

THE LOWELL LEDGER

Price: 7c Per Copy

LOWELL, MICH., THURSDAY, OCTOBER 23, 1952

Number 26

The first of the week a log came down Flat river, crashing into a grating at the corn mill at King Milling Co., and the water was let down to make it possible to make the needed repairs.

Some of the store owners on the north side of the bridge are taking advantage of the low water to make repairs and improvements on their buildings.

It is expected the work will be completed by the latter part of this week.

Caroleen is probably the cause of a fire starting in dry leaves back of the Catholic church Monday evening, since no one had set any fire to burn leaves or rubbish anywhere in the neighborhood.

Officers Stephens and Armstrong were called and with the help of neighbors were able to put out the blaze which was threatening buildings, without the aid of the fire engine.

The fact that no wind was blowing at the time saved a serious fire.

Will Perkins, author, once said: "It isn't national leaders we need so much as men of good will in each of the little towns of America. . . . The total of all these will make the kind of country we want or don't want."

The same is true to this day and the least we can do to make our influence felt in the nation, is to vote. Nov. 4 is the date.

"One might almost suspect that the tax laws had been written by a Communist fifth columnist for the purpose of making private enterprise unworkable," says Dr. Sumner Slichter of Harvard in the trade magazine Home Furnishings.

The fact that some persons behind the Iron Curtain believe in private enterprise is proved by an announcement by S. S. Slichter that 3.274 shares of its stock are owned by residents of Russia, Czechoslovakia, Poland, and Rumania.

Let's not be afraid to vote on the amendment proposals which are on the ballot for the November 4 election. All three are worded simply and easily understood. However, you won't have time to read them all over at the polls so let's be prepared NOW.

No. 1 is the Drug Act. Simply gives officers authority to search for drugs on persons suspected of carrying them.

No. 2, reappoints the state legislature on population basis only, and is sponsored by the CIO.

No. 3 holds the re-appointment to the present ruling, every ten years, by the legislature—on a ratio of 1% according to the last census. This gives the state population representation as well as the metropolitan areas.

Be sure to vote all of them especially 2 and 3 as a majority carries either.

Jokes, jests, jabs and jibes just by Jeff. American people will gamble anything. Now they're beginning to save money on the chance that it may be valuable again some day. . . . Inflation is when the money you get is worth less than the money you had, if you had any. . . . A government, like a family, is on shaky ground when it spends more than it takes in. . . . And, speaking of money, a guy said he wouldn't have married the gal for her money, but he couldn't figure out how else to get it.

Rotary Club Program

Frank Newell, program chairman for last Wednesday's Rotary luncheon introduced the Rev. Cecil Houghton of Grand Rapids, who made an illustrated talk on Greenland, the largest island in the world.

Mr. Houghton described the island as property of Denmark and a most interesting place. He, with three other G's, spent some time there at a weather observation post during World War II, and he brought with him a number of articles which he had been able to collect while there. Among the souvenirs which he displayed to the Rotary club were articles of clothing worn by the Eskimos and showed how they were made. The slides he used to illustrate his talk were scenes of homes, mountains, glacial effects and bird and plant life pictures.

A large dog, which accompanies Mr. Houghton on his travels is one of his prize possessions and was present at this meeting.

O. E. S. Officers To Be Installed Friday Night

Installation of officers for Cycamen Chapter O. E. S. will be held Friday evening of this week with Worthy Grand Matron Loren Vanderstel of the Grand Chapter of Michigan, Order of Eastern Star, officiating as installing officer. She will be assisted by Mrs. Howard White, as marshal; Mrs. Lydia Johnson, chaplain; Mrs. Pauline Bowman, organist and Mrs. Virginia Rogers, soloist.

The installation ceremonies will be in Masonic Temple with Mrs. Chas. Snay as general chairman and Mrs. John Timpon assisting.

Auction Sale

Saturday, Oct. 25—Carl Wittenbach will sell a high grade Jersey herd, dairy equipment, White Rock pullets, hay and grain, and some farm tools at public auction at his farm 4 miles southeast of Lowell on Pack Lake Rd. (18th St.). Sale starts at 3:00 o'clock. Geo. VanderMeulen, Auctioneer.

AMERICA'S FAVORITE

The Featherweight Champ hat—no light you'll forget it's there. In several styles and colors. \$7.50 at Coons.

Hallowe'en Party Committees Named Date is Oct. 31

Committees for the annual Hallowe'en Party, which all the kids in Lowell and vicinity look forward to, will be headed this year by Oscar Nelson, general chairman, and it promises to be even better than ever.

