legion Auxiliary poppies. The Auxiliary wants everyone to wear a poppy and to contribute for the flower according to his means. All contributions will be used for relief work among the disabled veterans and their families, the bulk of the money going to support the relief activities of our local Auxiliary Unit among needy families in this city."

G. D. Cook Called to U.S. Forestry Service

Gerald D. Cook, for several years past superintendent of the Superior Furniture Company plant here, has been offered the position of technical forester in the Government's reforestation program and will leave next Monday to begin his duties. Mr. Cook has been assigned to the Huron National Forest and will have his headquarters at East Troy.

Mr. Cook will be right at home in this work as he is a forester of training and practical experience. He is a graduate of the forestry department of M. S. C., served in a forestry regiment in the World War and at one time was city forester of Cincinnati. The Government has found itself in need of trained foresters and the position came to Mr. Cook entirely without solicitation.

The Board of Directors of the Superior Furniture Company granted Mr. Cook a temporary leave of absence in order to accept the Government's program. Mr. E. B. Higgins of Grand Rapids, will look after Mr. Cook's duties at the Superior plant during his absence. Mrs. Cook and the family will continue their residence here.

TALKS ON FARM FINANCE FROM STATE COLLEGE

CREDITS, MORTGAGES, TAXES, PRICES, AND NEW LEGISLATION INCLUDED IN SERIES STARTING MAY 15.

Most Michigan residents will be interested in the series of talks on farm credits, refinancing farm mortgages, taxes, prices, and the farm relief act to be given by members of the economics department at Michigan State College over WKAR, beginning Monday, May 15, and continuing through the next four days. The speakers will be C. L. Nash; Dr. H. S. Patton; R. V. Gunn; and assistant professor O. Urey. Two of the men are on the teaching staff of the college and two are specialists in the college extension division. The college radio station broadcasts twice daily. The noon program is a weather and market reporting service combined with short timely talks on farm problems. The afternoon program is more general and includes a homemakers section. The programs are broadcast on a frequency of 1040 kilocycles and the wave length is 288.3 meters. The talks by the members of the economics department will be given on the noon broadcast.

Council Approves Two Beer Licenses

A special meeting of the Village Council was held last Tuesday morning, May 9th, to act upon applications for licenses to sell beer locally. The applications of the Theron Richmond cafe and the Claude Staal lunch room were approved. These licenses must now be approved by the State Liquor Control Commission. Mr. Richmond expects to be able to dispense beer by 6:00 p. m. The day of the week and the Staal lunch room within a few days. No other applications have been made to the Village Council to date.

Regulations

Sale of beer over counters or bars is prohibited.
Restaurants as well as other retail establishments cannot serve beer at tables.
Other regulations adopted by the liquor control commission prohibit free beer with food; no gambling, profane language, idlers or drunkards will be permitted on the premises.
Peter Kerr states that he is making application for license to sell beer at his lunch room, 609 N. Taylor street, west of the East End pool and lunch room states that he does not intend to take out a license.

Bird Mimic Brings Trouble To State

European Starling Has Bad Record in Fruit Growing Sections of Michigan

The European starling which can mimic the song of the meadowlark or the blue jay and which can give a fair imitation of a canny in disposing of cherries is the subject of a warning sent to Michigan residents by the zoology department at Michigan State College. The starling is another foreign species brought to this country by well intentioned but uniformed persons who do untold damage while trying to improve on nature. The bird was introduced in New York city in 1890 and now has increased and spread until flocks are common occurrences in Michigan.

Naming of Attorney Has No Significance

In conformity with regulations of the State Banking Advisory Board governing the conduct of banks of the state operating under a conservator, announcement was made this week of the appointment of Theodore Efferdink of Grand Rapids as attorney for the Lowell State Bank. There is no special significance to the appointment of an attorney for a bank, the action being in accordance with the practice now in vogue. The appointment of an attorney for a bank does not mean that a bank's affairs have been thrown into the courts. To illustrate, The Lowell State Bank has for many years employed the services of an attorney who was paid only for services rendered and the same practice will apply in regard to the newly appointed attorney.

