New Bond Issues As Rural Schools **Enrollment Grows**

the Lincoln Lake school in Oak-field township voted \$14,000 to build a new two-room school. The original building, nearly 100 years

old was built at a cost of \$300. Bowen Station in Paris has authorized the purchase of 13 acres of land for a school site by a vote of 29 to 1, and Townline, also in Paris, has voted \$70,000 for a new building by a vote of 62 to 5. I am proud of the school electors of Kent county.

Other schools considering addi-tionse are Boynton in Ada, Gove in Cascade, Huff in Grand Rapids, Goff in Plainfield, Pleasant Hill in Spencer and Zinser and Walker Station in Walker. Red in Gaines just recently finished a new building and probably will have to make a further addition within the year.

The Talbot school in Grattan at Parnell will open this fall with Mrs. Margaret Gahan as teacher after being closed 19 years. An in-spection disclosed the building to be in fair condition. New heating, sanitary system and lights are to be installed and a general over-hauling given the building.

It appears that although we still needed. No new applications will be accepted after August 1.

Gumser, Dean of Superintendents I wondered a while ago about the tenure of superintendents in Kent county. O. E. Balyeat spent was at Grandville 30 years and Roy Head at Lee for 25 years. These men have retired, but statistics show that the present superintendents have been in the county an average of over 14 years and have averaged 9.2 years in their present positions. I have the longest service in the county with 28 years but Walt Gumeer is the cent dean with 25 years as superintendent at and C. A. Frost at Oakleigh folrespectively.

Those with ten years or more are E. J. Kleinert at Rockford, C. J. Tysse at Cedar Springs, B. T. Hackmuth at Comstock Park, Bernard Spaulding at Fairview, Willard DeJonge at Newhall, and Miss Helen Weller, our only woman su- Texas, a daughter, Mary Jon. Coach Nisbet and his lads really perintendent, who is finishing her twenty-fifth year at North Park and her eleventh year as superin tendent.

Truly, in these days of stress and pressure when the school superinendent as often called the "Country's Chief Scapegoat" the record of the Kent superintendents is a remarkable one. With census, allocation, trans-

portation reports, diplomas, finan-cial reports, and annual meetings approaching this will be the last of this year's articles. May I express my appreciation to the weekly papers that have so graciously printed them and my thanks for Lynn H. Clark, County

Superintendent of Schools

Students Compete In National Essay Contest

River Post 8303 of Lowell again this year sponsored the writing of essays for the V. F. W. National contest in the local school. Numerous essays were submitted and who are Mrs. Philip Glotfelty, Jr., May 18th, when the cars of the Sil-King Doyle anud Gerald Rollina. The subject this year was "Free-

m's Open Door," and prizes of Owosso, Mich. \$10, \$7.50 and \$5.00 will be awarded The Gold Crown Race will be the three students whose essays are adjudged the three best. Winners be announced and prizes Offyes, Rangers, Hissos, or any awarded at the earliest possible date, and the best will be sent on to compete for State prizes.

The Auxiliary extends its thanks for the cooperation of the students from Detroit, Tom Cross' and Miss Pauline Nelson who this Bertha 55", Spencer's Wayne Chevyear made it possible to have Low-ell High School represented in this

HILDWALL JUDGER

LOWELL, MICHIGAN, THURSDAY, MAY 3, 1951 Established June, 1893

School Electorate Will Vote May 28 **On Fund Proposal**

The electorate of Graded School District No. 1 Lowell will have the opportunity to vote on a 5-mill, 5year Sinking Fund proposal on Monday, May 28th, according to Supt. W. W. Gumser,

The Board of Education, at a special open meeting held Monday night attended by only two inter-ested citizens, decided to limit the term of the levy to five years rather than ten years because of uncertain conditions.

The five-mill tax would raise about \$50,000, and although this amount will likely be matched by transferring tuition receipts from the general fund to the Sinking Fund, making a total of \$100,000 available in the fund, it was recognized that this total would be inadequate for the necessary additions. However, it was felt that another proposal could be submit-

ted to the voters five years hence.

