Rural-City Folk To Hold Workshop All Day, April 18

A Local Government Workshop, sponsored by the Rural-Urban Council, will be held from 9:30 a. m. to 4:00 p. m. on Wednesday, April 18, at East Congregational Church, Grand Rapids.

The purpose of the Workshop is to give citizens an opportunity to meet their elected officials, to discuss the problems of local government and to stimulate the co-operation of city and county people on their common problems.

county and local officials will an swer the questions of the audience with Lawrence Taylor of the Continuing Education Department of M. S. C. as moderator. In the afternoon session, workshop sections will be held with officials and col lege people as consultants.

The topics to be discussed are

Taxation; Public Works; Safety and Law Enforcement; City-County School Problems; City-County Government; Rural-Urban Rela-tions; City-County Health Prob-lems; City-County Recreation and City-County Welfare Services.

Acceptances have already been received from D. Hale Brake, State Treasurer; Frank Millard, Attorney General; John B. Martin, Jr. Auditor General and Charles Figy, State Department of Agriculture. C. H. Runciman will be chairman

The Local Government Work-shop is open to the public and over 200 organizations have been invited to send delegates. All of the High Schools in the county and city have been asked to send representatives from their senior classes.

Mrs. Chas. Timpson, Publicity
Chairman, R. R. 1, Alto Michigan.

CARD OF THANKS We wish to thank all who s kindly remembered us during our slege of the flu.

Safety Spout. A new polyethylen plastic pouring spout for use on standard acid bottles provides convenience and safety in preventing spilling, splashing, and the usual "after drip." The spout vents the air into the container as the liquid is poured out, and is adaptable all types of acid bottles. It has a closer cap. Polyethylene is resis-tant to all ordinary acids and alkalies and practically all known solvents, provided the temperature is kept below 63 degrees Centigrade.

Notes from Kent County Extension

Agriculture

We are trying to make up a mailing list of strawberry growers for Kent County. From time to time there will be some important information to be sent out and we would like all growers to receive it. Will you send in your name so it can be added to the list?

A few weeks ago we wrote in this column about the 4-H and F F. A. calf sale to be held at Lowell on April 21. Due to conflicts of state breed sales, it has been neces-sary to postpone the sale until May 12. 4-H and F. F. A. members be sure to mark the date on your cal-

If you are interested in producing soybeans you may want to try the new Blackhawk variety. This soybean is adapted to areas where Earlyana is grown. It will outyield Earlyana slightly.

The new time for extension broadcasts is Tuesday and Thurs-day at 12:30, WOOD, Grand Rapids

4-H News

This time of year 4-H club work consists of both winter and sum-mer club work. Winter clubs are having local achievement banquets to celebrate their successful year and pass out pins and certificates. Summer clubs are getting the old gang back together again for sum-mer project work. We would like to see all clubs take care of these

are always looking for new ways to get people to drink more milk. Their point of view maybe some-what different but the result is the same. In New York state they are doing something about it. Vending machines that offer a

cold drink of whole milk, plain or chocolate flavored, at the drop of a coin are being tried out in buildings on the Cornell University campus. Dietary surveys show that calcium is one of the nutrients most likely to be short in the average diet. Milk is one of the best foods for calcium, yet milk drink-ing has been on the decline since

All the machines under sales test at Cornell offers milk in halfpint paper cartons. Several thou I wish to thank the W. R. C., sand cartons weekly are sold, with also my friends and neighbors for chocolate-flavored milk preferred, the lovely plants and cards I re-ceived while I was in the hospital. milk and coffee-flavored milk were tried but did not prove gapular.

The sales indicate that much of the milk purchased from machines is in addition to that in the regular diet. Heavy sales come at times other than the lunch hour, espe-cially between eight and ten in the

tira ira sargeant Mrs. Austin Miller was one of

the honor guests at a meeting of the Ionia County 4-H leaders last Wednesday evening, She was presented with a pin in recognition of having completed ten years of service as a leader. Congratulations to her and may she be able to serve many more years in this line of

We have been having good atendance at our last two meetings. On March 16 we met and initiated nine new members in the first and the allocation board and I can assecond degrees. Although we fell sure you that it is one of the most short one of our goal of ten, we thankless and undestrable of my still feel proud of getting nine. The responsibilities. Practically no one mittee has completed plans for still feel proud of getting nine. The Richard Gibson, Mrs. Taylor and members even though 15 mills can-Mr. and Mrs. William Jenson. The rest of the evening was epent play-

Our next meeting is Friday evening, April 13th, at 8:30. We plan to initiate the new members in the Home economists and farmers 3rd and 4th degrees. Paul Wittenbach, of South Boston Grange, is potluck supper.

Our next dance is April 7th. Everyone welcome. Saturday evening, April 14th, the Grange is holding a party for Mr. and Mrs. Warren Reed, who are celebrating their 50th wedding an-niversary. All members should try
