A SOUND DOCTRINE. Every governmental official or board that handles public money should publish at regular intervals an accounting of it, showing where and how each dollar is spent. We hold this to be a fundamental principle of democratic government.

Lincoln's Darling Lives Again In Ann Rutledge's Grandniece

The great eye in Abraham Lincoln's life, Rutledge with Ann Rutledge, who was not only his fiancée but his great-grandmother-in-law, is being brought back to life again in the person of a young girl, Ann Rutledge, who was born in the same place in 1885. The episode is recalled in Lincoln's birthplace and the great-grandmother of Ann Rutledge, the girl who was his fiancée, is being brought back to life again in the person of a young girl, Ann Rutledge, who was born in the same place in 1885. SUFFERINGS OF WAR. WAR not merely sheds vast quantities of precious life blood, but it is also a cruel and deadly disease, which causes as much suffering and death as any other pestilence that has ever afflicted the human race. One of the most pitiful pictures of the sufferings of war is the picture of the old men in Europe who are being employed producing the munitions and supplies of war, the business of providing and clothing and satisfying the daily needs of the young men who are being employed in the fighting lines.

But It's True

Sayings by Other Editors

CIVIL SERVICE IN MICHIGAN. (From Clinton County Republican-News. St. Johns.) "Well, all that you said is right," commented Auditor General Vern J. Brown, referring to editorial comment in this column of last week's issue. "But," he continued, "there is no middle ground in addition to the chart political and the zealous theorists you mention. There must be a practical approach to those who should be subject to the act."

Health - Hygiene. Disinfectant Through the Keen County Health Department by the State Joint Committee on Public Health Education and the County Medical Society Co-operation.

What's the Answer? BY EDWARD FRICK. Here's a simple test for quality... make it at your own table. Toast slices of Quality "Michigan" Bread, and other breads. Judge them by these points:

WHY DO WOMEN BUTTON FROM RIGHT TO LEFT? BEFORE the days of carefully studied and rigidly followed schedules for initial washings were prevalent today, the mothers of the old school believed that the right and proper way to keep a baby happy was to carry him about with them practically all day long everywhere they went. This kept their right hand occupied so constantly that they changed the buttoning of their garments from the natural right side to the left in order that they could still hold their baby and button their clothes in the same motion.

A GOOD SUGGESTION. The Canopiola Vicland, W. H. Berkeley, editor, makes the following good suggestion. We quote in part: "At the time approaches for nomination of state officers are impeded to suggest to the Republicans of Michigan that they again nominate Mrs. Matilda Wilson of Howell for Governor."

Winter days mean constant cleaning and "touching up" to do it the easiest and quickest. Grimey and dull-looking Venetian blinds can be made from new looking if you go over them with a cloth dampened in water to which a teaspoonful of glycerine has been added. This same treatment will brighten up parchment shades.

Now we can begin bringing in branches of the various spring flowering shrubs like Forsythia and Azaleas into bloom in the house. You may have forgotten that these shrubs need several sharp frosts and two or three months of actual dormancy before they will respond to winter to bring them in. Cut the branches closely and keep the cut ends in plenty of fresh water. As a precaution against the buds drying out while they can open, it's a good idea to spray both the stems and buds once a day for the first couple of weeks.

THE EXCESSIVELY dry atmosphere that is being experienced in the natural for the buds and extra care must be taken to prevent them from drying.

When worst comes to worst, BILLS CAN ALWAYS be CLEANED UP WITH A GOOD BROOM.

Michigan BREAD Toasted

Here's a simple test for quality... make it at your own table. Toast slices of Quality "Michigan" Bread, and other breads. Judge them by these points:

- Smooth, even golden brown color... means good milk and sugar.
- Tender crust, moist center... means quality shortening.

Because you prefer Quality Foods, make the Toast Bread... and you'll always ask for Michigan Bread... by name!

Taking a Friend Out for an Airing

When snow and ice cover nearly all food, the birds need human help to survive the winter. Above is a simple and practical type of feeding station. A wire basket is formed out of hardware cloth and fastened to the side of a tree on the ground. It may be filled with scratch feed, wheat, barley or shelled corn. One advantage of this kind of feeding station is that such animals as the squirrel cannot carry off any amount of the grain because it is almost completely enclosed, while the birds can feed through the top.

Michigan's natural facilities for winter sports, perhaps unexcelled anywhere in the country, are worthy of promotion.

Thousands of visitors who are attracted here from outside the State, and Michigan residents can be shown that they need not leave their own State to enjoy the finest of winter sports. All Michigan will profit from such promotion, in which the Michigan Bell Telephone Company, which is to do its part. This is the first of a series of three advertisements, appearing in 250 Michigan newspapers, to promote Michigan as an outstanding winter playground.

