Lowell Schools are Crowded! Monday's Special Election to Decide Bonding Proposal for New School

Whether or not Lowell will have a new elementary school building to relieve existing crowded facilities as proposed by the school board, will be decided by voters next Monday, April 18.

The election will be held in the Lowell City Hall and the polls will be open from 1 p. m. to 8 p. m.

Two propositions will be voted upon Monday. Proposition I is to increase the present 15-mill limitation so a school can be financed. Any qualified voter in the Lowell school district can vote on this proposition.

Proposition II would authorize the school board to levy 5 mills and issue bonds to raise money to build the proposed \$250,000 school. Any qualified voter who is a resident and owns property assessed for taxes in the district, or the spouse of such a voter, may vote on this proposal.

7 New Classrooms

The school will be located

across from the present buildings, and will face High street. Plans for the structure include seven classrooms to serve children from kindergarten through grade 3; an "All-Purpose" room, including a stage and a kitchen, to be used by pupils in all grades and by the community; and several auxiliary rooms including a clinic, library and principal's office.

"All efforts have been made by the school board and the advisory committees to fully inform residents, voters and parents of all the facts so they could freely decide the issue at the election Monday," Carlton Runciman, school board president said.

Civic Groups Favor

Lowell civic, business and professional organizations, including the PTA, VFW, American Legion, Lowell Board of Trade, Rotary, and the Lions Club have all given their endorsement to the proposed "bond to build."

It is estimated that the proposed bond issue will be retired in less than fifteen years, although the proposal will be for 20 years to satisfy the requirements of the state Finance Commission.

\$15 Per Taxpayer

The average state equalized assessed valuation on a home is less than \$3,000. A 5-mill levy would mean an average annual amount of \$15 for the average taxpayer, or about thirty cents a week.

Lowell has only had two five-mill building levies since 1915, when the present high school structure was built. The one now in effect expires with the payment in December, 1955. If approved, the new five-mill levy would take effect after the expiration of the present millage. The only outstanding indebtedness on the Lowell school consists of \$13,500 in bonds on the Grade building erected in 1935. By comparison with most school districts around the state, where the average school taxes have been 11 mills for 16 year periods, Lowell school taxes have been low and will continue to be very low.

Class of 1955 to Graduate on June 10

Plans are being made already for the commencement exercises this year at Lowell High School. On Friday, June 10, Dr. Howard Jones, of the School of Education at the University of Michigan, will deliver the main commencement address to 71 graduating seniors.

This will be one of the largest graduating classes in Lowell's history.

U. B. CHURCH PLANS FATHER-SON BANQUET

The Whitteville United Brethren Church is busily planning a Father and Son banquet that will be held on April 21, at the Veterans Hall in Caledonia. There will be no charge but reservations must be made in advance. A free will offering will be taken. Tickets may be obtained from Rex Willson, Middleville; Mrs. Geo. Drier, Alto; Joe Simmons, Ada; Mrs. Alice Griffin, Caledonia; Albert Rawlings, Caledonia; Dean Overholt, Grand Rapids.

Funeral Today for Mrs. Katie Hesche

Funeral services will be held this afternoon (Thursday) at 2 o'clock for Mrs. Katie Hesche, who passed away in her sleep Monday night, at the home of her daughter, Mrs. Vernon Preston, Segwun avenue. Mrs. Hesche had been in failing health for many months, and had made her home with her daughter for the past year. She would have been 72 in May.

Rev. Philip R. Grottelty will officiate at the ceremony to be held at the Roth Chapel; interment will be in Cascade cemetery.

Mrs. Hesche was born in Germany in 1883. About 45 years ago she and her husband, Frank, moved here from North Dakota, and lived on a farm on US-16. She enjoyed flowers, and caring for her garden and yard.

Surviving are her two daughters, Mrs. Preston, and Miss Mary Hesche of Kalamazoo; also six grandchildren and 5 great grandchildren.

Dr. Hill Presents 'Health' Ordinance

An ordinance was presented to the Village Council at its regular meeting Monday April 4, by the Public Health Officer, Dr. Thomas D. Hill. An ordinance, "To Preserve the Public Health" has been in effect since May 1, 1933, but Dr. Hill proposes to add eleven sections, relative to storing of waste material, accumulation of piles of lumber, trees and branches, permitting grass and weeds to grow to pilinating height, etc., is pointed out to avoid fire hazards, eliminate breeding areas for rodents, insects and the like, and in general to promote the public welfare.

