

Odds and Ends Here and There

The U. S. Department of Agriculture forecasts more butter, cheese, and evaporated milk than last year will be on hand during the rest of 1947.

In response to popular requests, state park and recreation areas building plans now include outlets for electric shavers near mirrors in washrooms.

In spite of an exceedingly rough road on the last 10 miles in from Paradise, more than 80,000 persons visited Tahquamenon Falls state park by automobile this summer, according to Arthur Lauren, manager of the parks for the conservation department.

Farmers' cash receipts continue well above 1946. For the first eight months they totaled 17.4 billion dollars, about 21 per cent more than last year.

When Bobby Rucker, 12, and a 10-year old chum finished a trout fishing expedition on the last day of the season on Teapoon creek three miles from Newberry, they came out to the road looking for a ride home.

Every year three billion tons of soil are washed from the fields of the United States. This loss is equivalent to six inches of topsoil for three million acres.

Unseasonably warm weather in northern lower Michigan will delay the start of seedling pine shipments from the conservation department's Higgins Lake nursery at least a week, the department's forestry division reports.

Commercial and pure-bred sheep men of the state will be able to select a ram from the best pure-bred flocks in Michigan by attending Ram Day, at the M. S. C. sheep barn on October 3.

When Conservation Officer Charles Vanderstar of Nausbaun was making an arrest for burning brush without a permit during the recent period of high forest fire hazard, the luckless burner explained he had started to burn the brush piles "just before the rain—only it didn't rain."

Having read that President Truman had been a judge in Missouri and even that at one time he was a "presiding judge," we naturally assumed, as did hosts of other people, we were therefore surprised to learn that he had never studied law, never had been admitted to the bar, and had never been a judge.

Here's valuable information from M. S. C. agricultural specialists on the soft corn problem: don't be in a hurry about picking soft corn. It will dry faster on the stalk than in a crib. The corn can be cut as needed or hogged down.

WJR News Editor George Cushing and Governor Kim Sigler will chat with a cross section of people from Hickory Corners, Michigan, for the "On Our Opinion" broadcast, 12:30 p. m., Sunday, Sept. 28, over WJR. Hickory Corners was selected as the locale for the broadcast because of its quaint appeal.

When doctors of Newark, N. J., x-rayed Joseph Moore, 14, to locate a safety pin he had swallowed, they not only found the pin, but also a tie clasp which had been missing for a year.

FORD WINGEIER DIES FUNERAL SERVICES SAT. Funeral services will be held on Saturday at 10:30 o'clock at the Apostolic Christian Church for Ferdinand (Ford) Wingeier, 73, who died Wednesday morning at his farm home in Bowne township on Wingeier Avenue. Burial will be in the Mesquite cemetery.

Township Clerks Certifying Agents For Fox Bounties

For the township clerks of Kent county who are the certifying agents under the state's new fox bounty, the conservation department has prepared reporting forms and a step-by-step guide to the new law's operation.

The law becomes effective October 11. County supervisors, at their October session will probably decide whether to withdraw the bounty previously paid by the county or to pay it in addition to the state bounty.

The new bounty applies specifically to wild red foxes taken on and after October 11, the department points out. The rare tree-climbing gray foxes are not included.

One copy of the report remains with the Clerk, two are sent to the conservation department in Lansing. From one of the department's copies a \$5 check will be written and mailed to the person who killed the fox.

Commercial and pure-bred sheep men of the state will be able to select a ram from the best pure-bred flocks in Michigan by attending Ram Day, at the M. S. C. sheep barn on October 3.

Michigan Rural Health Is Due For Improvement; Medical Men Plan to Do Something About It

Unlike the weather about which we talk constantly, yet never do anything about, Michigan rural health is due for improvement.

Because farmers have received only about one-tenth of the national income during the past decade or so, the following conditions prevailed in Michigan farm homes as of 1940.

Out of this conference came several constructive steps. Medical scholarships will be awarded to students who will practice in rural communities for a minimum period of three to five years.

Dr. Emory W. Morris, Battle Creek, president of the W. K. Kellogg Foundation, and Dr. A. C. Furstenberg, dean of the U. of M. Medical School, recommended that rural hospitals provide office facilities for doctors, nurses, dentists and public health officials.

What's happening to change this picture? Well, two things among others.

Veteran Hospitalization at Government Expense Explained

Answers to the 10 questions that veterans ask most frequently about hospitalization at Government expense were announced today by Veterans Administration. The questions and answers follow:

Q. Just which veterans are entitled to hospitalization in a VA hospital?

A. Veterans with service-connected disabilities have top priority for VA hospital care. Veterans with non-service-connected ailments may be hospitalized under the existing law if beds are available and if they say they cannot afford treatment elsewhere.

