We Must Continue to Move Forward Stay Out of Trouble

The Ledger as a general practice has not taken a stand If you must have a fawn for a on local issues where personalities were involved, but in the case of the school board election on Monday, July 8th, the edifor feels justified in stating his opinion.

In our judgment Carlton H. Runciman should be con- cubs and baby raccoons, too. To stay out of costly trouble, the pet tinued as a member of the board of education, both in the fancier must leave the baby aniinterests of the school and the community as a whole. He mais found in the woods alone. has served on the board many years and is thoroughly familiar with the plans and the program of the schools. The local school has been operated efficiently and on a high standard during this time. Since the school fire he has burning account a standard during this time. Since the school fire he has burning account a standard during this time. Since the school fire he has burning account a standard during the program of the school fire he has burning account a standard admission. Both prices include the 20 percent federal tax. The showboat committee in an obtain them in Michigan in the fall burning account a standard during the prices make the claim worked with the rest of the Board trying to solve the financial problems involved in replacing the building.

Mr. Runciman is familiar with school operation, both from his experience here on the board and as a superintendent of schools in a large system before coming to Lowell. We feel he is too valuable a man to lose in the \$6.85 costs for such a trick. It will run between ment, to consider the teen age

emergency that faces us now. Rebuilding the school and adding to the present school plant are of vital interest to the community and the best qualified in our opinion is Mr. Runciman to help bring this project about. Your careful consideration is urged be-