Other conditions covered by the ordinance are stagnant waters; manure, apple pulp and other organic materials; holes, excavations, pits and ditches; earth and sand banks, loose earth, etc.; old machinery, junked automobiles and other dangerous objects; and abandoned buildings, including sheds.

Committees have studied the proposed ordinance, and Village Attorney R. M. Shivel has examined it also; it is now being presented for final approval and passage by the Village Council.

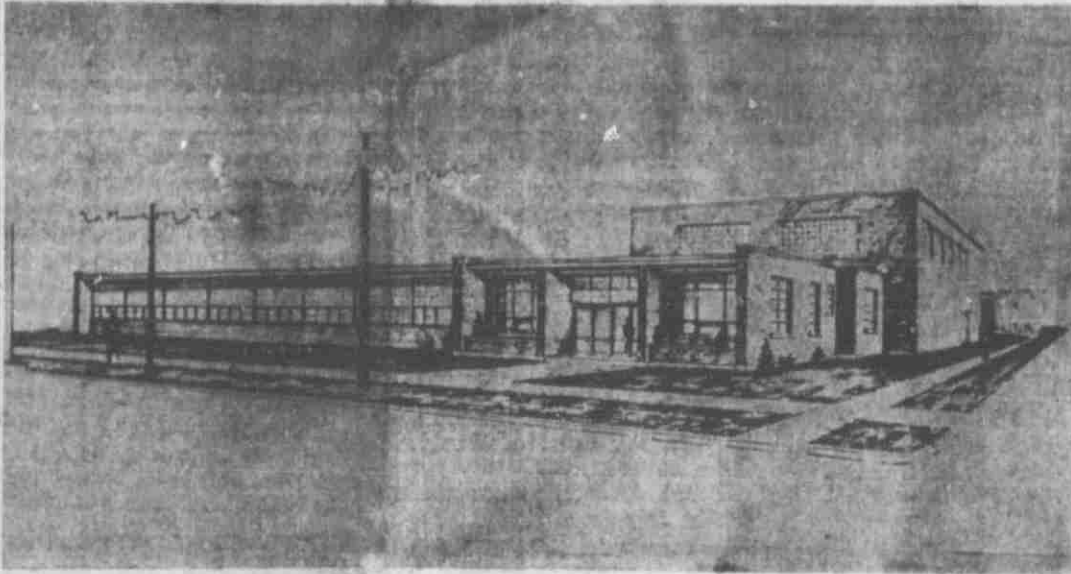

Police are investigating.

Mr. and Mrs. Budd LaBine and their 5-year-old daughter Diane have moved into the Roy Johnson apartment, East Main St. Mr. LaBine is employed by the Lowell Construction Company.

Village Hostess Glad Bergin has visited this new family and welcomed them to our town.

Jack Alexander now at Quartermaster School

Artist's Conception of Proposed Elementary Building

The above picture shows an artist's conception of the proposed new grade school building which Lowell School District No. 1 will build on the southeast corner of Monroe and High streets, if the two bonding proposals meet with approval of the voters at the election Monday, April 18.

A pilot for the Bob Mueller Crop-Dusting Service of South Haven ran into a little motor difficulty last Friday while fertilizing the C. H. Runciman wheat field on the flats south of Lowell, and was forced to land at the Lowell Airport.

A safe landing was made, and the plane was left at the Airport until repairs could be made.

Bernard Kroopf, President of the Lowell PTA, announces that transportation has been arranged for those wishing to vote at the School election Monday; also, baby-sitter service is available for the busy mothers while they visit the polls.

The number to call to request this service is Lowell 5378.

Mrs. Delores Weaver reported to Police Monday that \$35 was taken from her purse sometime Sunday while she was operating the pop-corn wagon at 411 W. Main st. She told police she left the wagon at one time for about 5 minutes, and it is felt the thief took this opportunity to go through her purse.

Police are investigating.

Mr. and Mrs. Budd LaBine and their 5-year-old daughter Diane have moved into the Roy Johnson apartment, East Main St. Mr. LaBine is employed by the Lowell Construction Company.

Village Hostess Glad Bergin has visited this new family and welcomed them to our town.

Jack Alexander now at Quartermaster School

Local Hunters Lose Dogs in Distemper Outbreak; Urge Law Enforcement

Several very fine hunting dogs owned by Lowell residents were lost in the past two weeks because of an epidemic of distemper in this area. So, if you have a pet which you value—whether the monetary price on his head be high or not—be sure to check with your veterinarian at the first sign of illness.

