We were taking off at three of Grand Rapids, Mr. and Mrs. "Of course when I heard all this I also heard about the whopping big target he'd hit and sunk. But I didn't think much of this at the time, didn't think much of this at the time.

and I don't think Colin did either. tors they came running to me with The Merry Circle met with Mr "If I know the boy, and I think I the news that there was a pretty and Mrs. Wm. VanSlyter. Mrs. ter he saw his oxygen system bad leak in my fuel line. So what Pearl Teiter and Ray Linton won was on fire, and had given orders for the other guys to jump, and was sitting there hanging back on his stick and fighting his rudder in order to give them a chance to do it, he wasn't thinking about how many gross tons that Japanese ship displaced, but about his parents and Marian and little Corkie. And later when he was trying to crawl out of the upper escape hatch before his clothes caught on fire, it was the same, and still later, when he cleared the hatch but saw the ground coming up at him, too close and too fast for

ap at him, too close and too fast for the darkness, and pray the leak didn't get worse or a hot exhaust crack open, I don't think he was worrying about how big his positive bull the chanced it, and made it all humous medal was going to be, but only worrying about Marian and Corkie and what a lousy thing it would be for them, and how that gay little girl could put together what would be left of a harry life for what had been an extracted on the control of the control of the left of a harry life for what had been an extracted on the control of the control of

would be left of a happy life for herself, and make a living for Corisie, and how much he wanted to help her do it, only now he couldn't ever.

"A little later in the afternoon one of our fighters came in and began to circle the field, fluttering like a carelessly left a nilly ever the couldn't have to be the field thoroughly, came over all to circle the field, fluttering like a carelessly left a nilly every sense of the couldn't have the carelessly left a nilly every sense of the correspondents are coming back with some new slamts on British Humor. Edward R. Maurow for instance, tells of the Britisher who was found holding a door-knob after an air-raid. Why? Well, it seems he was just entering a pub, and it had been blown out of his hand! And then there were

come in and land. He began to flying field, which they'd put out in make passes at the field, cutting his the first day's raid. Then their fightottle to pick out the strip of ers came over and with incendiaries "MR." BLONDIE ... straight sand through the bomb era- | set fire to the nipa shacks which we'd put up. But each time he'd everything I owned, including the throttle back his left wing would watches, diaries, and wallets which drop and he'd have to gun her again, had belonged to the crew of Old 99.

making a slow climbing circle up "It was now hopeless to operate off the field.

'It began to get me. 'Come on, way, the Japs had landed light tanks son, come on, put it down, before on the coast at Apari, so five hun-we get into trouble. On the last trial dred rifles were issued to what he gunned it, came around, and then | ground personnel we had left there tried to pull up straight, but too late, and they went off with infantry units Teetering down the field, he caught | to chase them out if they could. The one wing on one of our slightly poor devils ended up on Batage damaged Fortresses, tearing it off. Each time we moved, we had to and then himself cartwheeled off into leave some of the ground crews be Arthur Lake the trees-killing a sergeant who had | hind,

been working on a plane back there. "So here we were now at Do The pilot wasn't hurt much himself. Monte, about fifteen Fortresses in radio shows, but one more of our precious few all, but patched up and in such bad A NEW IDEA!

P-40's was gone. Lots of husbands are called names, "But, following orders, I was still not good ones, because they make giving the Fortresses the red light a habit of forgetting their wedding to stay in the air, and I began to anniversaries. But here's the wa Bob Trout, CBS newsman, handler worry about this. Maybe orders had been issued to bring them in, the situation. An ounce of prevention is worth a pound of cure they say, so Bob set his marriage but someone had failed to notify me. Some of them would circle for date on the Fourth of July, Now, a while, and then would head on when he hears fire-crackers, he back for Del Monte, more than six knows it's time to say "Happy knowersary" to Mrs. Trout! hundred miles away, while they still "Finally old Jim Connally said the hell with it, and came on in the hell with it, and came on in the my giving him any light at to get had enough gas to get there. ----

Home Is Your Castle

Twough your home is your castle and it is fully protected by law against trespassing, you may be found liable for injuries sustained by a person who has come on a legitimate mission. There are scores of potential pos-

sibilities for injury in and about

every home-any of which could

result in a claim for injury. Nor

does it matter whether you own or rent your home. Residence Liability protects you against any such claim for injury. It is a most important item in your

inventory of insurance needs

Rev. Warren E. Posey

Nationally known evangelist will be the guest speaker at the Sunday morning service at 11:00 o'clock, at the Lowell Church of the Namene. Rev. Posey is well known in Michigan, having held pastorates in Flint and Battle Creek, and conducted revivals in many Michigan churches. He is a forceful and convincing speaker.
