

IT IS a fine thing on the national Memorial Day, May 30, to pay tribute to the men who served in all our wars.

Our tributes to the men who have gone and the soldiers who remain, will not be wholly satisfactory unless we try to make good use of the great services they rendered to us.

What message did the soldiers convey to us while they lived, and leave behind when they passed on? We are well familiar with those messages.

That thought was to exalt the duties of patriotism. They told young and old to cherish the country, and to toll for its noblest ideas.

They exalted the American nation, which opens so generously the doors of opportunity, which maintains the blessings of freedom in a world where the great majority have little liberty.

They exhorted us to honor the soldiers. Patriotism means some things besides serving in a war. It means working for good government, voting at primaries and elections, organizing movements for better home towns, studying how social conditions can be improved.

Double Bargain Days May 27 and 29

War Veterans To Be Honored Decoration Day

Parade Forms At 10:00 Sharp

Arrangements have been completed for the annual Decoration Day program in observance of the national day of sacred memories on Tuesday, May 30. The program will be in charge of the Charles W. Clark Post of the American Legion.

The committee announces the following details for Tuesday's program. The parade will form at Richards Park at 10:00 o'clock sharp, in the following order: Colors, Lowell High School band, first squad, W. R. C. Spanish American War veterans, World War veterans, Legion Auxiliary, Scouts and Colors, schools and public.

The parade will halt on Main-st. bridge for a short floral ceremony in honor of naval heroes and proceed to Oakwood cemetery where the following services will be held: Invocation, Rev. R. M. Barkdale; instrumental patriotic music, two trumpet solos by Cleone Collins, address by the Rev. W. T. Ratcliffe on "Our Duty to the Ages"; distribution of flowers; firing of salute; taps.

As has been the custom in the past, stores here will be closed for the day.

The W. R. C. members will place a wreath on the grave this year instead of the floral bouquets.

Future Farmers Earn Degrees

The Kent Ottawa F. F. A. Association composed of F. F. A. chapters from Lowell, Caledonia, Sparta, Coopersville, and Sand Lake met at the Y. M. C. A. in Grand Rapids recently and conferred the County Farmer degree on twelve members of the association.

Plans were discussed concerning a county project tour to be held in August. Three or four outstanding vocational projects at each school will be visited by all members of the association, closing the day with ball games and swimming.

It is the purpose of this organization to unite the graduated members of the association and organize cooperative projects in buying pure bred stock, etc.

Farm Loan Members To Meet June 9

Farmers who are members of the Grand Rapids national farm loan association and their wives will meet at the home of Mrs. J. W. Smith on Friday, June 9, at 1:30 p. m. at the Silver Lake Grange hall.

The secretary-treasurer will present his annual report on the progress and financial status of the local loan association and will discuss the plan to emphasize certain points covered in the reports. Various other committee reports will be given in an effort to bring to the members a better understanding of their duties and responsibilities as stockholders of the association.

Only one new director will be elected by the stockholders this year to fill the vacancy due to the expiration of the term of Herman Berns and in commissioner loans.

The group management unit with headquarters at Grand Rapids is now serving all member borrowers in Kent, Ottawa and Muskegon counties. The group office is handling a total of \$3,800,000.00 in land bank loans outstanding to its members and in commissioner loans.

It's straw hat time and that means that glorious days of summer are near at hand. There's something about a new straw hat that adds to a man's feeling of well being.

The interior of the Lowell Creamery received a fresh coat of paint this week. An attractive job in blue and cream. Ed. Compagner, the proprietor, always keeps things in ship-shape condition.

This is the season of the year that gypsies are abroad in the land. Be on your guard—they will steal you blind if you don't watch out. Near Hastings last week an old man was pilfered of his pocketbook and its contents, and a similar stunt was pulled off at Climax.

Double Bargain Days in Lowell this week Saturday, May 27 and Monday, May 29, will provide money-saving opportunities for shoppers for many miles around. Stores will be open Saturday evening as usual and also on Monday evening. Stores closed all day Tuesday for Decoration Day observance.

The Common Council has passed an ordinance regulating sanitary conditions within the Lowell village limits, the official notice of which will be found among the public notices on page 8 of this issue. Sewer projects recently completed here make sanitary sewers available to upwards of 60 homes not heretofore accorded this privilege.

Miss Tillie Ivenbent was able to be downtown yesterday for the first time in several weeks. Tillie looked bad. She explained that she first got sick to her "stummick" when she read in the papers about those goofy college students trying to see who could swallow the most live gold fish. Tillie says she can't understand how some fools manage to get into college.

George R. Averill says that the women of Birmingham have become cotton-stocking-minded. A learning story of Japanese cruelties inflicted upon innocent women and children in China is jolting. American women right out of their skin here and into cotton stockings. France-Jeffries informs the editor that she is wearing "em and is proud to do it—besy you, guys needn't look too closely next time she comes down Main Street!

Good news, good news for the people living on Hudson street! Charles W. Cook, chairman of the street committee on the Common Council, has been assured by Mr. A. L. Brown, assistant district engineer in charge of maintenance for the state highway department, that Hudson street will positively be paved with tarvis the coming summer. Mr. Brown also stated that funds for the cost of the improvement have already been allotted.

A new kind of outdoor sport for Lowell will soon be under way here, electric lights and reflectors have already been installed in Recreation Park at the south end of the football field for night softball games. The base lines are 60 feet in length, or 30 feet less than regular baseball and 15 feet longer than regular indoor ball. The Board of Trade has secured the services of a WPA recreational director to manage athletic activities here throughout the summer. He arrived Tuesday morning.

Jokes, jests, jabs and jibes just by Jeff: "You can't beat nature," asserts Reuben Lee, "she keeps on working in spite of the surplus." One way to get two blades of grass to grow instead of one, is to plant a vegetable there in the same spot. . . . Folks in Lowell would rather stay home than hurt the feelings of one World's Fair by attending the other one. . . . The fellow who is spoiled by success does not deserve to have it happen to him. . . . Doug Outley says, "There are some married folks in this town who only say something nice to each other in front of company." . . . The rage for "Ferdinand, the Bull", is sweeping the country. But all that is new and odd is the fancy name of Ferdinand. . . . Have you ever stopped to think that perhaps the reason some fellows in Lowell talk in their sleep is because it is the only chance they get to express their opinion?