Q. How and where do I apply for hospitalization?

A. See your nearest VA contact representative or apply at a VA regional office or hospital. A letter addressed to the nearest VA office also will suffice. In an emergency call the nearest VA office, collect. VA representatives will then handle the necessary application and other forms.

Q. Do I have to pay anything for VA hospitalization?

Rural Women Invited To Meeting on Cancer

The Farm Bureau Women are sponsoring a meeting for the rural women of Kent County, to be held at the YMCA in Grand Rapids, room 203, Friday, Oct. 3, from 2 to 4.

Dr. Robert J. McCandless from the Cancer Detection Center will be the speaker.

There will be a film, "Time Is Life." All rural women are urged to attend this meeting, and learn about this wonderful new service, which we have in our county. One of very few in Michigan.

3,500 Farm People Die Yearly in Fires

American farmers lose 100 million dollars worth of property annually from farm fires, according to Fred Roth, farm safety specialist at Michigan State College.

Every year 3,500 farm people die in these fires. Deaths from burns and explosions on Michigan farms last year totaled 68. National Fire Prevention Week, to be observed October 5 to 11, offers an opportunity for an extra check of fire hazards around the farm.

Lowell High School Is Giving Students "On-Job" Training

In conjunction with the state department of Vocational Education, the Lowell Board of Education has inaugurated a program of "On-the-Job" training, with Mr. Charles White as co-ordinator.

A representative from Lansing was in Lowell last week and in making his report on the progress being made here, stated "Mr. White is doing a fine job, and to have twenty-five people on the program in such a short period of time is indicative of a fine piece of work."

The plan gives students enrolled in Lowell High School, who appear to have special aptitudes and training, an opportunity to work while they learn. They work a minimum of fifteen hours each week in a store, shop, or factory, for which they are paid, and they also receive school credit.

The local Board of Education receives payment from the state and national office as a part of Mr. White's salary.

King Mill Is Ready For Custom Milling

The new custom milling department of the King Milling Company, on which the millwrights and electricians have been working for months past, is at least ready for operation and the announcement of the service available in the regular King Milling Company display advertisement this week.

Lowell has needed this service for a long time and the installation is the result of the many requests that have been made by farmers in the Lowell trade territory. The equipment is modern, substantial, and designed to give quick and effective service.

Up and Down Kent County Roads

K. K. Vining, Kent County Agricultural Agent

Fire Prevention Week is scheduled for October 5 to the 11th. Daily observation this week should be observed by all farm folk.

Kent County farms have ample protection, something that few counties in Michigan or the nation have.

Progress is made each year in fire protection in this county. A new truck was added to the five units with the sixth unit being located at Kent City. Ada and Vezengen townships folks have purchased an auxiliary truck with a 500 gallon tank, pump, and hose. This outfit will work with the county unit in fires in those townships.

The appointment of Adolph Nelson as county fire chief is a real step. Nelson's twenty-six years experience in Grand Rapids fire department plus his rural attitude makes him well fitted for the job.

The big problem in fire prevention work is the education of the farm and home owner as to their responsibilities.

In spite of all work to date and all fire cards distributed there are people who don't know what fire department to call when a fire occurs. Educational work is being done now. In fact, it is a job not of one week a year, but every week.

Kent County folks interested in trying soft core can save a packing room.

Lloyd Hill of Alpius township is finishing a new apple storage to hold 14,000 bushels. His old apple storage will be used for a packing room.

Ground Beef Grill: 1 lb. ground beef, 1 t. lemon juice, 1 t. salt, 2 slices pineapple, 4 mushrooms, pepper. Mix meat with lemon juice, salt and pepper. Shape lightly into four flat cakes. Cut pineapple slices in half. Roll potatoes until tender, drain and brush with melted fat. Place meat on broiler rack and cook 3 min. Turn carefully and surround with pineapple, potatoes and mushrooms. Reduce heat and broil 5-6 min. or until slightly browned. Then add bacon and continue broiling until it is crisp. Arrange on hot platter and garnish with watercress. Makes 4 servings.

Pull Flowering
Annals are grown from seed sown in the fall. Alyssum, calendula, larkspur, candytuft, cosmos, petunias, cornflowers, poppies, amaranths are generally a success when planted in a cold frame in the fall. Sow seed thinly, mixing small seed with dry sand to help scatter. It is better to delay setting out until about late October or early November as they start to grow quickly when they are planted.

PERTINENT OR IMPERTINENT
(According to your view)

In the past ten years Michigan has gained over a million in population. This is not so much a matter for congratulation as it is for concern. A million added to the population means increased need for schools, for hospitals, for care of the mentally afflicted, for the prevention and care of more criminals—in fact, every agency of the State has to expand to care for this added population; those which have not already expanded will have to do so. All this means that state and local governments must cost more money. When any political candidate tells you he is going to reduce the cost of this population, just remember about those millions extra people in our state.—Cassopolis Vigilant.