It is recommended that vaccinations against distemper be given to puppies or dogs under 1 year of age, as they are the most susceptible to the disease. Should your pet refuse two meals in a row, suggests one veterinarian, or act dull and listless, it could be the sign of the first stages of the disease; but if treated at this time chances of recovery are very probable. Later symptoms of runny eyes and nostrils indicate a more advanced stage, and chances of helping the dog at this time are much slimmer.

Distemper should not be confused with rabies, as the former has no ill effects on humans. However, it is well to mention that both illnesses are spread by stray dogs in spite of the ordinance in effect prohibiting the running of dogs at large, many owners allow their pets to roam.

A Dog-bite Case

Police Chief Frank Stephens reported that last week was quiet as far as the local dog ordinance is concerned. 12 complaints were registered, one a dog-bite case. Bobby Jacob, 9, son of Robert Jacob, Segwun, was bitten April 5 by a dog owned by a neighbor, Danard Converse. The dog was put on a ten-day quarantine. Bobby's injuries were minor.

Besides handling this case, 6 dogs and a cat were turned over to the Kent County Animal Shelter, as no facilities are available as yet to handle such complaints locally.

Must Present Your Birth Certificate

"You must present your birth certificate when applying for an original license to drive a motor vehicle in the State of Michigan," Frank Stephens reminds applicants. Mr. Stephens, the drivers license examiner for this area, states that the correct age must be verified by this certificate before an application may be mailed into the state Motor Vehicle Bureau.

Holdings of out-of-state drivers licenses, on the other hand, may obtain their original Michigan permit to drive, by using the birth date shown on their out-of-state license. However, all states do not require that the birth date appear on their licenses, and in that instance a birth certificate must be presented.

This does not apply, of course, to persons holding Michigan drivers licenses, and merely seeking renewals.

MRS. L. A. ANDREWS TO BE BURIED FRIDAY

Funeral services will be held at the Ewone Center church Friday afternoon at 2 o'clock for Mrs. Alice Huntington Andrews who passed away early Wednesday morning at the home of her daughter, Mrs. Alvin Keck of Williamston.

Mrs. Andrews was born in Bowne township, and lived many years in that area. Besides her husband and Mrs. Keck she is survived by another daughter, Velma, two sons, Ralph and Jack.

BIRTHS

Born to Mr. and Mrs. John Cash of New Hudson at Mt. Carmel Hospital, Detroit, April 7, an 8 lb., 2 oz. daughter, Corinne Janice. Mrs. Cash was the former Betty Lou Kyser of Lowell.

Salk Polio Vaccine Works! First & Second Graders to Receive Polio Vaccine at Clinic Here Apr. 28

The Salk Polio vaccine is "safe, efficient and effective" and 80-90% perfect! This is the decision, announced Tuesday morning from the University of Michigan, where the Polio Evaluation Committee was compiling reports.

With this approval, the plans of the Kent County Health Department may now be carried out, using funds from the March of Dimes to supply the vaccine to all first and second graders of this area; others eligible to receive vaccine are the third and fourth grade students who participated last year in the program but did not receive the actual polio vaccine.

To Know Soon

By the end of the week the County Health Department will have released information concerning last year's clinic. Perhaps you are wondering whether your child received the vaccine last year. A letter will be on its way to the home of every child who participated in the test program last year, and this letter will tell you whether or not your child received the actual polio vaccine. If your child did not, a slip will be enclosed to be signed by the parents and returned to the school if you wish your child to take part in this year's program.

Children in the 1st and 2nd grades will also be given slips to bring home to their parents, to obtain their approval, before they will be allowed to participate this year. No child can receive the vaccination without written approval of the parents!

Clinic Dates

Clinic dates scheduled for Lowell and vicinity will be Thursday morning, April 28, May 5, and June 2. This clinic will include 1st and 2nd graders from St. Mary's, St. Patrick school, Riverview No. 2, Morse Lake #1, Mapes 6 fr., Merriman No. 4, Sweet No. 12, Gratton No. 1, Cooley 3 fr., Talbot 5 fr., Ashley 6 fr., Alton No. 1, Fallasburg 1 fr., Moseley 4, Water 5, Bennett No. 7 and McPherson No. 11, as well as Lowell Public Schools.

Clinics will be held at Ada school for the Ada and Cascade Township schools (except for Townline 12 fr.) on Fridays, April 29, May 6 and June 3. Bowne Township Schools will receive the polio vaccine at Caledonia, on Tuesday, April 26, May 3 and May 31.

It may be very possible that the 2nd and 3rd date, of each clinic may be postponed, inasmuch as Dr. Salk recommended Tuesday in his message to the public that a 7-month interval should come between the 2nd and 3rd shots, and at least 2 weeks between the 1st and 2nd. Watch the Ledger for announcement of any clinic date change.