Jeanne Rutherford Weds In California

A wedding of interest to Lowell friends was solemnized in Los Angeles, California, Saturday, February 4 at 6:30 o'clock when Miss Jeanne Louise Rutherford, daughter of Mr. and Mrs. Lawrence W. Rutherford of Lowell became the bride of Charles Emerson Martin, son of Mrs. Elizabeth Cox, Columbus, Ohio.

The wedding took place at the Wee Kirk of the Heather, Forest Lawn. The bride wore white chiffon, princess style dress with bouffant skirt, and a wreath of Orange Blossoms held her waist length veil in place. She carried a bridal bouquet of White roses and Lily of the Valley. Her only bridesmaid was her sister, Miss Mary Jane Rutherford, who wore a pale pink lace formal with a matching pink tulle doll hat and carried pink roses.

Mr. Harry Rothrock acted as best man and the ushers were Thomas and Edwin Spight, cousins of the bride. The Rev. W. D. Osg of the Congregational Church officiated at the ceremony. Rev. Osg also officiated at the marriage of the bride's parents, Mr. and Mrs. Rutherford, thirty years ago.

The bride was graduated from Lowell High School and was a student at Olivet college, Olivet, Michigan. She later went into nurses training school at the Bioggett hospital, Grand Rapids, Mich. and at present is attending the Los Angeles Clinical Laboratory.

Woman's Club

The meeting of the Lowell Women's Club held on Feb. 1st at the home of the president, Mrs. W. W. Gurner was a delightful event. The hostess called Mrs. B. E. Quirk to the chair to preside over the short business session, which included a very interesting resume of foreign events by Mrs. R. G. Jefferies, and the admission and welcoming of Mrs. Ernest Pincney to the club. Mrs. R. S. Miller, music chairman, announced a violin solo by Bruce Walter, who played beautifully a concerto by Acoclay with piano accompaniment by Mrs. David Cox. Mr. Walter was given a rousing vote of thanks with the congratulations of the club on the recent addition to his family of a daughter.

Mrs. John Taylor then introduced the speaker of the afternoon, Rev. W. T. Ratcliffe, whose subject was, "Can We Save Democracy?", a challenging thought from the viewpoint of the Christian Church. He spoke of the threats to our democracy from without and within, the latter being the most real and dangerous. Of these he named six: materialism, poverty, great proportion of unemployment, the threat to the freedom of the press, too centralized government and nationalism, or "unthinking devotion to the State".

Having pointed out these dangers to democracy, Mr. Ratcliffe proceeded in hopeful vein to assure us of many ways of saving our democracy. First, by making it work, by living out our democratic ideals. Then by exercise of our voting privileges and interesting ourselves in the granting of equal rights to all races and peoples. By creating love for our country and its ideals. By dramatizing democracy—and that we can do best by "making it work". By insistence on religious freedom which was founded on respect for individuality. By making one's religious life effective for only so does the task become individual.

In closing Mr. Ratcliffe quoted from "Pennsion"—"A democrat is loyal to the royal that is in him." The address was received with closest attention and deep appreciation and a rising vote of thanks was tendered the speaker, after which tea was served by our hostesses and enjoyed to the accompaniment of much chatter on the part of the ladies.

After Lowell had held Rockford scoreless the entire third period, they allowed Rockford to hold them scoreless the entire last period while they managed to slip in two field goals and three foul shots to be out ahead of the locals by four points at the end of the game.

Lowell seconds lost to the Rockford seconds by a 19-12 score. Ivan Shear was the high scorer for Lowell with 8 points and was tied with Lockyers of Rockford for high point man of the evening.

Play East Friday

Lowell will play East there next Friday night, Feb. 10 with the seconds playing at 7 o'clock and the first team playing at 8 o'clock. This is really the crucial game of the year. If Lowell should win, East and Lowell will be tie for first place with Lowell having Godwin there and Lee here left to play and East will have Rockford at Rockford and Godwin at Godwin yet to play.

Lowell thus far this season has lost 2 conference games, East and Rockford and 2 non-conference games, Belding and Greenville, and has won two non-conference, Saranac and Ionia, and 5 conference, Grandville twice, and Rockford, Godwin and Lee, 3 each. The locals have played 53 basketball thus far this season, as compared to 642 for last year's result for the season. This year's team will have to win all the rest of its games to better last year's record.

For Lowell-tp. Treasurer

I am announcing my candidacy for treasurer at the coming Republican caucus for Lowell-tp. Because of my past experience in this office and my thorough acquaintanceship with the duties of the township treasurer, I would appreciate the opportunity of serving you again.