Earl C. Curtiss, 76 Succumbs at Alto

Earl C. Curtiss, aged 76, well-known and esteemed Alto citizen, passed away at the home of his son, Dale in Alto this Thursday morning, after an illness of several months' duration.

He is survived by five daughters and two sons, Rosella of Lowell, Bessie of Lansing, Paul of Vancouver, Wash., Dale and Marie of Alto, Maude of Silver Springs, Md., and Evelyn of Grand Rapids.

Funeral services will be held this Saturday at 1:30 from the home of Dale Curtiss and at 2:00 p. m. at the Alto M. E. Church, with burial in Merriman cemetery.

Fine Bargains Await Buyers At Lowell

Business Men Are Sponsoring Big Money-Saving Merchandising Event. Prices Greatly Reduced

Lowell merchants are joining in sponsoring a big Double Bargain Days sale on Saturday, May 27 and Monday, May 29. Patrons from every part of Kent and surrounding counties will be offered a large number of unusually fine bargains.

This edition of the Ledger lists many Bargain Days features. Those merchants who are not offering any one special bargain are planning a general price reduction on a variety of merchandise, and your money will buy more than usual during the two-day sales event.

Bargain Days are not new in the business history of Lowell. They have become something of a tradition, with value-giving and ultimate trade-extension as the keynote.

Always a fine trading center, Lowell will present exceptional opportunities to wise buyers on Saturday and Monday, May 27 and 29.

Plan now to join the crowd and take advantage of the Double Bargain Days in Lowell May 27 and 29.

Committees Named For Annual L. H. S. Alumni Banquet

At a recent meeting of the Lowell high school Alumni association officers and committee chairmen, it was announced by the Pres. Gerald Henry, that the banquet would be held Friday evening, June 16 at H. S. Auditorium.

The following committees were announced: Reception: Mr. and Mrs. F. F. Coons, Mr. and Mrs. H. L. Weeks, Supt. and Mrs. W. W. Gumsier.

Program: Mr. and Mrs. Donald McPherson, Martha (Thompson) White, Doris (O'Harrow) Roth, George Arehart.

Decorations: Dorothy Lamplin, Charles Houseman, Orison Weaver, Nita Clark, Margaret Brighton, Mrs. Ruth (White) Aehart, Carlton Runciman, Jr.

Nominations: Howard Rittenger, Erma (Eickhoff) Richmond, Chris Leonard, Donald MacNaughton.

Reservations should be made as soon as possible so the committee in charge will know how many to prepare for. The evening promises to be an entertaining one and all alumni members are urged to attend and enjoy visiting with your old classmates.

Ag. Boys Aim For Better Pigs

George Wittenbach, a Soph in Lowell high school and a member of the F. F. A., has purchased a purebred Duroc Jersey sow pig as part of his F. F. A. project program.

The pig purchased by George is of excellent breeding stock. The sire is "Sheridan Flash," who sired by a litter mate of "The Champ," a great Kansas boar that sold for \$1,000 last fall.

We are looking forward to many fine pigs in this community because of this selection. Other boys of the agricultural department will soon get some pigs of equal breeding for their project programs.

Lowell Rotary Club Hears Senior Boys

Each week for the past several weeks two or more high school senior boys have been guests of Lowell Rotary Club and on these occasions each of the boys has been called upon to state briefly his plans and ambitions following graduation.

Junior Rotarian David Coons gave an interesting outline of that branch of the district Rotary Convention which was held in Grand Rapids last week and thanked the members of the club for being chosen the junior delegate.

76 Seniors To Receive Diplomas On June 9

Baccalaureate Sunday, June 4

In all probability the largest class in the history of Lowell high school will graduate on Friday, June 9. Of the 76 members of the class only two or three are in any difficulties about graduation and even if these youngsters should be so unfortunate as to fail, the class would still be the largest in the history of the school.

What amounts to almost wartime restrictions has been clamped down on correspondents covering War and Navy Departments. Recent spy scares now have the generals and admirals leaning over backwards to safeguard military and naval secrets.

"This little pig went to market, and this little pig stayed home," but this little pig at the William McConaghy farm at Buchanan started out as one pig and ended up as two. The animal had a single front end, but the body divided about midway, and formed two rears.

In competition with freak animals having extra heads, arms, and legs, a calf was born near Bangor recently on the L. Daniels farm without any tail. All according to specifications in other respects the calf hasn't even a stump where the tail should be. The mother has 10 calves, all perfectly normal.

Setting a new record for the Highlands Dairy herd at Hastings, a bull calf weighing 182 lbs. at birth was born to one of the cows in the herd, according to Robert Cook. When six weeks old, the calf tipped the scales at 290 pounds. Cook says calves weighing 100 pounds and over are not rare in his herd.

Word has it that the White House is disturbed by the volume of correspondence that calls for an isolationist policy by this country to avoid entanglements abroad. The president is counted on during his next cross-country trip to argue for a positive foreign policy grounded on American participation in world affairs.

Really back of the plan to strengthen American defenses in the Caribbean is a discovery in recent naval maneuvers that the fleet, operating in that area, is vulnerable to attack when operating independently of the British navy. Now the idea is to build naval outposts in the Caribbean to rival those in the Hawaiian Islands.

"Pete," a big maltese cat, is credited by the Lee Taylor family of Keego Harbor with saving them from apoplexy. Shortly before midnight one evening, the cat, who had been shut up in the kitchen, awakened Taylor with meows and wild antics. Investigating, he found the kitchen filled with gas, and the main gas jet on the stove turned on.

Three kittens owned by Nicholas Prince at Dearborn were mothered by a bantam hen from the time of their birth on Easter Sunday. A continual battle went on between the hen and the kittens' own mother, with the hen pecking the head of the cat on any attempt to enter the nest. When taken away from the kittens, the hen found them again and refused to leave.