WHAT GOSSIP DID

Read the following from the Iowa County News and learn that just plain, ordinary gossip can be as dangerous as an assassin's bullet.
A woman has just passed away in the state hospital at Traverse City from a mental illness caused by neighborhood gossipers, who wrongly accused her of irregularity as a member of the local election board. An investigation which exonerated her of all blame, came too late to save her reason, and so thoughtlessly cruel are themselves the subjects of much criticism. There is nothing so vicious and so soul-destroying as gossip.

Installation of O.E.S. Officers A Happy Affair

Cyclamen Chapter O. E. S., installed officers last Friday night in the chapter rooms of the Masonic Temple, which were beautifully decorated for the occasion. Preceding the installation ceremony a short program was given. Harley Maynard sang "The Young and Old Marie." Inez Cole very pleasingly entertained with a reading "My Dad" responding to an encore by singing and playing her own accompaniment on the banjo.

The flag was presented by the Marshall, Mrs. Cora McKay. Mrs. Charles Doyle delighted with two solo numbers, "Until," and "The Garden of My Heart," accompanied by Mable Hall, Mrs. Matilda White entertained with two readings, "Sail on O Ship of State," and "The Cornstock Fiddle." The installation then followed. Past Grand Warden, Neve Smith of Ada, grand installing matron; Bess Collins of Grand Rapids, grand installing marshal; Matilda White, grand installing chaplain. Lucille Warner, Gloria Doyle and Helen Christiansen presented each officer with a gift of flowers.

The retiring matron, Mrs. Rosella Warner, was presented with a beautiful Eastern Star pin, Janet Freymuth and Roger Krum carrying it on a dainty basket tied with a big bow of the matron's colors, royal purple.

The following officers were then presented and installed with Roydon Warner as organist: Worthy Matron, Myrtle Sinclair; Worthy Patron, Wm. Hartman; Ass't. Patron, Lora Hartman; Ass't. Patron, Allen Bennett; Sec'y., Ida Steed; Treas., Lilo Armstrong; Conductress, absent; Asst. Conductress, Beatrice Krum; Chaplain, Edna Hunter; Marshall, Cora McKay; Organist, Rosella Veiter; Adah, Lucille Rittenger; Ruth, Jessie Bennett; (pro tem); Esther, Esther Freymuth; Martha, Mazie Smith; Electra, Rose Christiansen; Warden, Katie Gray; Sentinel, Harley Warner.

Lowell At the Top in Price Paid for Wheat

Market pages of daily papers on Tuesday in feature articles emphasized the fact that the price paid for wheat in Lowell that day was exceeded by only one other place in the middle west. On Tuesday the King Milling Company was paying 82 cents here compared with 74 to 76½ cents in Chicago, 75 to 86 cents in Toledo, 79 cents in Detroit and 67 cents in Grand Rapids. This (Thursday) morning wheat is quoted here at 80 cents, beans \$2.15, wool 20 cents, corn and oat feed \$1.10. See market quotation on inside page for other quotations.

NATIONAL HEAD OF RURAL LETTER CARRIERS ASSURES CARRIERS AND PATRONS AT HUGE GATHERING.

The new Democratic deal at Washington does not call for any change in the present status of efficiency of the rural mail service. W. G. Armstrong, National Head of the National Rural Letter Carriers association, assured nearly 1,000 rural carriers and patrons from seven western Michigan counties who attended a meeting in Grand Rapids last Saturday evening.

The meeting was arranged under the joint auspices of the Kent County Pomona Grange and the Kent County Rural Letter Carriers association.

May Cut Allowance

He reported it might become necessary temporarily to curtail or even suspend for one year the carriers' equipment allowance, but asserted he had the assurance of postal and congressional leaders that bills calling for contract cutting, three-day-a-week service, wholesale consolidation of routes and a uniform salary scale would not be enacted into law while economies were urgently needed they indicated the government would do nothing to disturb the efficiency of the present service.

The announcement was greeted with prolonged applause from the Grangers and carriers of Ottawa, Barry, Allegan, Ionia, Newaygo, Montcalm and Kent counties.

Former Representative John C. Kechan of Hasling, who spoke after Armstrong, invited the government for searching for economies in the one branch of service which actually serves the people and comes more nearly paying its way than any other industry. Were it not for subsidies to the air mail service and the merchant marine, he said, the postal department would be nearly self-supporting.

