#### **New Boy Scout Building** Receives Useful Gifts **As Work Progresses**

Several useful gifts have been received for the new Boy Scout building which is nearing completion and will be ready for occupancy before winter. Clark Established June, 1893 Fletcher is the donor of an electric range; a grand plano is the gift of Mrs. Kittle Mason; phonograph from the MacTavish family; and substantial cash gifts from Harold Englehardt and C. H. Runciman.

The new building is progress-ing nicely and it is hoped it will be entirely roofed and enclosed within a short time.

This week the boys are work ing at the 4-H Fair assisting with the parking and other duties.

Last Saturday the rest of the cement floor was poured and C. day afternoon. Baird arrived in time to float it. Other workers were Eddie Laux, rafters were placed as C. and F. Boyce, R. Avery, G. and D. Rol-Bill Wittenbach were on duty to help in various ways.

After eating, the children played games and ran races and Soldier Writes Letter each child present received a prize. The women and men also played several competitive games.

There was only one sad note to the picnic, little Clara Diane Barton was bitten on the mouth by a yellow-jacket bee early in the day and her mouth and face were swollen badly-but she managed to eat a little ice cream in spite of it all.

After the members left the Park, about 25 returned to the V. F. W. Hall where several films were shown through the kindness of Mr. Carl Hagen, teacher in the Lowell school, who so generously gave of his Sunday evening to run the projector. All who attended had a most enjoyable day and it is hoped that next year there may be even more members and their families turn out to enjoy the V. F. W. Sunday in the Park. .

# Lowell Is Busy With Building Activity Barbershoppers

Leading in the building activities in Lowell this summer is the new \$75,000 Catholic Grade School on Amity street which is being rushed to completion for the opening of school on Wednesday, September 9. It is expected there will be some 100 students in the eight grades with several coming in from Ada. Also the residence at 517 Elm St, is being remodeled in the interior and redecorated for the occupancy of the Dominican Nuns who will be teaching in the new school.

Another project that is being rushed along is the new Dodge-Plymouth garage being built for Peter Speerstra on West Main St. This building 54x109 is expected to be ready to move into this fall. The third big project in the village which workmen are pushing for early completion is the remodeling of the factory building for the Lowell Stamping Co., at the northwest village limits, Another commercial building being constructed is a warehouse for Newell Manufacturing com-

pany, 75x85 adjoining their present building. Lowell Lumber and Coal Company is removing several old wooden structures and will replace them with a 48x60 warehouse adjoining the lumber company office. William Heim is constructing a 24x30 garage warehouse on East Main St. The following permits have been issued for dwelling construction: S. E. Dawson 36x54 block

and brickcrete, 1043 Vergennes Rd.; Dave Clark, Jr., 36x30 frame house and garage, Grove St.; Ray Cornell, 24x32 frame dwelling, Youngs addition; Ed Compagner, remodel 45x24 frame dwelling, 1225 East Main St.; Vern Keim of Clarksville, 26x30 temporary garage house in Foxes addition; Edward Deible, 12x20 frame addition, 222 S.