Life insurance policy holders and beneficiaries in Michigan were paid \$96,300,000 by life insurance companies last year. The people receiving this money were those who had worked and saved to pay the premiums on policies—people who were seeking to provide their own social security, or the security of their families if they died, rather than look to the government for security.

That Michigan is a great state, and that we sometimes forget how great it really is, was the subject of an editorial by Editor Gallery of the Caro Advertiser last week, and we agree with him. It is rather remarkable that while our state is 27th in the amount of land devoted to agriculture, we rank 14th in cash farm income and 15th in total crop value. In other words, our cash realization on the acreage is nearly double the average. Our state ranks first in the production of mint, acreage in beans, potatoes, and alfalfa seed. We rank third in production of grapes, acreage of alfalfa hay, production of clover seed, sugar beet acreage and buckwheat.

Michigan ranks eighth in milk production and ninth in cash income from milk; and then in peas, cash income from apples, rye, hay, peaches, oats, barley, winter wheat and corn we rank fifth to thirteenth, which is pretty good when you consider that we are 27th in land devoted to agriculture. Yes, it's a great place in which to live, with its rolling farm lands, its woods, its multiplicity of lakes and streams, it is certainly a delightful state. We know none better.

Whenever you go into a store and buy an item of advertised merchandise, it doesn't make any difference what you are getting more for your money—more in quality and service—than you would get if you spent the same amount for something which was not advertised.

TRUTH about ADVERTISING By CHARLES B. ROTH

WHEN my mother went over to a new home in the West, the country was just settling up. Transportation was slow, was expensive. Prices of everything were high.

She preserved a newspaper of her girlhood on the frontier, and it interests me occasionally to read the current prices of things you buy every day now for a few cents.

Eggs were \$2 a dozen in those days. Sugar brought 40 cents a pound. Kerosene was \$3 a gallon. Candles cost 25 cents apiece.

Compare these prices with the prices you see advertised in your newspaper today and you will see that, although much talk is bandied back and forth concerning the increased cost of living, the fact is that the cost has gone downward consistently since frontier times.

One of the reasons for high prices then was undoubtedly the difficulty with which the supply was obtained—the hazards and expense of transporting goods.

CALENDAR of COMING EVENTS

There will be an American Legion euchre party at the Legion hall on Friday, May 26, at 8 o'clock p. m. Come have a good time. Good eats and good prices. Everyone invited.

Dr. and Mrs. K. E. Johnston of Detroit and Mr. and Mrs. I. J. Berry of Davidson were week-end guests of F. P. MacFarlane.

Mr. and Mrs. Charles Shrouder of Hollywood, California, left for their home Monday after visiting the past five weeks with his aunt and uncle, Mr. and Mrs. M. E. Simpson.

Mrs. Vincent Narry and son Joe and Miss Mildred Vicer of Chicago were week-end guests at the C. L. F. Williamson home to help Mrs. Narry's father celebrate his birthday.

Word has been received here that Mrs. Helen Avery, well-known Lowell pioneer who has been residing for the past couple of years at the home of her son, Arthur in Grand Rapids, has suffered another stroke and that her condition is considered serious. Mrs. Avery celebrated her 90th birthday the 16th of this month.

Mr. and Mrs. Fred Simpson of Lansing were Saturday guests at the home of Mrs. Ray Bergin Tuesday. They were accompanied by Mrs. Simpson's daughter, Mella and sons, John and Lawrence, Mr. and Mrs. Althen Simpson and daughters, Betty and Mudge, of Grand Rapids, Mrs. Claude Cole and Mrs. Lawton Cole and daughter, Madeleine of Seeley Corners, besides Mr. and Mrs. Charles Shrouder and Mrs. J. Shrouder of Hollywood, California, house guests of Mr. and Mrs. Simpson.

Junior Citizens Visit Capitol

The Junior American Citizenship Club representatives of Lowell and vicinity journeyed to Lansing, by bus, Monday. There were thirty-five in all. They were accompanied by some members of the D. A. R. of Grand Rapids.

They visited the Senate and House of Representatives, the State Museum, and went to the "dome" of the building and had a bird's-eye view of Lansing.

The group visited a creamery where the milk was bought for their lunch. At lunch time they were taken to Potter Park to eat and to see the park zoo.

After lunch, the children went to the M. S. C. campus grounds and also visited a horse and cattle barn.

From the College grounds, they went to the East Lansing State Police Station. There they were shown how radio calls were made; how directions were given to police cars by use of maps; how finger prints were taken; and were also shown different types of guns used in police work.

The party came back to Lowell about six o'clock, very tired, but very grateful to the D. A. R. Chapter of Grand Rapids for providing the trip.

The representatives were Rex Collins and Jo Reynolds from Lowell, Dist. 1; Anita White from Riverview; Calvin Preston from McBrides; Paul Blocker from Merriman and Richard Koolman from Bennett schools.

Buy A Poppy Saturday To Aid Disabled Veterans

Poppies, to honor the men who died in defense of democracy in 1917 and 1918, will be worn in Lowell Saturday, May 27, and Memorial Day, May 29. Mrs. Grace Niles, president of the Chas. W. Clark Unit of the American Legion Auxiliary, has announced. Arrangements for Poppy Day are progressing rapidly under the leadership of Mrs. Niles and her committee.

Disabled veterans in government hospitals and special poppy workrooms maintained by the Auxiliary have been working for months making the little red flower of remembrance. They are now completing the last of the 12,000,000 poppies which the Auxiliary will distribute this year. The work has been going forward in 78 hospitals and workrooms in 41 states, giving employment to hundreds of disabled veterans unable to do other work.

Poppies which have been ordered by the local unit for distribution here are being made at the Michigan Soldiers' Home in Grand Rapids.

Stahl-Gray

Mrs. Bert Blank of Clarksville announces the marriage of her daughter, Miss Beatrice Gray, to Dalton L. Stahl, son of Mr. and Mrs. Charles Stahl of Clarksville, on May 8, 1939, at Bryan, Ohio, by Rev. Emil F. Carlssten. The couple are nicely settled on the William Hulliberger farm.

