Many citizens fall to vote at election time, and, how often we

hear someone say that they didn't vote because one vote makes no class in Home Nursing on Thursday afternoon, one adult class on History proves that this state—Tuesday night and three classes ment is untrue. Just one vote for the High School running on gave statehood to California, Oregon, Idaho, Texas and Washington.

Woman suffrage passed the House of Representatives by just one

Obviously your vote, in fact

every vote, counts. Mr. and Mrs. N. L. Avery and Cindy have arrived in Carrizozo, New Mexico, where they are visittheir son, Keith and family and enjoying glorious sunshine, fresh air, and wonderful mountain scenery. Norton says they are getting a taste of real ranch life and

making lots of pictures too. Well, Norton, if you had been here this Tuesday morning you would have noted the air Lowell was plenty fresh, too.

#### From School to School

By Lynn H. Clark County Supt. of Schools

I wish to note the excellent teaching staff in Algoma township and the modernization carried out in their schools. I suggest that the board and electors consider a central junior high school to remove the older seventh and eighth graders from the neighborhood schools as they become overcrowded. Many of our discipline and moral problems come from mixing these adolescents with the smaller

#### **Cover Trash Burners Prevent Grass Fires**

Grass fires continue to keep the local fire department busy, and while little money damage has been done thus far, an open fire is always a menace and has to be controlled. If the fire gets out of hand the fire department has to nake the run and stop it before it spreads to buildings.

Many of the fires this spring

have started from trash cans. It has been requested by the fire chief that everyone keep covers over their rubbish burners and keep them properly cleaned to avoid fies.

Over the week-end fires were re ported back of the Beachum residence on Vergennes Rd., one on Amity St., one at Vern Hunter's on 36th St. and at the dump. No damage in either case.

#### **Primary School Fund Receives Big Benefit** From Railroad Taxes

Michigan's primary school fund Burch, Marian Fuss and Joanne equal to \$775 per mile of trackvision, goes into the state's primary school fund. The lines employ 38,508 Michigan workers to whom they paid \$120,623,859 in 1949, an average of \$3,132 per em-

SEE THE NEW

TRUCKS The trucks that do

the most for you

**NEW!** More Power

Power increases as high as 20% Eight high-efficiency truck engines—94 to 154 horsepower. The most powerful Dodge "Job-Rated" trucks ever built provid dependable power for your job

**NEW!** Easier Handling

than ever-and extra-easy steer ing with new worm-and-roller gears. Short wheelbase, crosssteering and wide front tread assure easier maneuvering.

by increased rear axle capacity and "Job-Rated" weight distribution

Help cut your trucking costs!

**NEW!** Bigger Payloads **NEW!** Better Comfort increased Gross Vehicle Weights and Gross Combination Weight on many models-made possible

**NEW!** Greater Safety Molded Cyclebond brake linings on hydraulic-brake models 11/2-tor and up. Brand-new! Extra-quiet! Other safety features include new, improved independent hand brake, extra-big windshield.

**NEW!** Better Economy

Higher compression ratio (7.0 to 1) on models through 1 to

for top efficiency with flashing

power. Here's real economy with outstanding performance—more

power from every drop of fuel.

iiiiii.

"Oriflow" shock absorbers standard on 1/4-, 3/4-, and 1-ton models. New! Revolutionary! Selfadjusting! New seat design, new steering wheel angle--plus lower hood line for improved visibility. Exclusive! gyrol Fluid Drive . . . Available on 1/2-, 1/4-, and 1-ton models. Provides marvelously smooth performance with cushlened power.

PLAS all these time-proved features Dodge trucks have had for years . . . Steering column gearshift standard on 1/4-, 3/4- and 1-ton models with 3-speed trans-mission. Chrome-plated top piston ring for longer ring life, better sealing. Synchro-shift transmissions (3-speed, 4-speed, or 5-speed) rugged, silent, precision engi-neered. DeLuxe and Custom cabs (with rear quarter windows) available on all models. And many other dependability features!

What "Job-Rated" means to you A Dodge "Job-Rated" truck is engineered at the factory to fit a specific job . . . save you money . . . last longer. Every unit from engine to rear axle is "Job-Rated"—factory-engineered to haul a specific load over the roads you travel and at the speeds you require. Every unit that SUPPORTS the load—frame, axies, springs, wheels, tires and body—is engineered right to provide the strength and capacity needed. Every unit that MOVES the load-engin clutch, transmission, propeller shaft and rear axle—is engineered right to meet a particular operating condition.

Come in for a good deal on a truck that fits your job . . .

Only KROEHLER makes it! NOW It'S HERE come in and see this

furniture is beautifully tailored in sculptured, high-loop, mohair frieze in your choice of stylish colors. See it today! See the modern, low-slung, streamlined simplicity . . . the finger-thick cord that trims the base and the deep, soft, pillow backs.

FARMALL- FIRST IN THE FIELD

Look what the Smart Money's buying

Tow that the 1951 offerings of the motorcar industry have had a chance to strut their stuff, we ask you-can there be any doubt which is the really smart buy?

If you want a "new look"-Buick has it. That sturdy push-bar forefront says "1951" to all who see it--and provides unsurpassed front-end protection to boot.

If you want power that you can live with

through many moons to come-Buick has that

too. Years of expert engineering have made

Buick's thrill-packed Fireball engine just about as dependable as a power plant can be. If you want features that combine present pleasure with long-time durability, consider

Buick's level-going ride stems from coil springs on all four wheels which are virtually breakproof and never need servicing.

Buick's Dynaflow Drive\* takes the strain out of every mile of driving-and pays off by eliminating any need for friction clutch repairs and replacements, by reducing engine and transmis- right now? sion upkeep, and lengthening life of tires.

\$Standard on BOADMASTER, optional at extra cest on other Series

If you want room and comfort and handling that make any trip a breeze-there's no simpler way to find them than to take over a '51 Buick SPECIAL, SUPER or ROADMASTER-relax and enjoy yourself. And if you want all this at a minimum outlay

No other car provides all this:

DYNAFLOW DRIVE - saves ride, improves driving control

strain on driver and car DUAL VENTILATION — outside

FIREBALL POWER - high-com- air fed separately to right o

gets more good from every drop SELF-ENERGIZING BRAKES -

PUSH-BAR FOREFRONT - com- sure five times at brake drom
