

AFTER WAR, DEPRESSION

MANY PEOPLE FEEL it almost certain that there will be a big industrial slump after the war...

After the war there will be a big demand for goods from those unable to buy now because the defense industries are getting the materials...

That does not mean that people should spend all their money and not save any more. If no money is saved, the amount of money that can be loaned for house construction...

APPLE DAYS

THIS IS THE TIME of year sweetest to the heart of the apple eater. Take what you will away from American originality...

At 25 years of age he followed Indian trails and cast the apple seeds through Ohio and Indian territory, moving always toward to keep his trees healthy and see that the Indians cultivated them properly...

HALLOWEEN

COMES the last of October and the frolicsome holiday which we term Halloween. There will be the usual harvest festivals at this time and masquerade parties bringing out weird and charming costumes from the attic trunks...

NAVY DAY

OUR CONTINENTAL Congress founded the American Navy in 1775, in the month of October and since then this nation has built battleships, cruisers, destroyers, submarines and aircraft carriers to establish her force on the water...

ENLISTS IN NAVY AIR CORPS

Arthur Curtis, Jr. passed his examination last week in Detroit for the U. S. Navy Air Corps and will enter the service for training the first of the year.

B. of T. Conducts Lively Meeting

Timely Subjects Come Up for Discussion

The October meeting of the Lowell Board of Trade held Monday evening at the City Hall proved to be an interesting affair.

Over 22,000,000 people will have to make out federal returns of income next year under the new law, and over 13,000,000 of them will have to pay taxes to the federal government...

Every young man should investigate the opportunities offered by the U. S. Navy in the recruiting campaign now underway in Michigan.

At the council meeting Monday night, C. H. Runciman announced that Lowell will have a W. P. A. Sewing project this coming year.

David Cox has returned home from a six weeks' trip to the Hawaiian Islands where he set up and demonstrated electric sorting machines to be used in picking coffee beans.

The young men of Lowell and neighboring townships will do their part in making plans for the extensive campaign now under way in Michigan designed to secure enlistments in the U. S. Navy.

Jokes, jests, jabs and jibes just by Jeff. In most of the resort towns, the natives have already started living on your vacation until next summer...

Fred A. Cox Likes Life in the Army

The Ledger is in receipt of an interesting letter from Private Fred A. Cox who is now stationed at Elgin Field, Fla.

"My position here is in the radio control tower with five other radio men. Our job is to guide the planes in, see that the field is kept clear and help planes take off. I will study radio theory and code which I had not as yet finished when they transferred me."

"Elgin Field is located about 40 miles from Panama City right in the middle of 100,000 acres of U. S. timber. The nearest town is Crestview, about the size of Alto. There is a big tourist resort here in the summer time but now there is nothing."

Auction Sales

Floyd W. Foster, October 24. Having rented his farm, Floyd W. Foster will hold a public auction sale at the place located one mile north and 1/2 mile west of Alto on the Whitteville-Portland road, on Friday, Oct. 24, commencing at 1 o'clock.

Referendum Nov. 3-8 For Potato Growers

A referendum will be held among Kent potato growers and among potato growers in all other counties in the State during the first week of next month, November 3-8 to vote on a proposed marketing agreement program to regulate potato shipments out of the purchasing area and at the same time, a marketing agreement will be submitted to potato handlers for their signature.

Along Main Street

Jim Fahrni has moved his barber shop to a Masonic Block, four doors east of the City Hall.

A building permit was granted to Ralph Townsend at the Council meeting Monday evening to erect a two-story house on North Hudson street.

The removal of the so-called bottleneck from the south side of the new bridge and the straightening of the sidewalk by the state highway department is a 100 cent improvement for Main Street.

Over 22,000,000 people will have to make out federal returns of income next year under the new law, and over 13,000,000 of them will have to pay taxes to the federal government...

A LETTER TO. LOWELL

From Glendon and Kathryn Swarhout. Written especially for readers of the Lowell Ledger.

We're Off For South America!

(Editor's note: Mr. and Mrs. Glendon F. Swarhout of Lowell left Oct. 10th for Havana, Cuba, via Miami, Florida. This first article is intended as an introduction to the ensuing series on Central and South America which will appear in this paper weekly for one year.)