The big event will start at the school where a dress parade will form and headed by the High School band will escort the American Legion and the Veterans of Foreign Wars through Main St. to Recreation Park, where the big bonfire and all the games and contests will be staged.

Tom Moore, Lou Tanner, Harvey Roberts and Herb Swan comprise the committee to set up tables and gather the materials for the bonfire.

Jack Fonger, Mac Fonger, Jerry Roth and Al Hermans will be in charge of the refreshments, cider, doughnuts and apples, and will see that all the necessary equipment such as cups and pouring pitchers are on hand.

King Doyle, Chuck Hill and six others from the Lowell Rotary Club will help at the stand and assist in the games and contests. The School Public Address system will be used in the conducting of games and contests for prizes.

Judges for the dress parade will be Lou Kingsley, King Doyle, Jack Fonger, Commander of V. F. W. and Auxiliary and the American Legion. First prize for the best dressed in costume will be \$3; second, \$2; third, \$1, and there may be still more prizes if the money holds out.

Anyway it is expected the whole town will be out to celebrate Hallowe'en on Friday evening, Oct. 31, and a lot of fun is in store for everyone.

COMING EVENTS

The Swiss Ladies Aid will meet in the home of the Fusa sisters instead of with Mrs. Elise Bieri as announced.

Lowell Moose lodge will meet Tuesday evening, Oct. 28, at the hall. Call to order at 9:00 o'clock. Lunch will be served at this meeting.

Lowell Sportsman Club will meet Tuesday, Oct. 28, at the city hall.

Mrs. Katherine Lipke will program "A Bed for a Night" at Congregational church Monday, Oct. 27 at 8:00 o'clock. All are invited. Admission 50c including refreshments. Peckham Group, sponsors.

The Lowell Past Noble Grand Club will meet Tuesday, Oct. 28 at 7:30 at the home of Mrs. John Freeman on Vergennes Rd., with Mrs. Peter Mulder as co-hostess. Members please note the change in date.

V. F. W. Auxiliary is sponsoring a public Euchre party at the hall Friday evening at 8:00 o'clock.

The Women's Fellowship of the Congregational church will meet in the parish house, Friday afternoon, Oct. 31, at 2 o'clock.

The Swiss Ladies Aid will meet on Nov. 8th in the home of Mrs. Elise Bieri at 121 N. Jackson St.

The W. S. C. S. of the Methodist church will meet in the Woman's Lounge Friday afternoon, Oct. 24th at 2:30.

Hallowe'en Party, Saturday, Nov. 1, at Fallsburg school at 8:00 p. m. Box Social, costumes, fun, coffee, donuts, cider furnished. Committee, Mrs. Wm. Green, Mrs. Jim Tison, Mrs. Bruce Tower. Everyone welcome.

Attention Legionnaires of the Lowell Moose. Meeting and potluck dinner at 7:00 p. m., Nov. 6, 1952, at the Moose hall. Very important. Please attend. 28-27

The Priscilla Group of the Methodist church will meet in the Ladies lounge Wednesday evening, Oct. 29, at 8:00 o'clock. All members are urged to bring guests.

A joint meeting of the American Legion and Auxiliary will be held at the city hall Monday, Oct. 27, with a potluck supper at 6:30. Rolls and coffee will be furnished. The unit will have installation of officers in the evening, to be followed by a social.

BAPTIST CHURCHES JOIN IN REFORMATION RALLY

Alaska, Ohio and Lowell Baptist churches are co-operating in a Reformation Rally to be held at Alaska Baptist Church Sunday, October 28, at 9:00 p. m. George Adams will be the speaker.

Merritt Miller Passes Suddenly Wednesday

Merritt Miller, 82, passed away very unexpectedly Wednesday about noon. He had been in poor health for several months but his condition was not considered serious. He was found by his wife, Donna, on the floor in the kitchen of their home on Chatham St., where he had fallen from his chair. Death was attributed to a heart ailment and was apparently instantaneous. He had spent his entire life in Lowell.

Surviving besides his wife is his mother, Mrs. Ida Miller of Lowell. Funeral arrangements are not completed and will be in charge of Roth Funeral Home.

Wolverines Play Too Tough Game For Red Arrows

The Godwin Wolverines, tough team of the Grand Valley Conference, presented too much strength, and depth when they defeated the Lowell Red Arrows at Recreation Park Friday night 25 to 0. The score does not exactly indicate the comparative strength of the two teams. Two Godwin touchdowns came as the result of defensive lapses on the part of the Red Arrows, rather than on the superior play of the Godwins. On the other hand, Coach Barr, substituted freely, a fact that kept the score down to a 25 to 0 margin.

