ONE THANKSGIVING

THE LOWER house of congress has passed a bill which will make the last Thursday in November each year a legal holiday as Thanksgiving day.

A CHEST FOR KINDNESS

THERE ARE thousands of communities that are considered too small to maintain a Community Chest fund. They do not have a fall campaign for funds to get individual help to support the organization for another year.

SMALLER HOMES

THE PEOPLE of our grand-father's time liked big houses. They enjoyed the feeling of plenty of room. Some of the rooms in the larger homes were big enough for a public hall.

HOW TO GET AHEAD

YOUNG PEOPLE ARE constantly asking how they are to get ahead in the world. One fairly sure way is to try to do everything a little better than you did before.

PROLONGED STUDY

THE NEWSPAPER JOKER tells about the man who was asked when his son was going to complete his studies. The reply was, "When he is about 78 years old."

DEFECTIVE MOTOR LIGHTS

A NEWSPAPER ITEM informs us that in 18 states having inspections of motor vehicles, there were from 40 to 75 per cent of the cars that had defective lighting apparatus.

HOME TOWN THOUGHTS

"Greet the unseen with a cheer," said a famous poet. It is also helpful to greet the world with a smile. When you smile at the world, the world smiles back, and is apt to be influenced by your words.

William C. Hartman, well-known druggist, is confined to his home by illness.

Clayton Mallery, proprietor of the Chicago Bargain Store, has purchased the store building which was for many years occupied by Look's drug store.

Giles Sinclair will begin teaching at Morley next Monday, succeeding Earl Doyle, also a Lowell boy, who is in the October draft list from Macosta county.

The many friends of Reuben Lee will be glad to know that he is making a good recovery from his severe illness and that he is now able to be up and dressed for a portion of each day.

Keats Vining will be one of the speakers at the Board of Trade next Monday night. Another feature of the meeting will be the singing of the Song of Trade Club song which was sung for the first time twenty-five years ago.

According to comments heard everywhere hereabouts Lowell people are greatly in favor of more double weddings, especially if the brides happen to be sisters, like the lovely Lampkin girls, Dorothy and Helen.

The Michigan State Police report the Ledger to issue the following warning: "Lawrence W. Peake, a former employee of the State Highway Department, is passing bad checks in the smaller towns of the state."

Members of the Ledger staff were greatly shocked when word reached here this morning of the deaths of Mr. and Mrs. John B. Olney of Grand Rapids who were fatally injured in an automobile accident near Alpena Tuesday afternoon.

Over vast portions of the United States, October brings brilliantly colored foliage. Great areas of woodlands turn into golden yellows and rainbow red.

Hundreds of motorists stopping through Lowell last Sunday passed at the Main street bridge to enjoy the large flock of wild ducks which make their home at the wild fowl sanctuary which has been established here.

Jokes, jests, jabs and jibes just by Jeff. It usually happens when we want a certain radio program the sound like it needed a dose of cough medicine.

The politician who shakes hands with a lot of people is likely to get elected. If you want to make your way in business, greet your customers with a hearty welcome, and make them feel you are a good friend.

If you forget the home town when you have money to spend, the home town might forget you when you are looking for something.

Keep this in mind - American Legion Fair, November 6-7-8.

Take One Day's Pay In Defense Stamps

Board members of the Grand Rapids Production Credit Association are voluntarily accepting their honorarium in Defense Stamps for the duration of the emergency.

The association also acts as a Stamp Store for its 500 PCA farmer-members, who wish to participate in the program, and is urging each member coming into the office "to buy a stamp."

The Production Credit Association, which serves farmers in Kent, Ottawa, Muskegon, Oceana and Mason counties with short-term agricultural credit, plans to urge 100% participation of farmer-members in the Defense program at their annual stockholders' meeting, which will be held November 1st at Kent City Auditorium.

Association board members who are now accepting their honorarium in Defense Stamps are: E. E. Pierson, Ravenna; Roy H. Loring, Jenison; G. J. Cargill, Grand Rapids; Simon Scholten, Grand; Ervon Kistler, Ludington.

New Bridge Signs For Trunklines

New bridge signs carrying gross load and axle load limits are now being erected on many trunkline highways throughout the state, it has been announced by State Highway Commissioner G. Donald Kennedy.

Kennedy explained the action was taken following surveys of all bridges on the trunkline system which revealed that certain bridges required load limit postings.

"The new signs," Kennedy said, "will also be used to replace the type formerly used to provide standard signs at all bridges."

In place of the present variations, the Commissioner said there will be six standard signs as follows:

One will carry information regarding axle load, one for gross load limits and one for axle load and gross load limits. The remainder will bear legends for the different types of carriers, such as the truck and trailer, or tractor and trailer, and the three unit tractor, semi-trailer or trailer.

