

Supervisor Frank Houghton reports that upwards of 200 new names were added to Lowell township during the registration period which ended October 13. Fred Rieckner, clerk of Vergennes township, reports that 85 new names were added in that township which will bring the total up to nearly 425. Ada, Bowne and Cascade township also report proportionate increases in registration.

The coming November election is bound to show the biggest turnout of voters in our country's history, the population having increased over seven million since the last census.

A noteworthy record of service goes to Mrs. Mattie J. Rulison, who on Friday, Oct. 15, ended her twenty-fifth year as traffic operator of the Lowell office of the Michigan Bell Telephone Company.

Mrs. Rulison was presented with a beautiful pin with a diamond setting, a gift from the company, also letters of congratulation and good wishes from both the general traffic manager and district traffic manager.

Small store owners of Michigan will be able to learn some of the ways to keep merchandise moving and to prevent overstocking in a Merchandise Control Conference at the University of Michigan, October 28.

Sponsored by the University's Bureau of Business Research in cooperation with the Michigan Retailers Association, the Conference is especially planned for the small retail operator. It will be open to any interested business man.

Elmer G. Schaefer, co-chairman of the county division of the Community Chest, states that \$500 of the quota for Lowell Township will go to the village of Lowell for play equipment for the Community Memorial Building.

The November balloting is going to present something of a problem for both election boards and voters. There will be five separate ballots in the most precincts.

The ballots are: (1) the presidential ballot listing the presidential and vice-presidential candidates of seven parties; (2) the state and county ballot listing candidates of the seven parties for state and county offices; (3) the non-partisan ballot listing the candidates for judge of probate and circuit court commissioners; (4) the amendment ballot which lists six proposed amendments to the state constitution; (5) the referendum ballot on the proposition to call a constitutional convention for the purpose of a general revision of the state constitution.

With one of the heaviest votes in the history of the county predicted, it will be many hours after the polls are closed before anything but scattering returns will be available.

You remember Mrs. Rosetta Rhyne, who for many years sold the War Cry on Main Street for the Salvation Army but who now is retired and makes her home with her son-in-law and daughter, Mr. and Mrs. Otto Wimmer on M21, east.

Well, Mrs. Rhyne, who was born in Switzerland, and is now in her 84th year, enjoyed a delightful experience the other day when she was visited by A. F. Eoll, who has lived in Zurich, Switzerland, for many years.

You can well imagine how much this visit meant to Mrs. Rhyne, who came to this country 33 years ago.

"Michigan's first 'cold' wave is here. Avoid the person who sneezes, coughs or has a sore throat as you would poison ivy," Dr. Albert E. Houtis, State Health Commissioner advised this week.

Colds will cause more absenteeism from school, office and industry during the next few months than all other communicable diseases put together. The average Michigan person will have two or three colds before Easter.

The person with the first sign of a cold should go to his doctor who can give pills or shots to help ward off secondary invaders, and prevent complications.

Some Wild Rabbits May Have Tularemia

The wild rabbit hunter, and his trou who hoops a platter full of delicious meat broiled to a turn, or serves up a wild game pie or mince-meat should give a thought now to the danger of tularemia, according to Michigan Public Health, monthly bulletin of the Michigan Department of Health.

Some Michigan wild rabbits have tularemia, a disease of rodents, which is easily transmitted to man when he handles, dresses or cooks the game. The disease in man is extremely painful, dangerous and difficult to treat, and sometimes fatal, the bulletin said.

THE LOWELL LEDGER

FIFTY-SIXTH YEAR LOWELL, MICHIGAN, THURSDAY, OCT. 21, 1948 NUMBER 25

New Phone Rates Are Now in Force
Public Service Commission Approves Schedule For Mich. Bell

The Michigan Public Service Commission has approved a new schedule of rates for the Michigan Bell Telephone Company in compliance with an order of October 6, increasing the Company's revenues by \$8,217,000 a year.

Effective immediately, the rate increase, which, after taxes, will mean \$5,094,540 to the Company, will be applied to each of the Company's 242 exchanges and virtually every type of Michigan Bell service. The rate increase is the first to the Company in 22 years.

Berle D. Slack, manager at Lowell for the company, said the order established two sets of rates in exchanges where extended-area service will be introduced.

The first will be an interim schedule until the service is initiated and the other, new rates when extended-area service gets under way to eliminate toll charges between exchanges with the same "community of interest."

