In Ping Pong or GASOLINE it's CONTROL THAT COUNTS!

PHILLIPS 66 IS CONTROLLED FOR QUICK STARTS AND PLENTY OF POWER!

It takes a pretty neat touch to keep that little white ball on the table... and it takes plenty of control to build a gasoline as good as Phillips 66, too!

The trick we use is to control the blending of the high-quality components that go into Phillips 66 to fit your driving needs in hot weather or cold!

Give your car a break with Phillips 66 Gasoline next time. The proof's in the performance!

Phillips 66 Products are distributed in Lowell and Vicinity by ADA OIL COMPANY