Help Needed

Local doctors, nurses and members of the P. T. A. are cooperating to make this vaccination program a possibility. Mrs. John Troy, chairman of the Lowell P. T. A. committee on the Polio program, is seeking volunteers to assist with the children on clinic days, and anyone interested in helping with this worthy project is urged to contact P. T. A. President Bernard Kroopf or Mrs. Troy.

Available to Public

The pharmaceutical companies will have made available an additional stock of vaccine to be distributed through private physicians offices. There will probably not be enough of this vaccine to immunize everyone wishing it. Each doctor will set up his own priority system as to which age groups he feels should be given the Salk vaccine.

Priority System

The priority system suggested by the Kent County Medical Society is that the vaccination should be given first to the following three groups:

Children ages 2 to 5 years; pregnant women; hospital personnel actually caring for poliomyelitis cases.

Plans Made for Annual Dad-Daughter Dinner

The Campfire Girls and Blue Birds will entertain their fathers at the annual Dad-Daughter Dinner, to be held in the school gymnasium at 6:15 p. m. Monday, April 25. The meal will be a planned potluck, and a committee of mothers will help with the serving.

Table decorations will be provided by the 6th and 7th grade groups, following the national birthday theme for 1955, "Let Freedom Ring." The flags of the United Nations, made earlier in the year by the girls, will be used. The Blue Bird Groups are to make Liberty Bell favors.

Following the dinner, a program of songs and playlets, also based on the "Freedom" theme, will be presented by the various groups.

The final Council Fire of the year, at which awards will be made, has been planned for early June.

KENT POMONA GRANGE MEET APRIL 21

Kent County Pomona grange will meet at the Paris Grange hall April 21. State Representative Charles Feenstra of Grand Rapids, will be guest speaker.

Mrs. Carl Hessler, Pomona Grange lecturer, will conduct a TV quiz program.

Paris Grange members will serve a potluck meal at 6:30.

CHANCES ARE

One of our new sport coats in a charcoal shade will harmonize with your own slacks. Better check on it at Coons.

Honored Teen is Villain in Operetta

With the help of grease paint, eye-brow pencil, rouge, and eye shadow, the face of Larry Wittebach, pictured above, was transformed to that of the horrible Dick Deadeye, sailor of the horribble "Pinafire." Then add to the scarred and craggy face a red wig, a black eye patch, and one large gold earring, and the effect will be complete.

Second Role

Even though Larry is only a sophomore, this is his second appearance in one of the character parts of the Lowell High Operettas. Last year he scored a success as the dignified, long-faced Pish-Tush in "The Mikado." From such a role as that, it is only natural that he should slide with ease into the role of the evil Dick Deadeye, a grade A villain.

Active Student

Larry, who was born on August 25, 1939, to Mr. and Mrs. Wilbur C. Wittenbach, of Lowell, is now, as you can figure out by simple arithmetic, fifteen years old. His high school career to date has been one of great activity, which is, in a way, unusual, as most students spend their first two years getting adjusted to the ways of the school life. But Larry

is one of the increasing number of freshmen and sophomores who are lucky enough to find time out for outside activities as well as studies.

As one might expect, Larry is a member of all choral organizations. With his fine tenor voice he has been in General choir two years, Varsity choir two years, and one year in the now defunct Boys' Glee Club. Also along the musical line, Larry is a member of the Senior band, playing with the drum section. In sports, Larry has two years of football and a year of tennis to his credit. He is Vice-President of the newly founded Lath Club and has served his class as a hard worker on the float committee. Outside of school Larry is a member of the MEY at the Lowell Methodist Church, and is interested in Scout activities. He also subs in the Methodist Church Choir when he is needed.

As to the future, Larry is still undecided. He would like to start in college, but in the event of national emergency, he feels that he would like to join the United States Air Force. This is indeed a worthy and conscientious ambition for anyone to have.

— Cary Stiff

Baby Contest Planned By Lowell Lions

A baby contest will be held in conjunction with the Lions Club production of "You Can't Beat Fun", to be held April 21st and 22nd at the High School auditorium, benefit of the Community Swimming Pool Fund.

Boys and girls under six years of age are eligible in this "popularity" contest, and polling places are to be located in Lowell stores.

All entrants will be introduced at the final performance of the variety show when the King and Queen of Toyland will be crowned, and other winners honored.

For information concerning entering this event, inquire at Avery Jewelry store.

