Note: If you have not yet paid your taxes for 1932 and prior years on the 10-Year Plan there is still time for you to do so. IF, for any reason, you failed to pay your taxes for 1932 and prior years on the 10-year plan last year, you can still do so by making the first two payments, with interest at 4%—plus a small additional charge on the payment you missed last year.
