Dinner and Dance For 1946 Showboat Cast

The 1946 cast of the Lowell Showboat will be given a dinner and dance at the Lowell city hall on Friday evening, April 25, at 7 o'clock.

The dinner and dance in appreciation of their work in the 1946 Showboat has been postponed several times because no place could be secured to hold this annual affair.

King Mill Drake Has Been Around Some in His Day

An interesting story about a Mallard drake, now living in the King Mill Sanctuary, was revealed in a recent letter to King Doyle.

The drake in question was released last February, when the Conservation Department bought and sorted all the ducks in the King sanctuary, removing 170 of them to the state game farm at Mason.

Mr. Miller said the Mallard's leg band was so worn that the numbers were illegible. It was sent to the Fish and Wildlife service for special chemical treatment to bring out the old stamped numbers.

Flood Areas Aided By National Guard

Units of the reorganized Michigan National Guard had their first opportunity to serve in time of disaster last week when they were called to duty to aid flood-stricken areas under Governor Kim Sigler's 'state of emergency' order.

Major National Guard activity occurred at Lansing when all the units of the 119th Field Artillery Battalion from Lansing, Grand Lodge and Charlotte were ordered to duty early Sunday morning.

Budenz to Lecture Sunday, April 20

"Communism and What To Do About It" will be discussed in a lecture being presented by Louis F. Budenz, former editor of The Daily Worker and later reconverted to the Catholic faith, at St. Cecilia Auditorium, Grand Rapids, on Sunday, April 20, at 2:00 p. m.

CAR OVERTURNS DRIVER HURT

Jay Fuerstein, 22, Balding, was injured when his car overturned Saturday night, 4 miles northeast of Lowell on M91. He was taken to Ionia Memorial hospital for treatment of cuts and bruises about the face and a possible fractured nose.

DOE KILLED ON M21

Frank Stephens reported on Monday that a doe was killed about 2 miles east of Lowell on M21 sometime Sunday night. The driver of the car did not report the accident.

SPRING HATS

New arrivals this week—Famous Champs, fur felts, in Spring colors, gray, tan, brown and blue, \$7.50-\$10. Coons.

Public School Teachers Now Feel Happy Days Are on Way; How to Meet the Deficit Is the Problem

By Gene Ahlman, Sec'y.-Manager Michigan Press Association

There is a silver lining in the storm financial clouds at Lansing. While gloom is thick enough at the office of the Governor and in the Legislative chambers to cut it with a dull knife, Michigan public school teachers now believe that happy days are on the way.

Action by the State Supreme Court in validating the sales tax diversion amendment, whereby 75 percent of the sales tax will be diverted back to home governments, has had the effect of indirectly raising taxes for local governments.

The taxpayer has not shown any enthusiasm or disposition to enact new taxes for his home government, but he relished the opportunity, as a majority vote last November revealed, to divert additional millions of money collected by the State of Michigan back to his hometown and county for use by the public schools, townships and villages.

Dr. Eugene B. Elliot, state superintendent of Public Instruction, estimates that the additional state aid to public schools will be a minimum of \$40,000,000 and a maximum of \$55,000,000. Thus, state aid to schools will rise from the previous all-time high of \$90,000,000 to \$100,000,000 or \$115,000,000 in the fiscal year starting July 1, 1947.

Dr. Elliot estimates this sum by a quota of \$5.30 for each school census child. Now \$100,000,000 to \$150,000,000 for schools is certainly a lot of money. It should go a long way towards paying adequate salaries to school teachers.

Unless the State Legislature adopts minimum salary scales whereby teachers will be guaranteed adequate wages; the school teacher must rely on the School board of Education for such benefit.

Governor Kim Sigler recently revealed that he was seriously contemplating recommendation of minimum salary scales for Michigan's 32,000 public school teachers.

California, Indiana and New York recently enacted by legislative action \$2,400 yearly minimum salaries for teachers with a college Bachelor degree.

The New York law, recommended by Governor Thomas E. Dewey, completely revised the minimum salary schedule for teachers whereby by teachers would receive a minimum of \$2,000 in schools outside cities of 100,000 population or more, and \$2,500 for schools in cities of more than 1,000,000. Teachers with a Master's Degree would receive a minimum of \$2,200 for schools in small population areas and a minimum of \$2,700 for schools in cities.

