The Ledger wishes to apologize for the accidental omission of the King Milling Company from the list of local business houses employing on-the-job-students as published last week. A new name to be added to the list is that of the Kroger Store.
Claude Beadle had the misfortune to suffer a hip fracture last Friday, when he slipped and fell on East Main-st. He was taken to Blodgett hospital in the Roth ambulance.
Sgt. Glen Cahy reports that Frank Peckham and Roy Chrouh have enlisted for three years in U. S. Army Air Force. They are taking their basic training at Lackland airbase near San Antonio, Tex.
Old Man Winter has been striking with a heavy hand for several days, his icy blasts causing suffering and damage over two-thirds of the nation. Lives lost total 150. A number of Lowell business places have had to contend with frozen water pipes and at times lack of heat when all lines refused to function because of the severe cold. Oh yes, it was 20 below zero here last Friday morning—and near zero every night since.
A Cornell University botanist comes up with this one for you flower lovers. A rose cut in the late afternoon has a life expectancy of eight hours. The roses are clipped in the morning. Don't ask why. It has something to do about the sap and the sun.
Then there is the one about the woman who married her deceased husband's brother only a short time after the death of husband No. 1. The neighbors talked. With the numbers on the telephone...
Jokes, jests, jabs and jibes just by Jeff: The way to realize the Marshall Plan is to dial the numbers on the telephone.
Sex Education Class Offered by Minister February 2, 3 and 4
A class in sex-education will be offered to boys, ages 12, 13 and 14, by the Reverend Paul E. Hoornstra, on Monday, Tuesday and Wednesday of next week, Feb. 2, 3 and 4. This class will be open to any boy of those ages, but must be limited to the first fifteen applicants.
Parents may apply to enroll their boys, simply by writing or telephoning Mr. Hoornstra. There will be no fee of any kind; the boys are to furnish their own tablets or notebooks.
The three class sessions will begin at 4:00 p. m. and will last about 45 minutes each. They will be held in the Junior Auditorium of the Church of the Nazarene. The three topics to be considered are: (1) "This Body We Live In"; (2) "What Is Sex Anyway?"; and (3) "Dating, Love and Marriage". Mr. Hoornstra says that these lessons are arranged in such a manner that all of the basic "facts of life" are presented in a simple and understandable manner. Every question which the boys may ask will be answered accurately.
In announcing this class, Mr. Hoornstra says he is more confident than ever, that in today's world a true understanding of sex is one of the greatest assets a boy can possess. It helps the boy to understand himself and his growing, changing body; this in turn helps prevent a warped attitude toward sex, and leads to greater success and happiness in his life.
Andrew B. Kaufman, 69, Dies in Grand Rapids
Andrew B. Kaufman, aged 69, passed away Tuesday morning in Grand Rapids, following a long illness. He is survived by three daughters, the Misses Estella and Edith Kaufman, both of Grand Rapids, and Mrs. C. E. Leonard of Lowell; two sons, J. Earl Kaufman of Lowell and Marvin Kaufman of California; six brothers, two sisters, three grandchildren and one great-grandchild.
Mr. Kaufman resided at the Vanderpool Chapel of Godwin Heights, where funeral services will be held this Thursday afternoon at 2:30. Burial in Rosedale Memorial Park cemetery.
South Lowell Extension Class
The South Lowell Extension Class met at the home of Mrs. Mahlon Estes with thirteen members and two visitors present. The lesson on Landscaping was well presented by the leaders, Mrs. Anton Wiegler and Mrs. Wm. VanVorst. The February meeting will be at the home of Mrs. Elmer Swanson.

Gangrene Cure. A new treatment has resulted in curing a number of persons who were afflicted with gangrene and who faced amputation because of it. The treatment consists of injections of synthetic vitamin C (ascorbic acid) and histidine, one of the amino acids that are building blocks of protein. Patients are relieved of pain and the gangrenous process subsides with this therapy. The results make the method worthy of further investigation, the scientists believe.

The New Security Bond Is Your Chance to Help Lick Inflation

By Gene Allison, Sec'y. Manager Michigan Press Association

"American security is YOUR security."

That's the theme of a sure way to beat inflation. It's also the best protection known against a severe shock of deflation.

The other day we received an urgent invitation from the United States Treasury department... A conference was to be held in Chicago. Newspapers were being called upon for a resumption of wartime patriotic service. The stakes were high: Survival of the American system of free enterprise itself. What was it all about? Well, here's the story.

The cost of modern war is tremendous. It skyrocketed our national debt to 275 billions at the close of World War II. Today, it is 257 billions. The interest load alone is 5 billions each year, \$9,000 every minute of the day and night, every day in the year.

Rising prices of foodstuffs and clothing has prompted many bondholders—those families in the low income earning group—to turn in their bonds for cash.

During the war these families couldn't buy radios, washing machines, and other things for their homes. Credit was restricted by government. You couldn't buy diamond rings on credit. You had to pay cash.

And so Americans bought war bonds and, after the war, savings bonds. We waited until the post-war day when this bright new merchandise would be available. And, if you have been in department stores recently, you will agree that we Americans have been spending our money pretty freely. Christmas sales were the highest yet, and retail inventories are fairly low.