Mr. and Mrs. Charles Stahl entertained all of the immediate family in honor of the newlyweds on Sunday, May 14.

Mrs. Arthur Hooper gave a miscellaneous shower in honor of the bride on Thursday, May 18.

The best wishes of Mr. and Mrs. Stahl's friends are extended to them in the hope they may have many years together.

Dodds-Slimmer

St. Mary's church was the scene of a beautiful wedding when Miss Rosemary Slimmer and Hugh Dodds, both of near Clarksville, were united in marriage at nine o'clock last Saturday morning by the Rev. Father E. J. Jewell. They were attended by Mr. and Mrs. Robert Hunter, sister and brother-in-law of the bride. Around sixty relatives were present at the ceremony.

The best wishes of the many friends of Mr. and Mrs. Dodds go with them to their new home at Houghton Lake.

Methodist Choir Entertained

Following the weekly practice session, the Senior choir of the Methodist church was entertained at a social time by the pastor and Mrs. Ratcliffe. After a period of games, the pastor spoke concerning the loyalty and fine performance that has been characteristic of the choir, the efficient services rendered by Mrs. H. L. Weekes,

Y. M. C. A. Camp For Boys 9 to 15

The Kent County Y. M. C. A. will again conduct a 7-day camp for boys between the ages of 9 to 15 at Barlow Lake from June 16 to 23 inclusive. There were 22 boys from Lowell at last year's camp.

The County "Y" period immediately precedes the regular Grand Rapids Y. M. C. A. Camp. Only boys outside the city limits of Grand Rapids will be permitted to register in the County division.

The Camp is known as old Manitou-Lin and is located 30 miles southeast of Grand Rapids near Middleville in Barry County on Barlow Lake. Manitou-Lin has been rated as one of the best Y. M. C. A. Camps in the State.

There will be instruction for non-swimmers and advanced swimming for all others. There are row boats, sail boats and canoes available, but under the closest supervision.

The Camp has a large crafts building with a trained supervisor in charge to help the boys develop a hobby. There are baseball facilities, cement tennis courts and fishing accommodations. All activities are under the guidance and supervision of carefully selected Christian leaders.

The program for the Camp will be developed around the democratic idea, giving each boy an opportunity to participate in helping to develop the program he is to take part in.

A survey last year showed that most of the boys of last year's camp planned to return again in 1939. If they do the camp will fill up fast.

Application blanks and further details can be secured from Kenneth Lancaster, Town and County Secretary at the Grand Rapids Y. M. C. A. A \$1.00 payment must accompany the application to hold a place for each boy. The total fee is \$6.00 for 7 days.

Garden Lore Club

The Garden Lore Club enjoyed their third meeting of the year at the home of Mrs. Ray Bergin Tuesday. Mrs. P. J. Finels, chairman of the landscape committee, reported that the shrubbery for the gateway would be planted Wednesday morning, May 24, by the high school class in horticulture under their teacher, John Kleinhekel.

Mrs. Mill described her trip to St. Joseph to attend the Federated Garden Clubs meeting in company with Mrs. E. C. Foreman. Mrs. N. E. Borgerson accepted the office of horticulture chairman for the Lowell club.

Mrs. E. S. White, chairman for the day, introduced Mrs. Finels who had Mrs. F. J. McMahon read several articles on "Good Light Weight Tools for Women Gardeners." Mrs. White gave an interesting discussion of the early history of tulips, the Darwin, Breeder and Cottage types.

The next meeting will be held at the home of Mrs. C. A. Hall on June 6. There will be a plant sale. All members are requested to bring plants and cuttings to sell.

Resume Services at Bailey Church

Services at Bailey Methodist Church, Vergennes, will be resumed Sunday, May 28, at 9:30 a. m., with the Rev. W. T. Ratcliffe preaching.

Girl Scouts

At the May 17 meeting of Girl Scouts the Court of Honor reported the camping situation. Arrangements have been made to rent a cottage at Crystal Lake for the week of June 18-25. The girls began planning activities, work schedules, menus, and other things necessary to the progress of life at camp. Before this week in June, two overnight hikes will be taken for the benefit of those lacking camp experience.

The newspapers and magazines which have been collected during the past few weeks were bundled up and have been sold. The girls found this a fairly profitable enterprise. At this opportunity they wish to thank those citizens who had papers for them.

So. Boston Grange

South Boston Grange will meet Saturday, May 27, and initiation in several degrees will be given. Potluck supper will be served.

All members of the South Boston extension class having completed any of the work taught this year are asked to bring it to this meeting so others can see what they have accomplished and get ideas that may be useful.

MEMORIAL DAY THOUGHT

It is a fine thing on the national Memorial Day, May 30, to pay tribute to the men who served in all our wars.

Our tributes to the men who have gone and the soldiers who remain, will not be wholly satisfactory unless we try to make good use of the great services they rendered to us.

What message did the soldiers convey to us while they lived, and leave behind when they passed on? We are well familiar with those messages.

The veterans who for many years went around to the schoolhouses and talked to the children, have made clear their thought.

That thought was to exalt the duties of patriotism. They told young and old to cherish the country, and to toil for its noblest ideas.

They exhorted the American nation, which opens so generously the doors of opportunity, which maintains the blessings of freedom in a world where the great majority have little liberty.

Patriotism means some things besides serving in a war. It means working for good government, voting at primaries and elections, organizing movements for better home towns, studying how social conditions can be improved.

We have to attend to all these things if we really wish to honor the soldiers.

STATE SONGS

The Missouri legislature a few days ago had some discussion about the choice of a state song.

It is a fine thing when a beautiful song is written as expressive of the life of a state, and when it is officially accepted as its voice.

The states all seem to have their emblematic flowers and birds, and they may well have state songs to pay tribute to the good old home commonwealth which they love and which loves them.

The imagination of verse and the wings of song help us to feel what those states mean to us, that they are not so many square miles of soil, but that they consist of land and homes sacred to our hearts, and never to be forgotten, wherever we may roam.