Kennedy also stated that the new postings will prove a greater safety measure than those previously used.

"Since they will have greater legibility than the old signs, the driver of a particular unit will have to read only the sign pertaining to his unit, rather than a number of signs as formerly. Also, since the size of the signs and lettering is standardized and painted black on a white background, the glancing legibility is greater, thus saving drivers time in reading, which in turn increases safety on the roadway."

Lowell Ledger Gets South American Columnists

THE LOWELL LEDGER, in conjunction with several other Michigan newspapers, is sending two young people, both graduates of the University of Michigan, to act as roving reporters in the Caribbean Sea, Central and South America.

Mr. and Mrs. Glendon F. Swarthout of Lowell will tour the cities and countryside of our Latin-American neighbors for one year, sending back first-hand information concerning the customs, political attitudes, farming conditions, and living habits of their peoples.

Their first column will appear in this paper next week and the editor feels certain that Ledger readers will find the entire series full of absorbing interest in what is a worthwhile information. Mr. Swarthout is too well known to Lowell people to need any special introduction.

Perhaps they will enable us all to obtain a better understanding of those democracies and races to our south—an understanding vital to all Americans today.

Woman Who Inspired Song, "In Baggage Coach Ahead," Dies; Was Born in Lowell

"Cries of a child on a night train inspired the writing of a song popular 50 years ago. In the 'Baggage Car Ahead,' and that child long ago grown to womanhood was Mrs. Walter A. Rice of Syracuse, N. Y., who died suddenly Thursday at the summer home of Mr. and Mrs. Rice on Otisco lake.

Next Bd. of Trade Monday, Oct. 20

The next regular dinner meeting of the Board of Trade, which will be held at the City Hall on Monday, Oct. 20, at 6:45 p. m., will be of interest to all members. It will be an "inventory" meeting and each committee chairman will be ready with a report. In addition, K. K. Vining will be ready with a report of the 4-H Fair and T. A. Anderson will discuss the newly organized credit union.

There will be plenty of opportunity for discussion following the reports. Members and friends are urged to attend the meeting. Tickets for the dinner will be 60 cents and may be purchased from Harold Englehardt or Herbert Elzinga.

It was announced last week that the above meeting was to be held on October 21 but because of conflicting dates the time of the meeting has been changed to Monday, October 20.

Locals Win First Conference Game

Lowell high school eleven defeated Lee high school, 7 to 6 in a hard-fought game last Friday night at Recreation Park.

Both teams failed to score in the first half. Lowell scored early in the 3rd quarter on a long pass from Roth to Winger. Kingdom kicked the extra point. Lee made their touchdown in the last period on a pass from Lubberts to Scott. McGrath plunged for the extra point for Lee but the ball was called back on an offside penalty. His plunge from the 7-yard line failed.

The Lowell team made a better showing this week in both offensive and defensive play. Outstanding on the Lowell squad were Roth, Coe and Winger.

Lowell will play Rockford next Saturday afternoon at two o'clock.

Statewide Meeting Doctors and Laymen

The 94th annual meeting of the Michigan Tuberculosis Association will be held in Grand Rapids on October 27 and 28, according to Curtis M. Wylie, president of the association. In making the announcement, this week Mr. Wylie urged medical men and layworkers in Kent County to attend this meeting, which is held each year with the purpose of making further gains against tuberculosis.

"In the association's files are records showing that last year Kent's tuberculosis death rate was 19 per 100,000," Mr. Wylie said. "These figures are a strong argument for the need to continue our energetic fight against the disease. For, though the rate in Kent county is lower than in 1939, there can be no letting up in the campaign to control tuberculosis, which works unnoticed and often unheralded by symptoms."

Members of the community clubs, parent-teacher associations, supervisors, physicians, teachers and other leaders in Kent county are urged to attend and hear the latest facts about this ancient enemy of mankind and the organized campaign which is continually waged against it.

Farm-to-Farm Canvass Is On

Kent County farmers are again reminded of the farm-to-farm canvass which will be made by AAA community committees between October 15 and December 1, 1941 in connection with the "Food for Freedom" campaign for increased agricultural production during 1942.

The reminder was made by John McCabe, Chairman of the Kent County United States Department of Agriculture Defense Board, as he made public the text of a letter mailed to all farmers in the county.

Letter to Farmers The text of the letter follows: Sometime this Fall, a member of the AAA farm program community committee in your township will call at our farm to obtain, with your cooperation, information which is considered vital to national defense.

As you undoubtedly know, our Government has called upon Agriculture to greatly increase the production of certain essential farm commodities during the present emergency in order to insure ample supplies to meet all of our own needs for improved nutrition and national defense, to meet the requirements of nations resisting aggression, and to store up reserves of food to use in bargaining for a just and lasting peace when the war is ended.

