

building is progressing slow-ly because of the unfavorable weather conditions and scarolly of masonry help. However, the roof is being put on this week and it is expected the heating plant and windows will also be installed.

Present outlook is that the children may move into their new school home within a couple of weeks.

An attempted break-in at Hammond's Cafe some time Monday night was discovered Tuesday morning, and the try was apparently unsuccessful. That same night two gas stations in Ionia were broken into and robbed of candy bars, cigarets and place, small change. It has happened before that Lowell and Ionia had unwelcome visitors the same night.

Officers state the footprints were small which might indicate juveniles are at work. * * *

Ray Cornell has completed another new home on North Center St., which is now open for inspection. These homes which Mr. Cornell builds sell as fast as he can get them ready.

Still another house has been started in that vicinity. * * *

American Legion Memorial Building is most attractive with its new white coat and window trim of dark green. It is a decided improvement to the aprearance of Lowell's East Main Street. Plans for the landscaping of the grounds are under way.

Space is left at the frent of the building for a memorial plaque.

It is understood the Neads are planning extensive buildfuture.

We're out to make a Record

We're shooting for the biggest October in Buick history and we're willing to go all out to make it.

Right now, Buick is outselling every other car in the nation-regardless of price class-except two of the so-called "low-priced three."

So you know that it has the combination of horse-

power-room-comfort-performance-and styling

And it isn't hard for you to figure out that Buick dealers must be offering the kind of prices and trade-

ins that the public goes for-because you can't make

record sales these days unless you have everything it

Come in and see us, and you'll know what we mean.

takes to make a winning combination.