Although extended-area service was authorized by the Commission in April, facilities will not be ready for the service to be introduced here until next summer.

Somewhat Higher Rates

For the privilege of making unlimited calls to Grand Rapids, Ada, Alto, Grandville, and Gratton without paying toll charges, customers here will pay somewhat higher rates when extended-area service is in effect. Introduction of the service, however, will not increase the company's revenues inasmuch as such increases in local exchange charges will be offset by the loss of toll revenues, the company pointed out.

The order authorizes relatively higher increases in some exchanges, including Lowell, to correct inequities, Slack said.

He pointed out that a commission order of 1942, while dissolving such inequities in exchanges where charges were above the levels fixed in the rate schedule at that time, made no increases in exchanges where rates were below such levels.

"Rates in Lowell have been on the low side for years when compared with other exchanges of like telephone development and calling opportunities," he said.

New Plan Early in 1949

Under the extended area plan, Lowell will become a zone of the Grand Rapids district exchange to be inaugurated early next year. Interoffice cable facilities now are being expanded to handle the expected increase in the number of calls between adjacent zones of the district exchange.

Two-party line, business service will be discontinued at that time. However, it will be replaced by individual line "measured service" with an allowance of 75 calls per month for the basic rate. Overcalls will be charged for at the rate of four cents per message unit.

New Rates For Lowell

Residence—individual line, from \$1.75 to \$4 (temporarily, \$2.50); two-party line, \$3.25 (temporarily \$2, formerly not available); four-party line, \$1.35 to \$2.50 (temporarily \$1.75); rural line, from \$1.50 to \$2.50 (temporarily \$1.75); service station, from 50c to \$1.25 (temporarily 75c).

Business—individual line, unlimited calls, from \$2.30 to \$5.50 (temporarily \$4.50); individual line, measured, \$5.50 (not available until next year); two-party line, from \$2 to \$3.50 (temporarily, from \$2.25 to \$4.50); semi-public station, from \$2.40 to \$6 (temporarily \$4.50); PEX trunk, from \$2.75 to \$12.75 (temporarily \$6.75).

Extensions—residence, from 50c to 75c; business, flat rate, from \$1 to \$1.25; business, measured, \$1.

NOTICE TO PATRONS

Margaret Bibbler announces that beginning next Monday she will be at her beauty parlor part time each day, also that Mrs. Mahle Scott will continue full time until further notice.

Fine New Quarters Given Second Team By American Legion

Thirty-five football players of the Lowell High School second team have a new dressing room and shower room, thanks to the local American Legion. The team's new quarters formerly were the American Legion rooms in the structure which supports the permanent Showboat bleachers.

The Legion had an opportunity to rent the rooms for about \$400 a year, but when approached with the idea of making them into dressing rooms for the athletic teams, they continued to show their desire to do something for the youth of Lowell by offering their old quarters to the school free of charge.

The Board of Education and Athletic Association have spent around \$300 converting the kitchen into a shower room. A new floor with three drains has been put in the east half of the former kitchen. Five shower heads have been installed along the east side of the room. Also a new 8-gallon hot water heater will provide plenty of hot water for showers.

This is the first time that suitable rooms for dressing have been made available to our second team and visiting football teams. This has been one of the sore spots in our athletic dealings with other schools. The room at the school where the second team had to dress is so small that all the boys could not get into it to dress at one time.

On behalf of the athletic department and the Board of Education, the American Legion for their fine cooperation and unselfish attitude in relieving the congestion in our dressing rooms by allowing us to have free use of their former meeting rooms.

Lowell H. S. Athletic Dept. Chris Burch, Coach.

Rites On Sunday For Brother War Heroes Formerly of Moseley

Double funeral services will be held Sunday at 2:30 p. m. for two brothers, formerly of Moseley, who gave their lives in World War II on European and Asiatic battlefields. While living in Moseley the boys attended Lowell schools.

The youths are Cpl. Paul A. Kiata, 23, and Pvt. Robert E. Kiata, 19, sons of Mrs. Leone E. Kiata of Belding and Ralph Kiata of Lowell.

Cpl. Paul, who served with the Marines in the Pacific, was killed February 25, 1945, at Iwo Jima. The Purple Heart was awarded him posthumously and given his mother last August.