Lowell Board of Trade MEMBERSHIP LIST FOR FISCAL YEAR 1947-48

- MEMBERSHIP LIST FOR FISCAL YEAR 1947-48. If your name has been accidentally omitted from the list below, please notify Secretary Carl Freyermuth. The Board extends a cordial invitation to all persons in Lowell and vicinity to become members.

Lowell Students Enter State Music Festival

Eighteen Lowell high school music students will journey to Ann Arbor Friday to participate in the State Solo and Ensemble Festival. This contest, sponsored by the Michigan State Band and Orchestra Association, will be held in several of the University of Michigan buildings.

The soloists entering this contest are: Alyce Thompson, saxophone; Jean Dalstra and Margaret Rueggeger, flute; Catherine Phelps, bassoon; Ronald Jessup, baritone; and Mary Doran, alto; twirling.

Ensembles are a saxophone quartet, Roger Tusken, Jo Reynolds, Anita Doyle and Alyce Thompson; a brass sextet, Ralph Warner, Ronald Watta, Kenneth Elhart, Gardner Collins, Ronald Jessup and Emmet Needham; and a clarinet quartet, Dolores Dalloway, Dora Jean Warner, Shirley Richmond and Joan Pribe.

These groups, under the direction of Orville Jassup, received several high ratings in district festival earlier this spring.

Fine Improvements At St. Mary's Church

Work was started Monday on redecorating the interior of St. Mary's Catholic church. The work is being done by the Gutier Studios of Ft. Wayne, Ind., specialists in decorating and designing churches.

Redecorations will be finished for two coming events in the parish, namely: the confirmation class on Sunday, May 4, at 3 p. m. and the First Holy Communion class on Mother's Day, May 11, at 8 o'clock in the morning.

There will be a class of about sixty members receiving the sacrament of confirmation from the Most Rev. Francis J. Haas, Bishop of the Diocese of Grand Rapids. The ceremonies begin at three o'clock in the afternoon, May 4, followed by benediction of the Most Blessed Sacrament. About ten priests of the neighboring parishes will assist the pastor, Rev. John F. Grzybowski, at these ceremonies.

A dinner for these guests will be served at the parish rectory following the services.

On the next Sunday, May 11, Mother's Day, ten children of the parish will make their First Holy Communion at the High Mass, which will be sung at eight o'clock in the morning.

Spring Time Is Clean-up Time

Spring—the traditional time for a good clean-up session—is here. Specialists of the Michigan Agricultural Extension Service recommend a clean-up campaign on Michigan farms to help eliminate fire and safety hazards.

Barns are the principal work centers for the daily farm chores. Items used during the winter months such as tools, boards, and sacks may have accumulated in the barn and obstructed doors and alleyways. Suitable places should be found for storage of such items. Loose materials should not be hung in rafters—this is particularly true of pitchforks, shovels, scrapers and brooms.

Electric light switches should be dusted off and coverboards removed. If lanterns must be used, hooks or wires on which to hang them will reduce fire hazards.

Stairways that have been used as feed chutes are danger spots. Loose straw or hay makes footing uncertain. Hayloft ladders should extend well above the loft floor.

Checking potential hazards to safety can mean greater work efficiency, less time lost because of accidents, and a healthier atmosphere around the farm.

Award of Merit Given The Ledger

The Ledger gratefully acknowledges receiving an "Award of Merit" from the Kent County Chapter of the American Red Cross, from which we quote as follows:

"We wish to acknowledge with sincere thanks the support your paper provided during the 1947 Red Cross Campaign. Both your editorial and advertising departments gave invaluable assistance to us and a share of the credit for the success of the drive rightfully belongs to you.

Lowell, like the rest of the country, has been badly handicapped as a result of the nation-wide telephone strike. In fact, we have been set back well over half a century and it seems unbelievable that a strike of this kind, affecting the public welfare as it does, should be allowed to continue.

If the threatened Western Union strike comes off we'll all feel like throwing in the towel.

Jack Ellis, son of Mr. and Mrs. Walter Ellis, of R3, Lowell, suffered the loss of his right eye a couple of weeks ago as the result of an accident which occurred while he was splitting logs on a neighboring farm. A flying splinter from the steel wedge cut the eye, making removal necessary.

Last Friday night the Lowell Senior class, of which Jack is a member, sponsored a benefit dance on his behalf at the high school gym, making over \$100. Jack's many friends join in wishing him a speedy recovery and hope that he may resume his school activities in the near future.