Much to the surprise of everyone present, Lowell, actually outplayed the visitor throughout most of the scoreless first quarter. Superior man-power paid off for the Wolverines early in the second quarter when Jerry VerHulst, one of the conference best backs, smacked over for one yard to give Godwin a 6 to 0 lead. The visitors second TD came as the result of a 40-yard pass by VerHulst. On this particular play the Arrow defense was caught napping to allow a pass receiver to get behind them. The point on conversion made the score 13 to 0 at half time.

Bands Play at Half Time

An excellent program by the combined Junior and Senior bands entertained the fans during the half-time intermission. In spite of the frost and cold both aggregations gave a very fine exhibition of marching and playing.

A blocked punt on the Lowell 24-yard line, presented the Wolverines with their third scoring opportunity to make it 19 to 0 at the game entered the final quarter. Up to this time the Red Arrows had only made one first down. The home-town lads made their only offensive gesture at this time when a flurry of pass completions racked up a series of first downs. However, it simply wasn't Lowell's night and a pass-play backfired when Godwin intercepted and romped to their final touchdown to make it 25 to 0.

This week Wednesday the Red Arrows will play host to Belding in a non-conference tilt. This should be a bang-up ball game as both teams have been having rough going in their respective circuits. Game time will be at 7:30 Recreation Park, Wednesday night.

The Arrows will resume Conference play October 31 when they travel to Lee High. After the Belding contest there will be only one more home game with Rockford Nov. 7, a game that has been selected as Lowell's Homecoming contest, so Lowell fans have only three more opportunities to follow this year's Red Arrows on the gridiron.

Seconds Lose 6 to 0

Last Thursday the Lowell second team lost a 6 to 0 game to the Godwin seconds at the Godwin field. The only score of the game came in the final minute and 40 seconds of the game.

"Bucky", Sports Reporter

Lowell Club Women Attend District Meet

Four Lowell club women, Mrs. Phillip R. Gloyfety, Mrs. John Taylor, Mrs. Glen Swift and Mrs. M. E. Simpson attended the District Federation of Women's clubs held in Greenville last week Wednesday and report a most successful and enjoyable meeting.

Nearly two hundred delegates registered early and the morning activities were high pointed by address by Michigan's State Federation President, Mrs. Wm. O. Merrill, who stressed the work women's clubs have done, are doing and could do, in her short history of the federation as she talked fluently on "Federation Highlights".

During the general luncheon and afternoon program the women heard Mrs. John Kistler of Grand Haven, first vice president of the district federation; Arthur Hageman, Detroit, publisher of "Inside Michigan"; and James S. Ryan of Grand Rapids, manager of the Girls Town Benefit Food and Gift show.

Newly elected officers are: President, Mrs. Roscoe Augsburg of Vernon; vice president, Mrs. H. F. Sparkle, Belding; secretary, Mrs. B. Elliot, Ovid; and treasurer, Miss B. Platt, Vestaburg.

BLUE STAR MOTHERS SEND CHRISTMAS BOXES ACROSS

Mrs. Gladys Draper, Mrs. May Flynn, Mrs. Leona Minard, Mrs. Ruby Andrews, and Mrs. Henrietta Boerma met at the home of the president, Mrs. Anna Ellis, Thursday afternoon and packed 14 boxes to send to our service boys overseas for Christmas from the Blue Star Mothers.

Council Considers Proposed Plans For Improvements and Extensions To Lowell Water, Sewer Systems

At a special meeting of the Village Council, Monday night, the Council considered proposed plans for improvements to the sewer and water systems of the Village. The plans prepared by Williams and Works, Consulting Engineers, called for additional water mains to serve built-up sections of town, now without adequate service, and to strengthen the extended water distribution system providing circulation through dead ends, providing fresher water and equalizing pressures for better fire protection. Also included in the proposed project are sewer extensions to alleviate present unsanitary conditions due to unsatisfactory sewers and overflowing septic tanks in unsewered sections of the village.

Another item in the plan is the construction of a new well to supply additional water with less iron and less hardness, giving a reserve in case of an emergency. The fourth item proposed is the construction of a sewage treatment plant to protect the river from bacterial pollution and repetition of the incident of some years ago when several boys became ill due to drinking river water.

In years past, improvements to the water system have been financed from the income of water works or else the money for improvement has been taken from the general fund, with WPA contributions. Previous improvements to the sewer system have been financed by the general fund and by WPA monies which are no longer available.