If the taxpayers decide in favor
of the levy on May 28th, the proceeds will be put into a Sinking
Fund and will have to be used exclusively for the "purchase of real estate for sites fer, and the construction or repair of school build-ings." More specifically, the Board of Education is making plans to make room for the increase in en-

The local census indicates that the kindergarten, made up of local The population of rural Kent children, will be twice as large as county continues to increase and it is this year. Young Fishermen Have Luck As Trout Season Opens

Saturday, opening day of the trout season on Cherry Creek brought some 80 youngsters to try saturday, opening day of the trout season on Cherry Creek brought some 80 youngsters to try their luck in the section reserved for them. In the group were these successful fishermen:

In the back row reading from left to right are, Richard Ward, son of Mr. and Mrs. A. E. Ward; Robert Nelson, son of Mr. and Mrs. Lyle Nelson, Richard Ryder, son of Mrs. Emma Oesch; Roger Mayes, son of Mr. and Mrs. Harold Mayes; Richard Connors, son of Mr. and Mrs. Lloyd Connors; Bergy Kleefisch, son of Mrs. Raymond Kleefisch; Joe Mayes, son of Mr. and Mrs. Harold Mayes.

Trout season spened with much enthusiasm on Cherry Creek Saturday morning for Lowell young-

sters under twelve, when they gathered on the banks of the stream, some as early as 4:00 a.m., where the Conservation Department had planted some 200 legal sized trout and the Sportsman's Club reserved fishing for these youngsters.

Carl Hagen, who is president of the club reports that during the day there were between 75 and 80 ys and girls fishing in Cherry Creek and some forty or fifty of the speckled beauties were taken. Earl Evans was on hand to instruct the younthful fishermen in some of the fine points in trout fishing and instilled some lessons in good sportsmanship, which will be appreciated as they get older and more experienced. They had good luck, some of them getting their limit and most of them report

Notes from Kent County Extension

Agriculture bulletin arrived from the forestry department of Michigan State College, on "How to Establish An Evergreen Tree Nursery Bed".

Also we know of a few more Scotsch pine seedlings available from a private source. Call for additional information.

The evergreen seedlings ordered through the Extension office from the State Department of Conservation will be distributed on Friday, May 4, at the Kent County Road Commission Garage in Grand Rapids, from 7:00 a.m. to 6:00 p.m.

Custom rates for all types of farm operations are available. Do you want to build a compost pile this summer? We have some good directions.

Here are the most recent suggestions for control of stable flies; clean up stable thoroughly as well as any breeding place for flies. Use either Lindane or Methoxyclor on wayys or ceilings of stable following manufacturers directions.

Home Economics

The first week in May is National Home Demonstration Week. Attention will be focused on the accomplishments of women enrolled in Home Economics Extension classes. Kent county has 43 organized groups at this time with a

membership of 775 women. Lessons of the past year have included rug making, family recreation, economy meals, dress finishes, legal phases women should know, pattern alteration, simple plumbing repairs, and glove making. These essons have been taught by local leaders to their respective groups. In addition, some special interest lessons have been given. They inthe VFW should contact any of clude tailoring, making curtains, and draperies, repairing inner spring cushions, refinishing furniture, caning chairs and making

slip covers. We try to keep a weil-rounded program with plenty of variety. They include the workshop type of

esson, discussion lessons and demonstrations. Key to the success of an exten sion program in any county is the help of local leaders and group officers. These women contribute much in the way of time and effort. To them the home extension

Who said You can't Afford a Fine Car?

W offer, it's only natural to conclude that it's priced with the rest of the fine-car field.

Sweeping proudly past you, it has a distinction that few cars can equal.

Stepping nimbly away from a stop light, if has the willing surge of power that the very exclusive combination of a 152-horsepower Fireball engine and Dynaflow Drive* delivers.

It rides the road with majestic smoothness, and comes to a smooth and gentle halt, in response to the finest brakes Buick ever developed.

Inside, it has spacious room, from side to side and front to back and seat to roof-plus a softness of cushions and a richness of fabrics which bespeak the custom standards to which it is painstakingly built.

*Yours at no extra cost on RUADMASTERS.

TWITHEN you look at all a ROADMASTER has to All you could want in a fine car is here in

But don't let that fool you into deciding "it's too rich for me."

If you've looked into 1951 car prices generally, you'll discover this:

You can own a ROADMASTER for just a shade more than an ordinary car will cost-and for several hundred dollars less than the price tags usually found in "the fine-car field."

Why not look into this today? Equipment, accessories, trim and models are suffect to change without notice