Pvt. Robert was killed December 16, 1944, in Germany in the Battle of the Bulge. He was also awarded a Purple Heart and Victory medal which were presented to his mother.

A prayer service will be held at 2:30 p. m. from the Fitzjohn Funeral Home in Belding followed by military rites at 3 p. m. in the Alton cemetery.

Lowell "Jacks" Bowling League Friday Night, Oct. 16 Standings

Team	Pts.	W	L
Lowell Moose 809	12	9	3
Superior Furniture	8	6	6
Lowell Electric	8	6	6
Lowell Cafes	2	6	6
Lowell Dusters	7	6	7
Lowell Bears	6	4	8

The Moose team seems very intent on first place. They swept the Dusters and four points from the Dusters—what happened to last year's champions on this one? J. Topp had a terrific 333-577 series for the winners. J. Briggs had a 297 series. For the losers, R. Kin-yona came up with a 189 game.

The Cafe team knocked over second place Moose two games out of three for three points and landed in a three way second place tie. J. Abraham led the winners with a 210-497 series. Wes Foguth just wasn't on the beam.

The Bears continued to hibernate deeper in the cellar. The Electric took them two games out of three for three points, climbing into the second place tie with the Superior and Cafe teams. Come on Bears, let's go! Goff led the winners with a 204-497. Baker of the losers had a 180 game.

AUCTION SALES

Robert Gibbs and Daniel Kauffman, Saturday, Oct. 30

Having sold their farms, Robert Gibbs and Daniel Kauffman will sell at public auction, at the Gibbs farm, 2 miles east of Bowne Center, on Saturday, Nov. 30, a list of cattle, implements and tools, hay, some household goods etc. See complete adv. in next week's Ledger.

Better Snow Removal Assured This Winter

The Council Monday voted to purchase snow removal equipment to give all the citizens in the village a break this winter: in getting around the village streets.

Snow removal, long a sore spot with village residents who struggle through the streets every winter, will be solved with a plow attached to one of the street trucks.

Clearing of Main street would also be facilitated if parking was prohibited after midnight during the months of December, January and February, allowing county trucks to plow the snow back to the sidewalks.

Rams and Arrows Battle to 6-6 Tie

LOWELL WINS 6-2

Lowell high school football eleven defeated a tough Godwin team 6-2, Wednesday night here. Yes, Godwin came out for a bus ride!

The Lowell Red Arrows were forced to accept a 6 to 8 tie last Friday night from their bitter rivals, the Rockford Rams. With a bit more luck the locals could have walked off with the decision. The entire first half was a defensive battle with neither team showing much in the way of offense.

The fireworks started midway in the third quarter when Norm Borgerson missed the place kick executed screen pass and yard from midfield to the Rams one yard stripe from where Gordon Sterzick smashed over for a touchdown. Borgerson missed the place for the extra point.

Late in the last quarter, Jorgerson of Rockford, fixed a pass to Corcoran from the 25 yard line. The receiver was hit hard on the 10 yard line, where the ball squirted out of his arms into the end zone for a touchdown. The Rams also missed their try for a point. This marked Rockford's first touchdown against a conference team this season.

At times the Lowell defense rose to the occasion, throwing the ball carriers for losses repeatedly. The Arrow backs were smeared when their interference failed to function.

The Red Arrows will have tough sledding ahead when they meet Ada, a team fighting for the league and the season wind-up with Grandville.

Ton of Clothing, Food For Michigan Indians

A ton of clothing and canned foods will be taken to the Mt. Pleasant Indian Reservation this Friday night, by the Lowell Church of the Nazarene.

The Indians living on the reservation have recently completed their Christian Chapel, under the direction of Rev. Samuel Mackety, Potawatomi preacher and his Chippewa wife. This Indian minister, serving as a missionary to his own people, will distribute the food and clothing among the needy Indians of his territory.

A caravan of several cars is expected to accompany the truckload of food and clothing to the reservation. This project is under the direction of the W. F. M. S. of the Nazarene Church.

Supply Determines The Support Prices Under New Program

Just how will the new farm program enacted by Congress affect support prices? To answer this question, Michigan State College agricultural economist Arthur Mauch, cites the case of a basic commodity—corn.

He begins by pointing out that for the rest of 1948 and through 1949, the price of corn will be supported at 90 percent of parity. (We'll assume that neither the parity index nor the basic price of corn will change. This will simplify the comparison.) This means 90 percent of \$1.61 (corn's support price) or \$1.45. However, should the Secretary of Agriculture establish marketing quotas and they are not approved by two-thirds of the corn growers, there will be no price supports.