ROSELLA YEITER

For Lowell Village Treasurer

To the citizens of the Village of Lowell: Through a misunderstanding, I gave out a few weeks ago that I would not be a candidate for Village treasurer at the coming caucus. Now, the circumstances are entirely different and it is important to me, that I hold this office another year. I think my record as treasurer these two years might be of interest, and is something of a record. In 1937 I collected 94.85% of all taxes assessed, and this year 93.5%. Taking everything into consideration, if you feel you can stand me another year, it will surely be appreciated.

Yours truly,
 Elmer S. White.

CARD OF THANKS

When I received the first few cards and letters I thought I would show my appreciation by writing each one who sent them, but decided an insertion in the paper might be better. Words fail me to express my thoughts to know that so many held such kind and friendly thoughts of me. I want to thank all my neighbors and friends, the Ladies Aid for flowers, fruit and labor done, husking and caring for the corn. Your kindness will never be forgotten.

Jeanne Rutherford Weds In California

A wedding of interest to Lowell friends was solemnized in Los Angeles, California, Saturday, February 4 at 6:30 o'clock when Miss Jeanne Louise Rutherford, daughter of Mr. and Mrs. Lawrence W. Rutherford of Lowell became the bride of Charles Emerson Martin, son of Mrs. Elizabeth Cox, Columbus, Ohio.

The wedding took place at the Wee Kirk of the Heather, Forest Lawn. The bride wore white chiffon, princess style dress with bouffant skirt, and a wreath of Orange Blossoms held her waist length veil in place. She carried a bridal bouquet of White roses and Lily of the Valley. Her only bridesmaid was her sister, Miss Mary Jane Rutherford, who wore a pale pink lace formal with a matching pink tulle doll hat and carried pink roses.

Mr. Harry Rothrock acted as best man and the ushers were Thomas and Edwin Spight, cousins of the bride. The Rev. W. D. Ogg of the Congregational Church officiated at the ceremony. Rev. Ogg also officiated at the marriage of the bride's parents, Mr. and Mrs. Rutherford, thirty years ago.

The bride was graduated from Lowell High School and was a student at Olivet college, Olivet, Michigan. She later went into nurses training school at the Blodgett hospital, Grand Rapids, Mich. and at present is attending the Los Angeles Clinical Laboratory, Mrs. Martin is affiliated with the Beta Sigma Phi Sorority of Los Angeles and Sorority of Olivet College.

Mr. Martin attended Ohio State University at Columbus, Ohio. He holds a position at the Sunlight Fruit Exchange in Los Angeles where they will reside.

Mrs. Martin was the honor guest at a pre-nuptial shower given by Mrs. Becky Binkley, Mrs. Geraldine Ward and her sister, Miss Mary Jane Rutherford.

The bridal party was entertained with a dinner at Clara Bow's "It" Club in Hollywood by the bride's mother, Mrs. L. W. Rutherford.

Vergennes Cooperative Club

The Vergennes Cooperative Club, which has been in existence for 25 years, have held their meeting the first Thursday of every month, even icy roads couldn't keep the members home. Mrs. Nellie McPherson, in whose home nine ladies met and organized a club 25 years ago, was hostess at the February 2 meeting.

Mrs. Ellur McPherson gave an interesting review of "The Yearling". Roll call was answered by the name of a favorite book. Mrs. Elsie James read a letter from Mrs. Bertha Lane who is in Washington state. Mrs. Lane was a charter member of the club and is the only member not living in this vicinity now. The letter was sent by air mail to be read at the annual party of the club at Lone Pine Inn in January but was received one day late. Her old friends were happy to hear from her and her family and enjoyed the description of her home in the West.

Obituary

VIVIAN HOMER BEEBE

Vivian Homer Beebe was born at Cascade Sept. 29, 1901, one of four children. He was married Feb. 22, 1922 to Eugenia Wineland of Lowell. He lived at Lowell and Cascade for several years, moving to South Bend, Ind., four years ago where he had been employed at the Studebaker Co.

He was a great lover of flowers, and spent considerable time in cultivating gladioli for commercial use. His genial nature made him friends wherever he went and he will be sadly missed by many.

He is survived by his widow, six daughters, one son, his mother, Mrs. Grant Warner of Lowell; two sisters, Mrs. Frank Spangler of Oregon, and Mrs. John Scott of Alto; and one brother, Charles Beebe of Chicago.

Mr. Beebe passed away unexpectedly at his home in South Bend last week Wednesday from a heart attack. Funeral services were held Saturday afternoon at the Berton A. Spring Chapel, Grand Rapids, with burial in Cascade cemetery.

