Picture of a Pair who just waked up

HERE in the driveway is a Buick. It has just arrived. It belongs to this proud young couple. They've just "arrived" too.

They've arrived at a discovery-the discovery that owning a Buick instead of a "low-priced car" isn't so much a matter of money.

It's a matter of knowing the facts of life. Buick prices are closer to the prices of smaller, less powerful, less distinguished cars than most

Why don't you check into this? You'll find you could pay \$300 to \$400 more and still not match the horsepower of this

You could pay hundreds of dollars more-and still not get any more interior room, or richer

But that's only part of the story.

So you ought to find out how this car rides the road-the freedom from bobble and sway that cost a million real dollars to develop.

You ought to sample the way Dynaflow Drive*

feeds the power - with a steady swoop and unbroken smoothness in city traffic, on hills, or And you ought to know how it feels to touch off that Fireball 8 Engine. With all its might,