No wonder the heart of every Michigan thrills when he sings, "Michigan, My Michigan."

MORE PEOPLE THAN HOMES

The number of American families is increasing faster than homes are being built, the real estate authorities tell us.

Last year about 347,000 new housing units were erected, and in 1937 but 296,000. It is estimated that the country is going to need the erection of 590,000 home units each year for five years.

Many families crowded too closely in their present dwellings long for the day when they can have homes all to themselves.

There are three conditions that could accelerate the building of homes. These are as follows:— First, regular operation of the industries. Irregular work takes away people's courage.

STAR PERFORMANCE

It is somewhat amazing that through depression years, generous givers have continued to bestow great endowments on the country's educational institutions.

Double Bargain Days May 27 and 29

War Veterans To Be Honored Decoration Day

Parade Forms At 10:00 Sharp

Arrangements have been completed for the annual Decoration Day program in observance of the national day of sacred memories on Tuesday, May 30.

The parade will form at Richards Park at 10:00 o'clock sharp, in the following order: Colors, Lowell High School band, firing squad, W. R. C., Spanish American War veterans, World War veterans, Legion Auxiliary, Scouts and Colors, schools and public.

The parade will halt on Main-st. bridge for a short floral ceremony in honor of naval heroes and proceed to Oakwood cemetery where the following services will be held.

Invocation, Rev. R. M. Barkdale; instrumental patriotic music, two trumpet solos by Cleone Collins, address by the Rev. W. T. Ratcliffe on "Our Duty to the Ages"; distribution of flowers; firing squad salute; taps.

As has been the custom in the past, stores here will be closed for the day.

The W. R. C. members will place a wreath on the grave this year instead of the floral bouquets.

Future Farmers Earn Degrees

The Kent Ottawa F. F. A. Association composed of F. F. A. chapters from Lowell, Caledonia, Sparta, Coopersville, and Sand Lake met at the Y. M. C. A. in Grand Rapids recently and conferred the County Farmer degree on twelve members of the association.

Those who received the degree are: Archie Cummings, Marvin Huff, Jr., and William Hull of Sparta; Donald Lind, Donald Anderson, and Ed Roth of Lowell; Robert Near, and Charles Pitsch of Caledonia; Ferris Hembleton, Bill Fairchild, Lawrence Wisneski, and Garrett Adema of Coopersville.

Plans were discussed concerning a county project tour to be held in August. Three or four outstanding vocational projects at each school will be visited by all members of the association, closing the day with ball games and swimming.

It is the purpose of this organization to unite the graduated members of the association and organize cooperative projects in buying pure bred stock, etc.

Farm Loan Members To Meet June 9

Farmers who are members of the Grand Rapids national farm loan association and their wives will have an opportunity to express themselves and ask questions when they gather at their annual meeting on Friday, June 9, at 1:30 p. m. at the Silver Lake Grange hall, says Charles P. Mulder, president.

The secretary-treasurer will present his annual report on the progress and financial status of the local loan association and will use charts to emphasize certain points covered in the reports. Various other committee reports will be given in an effort to bring to the members a better understanding of their duties and responsibilities as stockholders of the association.

Only one new director will be elected by the stockholders this year to fill the vacancy due to the expiration of the term of Hermanbers and in commissioner loans.

The group management unit with headquarters at Grand Rapids is now serving all member borrowers in Kent, Ottawa and Muskegon counties. The group office is handling a total of \$3,800,000.00 in land bank loans outstanding to its members and in commissioner loans.

The directors are anxious for a large attendance at this meeting and have arranged for a social hour with light refreshments and a movie following the business meeting. This will be a sound piece of particular interest to a group of this kind. It will be furnished and presented by the State Soil Conservation Association.

It's straw hat time and that means that glorious days of summer are near at hand.

The interior of the Lowell Creamery received a fresh coat of paint this week. An attractive job in blue and cream. Ed. Kompagner, the proprietor, always keeps things in ship-shape condition.

This is the season of the year that gypsies are abroad in the land. Be on your guard—they will steal you blind if you don't watch out.

Near Hastings last week an old man was pilfered of his pocketbook and its contents, and a similar stunt was pulled off at Climax.

Double Bargain Days in Lowell this week Saturday, May 27 and Monday, May 29, will provide money-saving opportunities for shoppers for many miles around.

Stores will be open Saturday evening as usual and also on Monday evening. Stores closed all day Tuesday for Decoration Day observance.

The Common Council has passed an ordinance regulating sanitary conditions within in the Lowell village limits, the official notice of which will be found among the public notices on page 8 of this issue.

George R. Averill says that the women of Birmingham have become cotton-stocking-minded. Alarming stories of Japanese cruelties inflicted upon innocent women and children in China is jolting American women right out of their silk hose and into cotton stockings.

Good news, good news for the people living on Hudson street. Charles W. Cook, chairman of the street committee on the Common Council, has been assured by Mr. A. L. Brown, assistant district engineer in charge of maintenance for the state highway department, that Hudson street will positively be paved with tar and bitumens this summer.

A new kind of outdoor sport for Lowell will soon be under way here, electric lights and reflectors having already been installed in Recreation Park at the south end of the football field for night softball games. The base lines are 60 feet in length, or 30 feet less than for regulation baseball and 15 feet longer than regular indoor ball.

The Board of Trade has secured the services of a WPA recreational director to manage athletic activities here throughout the summer. He arrived Tuesday morning.

Jokes, jests, jabs and jibes just by Jeff: "You can't beat nature," asserts Reuben Lee, "she keeps on working in spite of the surplus."

One way to get two blades of grass to grow instead of one, is to plant a vegetable there in the same spot. "Folks in Lowell would rather stay home than hurt the feelings of one World's Fair by attending the other one."

The fellow who is spoiled by success does not deserve to have it happen to him. "The days," "There are some married folks in this town who only say something nice to each other in front of company."