Do you mind if we introduce ourselves? When you think how intimate we're going to be for a year... how far we're going together... of all the things we'll see together...

There are quite a few of you in Lowell. But there are just two of us—just two of us to go eighteen thousand miles on two suitcases and a portable typewriter!

We might be the young couple right around the corner from you, if only we had an idea. And a thank to the Lowell Ledger and some other Michigan newspapers that idea is going to work!

Statistics prove that one out of every ten Americans has lately been stricken with "South American Fever." Public health authorities have described the plague as a condition seriously affecting both mind and body.

We have been feverish for years. Ever since we graduated from the University of Michigan, sleep has meant only a succession of strange names, vague questionings which filled the darkened room: Haiti, Barbados, Trinidad, Panama, Buenos Aires, Rio de Janeiro, Lima...

By day we wondered how many others like us, young and old, in smaller towns all over the state were also thinking of these exciting places so vital today. We wondered how many would like to know the warm-blooded Latin-Americans better; their living conditions, their Rotary Clubs, their parties, community projects, farm problems.

And then came the idea. Why couldn't we answer those questions, both for ourselves and for our neighbors? Why couldn't we make this trip for all the thousands who might never go? Why couldn't we take those at home with us through the medium of their local newspapers week by week?

18 Cars Derailed Near Here Friday

The wreck on the P. M. tracks about 4 1/2 miles northeast of Lowell last Friday afternoon resulted in the derailment of 18 cars on the freight train from Saginaw to Grand Rapids. The cause of the wreck was not definitely known but it was believed to have been defective equipment in the rolling stock.

Defense Savings Committee Named

In conjunction with virtually every community in the state and nation, Lowell will launch upon the National Savings Program, which is sponsored by our Federal Government. The chief village official in each case is automatically designated as the honorary head of the program, but with power to appoint an executive secretary.

Elect Lowell Woman District President

Mrs. W. W. Gumsler of Lowell was elected president of the West Central District of State Federation of Women's Clubs at the convention held in Ionia Tuesday and Wednesday this week.

Attending Convention

Howard DeGood president of the Lowell F. F. A. chapter is in Kansas City this week attending the national F. F. A. convention. He went in company with representatives from the Caledonia, Coopersville and Sparta chapters.

Fall Shoes at Coons

Carter's Genuine Calfskin Oxfords for Fall and Winter wear are still selling at \$3.95 with quality standards maintained. All arch supports, all guaranteed. Browns are especially good.—Coons.

So. Boston Resident Is Laid to Rest

Elmer E. Marshall, 55, well known South Boston resident, was laid to rest Wednesday afternoon in Greenwood cemetery, Grand Rapids, following funeral services which were held in the Roth Chapel here with Grace Walker reading. Mr. Marshall passed away at his home in Boston, on Sunday following a long illness.

Mr. Marshall had been active in the community taking a great interest in the grange work and farm meetings. He was respected by many neighbors and friends.

W. D. Fletcher, 64 Laid to Rest Here

Funeral services were held in Middleville last Saturday afternoon for Wirt D. Fletcher, 64, who died last Wednesday following a heart ailment which he suffered while hunting near his farm in Yankee Springs-Tp., Barry County. The Rev. Sheldon Quincer officiated and burial was made in Oakwood cemetery, Lowell.

Mr. Fletcher was born near Lowell on September 26, 1877 the son of Mr. and Mrs. K. H. Fletcher. He was united in marriage with Anna Fleming and to this union was born one son, Fleming D. Mr. and Mrs. Fletcher resided in Grand Rapids for many years and about 13 years ago moved to their farm near Middleville where they had resided since.

Surviving are the widow, the son, Fleming D. of Grand Rapids, four grandchildren; two sisters, Mrs. Mattie Jacob of Newaygo and Mrs. Bessie Graham of Lowell; and one brother, Lynn Fletcher of Lowell.

Making Big Plans For Halloween Party

The annual Halloween party for the young folks of the community will be held next Friday evening, Oct. 23, at Recreation Park. A. H. Stormanz of the American Legion is in charge of the affair with representatives of the Board of Trade and Rotary Club assisting.