Card of Thanks

We wish to thank our many friends and neighbors for their thoughtfulness extended to us during our recent bereavement in the death of our beloved one.

Woman's Club

The meeting of the Lowell Woman's Club held on Feb. 1st at the home of the president, Mrs. W. W. Gummer was a delightful event. The hostess called Mrs. B. E. Quick to the chair to preside over the short business session, which included a very interesting resume of foreign events by Mrs. R. G. Jefferies, and the admission and welcoming of Mrs. Ernest Pinkney to the club.

Mrs. R. S. Miller, music chairman, announced a violin solo by Bruce Walter, who played beautifully a concerto by Acolay with piano accompaniment by Mrs. David Cox. Mr. Walter was given a rising vote of thanks with the congratulations of the club on the recent addition to his family of a daughter.

Mrs. John Taylor then introduced the speaker of the afternoon, Rev. W. T. Ratcliffe, whose subject was, "Can We Save Democracy?", a challenging thought from the viewpoint of the Christian Church. He spoke of the threats to our democracy from without and within, the latter being the most real and dangerous. Of these he named six: materialism, poverty, great proportion of unemployment, the threat to the freedom of the press, too centralized government and nationalism, or "unthinking devotion to the State".

Having pointed out these dangers to democracy, Mr. Ratcliffe proceeded in hopeful vein to assure us of many ways of saving our democracy. First, by making it work, by living out our democratic ideals. Then by exercise of our voting privileges and interesting ourselves in the granting of equal rights to all races and peoples. By creating love for our country and its ideals. By dramatizing democracy—and that we can do best by "making it work". By insistence on religious freedom which was founded on respect for individuality. By making one's religious life effective for only so does the task become individual.

In closing Mr. Ratcliffe quoted from Tennyson—"A democrat is loyal to the royal that is in him." The address was received with closest attention and deep appreciation and a rising vote of thanks was tendered the speaker, after which tea was served by our hostesses and enjoyed to the accompaniment of much chatter on the part of the ladies.

Play East Friday

Lowell will play East here next Friday night, Feb. 10, with the seconds playing at 7 o'clock and the first team playing at 8 o'clock.

This is really the crucial game of the year. If Lowell should win, East and Lowell will be tied for first place with Lowell having Godwin there and Lee here left to play and East will have Rockford at Rockford and Godwin at Godwin yet to play.

Lowell thus far this season has lost 2 conference games, East and Rockford and 2 non-conference games, Belding and Greenville, and has won two non-conference, Saranac and Ionia, and 5 conference, Grandville twice, and Rockford, Godwin and Lee, 1 each. The locals have played 638 basketball thus far this season as compared to 642 for last year's result for the season. This year's team will have to win all the rest of its games to better last year's record.

Political Announcements

For Supervisor, Vergennes-tp.

I wish to announce to the voters of Vergennes township that I will be a candidate for the nomination of Supervisor at the coming Republican caucus.

Your support will be appreciated. Theo. E. Bailey 39, 2t

For Lowell-tp. Treasurer

I wish to announce my candidacy for the nomination for Treasurer at the coming Republican caucus for Lowell township.

Your support will be appreciated. Grace Niles (Mrs. Don). 38-2t

For Lowell-tp. Treasurer

I am announcing my candidacy for treasurer at the coming Republican caucus for Lowell-tp. Because of my past experience in this office and my thorough acquaintanceship with the duties of the township treasurer, I would appreciate the opportunity of serving you again.

Yours truly, Elmer S. White. p38-3t

For Lowell Village Treasurer

To the citizens of the Village of Lowell: Through a misunderstanding, I gave out a few weeks ago the word that I would not be a candidate for the Village treasurer at the coming caucus. Now, the circumstances are entirely different and it is important to me, that I hold this office another year. I think my record as treasurer these two years might be of interest, and is something of a record. In 1937 I collected 84.8% of all taxes assessed, and this year 83.5%. Taking everything into consideration, if you feel you can stand me another year, it will surely be appreciated.

Yours truly, Elmer S. White. p38-3t

CARD OF THANKS

I wish to extend to the Cheerful Doers of the Congregational church many thanks for the beautiful flowers brought to me during my sickness.

Wm. W. Hull. p39

CARD OF THANKS

When I received the first few cards and letters I thought I would show my appreciation by writing each one who sent them, but decided an insertion in the paper might be better. Words fail me to express my thoughts to know that so many held such kind and friendly thoughts for me. I want to thank all my neighbors and friends, the Ladies Aid for flowers, fruit and labor done, husking and caring for the corn. Your kindness will never be forgotten.