STRANGERS OPPORTUNITY

Many people in a democratic country have a tendency to scoff at the old battle cry to preserve the free institutions of a nation. This attitude waters the roots of despotism.

In an effort to shift individual responsibility to government, many ignore the principles by which freedom lives. H. W. Prentiss, Jr., expressed that sentiment very clearly in a recent statement which said: "Whenever men have endeavored to transfer their economic responsibilities to the shoulders of other fallible men calling themselves government, they have eventually reared a monster that has tortured and devoured their political, intellectual, and spiritual liberty."

The more a government controls its people through strangulation of individual opportunity, the more actually reared a monster that has tortured and devoured their political,

As a man needs coffee or hot soup at night on the battlefield, he needs a match to light his pipe, instead the head gets him. The match is a regular safety device given off no visible light. It is in now here—produced in Canada. It looks like a regular safety match but it is a regular safety match with a giant head. When it is struck on the box, it gives no flame, and apt to attract attention, but instead the head gets him. The match is a regular safety device given off no visible light. Great and numerous have been Asia's contributions to mankind's well-being: rice, soybeans, tung trees, and many more. Now from India come another: a drought-resistant, pod-bearing legume called "guar". It is a plant of many uses. It is eaten as a vegetable with the pods picked green and grown as a shade plant to protect growing ginger, but it is used chiefly as fodder and forage for cattle and horses. Its great use in the United States is to furnish a substitute for locust bean flour in the paper industry. Guar holds great promise as a crop for arid sections especially where irrigation is available. A market seems assured if farmers will grow it.

There Is No Home Remedy For Appendicitis, Public Advised
Appendicitis took a toll of 500 victims in Michigan during 1941, the highest in the nation, according to a report by the National Cancer Institute. The report is based on a study of 100,000 cases of appendicitis reported to the National Cancer Institute during the past five years. The study shows that the disease is most common in the 20 to 30 age group and that it is more common in men than in women. The report also shows that the disease is most common in the summer months and that it is more common in the rural areas than in the urban areas. The report concludes that there is no home remedy for appendicitis and that it should be treated by a doctor.

Lowell Ledger advertisement: "Serving the family, community and nation". "Did you ever stop to think that we live, we learn, we travel—all through the pages of the newspaper we read! How much broader is the scope of our lives, because we can read about the wide world in newsprint. How much more we know about people and politics; child care and cooking; health and happiness—because our newspaper covers everything! Its editorial columns better our way of life too, by championing the democratic way when vital issues face us as a family—as a community—as a nation! And praised be its advertising columns for simultaneously serving our needs and our budgets! All in all there is no truer 'public servant' than your newspaper and ours!"

Merriman Com. Farm Bureau

Merriman Community Farm Bureau met at the home of Dr. and Mrs. R. D. Siegel Friday evening, Oct. 1, for discussion of "What We Want Democracy, Far too little interest in elections from annual school meetings to Presidential elections is very evident."

Election of officers resulted in old officers being retained. Marion Shade, president; Erwin Merriman, vice president; Mrs. E. H. Roth, secretary-treasurer; Mrs. O. K. Graham corresponding secretary and publicity; Anton Wingeler, discussion leader; Lloyd Yetter, entertainment; Mr. and Mrs. John

Graham, music and Mrs. Swift Winegar, women's work. Next meeting October 31 at the Marion Shade home.

Subject for discussion "What Should Our Legislature Program Be?"

Mesdames Vernon Preston, Isabel Needham, Archie Duncan, Wm. VanVorst, Wm. Davis, John Graham, O. K. Graham, Lloyd Yetter, Alvin Wells and Misses Anna East-erby and Evelyn Davis from the South Lowell Extension group attended the luncheon meeting and program at Cascade church on Wednesday. Miss Eleanor Densmore gave many clever examples of gift wrapping and decorations

SOCIAL EVENTS

Engagement Announced

Mr. and Mrs. Roy Johnson announce the engagement of their daughter, Eva, to Mr. Ellis Cross, of Middleville. The wedding will take place at the Lowell Nazarene church in the near future.

Social Brevities

Mr. and Mrs. Elot Erickson and family of Alto gave a birthday party honoring Frederick Beimers of Lowell. Those present were Miss Clara Drayton, Stanley Ralya, Edna, Roberts, Joyce Brooks, Pat Dale, all of Grand Rapids; and Clifford VanOkker and Mrs. Alberta Beimers and son of Lowell. Presents were given and refreshments were served. A good time was enjoyed by all.