There will be many prizes this year, the prizes to go to the most terrifying, the most original and the most awe inspiring costumes. The "Parade of the Goons" will leave the high school at 7:30 p. m. and proceed to Recreation Park escorted by the American Legion.

Lowell F. F. A. Enters New Field

The members of the Lowell F. F. A. chapter have been interested in the development of good goods in the communities around Lowell. Seeing that the boys have started out with purebred hogs of very good breeding, George Wittenbach, Verel Bovee, George Metternick and Jack Oesch have started in the Duroc Jersey Breed, while Howard DeGood, Lee Blocher and Robert Clark have started with Poland Chinas.

These boys will form what is known as the Lowell Purebred Hog Breeders Association, which will act as a cooperative to sell breeding stock outside of our own community. This year several pigs were sold to breeders in other parts of Michigan and we feel that this has been only a start. Plans for future include an annual Breed Show sale each fall which will feature outstanding Sows of both breeds and the New Official Production Registry work which will be done in connection with the Duroc Record Association. Briefly the program is as follows:

- 1. Open to all sows and boars that are purebred and registered with the association. 2. Sows and boars with disqualifications such as Swirl, hernia, white feet, underize, low back, bad feet, defective hams and less than 10 teats will not qualify for this work. 3. All litters must be weighed between 52 to 60 days of age and then calculated to a uniform 56 day basis. 4. To qualify for the Production Registry a sow must meet the following minimum requirements for two litters raised within a period not to exceed 24 months: a total of at least sixteen pigs raised to 56 days of age with a combined 56 day weight for the two litters of not less than 640 pounds.

Mattress Program Nearly Completed

The Cotton Mattress Program is being brought to a close in Kent county with approximately 1,300 mattresses made to date. Most of the centers have already closed. There are a few straggling applications coming in from various parts of the county but not enough to justify keeping eleven centers open. One center will probably be established in the north half of the county and another in the south half to take care of these last few applications. Place and date of these centers will be announced later.

Strand Calendar

Thursday, Oct. 23—"The Stars Look Down" with Michael Redgrave and Margaret Lockwood; also Comedy, Novelty and Sport Parade. Friday and Saturday, Oct. 24-25—"Mary Martin and Don Ameche in 'Kiss the Boys Goodbye'." Added feature "Citadel of Crime" with Frank Albertson and Robert Armstrong; also News. Sunday and Monday, Oct. 26-27—Jon Hall and Dorothy Lamour in "Aloma of the South Seas" with Philip Reed and Lynne Overman; also Screw Drive, Fried Patooties, Picture People and News. Tuesday and Wednesday, Oct. 28-29—"Tillie the Toller" with Kay Harris and William Tracy. Added feature "Wide Open Town" with William Boyd and Russell Hayden; also News. Thursday, Oct. 30—Herbert Marshall and Virginia Bruce in "Adventure in Washington". Added feature "Two in a Taxi" with Anita Louise and Russell Hayden. Daily Admissions—Children 11c; Juniors 20c; Adults 30c; Sunday matinees, Children 11c, Adults 22c. 1916-1917 and 1918.

Opportunity For Our Young Men In U. S. Navy

Ambitious Young Men Can Get to the Top With Big Pay

At the suggestion of Secretary of Navy Knox, R. G. Jefferies and Harold Jefferies of The Lowell Ledger have been made Navy Editors, to help the Navy in giving ambitious local young men information about the opportunities the "Two-Ocean" Navy offers them for technical training and advancement as they serve their country in its emergency.

According to an announcement made public in Washington, a limited number of additional men between the ages of 17 and 50 will be given a chance, by enlistment in the Navy or Naval Reserve, to get to the top with big pay, in jobs which fit their aptitude and as a result of examination they show themselves fitted, from among nearly 50 different trades and vocations. These include such callings as aviation machinist, dental technician, photographer, diesel engineer, radio technician, electrician, welder, storekeeper, and baker.

