Additional Entries
SCHOOL IS OUT
GHOOLS are about to close all over America, and tens of thousands of boys and girls who have finished their school year are entering the summer months.

Monday, June 18
12:00 noon—Weather forecast, time, livestock and grain market reports.

Editor's Note—The following article is one of a series of sketches of the octogenarians in this community. Most of these venerable persons have spent their entire lives in this community and are held in high esteem by a large circle of friends and acquaintances.

Home Hints
Keep a small horse shoe magnet with your pins and needles. Use this magnet when you have to pick up several needles at a time.

Flea-Beetle Harms Spuds, Tomatoes
The leaf and gougé small holes which they make in the leaves of the potato and tomato plants are caused by the flea beetle.

WHY CAN'T WE SEE THE LIGHT?
WE HAVE yet to meet one farmer or one student of government who will give us a word for the "Brain Trust" idea of planning under control, killing off hogs and cutting down the average man's head.

When you are sending clothes to the cleaner, search for the buttons that are missing and mention them in the white thread.

Hickory Hollow
The day school closed Friday having their picnic Sunday at the Bertha Brock park near Ionia.

Remember When
When farmers made butter instead of churning milk and cream to the creameries and brought it to town to exchange for merchandise.

College Graduate