Mr. and Mrs. George Story entertained Sunday with a family dinner honoring Mrs. Story's mother, Mrs. Amy Stebbins of Saranac, who celebrated her eighty-second birthday Sept. 30. Other guests were Harold Stebbins, Mr. and Mrs. Russell Stebbins and family and Wm. Stebbins and family, all of Saranac.

Mrs. Marion Wilcox entertained with a party for her son, Roger Marion's first birthday, Wednesday afternoon, Sept. 24. Favor of bright colored hats and balloons were given to each baby, prizes being awarded to Gwendolyn Dowling and Jimmie Boyd. Pictures were taken of the group and cake and ice cream served. The guests were Jimmie Boyd, Bonnie Lou Adriance, Buddie Acheson, John Paul Kerekes, Gwendolyn Dowling, Terry Abel and their mothers. Roger received many nice gifts and birthday cards.

The Book Forum opened their fall program with a dinner meeting, Sept. 22 at Ladi's Rest room in Ionia. On Wednesday of this week the regular meeting was held with Mrs. C. A. Hall, Mrs. George Arehart reviewing "Seventy Miles From A Lemon", by Hadie Yates. The newly elected officers are Mrs. Herbert Elsinga, president; Mrs. Roger McMahon, treasurer.

The Monday Book Club held a White Elephant Bridge at the home of Mrs. James Gee with eight members present.

Miss Marjorie White was the guest of honor at a miscellaneous shower given Wednesday evening, Sept. 24, by Miss Helen Cahill, at her home. Sixteen guests were present. Miss White was the recipient of many useful and lovely gifts. An enjoyable social evening was spent and light refreshments served.

The U. S. veteran population of all wars today has reached an all-time high of 18,188,000, which includes 14,297,000 who served in World War II.

WEDDINGS

HARDING-EASTWAY

Mr. Orville Harding and Miss Maxine Eastway were married at a quiet home wedding at the bride's home in Smyrna, Sunday afternoon at 3:30 o'clock, the Rev. C. B. Pollock reading the Methodist ring service. The couple were attended by Mr. and Mrs. Leo Pearson of Lowell. Mrs. Pearson is a sister of the bride. Following the wedding ceremony refreshments were served. Mr. and Mrs. Harding expect to make their home in Lowell.

HEFFRON-YOUNG

Lowell Congregational church was the scene of a lovely wedding at eight o'clock Tuesday evening when Miss Elizabeth Alice Young, daughter of Mr. and Mrs. Charles H. Young of Lowell, became the bride of Raymond C. Heffron of Grand Rapids. The double ring ceremony was read by the Rev. Norman G. Woon before an altar beautifully decorated with fall flowers and candelabra. Mr. Heffron is the son of Mr. and Mrs. Charles Heffron of Grand Rapids.

The bride wore a white satin gown with train and veil which fell from a Mary Queen of Scots headdress. Her flowers were white gladioli.

Mrs. Virginia Foreman attended her sister as matron of honor and wore a dress of pale blue chiffon. Mrs. Lucille Estary and Miss Helen Heffron, sisters of the groom, were bridesmaids. They wore gowns of aqua chiffon and ivory taffeta. The attendant's flowers were mixed gladioli.

Dr. Frank Metz of Grand Rapids acted as best man and Hugh and Richard Young, brothers of the bride, were ushers.

The wedding music was played by Mrs. Harry Stauffer and Mrs. Lynn Fletcher beautifully sang "I Love You Truly" and "Because." The bride's mother wore black and white and her flowers were red rosebuds. Mrs. Heffron wore black and had a corsage of white gladioli and pink asters. The date chosen by the bride for her wedding was also her mother's birthday, making it an especially happy day for both of them.

A reception followed the ceremony in the church parlors, with Mr. and Mrs. George Hale as master and mistress of ceremonies. Mrs. Geraldine Simons and Mrs. Kerbert Davis presided at the coffee urns with ladies of the church assisting.

Mr. and Mrs. Heffron are enjoying a wedding trip to Washington, D. C. and on their return will make their home in Grand Rapids. The best wishes of many friends are extended to the bride and groom.

Out-of-town guests attending the wedding were from Rockford, Owosso, and Grand Rapids.

DECK DUNKEL'S
College Football Ratings for Saturday, Oct. 4

Explanation: The Dunkel rating system presents a factual, unbiased picture of the relative strength of teams as revealed by the scoring correlation method. This method answers the question: "How well has each team performed relative to the strength of its opposition to date?" The teams set their own ratings by the average scoring margin they establish above or below the average rating of their opponents. Ratings are index numbers—out of 100. For example, a 50.0 team rates 10 scoring points higher than a 40.0 team. In this manner, past performance of any two teams can be compared regardless of location. The ratings have been continuous since 1920.