Beginning this week, the Navy plans for a limited time to accept new qualified men for training. These men will be sent to one of four Naval Training Stations and may have a chance to go to a Navy Trade School even before assignment to the fleet. During this period they will be given regular Navy pay and the Navy's free schooling is valued at hundreds of dollars.

Offers Great Opportunity

"Never in the history of the United States has there been greater opportunity for loyal young Americans to serve their country and build their futures than right now," said Secretary Knox.

In outlining the many advantages offered by enlistment in the United States Navy the Navy Editors of the Ledger said, "It is possible for a bright young man to increase his pay seven times during his first enlistment and he can earn as much as \$126 a month. This monthly figure is actually worth much more when it is remembered that the man has few living expenses and is provided with the finest of medical and dental care.

"You have all your food and lodging, and also your original outfit of clothing provided by Uncle Sam free," the Editors continued. "In addition there are free sports and entertainment—even to the latest Hollywood pictures. On top of this you get free travel and adventure in colorful places—a thing few civilians can afford.

"When you consider the size of this country and the fact that the Navy will select only 15,000 applicants a month from many times that number throughout the United States, the quotation, 'Many are called but few are chosen,' will apply to local young men interested.

How to Save Money

Plenty is said these days about saving gasoline and rubber for a deferred standpoint. It's money in any man's pocket to save both. Here are some rules given by automobile folks to save these products: You'll Save Gas—By not racing your engine in starting. By always turning off engine when leaving car. By not jumping away from traffic lights. By keeping spark plugs clean and engine rightly timed. By driving at moderate speeds.

Joins Industrial Concern

Seems like an extension specialist at Michigan State College just got set in his job, acquainted with the folks he works with, and then off to a new job he goes. This is the case of H. L. Seaton, extension specialist in vegetable gardening at Michigan State College, who leaves the college November 1st, to become a field manager for a large industrial concern. Seaton's work with the greenhouse and outdoor gardens of Kent county has always been very satisfactory and they, with the local extension agent, will regret to see him go.

One Every 15 Minutes

As the result of fire, one farm building in this country is sacrificed every fifteen minutes. This means that ninety-six expensive bonfires are built every 24 hours, 2,880 every month, 34,560 in a year. A big percentage of this waste of time, effort property and natural resources, to say nothing of precious human lives lost in fires, is absolutely preventable. Each individual has it in his power to help solve this serious problem.

"Food for Freedom"

Kent County farmers are going to be visited by community committee men of the A. C. P. program in regard to goals for this county in agriculture's part in the National defense program.

Food for Freedom

As these go to market the beef quota will meet its goal. "Food will win the War" is not a new slogan to extension folks and there are quite a few on the staff at Michigan State College who remember this same slogan back in 1916-1917 and 1918.

UP and DOWN

When one thinks of tulips it is generally in connection with Holland's Tulip Festival or bright borders of this flower in the early spring.

Tulip Bulb Industry

Did you know that tulip growing may become an industry in our upper peninsula? A corporation has been formed up there to grow the bulbs. They are planting four or five acres in two or three different places. The Michigan State College experiment station at Chatham has a planting of five or six acres and has made experimental plantings in other localities. It is hoped the U. P. may become a real tulip bulb producing region.

Called to Army Service

The many 4-H Club friends of Earl Haas, who was district club agent for nearly six years, will be sorry to hear that he has been called to army service having held reserve commission.

Quality Potatoes From Kent

Kent county has two farms producing certified seed potatoes this year. Miles Bowman and son, and Elwin Parmeter and son, both in Courtland township, have about 25 acres of seed this year. Both fields have passed the field inspections and are yielding very well. We have had a chance to see some potato fields in those sections. It seems the quality is the best in years. Those who sprayed for late blight feel that while there was no blight present a better crop of potatoes has resulted. With spraying work underway, plus seed improvement to help quality, there should be an opportunity in the near future to market a quality Kent county potato.

How to Save Money

Plenty is said these days about saving gasoline and rubber for a deferred standpoint. It's money in any man's pocket to save both. Here are some rules given by automobile folks to save these products: You'll Save Gas—By not racing your engine in starting. By always turning off engine when leaving car. By not jumping away from traffic lights. By keeping spark plugs clean and engine rightly timed. By driving at moderate speeds.

