Select a style for every occasion, in our Corset Department today.

THE 100-MILLION-DOLLAR LOOK

1955 NEW YORKER DELUXE 4-DOOR SEDAN

Fast growing favorite with those who know STYLE

The switch is on to Chrysler, and new style is the reason! Sleek "tailored steel" . . . exemplified by the 1955 Chrysler . . . is definitely changing America's mind about motorcar fashion. With Chrysler it's a long, low look of forward motion that includes the new sweptback Super-Scenic Windshield, "Wrapping around" both top and bottom, it provides safer vision than any wind-

shield with straight up-and-down posts. All Chryslers now have V-8 engines . . . up to 250 hp. Full-time Power Steering, and PowerFlite . most automatic of all no-clutch drives . . . give you performance you'd expect of cars that are proving to be today's leaders. Truer now than ever . . . the power of leadership is yours in a Chrysler! Drive one and see!

NOOD thing the Buick factories stepped up pro-I duction of the 1955 cars when they did hecause customer orders are pouring in-

It seems that just about everybody wants a 1955 Buick - the "hot" car that's getting hotter by

So hot, in fact, that it's topping the huge popularity which moved Buick into the "Big Three" of the nation's best sellers last year. Know why? Plenty reasons.

Bold new styling, of course. And brilliant new V8 power. And room and comfort and luxury interiors -and an even finer, softer, steadier ride. But the big reason is a new magic from the field of aviation - Variable Pitch Dynaflow.*

Twenty propellers inside this wondrous automatic drive do what the modern airplane propeller does - they switch their pitch. One way, you get a lot more miles per gallon in

normal driving and cruising. You switch the pitch to another angle just by pressing down on the gas pedal - and you get a new kind

MILTON BERLE STARS FOR BUICK

accelerating power.

It's an experience you've never had before in an earth-bound vehicle-and it's thrilling beyond So you can see why we're writing up orders and

selling Buicks at a record rate. And you can see more of the reason why when you look into the low pricing schedule that makes Buick the buy of the year, hands down. **Buick Sales Are Soaring!**

Proof? Buick is outselling all other cars in America except two of the best-known ones in the smaller-car field. And for two good reasons: (1) popular prices low enough for any new-car buyer to reach; and (2) a line of cars to fit any budget, from the low-priced SPECIAL, to the high-powered CENTURY, to the extraspacious SUPER, to the custom-built ROADMASTER. Come in and check things for yourself. Once you do-and press that gas pedal-we believe you won't be happy till you're bossing your very own Buick. *Dynaflow Drive is standard on Roadmaster, optional at extra cost

Thrill of the year is Buick

Gerald Anderson

Averages 226 Eggs Per Hen

one of the 158 Hy-Lines he housed in 1953! Gerald Anderson is to be congratulated on his fine flock management. He joins the ranks of Hy-Line Master Egg Producers-poultry raisers whose Hy-Line flocks averaged 225 or more eggs per hen housed. Hy-Lines plus good management paid off in extra profitbale egg production. Hy-Lines make good management pay more. In Divided

Flock Tests where both kinds of chickens received identical care, Hy-Lines show profitable production advantages over standard-breds and crosses. But where management was real good, Hy-Line layers increased their laying superiority! The better the management, the better Hy-Line layers produced. Don't waste your work. Get more out of your hen house by putting in HyLine layers. Take a hint from Gerald Anderson. Make your poultry operation pay more with good management and Hy-Lines-largest selling layers developed

Kenneth Merriman Weds Miss Stout

Alto Methodist Church was the scene last Saturday evening of the wedding of Miss Alice E. Stout, daughter of Mr. and Mrs. Von Stout of R. 1, Ionia, to Kenneth E. Merriman. Mr. Merriman's parents are Mr. and Mrs. Erwin Merriman, of R. 2, Lowell. The Rev. Howard McDonald officiated at the service before an altar decorated with baskets of yellow spring flowers, palms and candelabra.

The bride, given in marriage by her father, chose a ballerina length gown of white lace and net over taffeta, styled with lace bodice featuring a high neck-

the bride as matron of honor, and planned for March 11th. wore a green ballerina length gown, with lace bodice and skirt of tiers of net over taffeta. A Township will meet at Grattan length sleeves, completed her