The Ledger is glad to report that the high water, which caused considerable concern to the people of the community, has been gradually receding since last week Tuesday, when the Grand River rain gauge read 18.5 feet. Water which found its way into basement stores and cellars of homes throughout the town is also gradually finding its way into storm sewers.

Dozens of tractors have been in Lowell the last week or so, getting overhauled for the spring work.

Sunday, May 11, has been designated Mother's Day by the President of the United States, who calls upon government officials and the people generally to display the flag that day to show the "reverent esteem in which we hold the mothers of our country."

Signs of spring—bicycles, wheelbarrows, rakes, hoes, shovels and seed displays in front of local stores. Lawns are turning green and crocus, daffodils and narcissus are beginning to bloom.

On the next Sunday, May 11, Mother's Day, ten children of the parish will make their First Holy Communion at the High Mass, which will be sung at eight o'clock in the morning.

Jack Abraham hit 599 series and Dick Dilly rolled 500 series to lead their King Milling team for a 3 game win over Fairchild Oilers, and also hung up team EH 3 games series for the season of 2507. Abraham had games of 209, 210 and 180 and Dilly put together games of 188, 202 and 200. Keiser's Kitchen stopped the Lowell Hotshots cold by taking 3 games from them.

Other individual high scores were R. Collins 184, T. Ford 179, C. Engle 177 and F. Baker 177.

Standings

Table with columns: Lowell Moose, Keiser's Kitchen, Lowell Hotshots, King Milling, Fairchild Oilers, Lowell Sprayers. Rows show wins and losses.

PTA Installation Wednesday, April 23

The Lowell PTA will meet in the high school gym on Wednesday, April 23, at 8 o'clock, at which time the newly elected officers will be installed and by-laws discussed and adopted.

The new PTA invites all parents having children attending the Lowell schools to become members.

ANNUAL MEETING OF BUILDING & LOAN ASSN.

Notice of annual meeting of Lowell Building & Loan Association Stockholders: The annual meeting of the Lowell Building & Loan Association will be held at the State Savings Bank Monday evening, April 21, 1947, at 8 o'clock.

The meeting is for the purpose of electing three directors for three years, and for the transaction of such other business as may lawfully come before the meeting.

April is the month to get bird houses up. The shelters can be quickly, simply and cheaply made.

Best locations have nearby shrubbery where the male can perch and sing. And care should be taken that the fledglings are not easy prey for hawks.

Buyers of conservation department nursery pine seedlings for reforestation are limited now to red pine and to a maximum of 1,500 trees. The last of the jack pine was sold this week; white pine stocks were exhausted early in the season.

About 500,000 red pine seedlings still are available for planting this spring. Reclaiming the number sold each applicant has made some of the scant supply produced in the war years available to farmers over nearly a long period as in normal years.

Checks covering first payments under the sales tax diversion amendment are being sent to school districts and local units of government this week. First payments will amount to approximately \$17,000,000. Mr. K. Aten, auditor general reports. Aten and the tax collecting agencies are accepting the state supreme court's ruling that payments include sales tax revenues from Dec. 5 to Mar. 31.

There will not be another distribution until July. The amendment provides for quarterly payments.

John Tennell's kindness to animals cost him \$75 in merchandise. Just before leaving his confectionery in Shelbyville, Ind., Tennell fed a forlorn stray puppy and left it in the store overnight to keep warm. During the night the pup crawled through and over the candy cases, shattering jars of candy and broke through a glass window to get into a popcorn machine.

In the morning Tennell found the pup sound asleep in the middle of a pile of warm popcorn corn.

Hospitalized war veterans in Ohio, Michigan and Kentucky have at their fingertips a wealth of information and entertainment provided by books ranging from the classics to popular present-day novels.

Libraries in the nine Veterans Administration hospitals in the three states contain nearly 84,000 books, in addition to more than 5,000 technical books in the hospital medical libraries.

Of the total Great Lakes area, Michigan holds 41 percent, Ontario 36 percent and seven other states 23 percent. Counting the state's surface ownership of Great Lakes waters gives Michigan a total area of 96,791 square miles, which puts it in ninth place for size, after Texas, California, Montana, New Mexico, Arizona, Nevada, Colorado and Wyoming, according to 1940 census figures.

Veterans, who are in receipt of monetary benefits from the Veterans Administration, should report any changes in address immediately to VA to prevent unnecessary delays in subsistence or compensation payments.