The rage for "Ferdinand, the Bull," is sweeping the country. But all that is new about it is the fancy name of Ferdinand. "Have you ever stopped to think that perhaps the reason some fellows in Lowell talk in their sleep is because it is the only chance they get to express their opinion?"

Fine Bargains Await Buyers At Lowell

Business Men Are Sponsoring Big Money-Saving Merchandising Event. Prices Greatly Reduced

Lowell merchants are joining in sponsoring a big Double Bargain Days sale on Saturday, May 27 and Monday, May 29.

Patrons from every part of Kent and surrounding counties will be offered a large number of unusually fine bargains. The Double Bargain Days have the sanction and support of the Lowell Board of Trade and will provide a "buyer's market" that the general public can't afford to miss.

This edition of the Ledger lists many Bargain Days features. Those merchants who are not offering any one special bargain are planning a general price reduction on a variety of merchandise, and your money will buy more than usual during the two-day sales event.

Shoppers will find a fine assortment ranging through all the retail lines. Store stocks have been selected for their reasonable needs, and represent the utmost in value.

Bargain Days are not new in the business history of Lowell. They have become something of a tradition, with value-giving and ultimate trade-extension as the keynote.

Lowell has had some highly worthwhile Bargain Days in the past and local merchants have learned to anticipate the big community sales event and buy especially for their patron's needs.

Always a fine trading center, Lowell will present exceptional opportunities to wise buyers on Saturday and Monday, May 27 and 29.

Plan now to join the crowd and take advantage of the Double Bargain Days in Lowell May 27 and 29.

At a recent meeting of the Lowell high school Alumni association officers and committee chairman, it was announced by the Pres. Gerald Henry, that the banquet would be held Friday evening, June 16 in the high school auditorium at 7:00 o'clock.

Short talks by former students and dancing will be the program for the evening. The following committees were announced:

Reception: Mr. and Mrs. F. F. Coons, Mr. and Mrs. H. L. Weekes, Supt. and Mrs. W. W. Gumber. Banquet: Mr. and Mrs. Roger McPherson, Anne (Howard) Bergerson, Gerald Finels, Beatrice (O'Harrow) Krum.

Program: Mr. and Mrs. Donald McPherson, Martha (Thompson) White, Doris (O'Harrow) Roth, George Archart. Music: Charlotte White, Essie (Condon) Baird, Edward Kiel, Dan Wiegeler.

Decorations: Dorothy Lampkin, Charles Houseman, Orison Weaver, Nina Clark, Margaret Brighton, Mrs. Ruth (White) Archart, Carlton Runciman, Jr. Publicity: Harold Jefferies, Bruce McMahon, Lester Stauffer. Nominations: Howard Rittenger, Erma (Elekhoff) Richmond, Chris Leonard, Donald MacNaughton.

Attendance: Dora Jane Thomas, Elizabeth (McMahon) Lally, Clara (Lawrence) Mcarty. Reservations should be made as soon as possible so the committee in charge will know how many to prepare for. The evening promises to be an entertaining one and all alumni members are urged to attend and enjoy visiting with your old classmates.

Lowell Rotary Club Hears Senior Boys

Each week for the past several weeks two or more high school senior boys have been guests of Lowell Rotary Club and on these occasions each of the boys has been called upon to state briefly his plans and ambitions following graduation.

The main way in which each one has expressed himself has been a real inspiration to the members of the club. This week Edward J. Slomski said he would like to learn business administration.

Robert Stannard said he felt it was a great privilege to attend a school like Lowell and said that he would like to take up flying but that he expected to follow farming and Edwin Roth said that he felt the best opening for him was right on the farm.

Junior Rotarian David Coons gave an interesting outline of that branch of the district Rotary Convention which was held in Grand Rapids last week and thanked the members of the club for being chosen the junior delegate.

Secretary F. F. Coons and Vice President Lee E. Lampkin outlined the highlights of the district convention in a very interesting manner.

Landscape Tour Thursday, June 1

Thursday, June 1st will be landscape day in Kent county. Folks interested in the improvement of the home grounds are invited to inspect six farm and village homes on that day.

The seventh visit will be to the garden of Mrs. Joseph Brewer in Plainfield township.

The trip will start in Kent City at 9:30 o'clock. The visit there will be to the outdoor living room of Mr. and Mrs. R. E. Huff at the Royal Hotel. Then to the homes of Mr. and Mrs. George Baehre and Mr. and Mrs. George Dinkel in Sparta township.

Dinner, which will be potluck, will be at the home of Mr. and Mrs. Arnold Schaefer on the Kent-Ottawa county line. After dinner the party will go to the Joseph H. Brewer home in Plainfield township where Mrs. Brewer's garden will be visited.

Then to the homes of Mr. and Mrs. E. J. Robinette and Mr. and Mrs. Wesley G. Mawby in Grand Rapids township.

Mr. O. I. Gregg, extension specialist in landscape work from Michigan State College, will be present to discuss various features of landscape work.

Dental Office Moves To Grand Rapids Location

Dr. John R. Stryker announced this week that he is moving his dental office to the corner of Godfrey and Burton streets in Grand Rapids on June 1. His family will remain in Lowell and he will drive back and forth to work.

Dr. Stryker has been in Lowell 14 years, opening his dental office here after graduation from the Chicago School of Dental Surgery. He has been an active member of the American Legion and other civic enterprises here.

SUIT TROUSERS AT \$1.00 PER PAIR

With all suits purchased during the Double Header Dollar days, Saturday and Monday next, at the price reductions we offer the extra trousers at \$1.00.

76 Seniors To Receive Diplomas On June 9

Baccalaureate Sunday, June 4

In all probability the largest class in the history of Lowell high school will graduate on Friday, June 9. Of the 76 members of that class only two or three are in any difficulties about graduation and even if these youngsters should be so unfortunate as to fail, the class would still be the largest in the history of the school.

The commencement exercises will be held in the school auditorium on Friday evening and will consist of a commencement speaker and some numbers by members of the class.

Mr. C. C. Barnes, Registrar of Central State Teachers College, will be the speaker. There will be speeches by the valedictorian, Jacqueline Day, and by the salutatorian, Ardis Schneider. Officials of the Legion and Auxiliary will award honors.