Inasmuch as the Village does not have sufficient money available to pay for the proposed construction

program, they were advised by the Municipal Finance Commission to finance the necessary construction by issuance of revenue bonds which would be paid for from the water service charges and a new sewer service charge rather than by general obligation bonds as revenue bonds do not come under the debt limit restrictions set up by the State and also general obligation bonds should be saved for projects that cannot be financed otherwise. The Engineers estimated that the proposed construction program will cost \$260,000, which is divided very nearly equally between water and sewer work. A proposed new rate schedule for sewer and water service was presented to the Council which would be sufficient to cover the cost of proposed improvements and pay operating expenses. The proposed rate schedule on a monthly basis would be as follows:

Meter Service Charge,	5/8x3/4 inch meter	-----	\$1.25
2-inch meter <td>-----<td>\$1.75</td><td></td></td>	----- <td>\$1.75</td> <td></td>	\$1.75	
0 to 2,000 gallons, no charge			
2,000 to 5,000 gallons (per M)		40	
5,000 to 10,000 gallons (per M)		25	
Over 10,000 gallons (per M)		10	

Sewer service rates would be equal to the water rates except that the sewer service charges for the two summer quarters would be made equal to the average of the two winter quarters for domestic users inasmuch as a considerable amount of the summer consumption of water is used for lawn sprinkling and other similar uses where the water is not returned to the sewer for removal.

The following comparison between the present water rates and proposed new water rates was made by Williams and Works:

Gallons Present	Prop. New	Prop. New	Total Prop. Q'ty Chg.
Per Qtr. <td>Water Chrg.<td>Sewer Chrg.<td>both Water, Sewer</td></td></td>	Water Chrg. <td>Sewer Chrg.<td>both Water, Sewer</td></td>	Sewer Chrg. <td>both Water, Sewer</td>	both Water, Sewer
0-6,000	\$ 3.25	\$ 3.75	\$ 7.50
9,000	3.25	4.95	9.90
12,000	3.65	6.15	12.20
30,000	6.25	11.10	22.20
150,000	14.65	23.10	46.20

It was pointed out that the new charges for water for the average domestic user would still be lower than charges for similar quantities of water in Ionia, Portland, St. Johns, St. Louis, Benton Harbor, East Lansing, and a number of other cities. The rate to large water users would be about the same as the average of other Michigan cities. Although domestic rates are higher than they are in Grand Rapids, it was explained that in the City of Grand Rapids the cost of water mains is charged to the property owners, while in Lowell, main extensions are paid for from the income of the utility.

No other small town in this immediate area has a sewer service charge. It was noted although the Village of Sparta is considering such a charge to defray the cost of a new sewage treatment plant which they are being forced to construct and the City of Grandville levies a straight two mills on the tax roll. While Grand Rapids has levied a sewer service charge, the rates are considerably lower than those in the proposed new rate schedule for Lowell, inasmuch as the sewers in Grand Rapids are paid for by assessments against the property owner. It was brought out that Mt. Clemens has a sewer service charge which is about twice that for Lowell under the proposed rate.

After considering all available methods of financing the proposed project the Council accepted the recommended rate changes as the most equitable method but decided to take no official action until their next regular meeting, Monday, Nov. 3.

Funeral Rites Tuesday For Elsie M. Gabel, 79

Elsie Mae Gabel aged 79, and a lifelong resident of Lowell, passed away at the home of her niece, Mrs. Olive Pennock, in Lowell, Saturday, Oct. 18.

Surviving is one son, Virge Brighton of Grand Lodge; one daughter, Austin Erb; six grandchildren, four great-grandchildren, nieces and nephews.

Funeral services were held Tuesday afternoon from Roth Funeral Home, the Rev. Roy A. Mumau of Ionia, officiating and burial was in Memorial cemetery.

Sportsmen to Present Hunting Season Films

There will be a regular meeting of the Lowell Sportsmen Club at the Lowell City Hall, Tuesday, October 28, at 8 o'clock.

With hunting season in full swing and deer hunting just around the corner, this is a very timely meeting. After the regular meeting there will be an interesting showing of pictures and refreshments.

All regular members are urged to attend this meeting and an invitation is extended to all those interested in fishing, hunting and the conservation of our wild life.

Ada Township Works To Get-Out-The-Vote

Residents of Ada and surrounding areas held a non-partisan rally at the Ada Township Hall Tuesday at 8 p. m. to plan a get-out-the-vote campaign for the township, according to Bernard Rooker of Ada.

Plans call for dividing Ada Township into areas and to contact all registered voters in an effort to increase voter participation in the Nov. 4 election.