And yet, despite our rush to buy goods, we—the American people—hold a netting of 46 billion dollars in Uncle Sam's bonds. That's a lot of money. It is the best bulwark available to cushion us against the shock of depression.

And so the Treasury Department, in cooperation with retailers and industrial leaders and farmers, is going to ask us to return to wartime saving as a way to lick inflation. Instead of buying things we could get along without, we are asked to invest in Security Bonds of the United States government.

Yes, that's the new name for them. The Security bond campaign is to open February 15 in Michigan. It will close June 15.

A recent public opinion survey disclosed that 18 percent of industrial workers were dissatisfied with the American free enterprise system, and another 22 percent were

"on the fence," neither favorable nor unfavorable.

This minority could become a majority, if the nation were to be plunged into a long depression. Dictatorships thrive when people are willing to trade freedom for food.

How can the effects of the business cycle be cushioned? First by saving money for the proverbial rainy day. Save!

That's why the new Security bond is your security.

News From Grand Rapids Of Former Bowne Folks

CLARA M. BRADBURY

John Mishler, who is engaged in installing bowling alleys in Pinconning, Mich., spent Sunday at his home here.

Miss Marilyn Martin was a guest of her aunt, Mrs. John Mishler, three nights of last week.

Mr. and Mrs. Clifford Barnes (nee Donna Keller) are now nicely settled in apartments at 22 Kirtland St. Mrs. Barnes teaches in Godwin school.

Will Glasgow and daughter Mildred, who have been visiting the former's sister, Mrs. Mattie Hansford, and sister-in-law, Fanny Hansford, in Inglewood, Calif., for over a year, returned to their home in the city last Tuesday evening.

Ma. John Mishler received word recently that her brother, Rev. Edward Roush, of Unionville, Mich., had been very ill with pneumonia and complications, but was getting better and able to return to his home from the hospital. Edward was a former resident of Freepport and Logan.

Harry Johnson, wife and daughter Carolyn and Retha were entertained to a birthday dinner in honor of Retha's birthday at the home of the latter's brother, Lavern Johnson and wife Sunday.

Will Glasgow and daughter Mildred were dinner guests Sunday of Mr. and Mrs. Floyd Hogan and daughter Louie at Grandville.

A letter from Mrs. Roscoe Custer announces that Rev. and Mrs. Alfred Custer of Sunfield have both been very ill during the last three weeks. Mrs. Custer suffered a severe attack of gall trouble and Alfred was very ill with the flu. Both are reported as being better at this time. Mr. and Mrs. Custer are former residents of Logan.

Will Glasgow and Mildred were Tuesday evening supper guests of Mildred's uncle and aunt, Dewey Hogan and wife of near Bowen Station.

The best business cycle is a buy-cycle.

WEDDINGS

Bovee-Greene

The double ring ceremony of the Methodist church was used by the Rev. C. E. Pollock to solemnize the wedding of Verel L. Bovee of Lowell and Marilyn C. Greene of Saranac, at the Methodist parsonage, Saturday evening, Jan. 24, at eight o'clock.

The bride wore a beautiful dress of delicate pink crepe and a corsage of white rosebuds. The matron of honor, Mrs. Glendon Bovee, wore a rose crepe dress with a corsage of pink and white rosebuds. The groom was attended by his brother, Glendon Bovee.

Several friends and the members of the immediate families, including Arla Lee Bovee, the five months old daughter of Mr. and Mrs. Glendon Bovee, were present at the wedding.

Burrows-Russell

In a double ring ceremony performed Sunday afternoon, Jan. 18, at 3 o'clock, in the Bowne Center Methodist church, Miss Alta M. Russell, daughter of Mrs. Freida Russell of Aito, and Mr. Estevan Russell of Lake Odessa, became the bride of Mr. George A. Burrows, son of Mrs. Ruth Burrows of Calgary, Can., and Mr. Adam Burrows of Grand Rapids.

The couple exchanged their vows before an altar decorated with lighted candleabra, baskets of snapdragons, white chrysanthemums and white carnations.

The officiating clergyman was the Rev. G. F. Bolitho of Aito. Mrs. Jack Simpson sang "O Promise Me," "I Love You Truly" and "Perfect Love," accompanied by Mrs. G. E. Bolitho, who also played the traditional wedding music.

The bride, given in marriage by her father, selected a white satin wedding gown styled with a sweetheart neckline, long tapering sleeves and a full skirt, ending in a train. Her waist-length veil was draped from a tiara of veils knots. She carried a bouquet of white carnations. Miss Dorothy Russell, maid of honor, sister of the bride, wore a fuchsia gown with matching head-dress and carried a bouquet of pale pink carnations. Miss Ellen Russell, bridesmaid, also a sister of the bride, wore a peridot blue gown with matching head-dress and carried a bouquet of dark pink carnations. The groom was attended by Cornelius Geelhood. The ushers were Frederick Russell and Ormand Lyons.

Following the ceremony, a reception was held in the W. S. G. S. hall. For traveling the bride wore a winter white dress with black accessories. The couple left for a short trip and upon their return will make their home in Lowell.

Fly Killer. As makers of sticky fly-papers know, houseflies like to settle on strings. Now window-shade pulls, picture wires, and other sorts of strings can be replaced by a special cord treated with a DDT solution that will be the fly's undoing. In a recent test-chamber run, 495 out of 502 flies were killed in 18 hours.