Lowell Represented In Hotel Orchestra

Patrons of the Friday Frolie at the Hotel Rowe, Grand Rapids, were entertained last Friday night by a new band. Members are Henry Barr, piano; Don Hegerstrom, drums; Miles Sweetney, saxophone; George Tominski, saxophone and Stanley Mozsk, saxophone. Lowell members are Edward Reynolds, trumpet and organizer of the band; Bruce McMahon, banjo and featured vocalist; Paul Wachter, houser, trombone. Mrs. Vivian Schneider of Lowell, also assists in the vocalizing. They will entertain at the Rowe Thursday, Friday and Saturday nights of this week. Lowell friends may tune in on WOOD at 6:45 p. m. on Mondays and Fridays. Three of the boys do the arranging and these numbers are featured.

Conservation of Wild Flowers

was the subject of an interesting and instructive address given by Mrs. Kirkpatrick of Adrian, chairman of the conservation committee of the Federated Garden clubs of Michigan at the Strand theatre last Thursday afternoon. The address was given under auspices of the Garden Lore club and was illustrated with scenes of garden paths in Mrs. Kirkpatrick's home garden, depicting plantings throughout all seasons. The Garden Lore club extends thanks to the callers and to Tony Kropp of the Strand for courtesies extended.

Richard Houseman of Lowell, freshman, has received a place on the winter term honor roll at Central State Teachers' College, Mt. Pleasant. Miss Rivette earned a total of 6 honor points, taking three subjects for the twelve week period, according to announcement this week of Registrar C. C. Barnes.

Zeona Rivette of Lowell, freshman, has received a place on the winter term honor roll at Central State Teachers' College, Mt. Pleasant. Miss Rivette earned a total of 6 honor points, taking three subjects for the twelve week period.

The American Legion Auxiliary will meet with Mrs. L. E. Johnson next Monday evening, May 15.

Robert A. Cheyne, Civil War veteran, celebrated his 85th birthday on Monday, May 1. A dinner in honor of the occasion was prepared by his sister, Mrs. Jennie Hunter, attended by near relatives of the family. Mr. Cheyne has been confined to his home most of the winter suffering from neuritis, but is improving slowly and is now able to take occasional short walks. Mr. Cheyne maintains active interest in affairs of the day, and always welcomes the opportunity to visit with friends.

He of good cheer; there are still honest men left in the world, in Detroit at that. State Costs Slashed By House Committee

Rep. D. G. Look Reports Totals More than \$12,000,000 Below 1931 Levy

Rep. Dexter G. Look, who was home from Lansing over Sunday, reports that the Ways and Means committee shows a cut of \$10,075,532. It is believed the senate will agree to the house figures in most instances. As the budget is agreed to by the house it stands \$12,301,254.29 below the totals set by the 1931 regular session for the first year of the biennium or practically \$25,000,000 for the two-year fiscal period of 1931 by 15 per cent.

Every division of state government has been given a combing by the ways and means committee of the house. Facts and findings of the commission of inquiry into state governmental expense have been constantly before the committee and in almost every instance the cuts suggested by the commission have been exceeded when the pruning knife was actually applied. This accomplishment, of course, was made possible in part by constantly dropping commodity prices and increasing unemployment. Salaries and wages set in the current budget are back at pre-war levels and every possible reduction has been sought in governmental activities.

Odds and Ends

The Ogemaw County Herald, published at West Branch, issued a special edition, nicely illustrated with trout stream scenes, commemorating the opening of the trout season May 1. A two-day festival was held participated in by hundreds of visiting anglers, many prizes being awarded to expert fly casters. A 12-year-old boy, however, captured the biggest trout. There were four bands present. W. A. Crandell and E. M. Bucholz, publishers of the Herald, deserve much credit for their enterprise.

The teaching staff of the Portland public schools have been offered contracts for next year which call for a salary of \$1,000 per year and "such other considerations as the district's income will permit." The Portland Review states that the teachers have borne the brunt of the board's financial difficulties due to delinquent taxes. The one dollar provision is inserted in the contracts as a matter of form. It does not mean teachers will receive only that much for their year's work, but it will save repeated cuts during the year if conditions continue the same as at present. It is hoped and believed a reasonable wage may be paid. Teachers, advised of the board's action manifested no surprise. The contracts have not been presented but teachers have been advised of the terms. None have indicated an unwillingness to sign.