Bruce Walter is arranging musical numbers, and a representative of the Board of Education will award the diplomas.

After June 1, 1939, I will have my dental office at 1963 Godfrey, SW., Grand Rapids, building located at the corner of Godfrey and Burton streets.

B. of T. Team at Alto Saturday P.M.

The Alto Merchants will open their home season this Saturday, May 27 at Alto when they will play the Lowell Board of Trade team. These teams appear quite evenly matched thus a good game is assured. It is urged that a good crowd turn out to make this Saturday afternoon game a success. Remember, ladies and children admitted free. The Alto team is sponsored by the business men of Alto.

Ag. Boys Aim For Better Pigs

George Wittenbach, a Soph in Lowell high school and a member of the F. F. A., has purchased a purebred Duroc Jersey sow pig as part of his F. F. A. project program. The pig purchased by George is of excellent breeding stock. The sire is "Sheridan Flash," who sired by a litter mate of "The Champ," a great Kansas boar that sold for \$1,000 last fall. The dam of the sire comes from Hellmer's Farms, Ann Arbor. She has won 31 grand championships out of 33 showings.

We are looking forward to many fine pigs in this community because of this selection. Other boys of the agricultural department will soon get some pigs of equal breeding for their project programs.

TRUTH about ADVERTISING

By CHARLES B. ROTH

WHEN my mother went over to land in a covered wagon over a home in the West, the country was just settling up. Transportation was slow, was expensive. Prices of everything were high.

She preserved a newspaper of her girlhood on the frontier, and it interests me occasionally to read the current prices of things you buy every day now for a few cents.

Eggs were \$2 a dozen in those days. Sugar brought 40 cents a pound. Kerosene was \$3 a gallon. Candies cost 25 cents apiece.

Compare these prices with the prices you see advertised in your newspaper today and you will see that, although much talk is bandied back and forth concerning the increased cost of living, the fact is that the cost has gone downward consistently since frontier times.

One of the reasons for high prices then was undoubtedly the difficulty with which the supply was obtained—the hazards and expense of transporting goods.

Odds and Ends Here and There

Brief Paragraphs of News and Information on a Variety of Topics

What amounts to almost wartime restrictions has been clamped down on correspondents covering War and Navy Departments. Recent spy scares now have the generals and admirals leaning over backwards as safeguard military and naval secrets.

"This little pig went to market, and this little pig stayed home", but this little pig at the William McConaghy farm at Buchanan started out as one pig and ended up as two. The animal had a single front end, but the body divided about midway, and formed two rear.

In competition with freak animals having extra heads, arms, and legs, a calf was born near Bangor recently on the L. Daniels farm without any tail. All according to specifications in other respects the calf hasn't even a stump where the tail should be. The mother has 10 calves, all perfectly normal.

Setting a new record for the Highlands Dairy herd at Hastings, a bull calf weighing 152 lbs. at birth was born to one of the cows in the herd, according to Robert Cook. When six weeks old, the calf tipped the scales at 290 pounds. Cook says calves weighing 100 pounds and over are not rare in his herd.

Word has it that the White House is disturbed by the volume of correspondence that calls for an isolationist policy by this country to avoid entanglements abroad. The President is counted on during his next cross-country trip to argue for a positive foreign policy grounded in American participation in world affairs.

Really back of the plan to strengthen American defenses in the Caribbean is a discovery in recent naval maneuvers that the fleet operating in that area is vulnerable to attack when operating independently of the British navy. Now the idea is to build naval outposts in the Caribbean to rival those in the Hawaiian Islands.

"Pete," a big maitese cat, is credited by the Lee Taylor family of Keego Harbor with saving them from asphyxiation. Shortly before midnight one evening, the cat, who had been shut up in the kitchen, awakened Taylor with his meows and wild scampers. Investigating, he found the kitchen filled with gas and the main gas jet on the stove turned on.

Three kittens owned by Nichols Prince at Dearborn were mothered by a bantam hen from the time of their birth on Easter Sunday. A continual battle went on between the hen and the kittens' mother, with the hen pecking the head of the cat on any attempt to enter the nest. When taken away from the kittens, the hen found them again and refused to leave.

Life insurance policy holders and beneficiaries in Michigan were paid \$96,300,000 by life insurance companies last year. The people receiving this money were those who had worked and saved to pay the premiums on policies—people who were seeking to provide their own social security, or the security of their families, or they died, rather than look to the government for security.

That Michigan is a great state, and that we sometimes forget how great it really is, was the subject of an editorial by Editor Gallery of the "Cape Advertiser" last week, and we agree with him. It is rather remarkable that while our state is 27th in the amount of land devoted to agriculture, we rank 14th in cash farm income and 15th in total crop value. In other words, our cash realization on acreage is nearly double the average. Our state ranks first in the production of mint, alfalfa seed, we rank third in production of grapes, acreage of alfalfa hay, production of clover seed, sugar beet acreage and buckwheat. Michigan ranks eighth in milk production and ninth in cash income from milk; and then in peas, cash income from apples, rye, hay, peaches, oats, barley, winter wheat and corn we rank fifth to thirteenth, which is pretty good when you consider that we are 27th in land devoted to agriculture. Yes, it's a great place in which to live, with its rolling farm lands, its woods, its multiplicity of lakes and streams it is certainly a delightful state. We know none better.

Deceased Tonsils Miss F. writing to this column, asks the question, "Do diseased tonsils cause nervousness, loss of appetite, headache and rheumatism?"

As a result of absorption of toxic products they often cause rheumatism and in children, a lack of appetite but nervousness and headache would not be directly associated.

Doctors today make every effort to anticipate the occurrence of disease through a thorough examination during the time when he is comparatively well. In this examination all diseases are ruled out under close scrutiny to determine their present and future effects.

Whither the Young Graduate? Maybe This Holds the Answer

How the average high school student will be occupied one year from this time has been determined by a recent survey of 1,000 of last June's graduates.