LAST RITES WEDNESDAY FOR MRS. HARRY SHERMAN

Mrs. Harry Sherman, a former Lowell resident passed away Monday at the home of her daughter in Owosso, at the age of 88. The funeral was held at eleven o'clock Wednesday, with burial in Oakwood cemetery, Lowell.

Saranac High School Dance

Music by Rose Ballroom Aristocrats, on Friday, October 24, 9:30 to 1:00. Admission 75c. Public cordially invited.

Early Autumn Storm Strikes This Section

Lowell was without lights and power for a short time Sunday afternoon while service men repaired the damages done by the storm which blew tree limbs across wires. Telephones were also out of working order in some parts of this section. The worst of the storm was north of Lowell according to reports.

The high winds were accompanied by rain, sleet and snow, making the highways slippery. A stretch between Cedar Springs and Rockford on US131 was particularly hazardous in late afternoon and several accidents are reported from there. It seems early for winter driving but that is what happened Sunday, October 19, 1952.

Lowell Teachers In 2-Day Session M.E.A. This Week

Lowell teachers and representatives for the local P. T. A. will be in attendance at the annual meetings of the Michigan Education Association and the Michigan Federation of Teachers, along with some 4000 teachers from this part of the state Thursday and Friday of this week.

Parent-teacher organizations in 13 West Michigan Counties will meet in conjunction with Region Four of the Michigan Education Association and the Michigan Federation of Teachers, along with some 4000 teachers from this part of the state Thursday and Friday of this week.

PTA delegates are coming for this meeting from Kent, Allegan, Barry, Ionia, Montcalm, Ottawa, Muskegon, Manistee, Mason, Mecosta, Newaygo, Lake and Osceola Counties.

Mrs. Leon M. Day of Grand Rapids and Mrs. Aileen W. Elliott of Muskegon are in charge of its session for the PTA groups.

Michigan Federation of Teachers will hold a two-day meeting starting Thursday in Central Reformed Church auditorium.

Household Arts Hold Open House Thursday, Oct. 30

On Thursday evening, Oct. 30, between the hours of 7:00 and 9:00, the public will have opportunity to inspect the Smith House, located near the Showboat bleachers, which the Board of Education has converted into the Household Arts department of the Lowell High school. The girls in the home Economics classes will proudly conduct visitors through the converted house.

The department is functioning very well in the new quarters, which enables the girls to do their work under ideal conditions. The young ladies, under Miss Thielan's supervision, helped a great deal in renovating parts of the home. They removed the wallpaper from several rooms and did the papering and painting. They helped to make the curtains and in general assisted in much of the other work. In helping to choose designs and colors they were taught lessons in interior decorating.

First Annual B. I. E. Day Big Success in Lowell Teachers Visit Plants

Lowell teachers and representatives of local manufacturing and processing plants are agreed that the first annual Business-Industry Education Day was a real success in promoting mutual understanding of each other's problems.

The teachers spent over six hours in visiting local plants on Monday of this week and they were amazed at the amount and type of foods that are processed locally. They learned a great deal in visiting the following establishments: Foreman Hatches; L. W. Ruth-erford Canning Factory; Paul Kell-og Vinegar and Cider plant; C. H. Runciman Company; King Milling Company and the Christiansen Locker plant.

At each plant the teachers were briefed on points of interest and they asked many questions which were courteously answered. The teachers were feted at night by these firms and again there was a question and answer period conducted by Mr. Runciman.

William Lee of the Superior Furniture Company gave the address of the evening in his own pleasing and interesting style. His talk was based upon common sense observations and included such topics as proper attitudes, profit system, management and labor relations, and character and community responsibilities.

Plans are already under way for the second annual event at which time the teachers will visit the manufacturing plants.

BIRTHS

To Mr. and Mrs. Joseph Oesch of Alto, Oct. 5, at Pennekock hospital, a daughter, Bonnie Lee. She weighs 7 pounds and 12 ounces.

To Mr. and Mrs. Floyd Shepard of Alto, Oct. 7, a daughter, Bonnie Jean, weighing eight pounds four ounces.

To the Rev. and Mrs. Robert Martin of Elmdale, Oct. 15, at Pennekock hospital, Hastings, a daughter, Cynthia Elizabeth, weighing 7 pounds and 12 ounces.

To Mr. and Mrs. Leslie Hoag, at Butterworth hospital, Oct. 4, a girl, Lorraine Ruth.

CHERRY DANCE

A benefit dance for charity will be held Friday, October 24, 1952 at the Civic Auditorium in Grand Rapids. The proceeds will be placed into a new building fund for St. John's Children's Home in Grand Rapids.