Representatives of "wet" and "dry" organizations agree to support pending legislation placing on minors part of the legal responsibility if they obtain liquor by means of representing their ages. Conferencing with Gov. Sigler, the group withdrew some objections to that plan which had been advanced in previous legislative sessions and which had the wide support of liquor licensees. The latter contended that the licensee who attempted to eliminate minors from his place of business should not bear the entire onus of violating the law.

Internal Revenue officials say they do not know the size of Henry Ford's estate, but the tax on it is bound to be considerable. The tax on a one million-dollar estate is 37 percent (\$370,000) and on estates of \$10,000,000 or more it is 77 percent (\$7,700,000) and up.

"Fourteen million persons are slaves in concentration camps in Russia, a country that is enslaved today for a few bureaucrats and members of the Communist party," Max Eastman of New York, roving editor of the Reader's Digest, charged in an interview Saturday. He said the world cannot survive half totalitarian and half free.

Snow removal and ice control on highways cost the Ionia County Road Commission \$60,000 the past season, a figure more than twice normal.

Tourist travel in Michigan will be a better business this year than in 1946—if both Michigan residents and others do part of their vacationing in June and September. The peak season of July and August last year resort facilities were overtaxed, and few additions have been built for 1947.

Persons planning to vacation in Michigan—and 5,000 natives of Michigan will do that this year—should make early reservations, particularly for June and September.

"Need exists for hundreds more public health nurses in Michigan," Miss Helene Baker, Director of the Bureau of Public Health Nursing, Michigan Department of Health said this week in announcing statewide observance of the second annual National Public Health Nursing Week, April 20-26.

It has been found that absenteeism in 1944 kept 99.5 out of every 1,000 workers off the job each workday.

Dr. Norman Vincent Peale To Speak in Grand Rapids

Throng of People Have Been Privileged to Hear the World Renowned Dr. Peale Each Sunday at the Marble Collegiate Church, in New York City

Thursday, April 24, 1947
Civic Auditorium - 8:15 P.M.
Grand Rapids, Michigan

Subject: "HOW TO ADVANCE CHRISTIANITY IN OUR TIME"
Dr. Peale is an advanced thinker whose concept of a full life of Christianity embraces a belief that "man need not die to become immortal" and that "each day he can build himself a portion of Paradise on earth."

Hope College Glee Clubs and Choirs
Holland, Michigan

REMEMBER - ADMISSION FREE!!!

DATE: April 24 - 8:15 P.M.
Sponsored by the Reformed Church Men's Fellowship Clubs of Michigan

Dr. Norman Vincent Peale, Pastor, Marble Collegiate Church, New York City, Fifth Avenue 30th Street

YOU MAY HEAR HIM - ADMISSION FREE

Grand Rapids Civic Auditorium
No better place to see and hear this dynamic speaker—comfortable—well ventilated—no need to worry about a seat—plenty of room for all.

Beau Brummell of the Boulevard!

YOU'RE practically that, of course, the minute you take over any new 1947 Buick. Never before has any automobile so completely won the country by its beauty—so clearly defined the shape of cars to come.

But really to take the stage and hold it—to cut a dashing figure in the smartest of smart company—Mister, just picture yourself in this bold beauty here.

It is without question the most wanted version of America's most wanted car.

It's wanted for the freedom that's yours when its handy control swings back the top—and the sky becomes your roof and the birds your travel mates.

It's wanted for the lift and surge of its satiny straight-eight Fireball power plant, master of every grade and hill, monarch of the farthest horizon.

It's wanted for bigness, and the deep comfort of low-set, cushiony seats—wanted for the floating ease of soft all-coil springing, and the sure-footed stride of a car that's big enough and brawny enough for its job.

It's wanted for styling that already has set the pattern for years to come—it's wanted for fun, for adventure, and for year-round, all-round full family use.

The demand for it? Great, of course. The supply? Mounting as fast as Buick's beaver-busy production staff can free up the supply of the fine materials that go into it.

So with patience, one can be yours. With patience, that is—the foresight to get your order in now.

When better automobiles are built BUICK will build them

WEDDINGS

Rawson-Plant

Eileen N. Rawson and Miss Margaret O. Plant were united in marriage in a beautiful church wedding at the First Methodist church in Lowell Saturday afternoon, April 12, at 3 o'clock. Rev. C. E. Pollock officiated, using the double ring service. Both bride and groom are employed in Toledo, Ohio, where they will make their home.

IONIA POMONA GRANGE

The April meeting of the Pomona grange will be held on Saturday evening, April 19, at the Berlin Centre grange hall, with Banner grange as host and hostess. Speaker of the evening will be Clarence Bolander, Chief Bureau of Agricultural department, who will present colored pictures.—Mrs. Hope Sargeant, Pomona Lecturer.

