OUTDOOR ADVERTISING State legislatures have for years been enacting laws to lessen billboard advertising. Improvement and construction of new highways = ALMANAC = north of Lowell. in public works programs bring up the subject again. Not only are billboards regarded as an eyesore

but have been found to be a detri-

ment in safety respects. Vermont has lately brought up the discussion and feels that through their town meetings, they "You have not converted a man because might do away with this sort of you have silenced him" advertising entirely. They suggest it for enhancing scenic highways and consequently making the state

and consequently making the state attractive to visitors. Wherever we drive around Lowell the road generally passes a run-down bill-board and, if we do have them about, surely we might see that they are kept in good condition.

WON-KOTE will not rust metal hardware or nail heads covered in painting. (Water paints must have an undercoat where metal is encountered.) Being an oil paint WON-COTE does not absorb water colors and streak the finish, nor does it cause wallpaper to wrinkle as water-thinned paints do. One coat covers all patterns. Any loose edges can be easily made secure simply by applying a little WON-KOTE to the back of the paper.

"You can't beat the Dutch" ... "You can't beat the Dutch" ... "You can't beat the Dutch Kraft Paint!"