Beginning in 1950, the support level is flexible. It ranges from a low 60 percent to a high of 90 percent of parity depending on supply. If we have a "normal" supply, we multiply the "new" parity figure of \$1.42 by 75 percent to get the support price of \$1.07. The percent of support varies according to the supply. For example, a supply thirty percent above normal calls for a support price of 80 percent of parity; a supply of thirty percent below normal calls for a support price of 90 percent of parity.

In other words, for each two percent change in supply, the percent of support changes one point in the opposite direction.

The new parity prices created by the farm program vary by commodity. Grain parity prices decline—barley by as much as 25 percent; dry beans by as little as 18 percent. Dairy products, eggs, hogs, and turkeys will have higher parity prices under the new farm program.

Well Known Citizen Passes In Oklahoma

M. E. Simpson received a telegram on Wednesday morning from Mrs. E. Arthur Rush stating that Mrs. Rush had passed away that morning at their winter home in Tulsa, Okla. Funeral services are to be held in Tulsa and burial in a private mausoleum at Grand Rapids. The community joins in extending sympathy to Mrs. Rush, the only surviving relative.

Hunters Observing Ten Commandments To Have No Grief

The ten commandments of safety drawn up by the Sporting Arms and Ammunition Manufacturers' Institute are simple. No one who follows them will ever take a life of jeopardy his own:

1. Treat every gun with the respect due a loaded gun. This is the cardinal rule of gun safety.
2. Carry only empty guns, taken down or with the actions open, in to your automobiles, camp and home.
3. Always be sure that the barrel and action are clear of obstructions.
4. Always carry your gun so that you can control the direction of the muzzle, even if you stumble.
5. Be sure of your target before you pull the trigger.
6. Never point your gun at anything you do not want to shoot.
7. Never leave your gun unattended unless you unload it first.
8. Never climb a tree or a fence with a loaded gun.
9. Never shoot at a flat hard surface or the surface of water.
10. Don't mix gunpowder and alcohol.

These rules should be memorized and observed strictly by every person who handles firearms of any kind. Whether or not they are observed may mean all the difference between pleasure and tragedy. No human being ever resembled a deer closely enough to be mistaken for one by a reasonably cautious hunter. A moving bush may be set in motion as easily by another hunter as by a deer. If you miss a shot at a deer by being careful, you have lost little.

If you shoot at a "deer" and kill a man, you will have lost a big piece of your future and will have added yourself with a guilty conscience that you will carry to the grave.

Kroger Manager Here Enters Sales Contest

Mac Ponger, Kroger store manager here, has entered a company-wide sales contest in which an all-expense paid trip to Florida and Cuba for nine days is offered as first prize.

He is competing against 91 other store managers in this area from which two winners will be picked. In all, 50 Kroger store managers and their wives will leave for Florida on January 4, 1949. During their Florida stay, they will visit Marineland, Daytona Beach, Silver Springs, Ft. Tower, Cypress Gardens, and will have two days in Miami Beach at the exclusive Vanderbilt hotel.

They will take the S. S. Florida from Miami Beach to Havana on January 10. While in Cuba they will tour Havana and will visit Cuban sugar plantations.

All employees in the winning store will also receive awards. They will have the choice of the following prizes: 12 gauge shotgun, wool blanket, wristwatch, electric toaster, steam iron, waffle iron and sandwich toaster, mantel clock, electric razor, dresser set, and 3-piece pen and pencil set.

Grand Old Lady Well and Happy 99 Years Young

Friday, Oct. 8, was just an ordinary day for most people, but for Mrs. Marian C. Needham it marked her 99th birthday anniversary.

MARIAN C. NEEDHAM

Friday through Sunday open house was held at the Needham home, where friends and relatives called to offer congratulations and present her with lovely gifts and cards.

Mrs. Needham was born at Little Falls, N. Y., October 8, 1849, the daughter of Mr. and Mrs. Joseph Dostler. She attended school at Waterville N. Y., and on January 1, 1872, she was united in marriage to James P. Needham and they came to Lowell the following April with ten other relatives. Mrs. Needham being the only one left of the group.