Lowell Mothers Become Enthused About Fluoride

Young mothers in Lowell and vicinity have become quite enthused about a process called "Fluoridation" in the water supply which is proving most successful in preventing tooth decay. The inspiration came primarily when Phillip Youngblood, DDS of Grand Rapids was guest speaker at last week's meeting of the Child Study Club at the home of Mrs. Richard Belmers, where 23 women had gathered to hear him.

Since the meeting the ladies have been learning much about fluoridation and found it has been endorsed by the U. S. Public Health Service, State and Territorial Dental Directors, State and Territorial Health officers and approved by most health authorities throughout the state and nation and it must have some value here in Lowell.

Probably the chief benefit derived from its use is the reduction in dental decay in children by from 60 to 66%, and the retention to a large extent the natural teeth in adults.

That it is beneficial has, and is being substantiated everywhere that treatment is being received and at no place to date has a failure been recorded.

Operating Cost is Low

Only two items are involved in cost of processing the public water supply: the expense of equipment for proportioning and the fluoride. The ratio is one part fluoride to 1,000,000 parts water and no added cost for extra operating personnel.

It is estimated that the whole cost would be about one cent per person for a lifetime. There is no discoloration to the teeth and no taste in the water.

At present Grand Rapids, Midland, Algonac and Ludington in Michigan are using fluoride treatment while Hastings, Saginaw, Wyandotte and Green Pointe Farms have been granted petitions to start the treatment.

Interest is growing fast in Michigan towns, including Lowell.

Gould's Garage Showing All-New 1953 Dodge Car

The most dramatic changes in the 38-year history of the Dodge passenger car will be unveiled Thursday, October 23, when Dodge Division of Chrysler Corporation introduces its sensational 1953 "action car".

The new, completely restyled Dodge with a powerful 140-horsepower Red Ram V-Eight engine goes on display in the showroom of Gould's Garage with sweeping changes in both styling and chassis features plus the unprecedented efficiency and new engine announced Peter Sperastra, owner of Gould's Garage.

New beauty and a smooth flowing effect have been achieved by flavoring the lower, softer lines and increased glass area with a touch of continental design. These attractive styling changes are being offered in the entire 1953 Dodge line which consists of 10 different models, Mr. Sperastra said.

The 140-horsepower Red Ram V-Eight engine is featured in the Coronet series, while the popular and dependable six cylinder engine is retained in the Meadowbrook and Meadowbrook Special series.

Body beautification and the Red Ram engine are definitely the all-new 1953 Dodge. But there are many other significant features such as a wide choice of transmissions. And there is a new steering case and maneuverability achieved by a more compact chassis design, a new suspension system and an improved steering mechanism.

Mr. Sperastra stated four different types of drive were being offered. The new Gyro-Torque drive, provides lightning response without shifting; Gyro-Matic drive, which offers smooth no-shift driving; automatic overdrive, which provides a fourth "cruising" gear for greater gasoline economy; and standard drive, for those preferring to do their own shifting.

On Coronet models, another innovation is center-balanced steering, resulting in less wheel effort, greater steering accuracy and greater absorption of extra shock.

The "action appearance" and beauty of the 1953 Dodge is marked by lower, longer and more smoothly flowing lines than any previous model. The low, fender line is continuous from front to rear and is accentuated by a soft-blended "kick-up" on the rear fender.

Driver and passenger visibility is considerably improved by the use of a one-piece curved windshield and a larger wrap-around rear window that achieves an effect of "watch tower" visibility.

Ornamentation on the 1953 Dodge has been completely changed. The hood is one-piece front-center-stripe. To promote greater engine efficiency on V-Eight models, the hood medallion combines identification with the functional feature of an air scoop to supply cooler air for the carburetor.

The rear-end styling of the 1953 Dodge has a low, sleek continental appearance. Counter balanced trunk lid hinges are further apart to avoid squeezing baggage. The lid can be closed without locking.

In keeping with the trend toward sport cars, Dodge will offer wire wheels and a continental-type rear tire mounting on the Diplomat hardtop at extra cost.

A wide range of bright, new colors and two-tone combinations are available to complement the beauty of the 1953 Dodge.

Current News Items About Our Servicemen

WRITES FROM GERMANY

The Ledger was happy to receive a letter from Cpl. Lester M. Jebb who is now in Mannheim, Germany, which we are passing on to our readers who are always interested in news from our servicemen. The letters follow:

"Just a few lines to say hello and to say that I am receiving the Ledger again and it sure helps a lot when you have lots of spare time on your hands. I really enjoyed being in Lowell for my furlough and I had a nice time while I was there.