FIRST MEETING TUESDAY OF GARDEN LORE CLUB

The Garden Lore club will hold their first meeting of the season in their clubroom at the Legion Building on Tuesday, April 19, with a 1 o'clock carry-in luncheon. Roll-call will be answered by naming an insect either harmful or beneficial to plant life.

The year books will be reviewed and plans will be made for the coming year.

Mesdames Blaser, Bannan, Battistella, Borgerson, Bradshaw, Carr and Chaterdon will serve on the tea committee, and will furnish rolls and tea for the luncheon. Each member is requested to bring own service, and a dish to pass.

TO PRESENT AWARDS AT PTA MEETING

Mrs. Phyllis Watters, chairman of the Lowell VFW Auxiliary committee on the annual Essay contest, will present the awards to the three winners, all high school seniors, at the meeting of the PTA to be held Monday, April 18.

Barney Watson, who will receive \$10.00 for his first-prize essay, is the son of Mr. and Mrs. Dwight Watson; second prize of \$7.50 will go to Judy Schneider, daughter of Mrs. Art Schneider; and third prize of \$5 will be presented to Cary Stiff, whose parents are Mr. and Mrs. Cary P. Stiff of Ada.

CHOIR TO VISIT BOWNE CHURCH

Bowne Mennonite church will be privileged Friday April 15, at their 7:45 service, to hear a musical program by the Chorus from the Mennonite College of Harrisburg, Virginia; the 28 voices will be under the direction of Earl Maust. Everyone is welcome.

Vote "Yes" Monday on both proposals to permit bonding for better schools in Lowell.

Jack Alexander Now at Quartermaster School

Pvt. Jack A. Alexander, son of Mr. and Mrs. Irving Alexander of Ada, has just enjoyed a furlough at home, following his basic training at Ft. Leonard Wood, Missouri. He has now been assigned to Quartermaster school at Ft. Lee, Virginia. His new address will be: Pvt. Jack A. Alexander, US 55529625, Co. A, 3rd Bn., Quartermaster Regt., Ft. Lee, Virginia.

Jack graduated from Lowell High school with the Class of 1954.

NEW DODGE TRUCKS BEING SHOWN HERE

Now from Chrysler Corporation comes the most rugged trucks ever built. This full line of Dodge trucks is being offered in Lowell by Speerstra Motor Sales with models now on display. Many new features: V8 engines from 169 to 202 hp, full view design with many built-in comforts for drivers. You are invited to look over these trucks.

Thirty-nine per cent of the deaths and 35 per cent of the injuries due to motor vehicle accidents last year occurred on Saturdays and Sundays.

Vote "Yes" Monday on both proposals to permit bonding for better schools in Lowell.

TWO MEN DUNKED AS DOGS ROBBED
James Crew, 48, of 5414 Ada S. E., and Lewis Sargent, 50, of 5812 Cascade S. E., were given a cold dunking in the Thoreau-Howard family. The Ada dam about 7 p. m. Monday. They explained to officers investigating that they were trying out the dam. The 90-pound dog shifted his weight to the side on which they were sitting, and the boat flipped over.

They struggled in the cold water about a half hour, holding on to the overturned craft until a passing motorist, Jack Marks of Bronson St., discovered them and paddled to their rescue. The men were rescued, using a board for a paddle.

Mr. and Mrs. D. C. Page visited friends and relatives in Ionia on Saturday.

Mrs. Leo Kitchan attended the Rebecca Lodge in Troy on Monday.

Mr. and Mrs. Lloyd Connors and family spent a few days last week in Chicago visiting Mr. Connors' sister, Mr. and Mrs. Warren Duncker.

Many historians claim that the 1844 discovery of iron ore at Neegaunee in northern Michigan was of far greater importance to the economic and industrial development of America than the California gold rush several years later.

Michigan has four times as much water-covered area as any other state—11,937 inland lakes, 36,350 miles of streams and 3.

Attend White Breakfast
Those from Ada Congregational church who attended the White Breakfast at Bostwick Lake Thursday morning were Mrs. Wm. Rynders, Mrs. Merle Cranston, Mrs. Robert Fitts, Mrs. Boyd Anderson, Mrs. Geo. DeJoy, Mrs. Orison Weaver and Mrs. Tom Morris.

Ada Locals
Mr. and Mrs. John Potter and children, Mrs. Howard Henderson of Buttrick road returned last Thursday from a two weeks vacation trip visiting San Francisco, Texas, Acapulco, Mexico and many other places of interest. Her daughter, Miss Nancy Crothers of Cincinnati accompanied them on the trip, going all the way by air.

