First Home Football Game Friday Night Under New Lights

JUONYJUUL JUDDADR

Lowell High School football team will meet the undefeated East Grand Rapids eleven on Friday night here, under the newly creeted super lighting system. Crews of men have been working against time for the past ten days to get the lighting ready for the first home game. The new lights in the background in the picture above consist of four poles to a side as compared with six poles in the old system. On the east side of the field there are 65-foot poles set fifty feet from the edge of the field with eight fixtures to each pole. On the west side of the field pictured above there are ninety-foot poles set 35 feet from the edge of the playing field and each pole has twelve fixtures to a pole. This gives the new lighting system 80 lights, compared to 24 in the old system. Setting the poles back from the field will enable the spectators to watch the game with no obstructions in front of them. This lighting equipment is expected to cost in the neighborhood of \$10,000 installed and the cost will be paid by the school to the village on a rental agreement. Be sure to attend the game Friday and boost the home team. See picture of team and other information on page eight of this issue.

GINGERBREAD

- 2 cups self rising flour 1/2 cup sugar I teaspoon ginger
- I teaspoon cloves I teaspoon cinnamon
- 1/2 cup oil or melted shortening cup molasses
- 2 eggs, well beaten cup boiling water 1/2 teaspoon soda *

* Soda is used only to counteract acid of molasses and not as a leav ening agent. For this reason it is added to the hot water so as to disperse the gas before adding it to the batter.

Combine flour, sugar and spices and mix thoroughly. Combine shortening, molasses and well beaten eggs and add gradually to dry ingredients, beating well (about 10 strokes) after each addition. Stir soda into boiling water; when foaming has stopped, pour water into mixed ingredients and beat until smooth (about 50 strokes).