EVERY GILT SELECTED
BY GLENN MILLER

Every week... in the Detroit Sunday Times... starting with this coming Sunday's issue... you'll find a song hit... with words and music... selected by a famous band leader... has been chosen by Glenn Miller. A new song hit every week! This time the Detroit Sunday Times this week and every week. Phone Parsons' news stand for delivery.

At fifteen my mind was bent on learning. At thirty I stood firm. At forty I was free from delusions. At fifty I understood the law of Providence. At sixty my eyes were attentive to the truth. At seventy I could follow the promptings of my conscience instead of my job. At eighty I was free from delusions. At ninety I was free from delusions. At one hundred I was free from delusions.

SEND HIM THE HOME PAPER

Has your son entered an army camp? Send him the Leader... it's a long and interesting letter from home. He'll appreciate the home paper. Send it to your address for \$2.00 a year, payable in advance.

Born From Disaster
Two cyclones in Barry county in 1880 and 1882 led to the establishment of the Michigan Mutual Fire and Marine Insurance Co. The idea of the company first came to D. W. Rogers who was then secretary of the Barry and Eaton Fire Insurance Company. Sixty persons were then members of the concern which now carries coverage for 400,000,000 in property.

It is further ordered, that public notice thereof be given by publication of a copy of this order for three successive weeks prior to said day of hearing, in the Lowell Leader, a newspaper printed and circulated in said county.
JOHN DALTON, Judge of Probate.

ORDER APPOINTING TIME FOR HEARING CLAIMS
State of Michigan, The Probate Court for the County of Kent.
At a session of said court, held at the probate office, in the city of Grand Rapids, Michigan, on the 23rd day of October, A. D. 1941.
Present: HON. JOHN DALTON, Judge of Probate.
In the Matter of the Estate of Edna A. Mace, deceased.
It is ordered, that the time for presentation of claims against said estate shall be until the 10th day of November, A. D. 1941, at 10 o'clock in the forenoon, said time and place being hereby appointed and designated as the time and place for the presentation and adjustment of all claims and demands against said estate.
It is further ordered, that public notice thereof be given by publication of a copy of this order for three successive weeks prior to said day of hearing, in the Lowell Leader, a newspaper printed and circulated in said county.
JOHN DALTON, Judge of Probate.

DeMaar-Slater
A very pretty wedding at the Eighth Reformed Church on Burton-st. at Clyde Park last Thursday evening was performed by Rev. Leonard Greenway, pastor, when Dorothy Slater and Joe DeMaar were united in marriage before a bank of palms and salmon pink glads. Miss Slater was given away by her father, Albert Slater.

Miss Harriet DeMaar dressed in a pretty gown of pink, carrying salmon pink glads and baby bronze mums, was maid of honor, while Conrad DeMaar acted as best man. Miss Marilyn VanderVeen wore a pretty gown of blue and was the bridesmaid. Mr. James Meidema, acted as usher.

Miss Alice Eulkeema, organist, played the "Wedding March" and other music appropriate for the occasion. Mr. Robert Weaver sang "O, Promise Me" and "God Sent You To Me".

The bride's gown was of white taffeta cut with a shirred bodice and sweetheart neckline, leg-o-mutton sleeve, with 2-yard train and finger-tip veil with halo. She carried white roses and white baby mums.

Mrs. Slater and Mrs. DeMaar each wore corsages of salmon pink glads and bronze mums.

Following the service at the church which was at 7 o'clock, a reception was held at Candle Light House for 26 members of the family and wedding party. Mr. and Mrs. DeMaar left immediately on a short wedding trip to Chicago, returning to Grand Rapids on Sunday. Mr. DeMaar left on Monday evening for Camp Livingston, La., where he is stationed at present. Congratulations and best wishes.

Annual Rotary Party
The Rotary Anna, the public school teachers and other guests were delightfully entertained at the annual banquet of the Rotary Club held this week Wednesday evening. A wonderful chicken dinner with none of the trimmings left out was served by the Ladies' Aid of the Veterans Church, the party being held at Lone Pine Inn, the use of which was generously donated by Mrs. Florence Bailey. The event was also honored by the presence of Governor C. W. Bemer of the 15th district and Mrs. Bemer.