Clerical jobs in grocery stores, filling stations, shoe stores, etc., will be filled by 262 graduates.

Glasses Need Not Detract From Beauty

BY PATRICIA LINDSAY. SOME heavy authorities stress the eye make-up if you must wear eyeglasses, but I stress hair styling and lip rouge.

In the first place, if your eyes are so weak that constant use of glasses is necessary, the less you appear with them the better.

Touch up your brows, yes, and keep them trim. But do not pluck them to a thin line.

Concentrate on Hair and Lips

Put on your glasses and let before you your hair and lips. Concentrate your efforts around your face. Change your regular part. Experiment.

But if you are the sleek type, and comb your hair back from your face then you must accept your hair as it is.

BEWARE OF WOMEN'S FAIR FEET An article of one of my features in the American Weekly, the great weekly magazine with the May issue of The Detroit Sunday Times points out that if you expect to see everything at the big shows, either in New York or San Francisco, there is 38 miles of walking to be done and 400 hours of standing.

Health Essential To Charm

A rule she teaches is: "Watch your health. Sleep, exercise and drink water. Many women in this country are below par."

When you are physically below par you may have a nervous system which should be taken care of, but otherwise you should be able to keep your feet under you.

"Don't always complain of being tired and of things making you nervous. If your health is good you are not nervous, overly cranky and people soon discover it."

Dr. and Mrs. K. E. Johnston of Detroit and Mr. and Mrs. I. J. Berry of Davidson were week-end guests of F. P. MacFarlane.

Mr. and Mrs. Charles Shrouder of Hollywood, California, left for their home Monday after visiting the past five weeks with his aunt and uncle, Mr. and Mrs. M. E. Simpson.

Mrs. Vincent Nanry and son Joe and Miss Mildred Vicer of Chicago were week-end guests at the C. L. F. Williamson home to help Mrs. Nanry's father celebrate his birthday.

Word has been received here that Mrs. Helen Avery, well-known Lowell pioneer who has been residing for the past couple of years at the home of her son, Arthur in Grand Rapids, has suffered another stroke and that her condition is considered serious.

Mr. and Mrs. Fred Simpson of Lansing were Saturday guests at the M. E. Simpson home. Sunday visitors were Mr. and Mrs. Althen Shrouder, daughter, Mella and sons, John and Lawrence, Mr. and Mrs. Althen Simpson and daughters, Betty and Mudge, of Grand Rapids, Mrs. Claude Cole and Mrs. Lawton Cole and daughter, Madeline of Seelye Corners, besides Mr. and Mrs. Charles Shrouder and Mrs. J. Shrouder of Hollywood, California, house guests of Mr. and Mrs. Simpson.

Junior Citizens Visit Capitol The Junior American Citizenship Club representatives of Lowell and vicinity journeyed to Lansing, via bus, Monday. There were thirty-five in all. They were accompanied by some members of the D. A. R. of Grand Rapids.

They visited the Senate and House of Representatives, the State Museum, and went to the "dome" of the building and had a bird's-eye view of Lansing. The group visited a creamery where the milk was bought for their lunch. At lunch time they were taken to Potter Park to eat and to see the park zoo.

After lunch, the children went to the M. S. C. campus grounds and also visited a horse and cattle barn.

From the "College" grounds, they went to the East Lansing State Police Station. There they were shown how radio calls were made; how directions were given to police cars by use of maps; how finger prints were taken; and were also shown different types of guns used in police work.

The party came back to Lowell about six o'clock, very tired, but very grateful to the D. A. R. Chapter of Grand Rapids for providing the trip.

The representatives were Rex Collins and Jo Reynolds from Lowell, Dist. 1; Anita White from Riverview; Calvin Preston from McBrides; Paul Blocker from Merriman and Richard Koolman from Bennett schools.

So. Boston Grange South Boston Grange will meet Saturday, May 27, and initiation in several degrees will be given. Potluck supper will be served.

Resume Services at Bailey Church Services at Bailey Methodist Church, Vergennes, will be resumed Sunday, May 28, at 9:30 a. m., with the Rev. W. T. Ratcliffe preaching.

The program for the Camp will be developed around the democratic idea, giving each boy an opportunity to participate in helping to develop the program he is to take part in.

A survey last year showed that most of the boys of last year's camp planned to return again in 1939. If they do the camp will fill up fast.

Application blanks and further details can be secured from Kenneth Lancaster, Town and Country Secretary at the Grand Rapids Y. M. C. A. A \$1.00 payment must accompany the application to hold a place for each boy. The total fee is \$8.00 for 7 days.

This Memorial Day The following poem expressing thoughts of Memorial Day was written by H. S. Schreiner of Grand Rapids, who formerly lived in Lowell and will be remembered by many here.

This Memorial Day This Memorial Day we sorrowfully mourn Our dead soldiers' earthly remnants no longer can be worn.

The flowers in this silent cemetery, in perfect hue Today unfold their petals to the cooling dew.

Up from these silent graves they feel their way, Warned from the sun's rays from day to day.

Some far tomorrow we shall all cease to be. The future awaits our coming in Eternity.

Our soul's undying existence beyond our quest, Are mysteries to us all in our final rest.

The trees can only whisper as the wind retrieves That stirs the spring time air among their leaves. But though the moving branches be green or bare They remind us of our Great Creator's care.

Buy A Poppy Saturday To Aid Disabled Veterans

Poppies, to honor the men who died in defense of democracy in 1917 and 1918, will be worn in Lowell Saturday, May 27 and Memorial Day. Mrs. Grace Niles, president of the Chas. W. Clark Unit of the American Legion Auxiliary, has announced. Arrangements for Poppy Day are progressing rapidly under the leadership of Mrs. Niles and her committee.

Disabled veterans in government hospitals and special poppy workrooms maintained by the Auxiliary have been working for months making the little red flower of remembrance. They are now completing the last of the 12,000,000 poppies which the Auxiliary will distribute this year.

Poppies which have been ordered by the local Unit for distribution here are being made at the Michigan Soldiers' Home in Grand Rapids.
