Stores Damaged By Smoke, Water **Numerous Fires**

Fire in the block at 219 E. Main Tuesday morning was discovered by Officer Geo, DeGraw who noticed smoke coming from the second story windows. Firemen were handicapped by the dense smoke and gas in the halis and in the apartment occupied by Mrs. Ida Staal who was absent from home at the time. It is believed the fire was caused by faulty wiring and an overheated motor in the electric refriger-