Fourteen persons were killed in Grand Rapids in the first four months of 1933, in all types of accidents, according to figures announced by the Grand Rapids Safety Council. One was killed

W. R. C. Program

"Dinner Day" meeting at City Hall on May 4. After the usual good dinner a fine Mother's Day program was enjoyed, which consisted of several readings and musical selections. One, a song and accompaniment by herself on the piano, given by Mrs. Sarah Pletcher was greatly enjoyed. Another feature of the program was the members bringing their youngest pictures and everyone guessing the original. So many had grown so much, it was difficult to tell them. But Grandma Pletcher has the same sweet smile now that she had when a girl, a smile that never wears off, so her picture was easy to find. After the program two new members were initiated, Mrs. Trudie Lee and Mrs. June Dolloway.

In Memoriam

In loving memory of our dear husband and father, James H. Muir, who passed away two years ago today, May 7, 1931:

More and more each day we miss you;
Friends may think the wound is healed,
Little do they know the sorrow,
That lies within our hearts concealed.

His loving wife and daughters,
Mrs. James H. Muir,
Mrs. L. H. Hill,
Mrs. Wm. E. Dee. (p31)

The Neighborhood club enjoyed a 7 o'clock dinner at Riverview Inn, Thursday night, after which they returned to the home of Mrs. Elizabeth Lalley for bridge. Mrs. John Arehart and Mrs. Oscar Brezina were awarded the honors.

Mrs. Sterling Moore entertained in celebrating the birthday of their son Robert, at her home on April 26th, at which time he was ten years old. Seventeen boys and girls of his school mates and his teacher, Miss Lois Krieger were guests. Games, contests, and a lovely luncheon made the afternoon merry for the young people.

Mr. and Mrs. C. O. Condon gave a reception Saturday evening honoring the recent marriage of their daughter, Miss Roxie Condon to Bill Hunter. One hundred and forty relatives and friends gathered at their large home to offer congratulations. After several hours of visiting and playing cards the hostess served refreshments to the guests. Many lovely and useful gifts were presented to the bride and groom with their wishes for many years of happiness. Mr. and Mrs. Hunter will reside with his parents south of Lowell as she will teach Maps district school again next year.

Mrs. Anna Adzit's Life Began Almost With Birth of Lowell

There died in Grand Rapids last Saturday, May 6th, at the age of 87 years, a woman whose life was closely identified with Lowell's pioneer history. She was Mrs. Anna Montague Adzit, who came to Lowell with her parents, Mr. and Mrs. Montague, in 1847, when she was but two years old.

From Mrs. Annie Hooker we learn that Mr. Montague, the father of Anna had come here for the purpose of carrying out a contract with Cyrian S. Hooker for the erection of a grist mill on Flat river. This was in the spring of 1847—and the sound old mill still stands and is in daily operation as a part of the King Milling Company plant.

The land for the site of the new mill had been purchased from Daniel Marsac (the 100th anniversary of whose founding of Lowell was celebrated two years ago) and the water power was granted by the government, thus all was in readiness for beginning the erection of the mill when the Montagues arrived.

The family took up its abode in the woods where Segwun now stands in a house near the Kopf furniture factory, a well-known institution in those days. In the fall of that year Mrs. Montague died and Anna was cared for for the next three years in the home of Mrs. Cyrian Hooker, afterwards she lived with Mrs. Dr. Richards until her marriage to William Adzit, the wedding taking place in Lowell in 1864. Shortly after their marriage Mr. and Mrs. Adzit moved to Grand Rapids. Mr. Adzit died in 1909, since which time Mrs. Adzit had lived with her son, Henry L. Adzit in Grand Rapids.

Mrs. Adzit always maintained great affection for Lowell and was an interested visitor at the Centennial. On her last visit here Mrs. Hooker presented her with a copy of the history of the Lowell Centennial which meant much to her.

Rich memories and reflections fill the mind of one whose life, like Mrs. Adzit's, in its span of nearly a century, unites the past with the present.

The "gadget" is a little machine that shows the difference between ordinary cords, used in other tires, and Super-tread cord, used in Goodyears... That difference is in the stretch and come-back—you can see how Super-tread cord stretches and comes back, how the cord in other tires loses its life and elasticity... It takes about 3 minutes to tell the story—but as this customer said—"If every car owner could see that demonstration, there wouldn't be anything used but Goodyear Tires."