"There isn't much to write about except that we are spending a lot of time in the mess hall as we get to see a lot of the country and it is pretty interesting to see how the people live over here and the way they do things.

"Most of the people here live on farms and still use oxen to work the land with and even some of them use milk cows to plow with. I was wondering if it is possible to get a picture of Main street as I would like to have one.

Dear Hunting Season Presents New Picture

Thousands of deer hunters are eyeing the calendar and waiting impatiently for November 15, opening day of the deer season. Most of those thousands will troop into their country hunting as much for sport as for venison as they want to take home.

"I've Been Working for the TAX COLLECTOR"

Mr. and Mrs. American: One-third out of every dollar you earn goes for taxes, both direct and hidden. You work one day out of every three just for the tax collector.

vote for lower taxes vote for GERALD R. FORD, Jr. Republican Candidate for Congress Every Vote for Gerald Ford is a vote to cut YOUR Taxes

Remember November - as one can see. The Ins keep on declaring it is only a "red herring" that the Oute keep blurring over in the press.

WELL be the first to admit that you can buy a car for less than the price of a Buick. But not so much less as most people think.

Look what a FEW EXTRA DOLLARS will buy. For the few extra dollars you pay for a Buick, you get the ginger and thrill of a lot more power than you'll get in any other car of its price and pounds—plus the big miles-per-gallon figures of Buick's famed high-compression Fireball 8 Engine.

Don't Let Them Take It Away! Deceiving Citizens

So you never had it so good. At least that's what our political opponents are trying to say—and in the same breath they're trying to deceive honest citizens into believing that Republicans are best solely upon "taking it away". Nothing is further from the truth...

Gerald R. Ford Endorses Potter

The Endorsers for Democratic Action, better known as the A. D. A., has produced its "scorecard" on members of Congress. A few Senators and Representatives had a good batting average with this organization but most did not.

Like Mother, Used to Make

He criticized her pudding, he didn't like her cake, he wanted she'd make the biscuits his mother used to make. She didn't want the dishes and she didn't make a stew, and she didn't darn his stockings like his mother used to do.

Saturday, Oct. 25

Starting at 1:00 P. M.

HALLOWEEN

Sugared Doughnuts

- 1 cake yeast
- 1 cup milk
- 3 1/2 cups KING'S FLAKE Enriched Flour
- 1/2 cup sugar
- 1 teaspoon salt
- 1 egg
- 2 tablespoons shortening

Dissolve yeast in lukewarm milk. Add 1/2 cup of flour and beat until smooth. Cover and let rise until double in bulk. Combine shortening, sugar, salt and egg. Stir into the yeast sponge. Add remaining flour and beat well. Roll 1/2 inch thick. Cut with doughnut cutter and let rise 45 minutes. Make glazing of 1 cup powdered sugar and thin with cold milk. Dip doughnuts while they are still warm.

Bowling

News

There will be open bowling at the alleys on Thursday from 1:30 to 8:30 and Friday, Saturday and Sunday from 11:00 to 11:00.

UPTOWNERS LEAGUE

King Milling Co. continued to lead this league by defeating Dyk and Dyk two games and total pins although spotting their opponents 145 pins per game. Keech with 518 and Strause with 516 were high for the winners. Ace Plating Co. only 1 1/4 points out of first place, slammed the Vets for two games and a tie game, giving them 3 1/4 points. New ABC rule—the games give 1/4 point to each team). For the winners Blakeslee hit a 537 and Seidel came up with 221-524. For the losers Kinyon hit 518 and Quiggle 510. Tut & Dots grabbed two games and total pins from Highland Hill Dairy with B Snyder hitting a 212-538 to lead his teammates. Browers Tavern took two games from Slaters Service but lost total pins for a split for the evening.

TAVERN LEAGUE

John Topp still leads the Tavern league with a 229-559 series beating Al Kerr by one pin 201-558 series. Kerr's tavern sweep the three games and total pins from Jack's Bar to lead the league in points. Other top bowlers were Lud Kerr 212-504, John Abraham 203-514, Ed Roth 203-506, Dave Clark Jr. 201-460 series. Kerr's took the honors in a high team game and series 945 and 2618.

This week the boys have settled down to more consistent bowling. Only three 300 games but there were a lot of good series. Jim Topp's 211 was high game but C. Armstrong took the honor of high series with 543. Other high men were E. Post 208-189-542 series, E. Laver, 192-175-538, Jim Topp had a 517 series, Dick Roth a 205 game.