Mr. and Mrs. Orison Weaver and children were Easter dinner guests of her parents, Mr. and Mrs. Robert Morris.

April 22 at 8 p. m. Mr. Hills from the TB clinic will show pictures at the Egypt Grange hall. All members are urged to be present.

Mr. and Mrs. Cliff Courtright spent Sunday with her mother, Mrs. Hattie MacLaren at Saranac.

Easter dinner guests of Mr. and Mrs. Robert Ward were Mrs. Alice Ward of Grand Rapids, Mr. and Mrs. Richard McCarty and James Ward of Caledonia and Miss Nancy Ward.

Mrs. and Mrs. Glen Chaffee of Grand Rapids, Mr. and Mrs. Alle Schmidt and daughter Doris of Detroit, Mrs. and Mrs. Homer Morris were Easter dinner guests of Mr. and Mrs. Thomas Morris. Afternoon callers were Mrs. Eugene Morris and daughters Sandra, Sheila and Pamela of Lowell.

Mr. and Mrs. Neal DenBoer extended Friendship night at Cedar Springs last Tuesday night.

OBS Booster Club met for their regular potluck supper Wednesday night April 6 a most bounteous supper served by the hostesses, Mrs. Ruth Bates, Mrs. Caroline Richardson and Mrs. Alice Morris. There was a very good attendance. All extended best wishes to Mr. and Mrs. Walter Atton who are leaving for their new home in Kent City.

Mr. and Mrs. Neal DenBoer and daughters were Sunday evening lunch guests of his sister, Mrs. and Mrs. Howard Gibb of Grand Rapids.

Mr. and Mrs. Russell Whitford of Spaulding road were Friday evening callers of Mr. and Mrs. Shirley Ward.

N. McCord's Cascade

Mrs. Effie Cox

Mrs. Mary Wilson and son were Easter dinner guests at the home of Mrs. Maud Wilson of Saranac. Mrs. Lee Depey of Grand Rapids, was a dinner guest Sunday at the home of Mr. and Mrs. Earl Bentley.

Mr. and Mrs. Mike Quiggle of Ada called to see Mr. and Mrs. Charles Quiggle Tuesday. Other Easter Sunday dinner guests of her parents, Mr. and Mrs. Webb and Mrs. John Cox.

Easter Sunday dinner guests at the Shirley Ward home were Mrs. and Mrs. Louise Goo of Calcutta, Mrs. Ollie Ritter of Lowell, Mr. and Mrs. Henry Face and Mrs. Dorell and the VanderPeet family.

Ronnie and Jack Kamp of Grand Rapids spent their Easter vacation with their grandparents, Mr. and Mrs. Pete Kamp.

Mr. and Mrs. Orville Kollogg had their Easter Sunday dinner with their daughter, Mrs. Ed McCormick and family.

Mr. and Mrs. Donald Sucker were Easter dinner guests at the home of her parents, Mr. and Mrs. Gordon Svoboda.

Mr. and Mrs. Carl Wilson and son were guests at the home of Mr. and Mrs. Penelope Smith, Mrs. Carl Wilson's mother, Mrs. Haynie at Fenwick Sunday, and called on friends in Allegan.

Gold Metalize with Aluminum
It is now possible to metalize surfaces with aluminum without the use of heat. A material which actually is a mixture of finely pulverized aluminum with a plastic base is applied generally in three applications, with a four-hour drying time between them. The resulting coat is hard, plastic bonded and non-porous. It can be applied to a wide variety of surfaces which are not painted or ground, drilled, or even bent to a 45-degree angle without chipping or cracking. Laboratory and field tests show this coating to have an excellent resistance to atmospheric and weather corrosion. It retains its finish and adhesion over a wide temperature range and is completely inert to a large variety of liquid products.

A Ledger want ad gets rid of those "don't want's".

A special outing in Grand Rapids on June 8. Before lunching together they will visit "Y's Kodak with Kibby" and the Furniture Museum.

Mrs. M. J. DeGood, club reporter

Phone Day 1078—Evenings 1963 Ionia, Mich. 504

HOW'S YOUR BUDGET?
THESE ARE TRYING TIMES for the family paycheck, and the lady of the house has a man's job when it comes to balancing her budget.

She has a friend and helper in the truck, however, for, although she may not realize it, motor transport helps keep the cost of living down by carrying transportation costs.

The average family spends more for transportation than for any other item save food. So it is clear that the ability of trucks to increase the efficiency of moving goods of all kinds results in substantial savings to the consumer.

