THE LOWELL JUNGER

General Interest

#### BOY JOBS

IT IS REMARKED in many places that if you want a boy to do some kind of work, it is hard to find him. Some boys have found part time work in stores. As soon as spring opens, there will be Roland G. Acheson Had chances for them in farm and gar-

thinge for themselves for which and weeds the garden.

A boy who wants to work can usually find employment now, if he is energetic and attentive. If he can't remember directions so he has to be told over and over again, or if his mind is not on his work, he will not be so popular. There are many opportunities now for boys to get experience in performing useful tasks.

#### DAY AFTER PAY DAY

tional war effort to a great extent. account of the adventure: The day after pay day is said to be are absent. When people get some money in their pockets, the desire claimed that the heavy weapon's money in their pockets, the desire to cale brate when they get money in their pockets. The needs of the soldiers call for steady work in the war plants with as few interruptions as possible. The people who want to make the money the day after to spend the money in their pockets, the desire to spend it sometimes becomes strong. Some people desire to celebrate when they get money in their place was always safely in the rear, obtained a Tommy-gun and led an informative features of each issue of the Ledger is the column congan State College Feb. 2, 3, 4.

hamlets to the mighty cities are acting as a spearhead in a great Treasury Department campaign to sell the additional War Savings Stamps needed to fill more than 100,000,000 albums now in the hands of the American people.

According to a report released by the Treasury Department today, sales of War Savings Stamps totaled \$559,777,000 for the period from May 1, 1941, through November, 1942.

Stamp sales have risen from less than three million dollars per month when they were first introduced to the public to an average of more than fifty million dollars per month at the present time.

The importance of the campaign.

The importance of the drive is seen in the fact that a War Bond potential of nearly two billion dollars hands in the balance.

Every War Stamp album, converted into a People's Bond, for which the purchaser pays \$18.75 and which matures to \$25,00 value when held for 10 years, adds its force to the war effort.

The Treasury Department is counting upon the country's school children to play a powerful role in the success of the SAY YES drive. The volume of stamp and bond sales is at the rate of \$200,000,000 for the current school year.

The When it's from your wife.

That's where she always mentions how much money she wants."

The stout lady on the scales was being eagerly watched by two small boys. She dropped a penny into the slot and because the machine was out of order, the scale registered only 75 pounds. "Good-night, Bill!"

"Sausages for breakfast! Sausages for breakfast! I can smell 'em!" Small Joe came tumbling downstairs fastening the belt of his shorts as he came. He made a bee-The W. S. C. S. will hold its line for the kitchen. Pop was al-ready sitting at the table, reading the paper, while Mom held the han-Mrs. Stewart Draper Feb. 4, Mrs. dle of the frying-pan over the stove Mr. and Mrs. W. H. Bates and Small Joe came close and sniffed the delicious smoke, wriggling all

over with early-morning joy.
"Better be thankful for them while you can still get them." One glance at Mom's face told small Joe this was one of her tight-lipped days. "Not a drop of coffee in the house, and no sugar left to put in it if there was. Some war!" Small Joe kept

"Letter for you, son," Pop said in his quiet voice. Small Joe made a leap for his place at table. There it was, a private personal letter for him alone, propped against his milk

"Hey, Pop! It's from brother!" Small Joe was pulling the envelope apart and diving into the contents "Hey, look what he sent me." He

"A twenty-five dollar War Bond," Pop said slowly. Mom turned and looked at it over Pop's shoulder, with the frying-pan in her hand. "Listen what he says. 'How are

you doing, kid? Hurry and grow up so you can help me slap the Japs. Aren't you most big enough to get into the Army? Here's something About 300 war plants in the United States help to produce the 45,000 different parts in a heavy bomber and the 40,000 parts in every for you in your name. Let's the whole family gang up and help to win this war."

Pop and Mom were silent. But small Joe didn't notice that. He was full of his letter and his War

"Gee, Pop, in six years I could get into the Army, couldn't I, Pop? Gee, Pop, I want to be a soldier like brother and fight in this war. Gee, isn't that bond nifty? Look, it was issued in Honolulu. It's mine." But Pop was looking at Mom and Mom was looking at Pop. There were tears in Mom's eyes. She shook her head sharply. Pop reached out and patted her hand

gently.
"Well, can't let our soldier boy
beat us to buying War Bonds, can
we, old lady?" was all he said.
She shook her head again. "I guess if he can give up his job and
... and go off to war I can do some
fighting back at home," she said
in a queer voice. Small Joe looked
up at her in surprise. She saw him looking at her and spoke sharply. "Well, Joe. We're about ready to

eat. Say grace."
Small Joe folded his hands and bent his head as he had been taught. "Oh Lord, we thank thee for this food and all thy bountiful gifts . . ." "Amen," Pop said.
"Amen," Mom said. "Now eat

your good sausages." (Story from an actual report in the files of the Treasury Depart

S. in 1940 The party, darting along th shore and slipping through the ham, Ohio, Mr and Mrs. Robert than head high where no breeze around the village and, when he figured he was well in the rear. cut once again toward the beach. sistent," said Schwartz. "First we got three Japs and made them clear part of the village. Then we got bolder and decided to take the whole village. We never would have dared to try it if we had known how many there were in it."

#### Adopts Jap Style

Two further machine gun posts guarded the outer village. Scattering his tiny force with snipers arranged in Jap fashion for rear cover, Schwartz made a headlong attack upon two machine gun posts

"That mortar-gunner did one whole nest containing two Japs, himself", said Acheson's lieutenant. "Then he found two more ready

into the private which left him nothing for the officer. "The officer was sitting on the ground and feet away at Acheson's head. But either the revolver failed to go off, or something, because with that "There is an important sense in revolver pointed straight at him, which the Government is distinct Acheson fitted a new clip into the disposed of the Jap officer."

#### Japs Take to Heels

So taken back were the n other parts of the village by the suddenness of the attack from "Little courtesies sweeten life" the rear—the Japs' own surprise tactics turned against them-that they milled around, and the entire party fired at will into them. Finally, the whole party of Japs an westward, down the beach in the direction of the central, or Sananada front, Schwartz then entered the Jap command poet, which was a ramshackle village hut, and captured its contents.

Meanwhile, other members of the party found six guns, between 2,000 and 4,000 rounds of ammunition and about 50 grenades. The grenades they flung into the sea. They held the village almost two lays, completely bluffing the Japs, and finally withdrew only because it was found impossible to send broke." hem reinforcements.

About 20 Jeps were killed, and one American. And Acheson is considered to have vindicated the