"Although calling for an 'all-out' effort on the part of Agriculture to meet the production goals established for 1942, our Nation's agricultural leaders have emphasized the necessity of avoiding the mistakes of the first World War which brought hardship and ruin to so many farmers. Farmers have been called upon to assure plenty of the commodities for which there is increased need while continuing to hold in check the production of commodities of which we already have large reserves, such as wheat and cotton.

Under the terms of recent legislation (the Steagall amendment), the price to the producer for hogs, eggs, evaporated milk, dry skim milk, cheese and chickens will be supported by the U. S. Department of Agriculture at not less than 85 per cent of parity to the producer until December 31, 1942.

The Farm Plan Form When the committee calls on you, he will have with him a 1942 Farm Plan form for your farm which he will fill out with information supplied by you. This Farm Plan form will serve as a questionnaire to determine the increased production you expect to be able to contribute. The committee will ask what your production was for the following products during 1941 and what you plan to produce in 1942: Milk, eggs, hogs, beef cattle and calves marketed, soybeans for beans, dried beans, tomatoes for canning, farm garden acreage, oats, rye, barley, grain sorghums, vegetables for sale, flaxseed, sugar beets, and corn in the non-commercial corn area.

All information obtained in this survey will be held confidential for use only in connection with the administration of the farm defense program.

The purpose of this letter is to inform you of the approaching visit of the committee and to advise you of the purpose of his call and to outline to you briefly the information he will be seeking. It was felt that if you knew in advance what was wanted, you would be in a better position to go over the 1942 Farm Plan with the committee.

We will appreciate your cooperation in this matter.

Retailers Advised As to Luxury Tax

Michigan retail merchants' problems resulting from the newly imposed federal luxury tax on toilet preparations, jewelry and furs were clarified this week by a special information bulletin issued by the State Sales Tax Administration.

The new Federal Retailers Excise Tax on these specially designated luxury items may be deducted from the sale price before the computation of the 3 per cent sales tax. A \$100 diamond ring will now cost the consumer \$100 plus \$10 federal tax plus \$3 sales tax, a total of \$113. The retailer, in reporting to the state the \$110 sale, is allowed \$10 deduction.

Sales tax on other merchandise is computed on the full retail price which includes the federal tax. The tax, having been applied at the time of manufacture loses its identity as a tax, and as far as the retailer is concerned, is a component part of the selling price. No deductions are allowed.

Louis M. Nims, sales tax director, commenting on the new regulation, pointed out that this had always been the case in sales of cigarettes, gasoline and automobiles where the federal excise tax was imposed on the manufacturer. In general the only deductions allowed are on sales for which the merchant is directly responsible to the government for return of the Federal Retailers Excise Tax.

"Floor stock taxes," which are to be paid direct to the Federal Government by the retailer can be deducted for sales tax purposes only in the amount of floor taxes on the particular items which have been sold during the month for which the sales tax return is being prepared. Retailers selling commodities other than liquors, wines, tires and tubes are not concerned in the matter of so called floor taxes.

Two Kent County Winners

Kent County folks were glad to see the Annual Michigan Egg Laying contest won by two Kent county entrants.

E. C. Foreman, better known as "Ernie" came out on top with a pen of White Leghorns laying 3,162 eggs. Ten of the original 13 birds remained in the contest.

L. B. Aseltine, of Comstock Park, who is known as "Lou" was a close second with a pen of Rhode Island Reds. This pen produced 2,985 eggs.

The Foreman pen received further high honors when hen No. 1146 laid 321 eggs winning individual honors.

Bees Are Essential

The bee business in Kent County is of quite a size when you look at state inspectors' reports. Last year there were 287 apiaries inspected, in only seven of which were found any disease. These apiaries contained 2,175 individual colonies with only 11 diseased. This is a good record. This inspection is only covered 16 of the 24 townships.

Enemy bedfellows together in the latest autocrat government at Lansing are state and county highway departments.

Because many upstate road commissions are Republican and the state highway department has been Democratic in personnel, the highway has taken on a political aspect at times—invariably on election days.

**Sisters Are Brides In Happy Double Wedding**

The First Congregational Church of Lowell formed the setting for the double wedding on Saturday of Dorothy Lampkin, daughter of Mr. and Mrs. Lee E. Lampkin of Lowell and Clinton J. Christoff, son of Mr. John Christoff of Lowell; and Helen Lampkin, daughter of Mr. and Mrs. Lee E. Lampkin to Earl G. Anderson, son of Mr. and Mrs. Floyd O. Anderson of Grand Rapids.

Proceeding the ceremony, Mr. Walter W. Gaffney sang "Blessed and God Sent You to Me" accompanied by Mrs. Harry Stauffer at the organ. Mrs. Stauffer also played the wedding music.