Mrs. Needham is blessed with good health and is possessed of remarkable activity for a lady of her years, and her kind and genial disposition makes her beloved by all her friends and neighbors. She is a great lover of birds and flowers and enjoys working in her garden. She has a daughter, Mrs. Josie Baker, of South Boston; two sons, James and Emmett, and three grandchildren, Marian L., Josephine Barbara and Emmett James Needham, Jr. Her son Emmett and family make their home with her.

Longevity seems to be a family trait. Mrs. Needham has two sisters living in Casnovia who are in their 80's, and their father lived to be over 100 years old.

At the old homestead, corner of 36th St. and M-61, where she has lived for the past 76 years, she is spending her declining years in peace and comfort, surrounded by many warm friends and her children and grandchildren.

PTA Organizations Study Comic Books Radio Programs, Etc

State Branches and local parent-teacher associations throughout the country are now starting investigations of comic books, motion pictures, and radio programs in their communities to secure the elimination or improvement of those found to be undesirable.

The procedures were recently authorized in a special committee recommendation adopted by the Board of Managers of the National Congress of Parents and Teachers at the Board's annual fall meeting in Chicago. The recommendation, brought to the floor by a special committee of twelve headed by Mrs. Joseph W. Eshelman of Birmingham, Ala., chairman of the organization's Juvenile Protection Committee, is as follows:

"Since juvenile delinquency results from lack of proper guidance and example in many homes, evil forces in the community, and other contributing factors, we propose to strengthen our program for helping parents and community leaders to meet adequately the normal needs of children and youth. We propose the following plan of action:

"On the National Level—That further studies revealing the effects of these influences on children and youth be made, and that such findings be disseminated, especially to those responsible for undesirable types of amusement.

That the National Congress of Parents and Teachers initiate a cooperative movement with publishers and producers to improve products and programs.

"On the State Level—All state congresses set up procedures to review their state and local laws and ordinances in regard to sale of objectionable literature and to seek community action to improve and to enforce existing laws.

To encourage the organization of local radio listening councils, motion picture councils, and evaluating groups on comics and other publications.

To encourage the study and evaluation of radio programs and motion pictures by students in the schools.

"On all levels encourage a positive approach through committee work of the National Congress and State Congress of Parents and Teachers."

Government Printing Cost 55 Million Dollars

Some people say the government doesn't run its own affairs according to the best business principles, but it's perfectly willing to tell citizens how to operate a filling station, a grocery store, a laundry, or a beauty shop.

Advice on all these subjects is included among 41,000 publications put out by the Government Printing Office during the fiscal year ending June 30.

The printing cost \$55 million. Sen. Styles Bridges, chairman, Senate Appropriations Committee, is investigating whether such expenses were necessary.

American Legion Auxiliary

The American Legion Auxiliary held a seven o'clock pot luck supper at the city hall Monday evening, Oct. 18, after which the business meeting followed by installation of officers.

The following officers were installed: Anna Ellis, President; Dorothy Hale, 1st vice president; Elizabeth Phelps, 2nd vice president; Doris Ellis, secretary; Maurine Laux, treasurer; Mary Potter, historian; Ina Potter chaplain; and Nan Denick, sergeant at arms.

Mrs. Effie Campbell of Grand Rapids was the installing officer and Mrs. Ramsdell of Grand Rapids was also present.

The Way To Peace

This story has been told in many forms, but it bears the same logic in whatever manner it is applied. It is about the city man who bought a farm. When he went out to look at the line fence, which had been the source of much quarreling, the neighboring farmer said, "That fence is a full foot over on my side."

"Very well," said the new owner, "we will set the fence two feet over on my side."

"Oh, but that is more than I claim," stammered the surprised farmer.

"Never mind about that; I would much rather have peace with my neighbor than two feet of earth," said the man.

"That's surely fine of you, sir," replied the farmer, "but I couldn't let you do a thing like that. That fence just won't be moved at all."

The next time you have a dispute about rights, surprise your adversary by giving him more than he asks, and realize the joy of the turning.—Sunshine Magazine.

WEDDING BELLS

St. Mary's Church, Lowell, was the scene of a double wedding Saturday, Oct. 18, at 9 o'clock, when Verna R. Doran and Mary M. Doran, daughters of Mr. and Mrs. James J. Doran of Alto, were united in marriage, Verna becoming the bride of George A. Rogers, son of the late Mr. and Mrs. Leon Rogers of Lowell, and Mary becoming the bride of Floyd R. Poirier, son of Mr. and Mrs. George Poirier of Boyne City.