As is the custom, the occasion is one given over to good clean fun and entertainment, details of the program having been arranged by E. C. Foreman. Features of the program included group singing, solos, quartettes and instrumental numbers. Governor Bemer gave a fine talk, followed with an address by Dr. R. E. Gunn, economist of M. S. C., in which he urged everybody to keep cool heads during the crisis which the country faces.

Club President Harry Day presided. A feature of the evening was the presentation of an Indian bead dress to Secretary Frank Coon by virtue of which he was made a member of a noted Indian tribe living on a reservation in the state of Kansas, the honors being conferred by R. D. Hahn on behalf of the Indians, Mr. Hahn himself being a native of the Sunflower state.

Honored on Wedding Anniversary
About 200 friends and relatives called at the home of Mr. and Mrs. John Roth, North Hudson Street, on Tuesday evening of the week to extend congratulations and best wishes on their 25th wedding anniversary. Guests were present from Jackson, Ann Arbor, Detroit, Grand Rapids, Muskegon, Fremont and Lowell.

Their home was decorated with lovely flowers. Mrs. Floyd Perry of Grand Rapids provided music on the piano for the evening. Refreshments were served and Mrs. Harold Braden of Jackson and Mrs. Roman Herb of Grand Rapids, sisters of Mrs. Roth, poured coffee. The honored couple received many lovely gifts including silver money. The guests departed as pressing a grand evening and wishing them many more happy anniversaries.

American Legion Auxiliary
The Auxiliary held election of officers Monday evening at their meeting in the Legion clubrooms. Results were as follows:
President, Mrs. Bessie Hatch; 1st vice president, Mrs. Hattie Rice; 2nd vice president, Mrs. Elizabeth Phelps; secretary-treasurer, Mrs. Dorothy Hale; chaplain, Mrs. Win Stone; historian, Mrs. Mary Potter; sergeant-at-arms, Mrs. Ina Potter; executive committee, Mrs. Lyla Johnson, Mrs. Mildred Kloosterman and Mrs. Vera Yelzer.
A lovely potluck supper was served before the meeting. At the meeting several things of importance were discussed. Next meeting will be held Monday evening, Nov. 17 with the 5th district president

Coming Events

The Child Study Club will meet Monday evening, Oct. 27, at 8:00 p. m. with Mrs. Adrian Zwemer as hostess. "Are Our Children What the Schools Make Them" will be the theme of the program with Mrs. Carl Fryermuth as leader. Bring scrapbooks.

Past Noble Grand's Club Halloween party Monday evening, October 27, I. O. O. F. hall.

Membership in Auxiliary Means Much to You
The time is here to renew your membership in the American Legion Auxiliary for another year. Consider for a moment what this membership means to you. It is among the most precious of your possessions. Your right to be an Auxiliary member has been won for you by the service of your husband, son, father or brother to his country in time of war. Your Auxiliary membership gives you the privilege of going forward with the men of your family as they carry into peace-time the service they rendered during the war.

As the World War passes further into history the women of America are recognizing more and more the importance of their connection with that great struggle through the service of their relatives or through their own services. They are recognizing the desirability of preserving the significant things relating to this connection in an organization such as the American Legion Auxiliary.

Every year a larger and larger number are discovering the inestimable value of being a member of the Auxiliary.

The women of America are recognizing, too, that the war left many national and world problems unsolved and that to aid in the solving of these problems is a duty and a privilege of those who had the most vital connection with the war. They understand the wider significance of the work which the American Legion is doing and value the privilege of aiding the Legion in this work which membership in the Auxiliary gives them.

The American Legion Auxiliary is now entering the period of its greatest influence and greatest power for service. You will not want to lose your share in the big things which are before the organization by permitting your membership to lapse. Make sure that you will be in the Auxiliary's ranks as it goes forward to the accomplishments of the coming year by sending in your 1942 dues today.