The thing we have to guard against is allowing politicians to increase taxes on trucks beyond the more than fair share they're already paying, for you, see, every tax increase on trucks actually comes right out of the people's pocketbooks in increased prices for everything they buy.

Lowell Council Proceedings

A regular meeting of the Council of the Village of Lowell, Michigan, was held in the Council Rooms of the City Hall, Monday evening, March 21, 1955.
The meeting was called to order by the Village President, W. A. Roth, at 8:05 p. m.
Present: Trustees: Munroe, Fonger, McKay, Outley, Battistella, Johnson, Village Attorney, R. M. Shivel.
The minutes of the last regular meeting of March 7, 1955 were read and approved.
The minutes of the special meeting of March 17, 1955 are being corrected and will be presented for approval at the next regular meeting.
A report of the police department activities covering the period of March 6 to 13, inclusive, in and for the Village of Lowell, as submitted by Police Chief F. L. Stephens was read by the clerk.
A communication was read from the family of Eugene Carr acknowledging the expression of sympathy from the Council.
Also made a part of the minutes was the following report:

Mr. Moore also inspected the site requested by the C. H. Runciman Company Motor Sales for a permit for the installation of underground gasoline tanks but found on inspection that they were already installed.
Trustee Johnson submitted the following summarized budget for the year 1955:

Spring Vacationers
Home for Spring vacation from Michigan State College were Jim Marvin and Terry Turner. Jim's sister, Mrs. Clyde Davenport, was home from Detroit for Easter.
Georgia Strain, Barbara Wykes and Jim Zigler arrived several days later from the University of Michigan. Roger Wykes II drove home from Cambridge, Mass., with several other Harvard University students of the Grand Rapids area.
News of Servicemen
Lt. Robert B. Strain graduated from Harlingen Air Force Cadet Training school, Harlingen, Texas, as an observer March 22. His parents, Mr. and Mrs. George Strain, Thornecrest Dr., flew down for the graduation. After leave at home, Lt. Strain has been assigned to AF Reconnaissance at McClellan Air Force base, Sacramento, Calif.
New address of Henry DeVries is Henry DeVries, FA 455-24-56, USS Curtiss (AV7) co Fleet.

SIX FIRES KEEP CASCADE DEPARTMENT BUSY
Cascade Fire Department had a busy week responding to six calls, four of which were for grass or rubbish fires which got out of control. Tuesday, April 19 at 12 o'clock at the home of the Ada department, to a grass fire on the Cornelia Theile farm, Muskegon County. Helping teacher, will speak on "Teaching Science in the Classroom," and demonstrate experiments which might be used.
Elections will be held at the May 11 meeting which will probably be a picnic, according to Mrs. Helen Janderon, Cascade River dr., on the hilltop overlooking the dam pond.
On the fourth Saturday night in a row there was a grass fire this time behind the home of Albert Doosman, on U. S. 16 at the end of 36th st., Saturday at 10:30 p. m. Ada and Cascade departments were summoned to the fire. The fire was caused by embers blown by a high wind into neighboring woods.
Sunday morning at 11 o'clock both Cascade trucks rushed to the Frederick Kelley home on Thornapple River dr., where burning embers were blowing in from a smoke column. Monday at 2:30 p. m. a chicken coop at 1900 Burtwick av. caught fire. The building, which was empty, was almost consumed when the truck arrived. Firemen put out burning leaves which were working toward the house. In all cases the fires were extinguished with dispatch, except for the fire at the dump, which was reduced to a smolder.
No New Fire Truck
At the Annual Township meeting last week Tuesday night, the voters turned down the proposal for a new fire truck advanced by the Cascade Volunteer Fire department, voted to blacktop one mile of Burtwick Avenue from the present end of the blacktop south, and approved the proposal for a new driveway at McCord's ave. to Snow ave. in 1956. This program will be carried out if the proposal to blacktop most of the township's main roads in one year is not approved at a later date.
TWO CARS DAMAGED
NO ONE HURT
Mrs. C. H. Turner, Cascade rd. had the rear of her ranch wagon damaged Monday afternoon when Robert C. Reahm of Lake Odessa ran into it. Mrs. Turner, going south on U. S. 16 had stopped to make a left turn onto Thornapple drive; the school bus, which was behind her, kept to the right lane. Mr. Reahm, also going south, pulled out around the school bus and ran into the Turner car. The front of this car was severely damaged. Neither driver was hurt.
You can help crippled children. Use Easter Seals. Volunteer your services to your Easter Seal Society.

Cascade Community News

Want to feel like a pilot feels?