Bowne Center W. S. C. S.

Election dinner was held at the hall, April 7, election day instead of our regular meeting day, April 2. A delicious meat loaf dinner was served to a large crowd.

W. S. C. S. business meeting was called to order by the president. After a program a book review on "India" was given, supervised by Mrs. Wm. Porritt. A free will offering was taken to apply on our 2 dozen chairs that have been ordered.

Plans for Family Night were made for April 15, at the hall at 7:30 with potluck supper. Next meeting May 7.

IN MEMORIAM

In loving memory of our husband and father, Leon Rogers, who passed away two years ago, April 13, 1945. Mrs. Leon Rogers and family p50

Read the Ledger want ads and profit thereby.

Public School

(continued from page 1)

The compensation increases each year until it reaches a maximum of \$2,250, or \$325 a month for a graduate of a college who has ten years teaching experience.

The Indiana law gives an incentive to a teacher to attain a Master's Degree whereby at the end of 24 years experience the teacher would be receiving a total of \$400 a month or \$3,600 a year in compensation.

Such a salary scale if enacted in Michigan, would go a long way toward attracting better-class teachers.

A recent national survey of the national educational system revealed that 350,000 teachers had left the public schools since 1940.

The Michigan Education Association last fall pointed out that Michigan in 1946 had granted sub-standard certificates to 5,000 teachers and probably lacked another 1,000 teachers to take care of children who are on half-day sessions to reduce heavy teaching loads, or to provide teachers for schools which were forced to close and transport pupils.

On a national basis it is said that 125,000 teachers, or 1 out of every 7, are now serving on an emergency or sub-standard certificate. That teaching standards have deteriorated in recent years is widely recognized.

Twenty percent of all teachers, or 175,000, are new to their jobs each year—twice the turnover that existed before World War II.

What the Sigler administration proposes as a financial solution to the prospective deficit of \$53,000,000 was to be the theme of a special message by the Governor this week.

Legislators generally are reluctant to enact any new taxes during the current session. Unless they are prodded vigorously by the Governor, the average local legislator is inclined to appropriate funds for state services and to go home, awaiting a special session of the Legislature in 1948 at which time the financial situation may be in sharper focus.

Governor Sigler has announced repeatedly that he opposes deficit financing of state public services. The alternative, of course, to such financing is the enactment of new taxes with all their accompanying political hazards.

BIRTHS

To Mr. and Mrs. Bruce McMahon a boy, Michael Bruce.

To Mr. and Mrs. Clinton Christoff at Blodgett hospital, a son.

To Mr. and Mrs. Earl Maloney, a 7 lb. boy, Richard Alan, at Blodgett hospital, April 10.

To Mr. and Mrs. Rudy Wittenbach of South Lowell, Tuesday, April 8, a son, Robert Allen.

To Mr. and Mrs. Don Merrill (Ardis Schneider) of Watervliet, April 8, an 8 lb. 6 oz. girl, Lisbeth Louise.

To Mr. and Mrs. John Vormittag (nee Gertrude Koolman), April 8, at Blodgett hospital, a girl, Linda Lee, weighing 7 lbs. 10 ozs.

MAPES COMM. FARM BUREAU

The Mapes Community Farm Bureau met at the Mapes schoolhouse Friday evening, April 11. We had a very interesting discussion on farm accidents. There were 16 members present. A nice get-together lunch was served. Hostess was Mrs. Hunter.—Claude Schmidt, reporter.

CARD OF THANKS

We wish to thank all our relatives, neighbors and friends for their many acts of kindness and sympathy shown at the death of our beloved mother and grandmother, Magdalena Roth. Roth Family c50

RIVERVIEW FARM BUREAU

The Riverview Farm Bureau held their first meeting at the Riverview school Wednesday night, April 9. Officers were elected as follows: chairman, Austin Coon's, vice-chairman, Wm. Serna; discussion leader, Harold Himebaugh; secretary, Mrs. Ruth Friedli; recreation, Mrs. Nora Baird; member of county commission, Mrs. Faya Himebaugh; publicity chairman, Mrs. Doris Serna.

A lovely lunch was served by Mrs. Baird, who acted as hostess. The next meeting will be held at the Austin Coon's home on May 21, at 8 p. m.—Mrs. Doris Serna, publicity chairman.