The Rev. Norman G. Woon read the service at four-thirty o'clock before a background of palms and white mums, with branch candelabra holding tall white tapers.

Both brides, given in marriage by their father, with Richard Lampkin escorting Helen, wore identical gowns fashioned of white satin, the bodice fitted and a high lace neckline embroidered with seed pearls. The sleeves were long and tightly fitted forming points over the wrist and the skirt extended into a long train. The full length illusion veils were held in place by a tiara of rosebuds matching their bouquets of brides' roses, swansonia and pompons.

Dorothy was preceded down the aisle by Mrs. Lee Andrew of Detroit as matron of honor in pale blue corded taffeta with bridled long sleeved jacket. She carried Johanna Hill roses and light yellow pompons. Miss Ethel Thomas of Lowell as bridesmaid in powder blue stitched with matching braid carried Orphelia roses, rose bronze pompons and rose gladioli; and Miss Adele Leffert of Grand Rapids as bridesmaid was gowned in dusty rose satin and carried Briscoriff roses, pink pompons and pink gladioli. They wore matching pompons in their hair.

Helen's attendants were Miss Betty Lyman of Grand Rapids as maid of honor, Miss Fannie Dillon, also of Grand Rapids and Miss Cassie June Lee of Lowell as bridesmaids. They were dressed in gowns identical to those of Dorothy's attendants.

Mr. Lester Penning of Kalamazoo acted as Mr. Christoff's best man and ushers were Mr. Everett Carey of Lowell and Mr. James Lull of Benton Harbor.

Mr. Anderson's best man was Mr. Isaac Pape of Grand Rapids and ushers were Mr. Chester VanKeuren, also of Grand Rapids and Mr. Albert Moser of Detroit.

Mrs. Lee E. Lampkin chose a simply fashioned gown of steel blue crepe with long sleeved jacket trimmed with gold coin, and wore a corsage of Paradise lilies. She was escorted to her seat by her son, Chadwick Lampkin.

Mrs. Floyd O. Anderson was gowned in navy blue chiffon trimmed with white lace. Her corsage was of Briscoriff roses.

After the ceremony guests assembled in the church parlors for the reception.

**Coming Events**

**SUNDAY SCHOOL RALLY AT ALTON, OCTOBER 19**

Sunday, Oct. 19, 10:00 a. m., the Alton Sunday school will hold its first annual Rally Day. The school was re-opened approximately a year ago with an enrollment of eight. At present, the attendance averages between sixty and seventy members with classes for all ages. Such remarkable growth is due to persistency on the part of the teachers and members who have co-operated in an effort to re-establish a place of worship and Bible teaching for the people of the surrounding area.

Many a worthy cause has been saved by a rally and this Sunday the parents and friends of our Sunday school pupils, who do not find it convenient to come regularly are urged to attend. Rev. B. F. Hitchcock, director of a movement in Michigan for the betterment of our rural churches, will speak, accompanying him will be Ralph Dill at a talented musician who will play selections on the xylophone. All who wish are invited to take advantage of the bus which will make its regular route.

The evening service will begin at 7:45 p. m. with a musical group from Grand Rapids.

Automobiles may not be taken into Mozambique without government permit.

**CARD OF THANKS**

We wish to express our sincere appreciation and thanks to relatives, friends and neighbors for the kindness and sympathy shown during our recent bereavement, in the loss of our husband and father. We especially wish to thank Rev. Louis for his message of comfort, the P. & A. M. for their beautiful service and the Brothers who acted as bearers, to other organizations, and all those who sent the floral offerings and helped in so many ways. Your thoughtfulness will ever be remembered.

**WOMEN'S CLUB**

The second meeting of the Lowell Women's Club was held Wednesday evening, October 8th at the Congregational church, with a large attendance of club members their husbands, members of the teaching staff, and guests. Mrs. Harry Stauffer played several pleasing numbers on the organ preceding the meeting.

The club president, Mrs. Gotfredsen extended a most cordial welcome to all present explaining this was a get-acquainted meeting honoring the teachers of our school. She then announced the following much appreciated and worthwhile program. Two violin solos played by Roland Troyer, a group of three songs, sung by Mrs. W. Stanton of Lansing, two organ selections played by Walter Gummer, moving pictures in colors were shown of South America by Mr. Trellis, a native of Peru. The pictures were explained, and many interesting and educational points were given by Mrs. Trellis, wearing the garb of an Indian woman of Peru. Mr. and Mrs. Trellis are residents of Greenville Michigan. The program was closed by singing "God Bless America". Refreshments were then served by the following committee: Mrs. Hattie Peckham, Mrs. T. A. Anderson, Mrs. M. Houseman, Mrs. D. Dickerson.