The double ring ceremonies were performed by the Rev. Fr. John Gryzbowski. Traditional wedding music was played and Delores Kutchey sang "Ave Maria" and other selections.

The brides were given in marriage by their father. Verna wore a royal blue wool suit with gray accessories and her corsage was of white carnations. Her cousin, Irma McCormick, of Grand Rapids, was her attendant and she wore a forest green wool suit, black accessories and a corsage of pink carnations.

Mary wore a wine wool suit, gray accessories and had a corsage of white carnations. Josephine Reynolds, her attendant, wore a brown wool suit, brown accessories and corsage of yellow carnations.

The brides' mother wore a brown tulle suit dress with mocha, brown accessories and a corsage of yellow carnations. Mrs. Poirier, the groom's mother, wore a forest green suit dress, black accessories, and a corsage of red carnations.

William J. Miller of Lowell stood up with Mr. and Mrs. Rogers and Dale Metts, Mrs. Poirier's brother-in-law stood up with them. Bob and Harold Poirier, brothers of the groom, ushered.

Immediately following the ceremony the wedding party went to the Lone Pine Inn for a wedding breakfast.

A reception was held in the evening at the brides' home in Alto for over 150 guests.

Mr. and Mrs. Rogers will make their home at 504 Amity, Lowell, and Mr. and Mrs. Poirier will make their home as 929 Vergennes Road, Lowell.

Travelogue Pictures

Start Next Thursday At Civic Auditorium

The Kiwanis Club of Grand Rapids has just announced its current series of "Travel and Adventure" motion picture lectures. As in the past this fifth series will be presented in the Civic Auditorium, on Thursday evenings. There will be one travelogue each month from October through March—a total of six.

This series will headline the best-known lecturer on the American platform—Burton Holmes—in addition to five other stars in the picture-lecture field. The complete schedule follows: October 23, Julian Gromer, "African Life: November 11, Thayer Soule, "Amazing Arizona;" December 16, Burton Holmes, "Fabulous Florida;" January 27, Alfred Wolff, "This is France;" February 10, Karl Robinson, "China Story;" and March 31, Cleveland Grant, "Big Game in the Rockies." There will be three lectures which will show how people are living in foreign lands, and three on the American scene.

The Kiwanis Club project has attracted national attention, as it not only gives the people of the community excellent educational entertainment at very low prices, but the profits are used for the clubs work with underprivileged children. Among over a dozen projects undertaken last year, the club has recently voted to present the Kent County Girl Scouts with a \$5,000 lodge building for their camp on Lake Michigan.

It is not unusual for persons interested in travel to come 100 miles, or more, to attend these Grand Rapids lectures. And these same folks return year after year. The moving pictures are all in brilliant color, and the man who made them, or directed their filming, tells the story of them as the pictures are thrown on the high Auditorium screen.

CAMPFIRE GIRLS

Four Camp Fire groups and two groups of Blue Birds have again begun their program of fall activities.

The Blue Bird program this year is under the direction of Mrs. Ray Borgerson, Mrs. G. R. Thompson and Mrs. Charles Ellis.

A new fifth grade Camp Fire group has been formed with Mrs. Douglas Oatley and Mrs. Edward Rankin as leaders. Mrs. Bernie Bedell has taken the leadership of the seventh grade group and Mrs. Arnold Fairchild and Mrs. Robert Starkey are continuing with the eighth graders.

The sixth grade group, whose leader is Mrs. David Coons, has elected officers as follows: Frances Brown, president; Maureen Rankin, vice president; Karin Johnson, secretary. They have started their program with fall hikes and nature study, and are planning a Halloween party for October 26, to be held at the home of Judy Schneider. Judy Schneider and Janet Schroder are in charge of refreshments and Maureen Rankin and Frances Brown are planning entertainment. The group has also begun the sale of stationery to earn money to send a CARE package to Europe.

Too Close

It was a hot afternoon at the ball park. An enormous fellow stood over the plate and an equally large catcher stood behind the plate. The count was one and one.

The shrimp-sized umpire watching a pitch sizzle across a corner, yelled, "Two!"

"Two what?" snarled the batter and the catcher in unison, the former menacing the official with his bat and the latter showing his mask into the umpire's face. Looking from one to the other the umpire replied meekly, "Too