All captains be sure to have your team there and ready to bowl at ten minutes to nine. We must be done by eleven.

SPARKETTE LEAGUE

Points divided up in the league Tuesday night as scores soared again. Kaiser's Kitchen had team high series of 2008 and Runciman's had high single of 702. Marilynne Dilly topped the evening with a 604 series. Charlotte Gardner rolled a 188-87, Esther Clemens, 64, Darlene Cabon 460, June Warren, 442, Betty Maloney 199-437 and Louise VanProoyen rolled a 179.

Engagement Announced

Mr. and Mrs. Dee Bryant of Alto, have announced the betrothal of their daughter, Miss Mary Ellen Bryant, John B. NE, to Pvt. James A. Wilyard, Mr. and Mrs. Vern Wilyard of Caledonia are the parents of the future bridegroom. The couple plan to be wed in December.

Attends Homecoming

Miss Barbara Roost, Lowell High School teacher, of 400 1/2 No. Washington, was the guest of her alma mater, Wheaton College, Wheaton, Illinois, on October 17, 18 and 19. Miss Roost graduated from Wheaton in 1922.

Activities for the weekend included the variety football game between Illinois Wesleyan and Wheaton, many class reunions, annual alumni meeting and dinner, parade and entertainment both academic and social.

Boy Scout News

At the meeting Monday night 22 scouts were present and three committeemen, Drooger, Shaler and Rivette. The Troop is sorry to be losing David Maxson, a good member, who is moving to Florida soon.

Next Monday night official inspection will take place and all Scouts are to come in uniform and help make a good rating for the Troop.

Among Scout activities in the near future will be the hanging of Liberty Bell tags on door knobs in Lowell to remind voters to do their duty as Americans at the polls November 4. Also the "I Have Voted" buttons will be presented to all voters as they leave the polls on election day, by Scouts.

SMILERS HOLD REUNION DINNER AT HOLLY HOUSE

"The Smilers" held their reunion Sunday with dinner at the Holly House in Grand Rapids, adjoining later to the home of Mrs. Glenn Dolph (nee Mildred Oberly). Those present were Mrs. V. L. Watis of Alto, Mrs. Harry Wilyard of Grandville, Miss Margaret Ghougerty of Grand Rapids and Mrs. Evelyn Denny and Mrs. Ronna Miller of Lowell.

SUNNY ACRES FARM BUREAU

Sunny Acres Farm Bureau meeting has been changed from Thursday, Oct. 23, to Friday, Oct. 24, because of the officers training school at Ada Township hall. The meeting will be held at Strong school with Mr. and Mrs. Gerrit DeGood, host and hostess, at 8:00 p. m. There will be potluck lunch.

LOWELL LADIES GIVE TEA HONORING HOUSE GUEST

A tea for thirty ladies was given last Tuesday in the G. R. Thompson home honoring Jane Chubinski of Charlevoix, who has been visiting her family in Grand Rapids. Mrs. Bert Myers and Mrs. Leo Denny were co-hostesses with Mrs. Thompson.

Perkins-Green Wedding Solemnized October 13

Clarence (Jake) Perkins and Leone Green were quietly married in the Little Chapel in the Gardens at Angola, Ind., Monday, Oct. 13, the double ring service being used. They were attended by the brother-in-law and sister of the groom, Mr. and Mrs. A. K. Hammond, Mr. and Mrs. Ray Hammond were also present for the ceremony.

On their return to Lowell the couple were surprised to find a wedding dinner and reception awaiting them, which had previously been planned by the Hammonds. All the employees at the Lowell Cafe and friends to the number of fifty were present to extend best wishes and help to entertain.

Mr. and Mrs. Perkins are nicely settled in their apartment at 225 1/2 W. Main street in Lowell. Both are employed in the cafe.

O-ki-hi Campfire Girls

The eighth grade Campfire girls held their meeting at Mrs. Munroe's house this week.

We discussed ways to raise money. We decided to have a candy sale. Next week we will have a small meeting to discuss the candy sale and the week after that Barbara Court is in charge of the meeting. Marva Ellis, Scribe

Eighth Grade

The eighth grade had to have their class meeting on Tuesday this week because of not having school on Monday.

The president called the meeting to order. The main topic we discussed is some sort of entertainment for our grade at noon hour. Several people had suggestions but it seemed that not very many people stayed in the room at noon. Mr. Howe made the suggestion that a survey be taken of the kids that stay in the room. The president appointed a committee to take the survey. It will last for 10 days and then it will be brought before the class. There was no further business so the meeting was adjourned. Marva Ellis, secretary