New Legislation Supports Prices Of Needed Foods
Farmers in Kent County who volunteer their help in producing the increased quantities of eggs, eggs, evaporated milk, dry skim milk, cheese, and chickens sought in the 1942 Farm Defense Program will have the protection of new Federal farm legislation against price collapses for these particular commodities, John McCabe, Chairman of the Kent County Agricultural Defense Board, pointed out this week.

The new act of Congress, known as the Stagall amendment, requires that, whenever in the present emergency the Secretary of Agriculture finds it necessary to encourage the expansion of the production of any non-basic agricultural commodity, he must issue a public notice calling for the expansion.

The same law also directs him to use funds available to him for the disposal of agricultural commodities so as to support a farm price of the commodity of not less than 85 per cent of parity. Before the Secretary can issue a price-supporting program, he must give sufficient public notice of the termination to permit producers to make a readjustment in production, Mr. McCabe emphasized.

Secretary Wickard has already given public notice covering, until December 31, 1942, eggs, evaporated milk, dry skim milk, cheese and chickens. The basic commodities—corn, cotton, wheat, tobacco and rice—are supported through loans at rates based on 85 per cent of parity.

"This new development is proof that the National Farm Program can be used to protect the income and security of the farmer who answers America's call for greater production of the vital foods," the Defense Board chairman commented.

"Fortunately, that protection is not required now because the farm prices of every one of the non-basic commodities listed is well above the 85 per cent of parity level, but farmers can plan their 1942 production in the knowledge that prices can and will be supported should it become necessary."

Hallowe'en Party for Junior Farm Bureau

The Junior Farm Bureau met on October 16, at the Vergennes Grange Hall.

The coming State convention was discussed at this meeting. Gerald Tornga and Mary Farrell were selected to represent this group at the convention. Each Junior Farm Bureau group is allowed to bring one local guest. John Kleinhekel was selected to be this group's local guest. It is sincerely hoped that John will be able to find time to attend this convention. It is to be held on Saturday, November 8 in Lansing and is to last all day. Twenty members of this group will be allowed to attend if they wish to do so.

The next meeting will be a Hallowe'en party on Thursday night, October 30 at the Vergennes Grange Hall. The purpose of this party is to invite people from other communities to start new Junior Farm Bureaus. The committees for this party are as follows: Refreshments, Elsie Groenboom, Edna Myers, Claude Condon, Donna Jean Condon and Orle Groenboom. Entertainment, Mary Farrell and Allen Liers.

Oren Ford, Pub. Editor.

CARD OF THANKS

I wish to thank my many friends and neighbors of Marie Wilson for the kindness and flowers received in her sudden death, also Rev. N. G. Woon for his comforting words.

WOMEN'S CLUB

"Another Morning" was the title of the book by Wessel Smitter, reviewed by Mrs. C. A. Hall, Wednesday afternoon at the Lowell Women's Club which was held at the home of Mrs. H. P. Gottfredsen on Riverside-dr., president of the club.

Mrs. Smitter, the author, was of Dutch parentage, born on a farm near Grand Rapids and educated at Calvin College and University of Michigan.

"Another Morning" is no less true to the life it depicts for Mr. Smitter spent considerable time in Matanuska Valley, Alaska gathering his material.

Mrs. Gottfredsen in her introductory remarks brought out the fact it requires talent to review a book. Our next meeting will be held at the home of Mrs. R. G. Jefferies, N. Hudson, November 5.

The audience in the college auditorium was impatiently awaiting the appearance of the out-of-town entertainer, who was already an hour late. The chairman of the evening, fearing the people would leave, scribbled a frantic appeal for help and had passed it down the aisle to Professor B., who was a ready and witty speaker. Thinking to break up the stony atmosphere, Professor B. began: "I've just received a message asking me to come up here and say something funny."

A young student at the back of the room called loudly: "You'll sell us when you say it, won't you?"

To which the grave professor made instant reply: "I'll tell you, the rest will know!"

ORDER YOUR COAL NOW!

Don't Be the One Who Complains If There Is a Coal Shortage!

Look ahead to the cold months this winter when the railroads are overtaxed with defense traffic and coal stocks now on hand are depleted. Wise buyers are filling their bins now to avoid being caught in a coal shortage.

We have large stocks on hand now but . . . we advise our patrons to buy now and not take a chance.