Today's the day to "Join The Test Pilot Club" and see what a thrill you get when you try Variable Pitch Dynaflow!

We're not kidding. When you try a '55 Buick with Variable Pitch Dynaflow, you'll feel like a pilot does when he heads his plane down a runway for take-off.

For you, in the driver's seat, are doing what that pilot does—you're changing the pitch of your propellers—one way for instant response on getaway—another way for better gas mileage in cruising.

Your propellers are whirling in oil, deep inside the Dynaflow unit. When you press the pedal in the normal way, you hold those propellers in their economy angle—and you enjoy plenty more miles from your gasoline.

But when you want instant acceleration—for quick getaways, or for a sudden safety-surge of emergency power—you just press the pedal easy down, and—with absolute smoothness—you get

the action you want, and split-second quick.

It's the thrill that's the talk of the industry—performance unlike anything you have ever known before on the ground.

And so many folks have been asking to try it that we Buick dealers across America have set up April as "Test Pilot Club" Month. All it takes to join the "Club" is a test drive at the wheel of a new Buick. That's all.

So we cordially invite you to win your "wings"—to try the spectacular performance of Variable Pitch Dynaflow—and to feel the mighty V8 power that puts the whip to these gorgeous new Buick beauties. Drop in this week.

"Dynaflow Drive is standard on Roadmaster, optional on extra cost on other Buicks."

Local delivered price of the 1955 Buick SPECIAL 2-door, 6-Cylinder Sedan, Model 48 (illustrated) is \$2287.00

Optional equipment, accessories, state and local taxes, if any, extra. Even the factory-installed anti-rattle noise-reducing device before delivery—adding the popularity that has already made Buick one of the "Big Three" of America's best sellers.

Said a sleuth: Ah! The mystery's unsolvable—About cars that "take off like a jet plane." But with Dynaflow's switch Of its Variable Pitch Drive, You've had. Now you're there. Boy, that's swell! (Why don't you try a Buick?)

Local 4-Hers Do Well in 4H Show

Although first and grand champion awards went to James Phelps, Cedar Springs for his prize Angus in the Feeler Calf show held at the 4-H Fair grounds Saturday, Lowell and Alto showed very well in this event, an innovation in 4-H training. Prof. Richard Warren of Michigan State College, a judge at this event, congratulated the young people in his opening remarks as making history in staging this spring show. He predicted that in 5 years' time this type of program will be standard procedure in all Michigan 4-H districts.

Lowell Happenings

MISS M. AGNES PERRY—PHONE 5170

Mr. and Mrs. Eugene Delmet of Detroit, and Robert White of Ionia, spent the week end with their brother Dr. F. E. White. Easter week end guests of Mr. and Mrs. J. R. Bergin were Mr. and Mrs. Edward Olney and four children of Fulton, and Mr. and Mrs. Paul Bergin and two children of Elkhart, Ind. The John Bergin family and Miss Hattie Lynn were Sunday dinner guests. Mrs. Maude Neubardt and Tommy Miller of Clinton, spent last week with her daughter Mrs. Ray Barber and family. Mrs. Carl Miller also of Clinton, was a week end guest, all returning home Sunday night.

Along US-16

Mrs. Eva Linton of Lowell, spent the week end with her brother Vern Bryant and family. Donnie Kulper, of Ada, spent Sunday with the Bergins. Other Easter dinner guests were Mrs. Helen Bryant and son, of Grand Rapids and Mr. and Mrs. Clara Bryant of Lansing. Mr. and Mrs. Albert Shont of Detroit, were Easter dinner guests of their parents, Mr. and Mrs. Thomas Donic of Grand Rapids called in the afternoon. Easter dinner guests at the Matt Metterick home were Mr. and Mrs. Ben Alderik, Bowser Center; Mr. and Mrs. Russell Cooling, Grand Rapids; and Mr. and Mrs. Harold Metterick and family, Alto.

Foreman Road

Mrs. Jean Elnick and children of Detroit, spent Easter week end with her parents, Mr. and Mrs. Bert Baker and Mrs. Heering were Sunday dinner guests of Mr. and Mrs. Heering in Grand Rapids. Mrs. Ben Alderik, Bowser Center; Mr. and Mrs. Russell Cooling, Grand Rapids; and Mr. and Mrs. Harold Metterick and family, Alto.

Atkinson

Atkinson, called on Mr. and Mrs. Fred Franks, Sunday. Freda and Gracia Schreuer of Grand Rapids, spent Easter vacation with Mr. and Mrs. Gerrit Schreuer. Mr. and Mrs. Mike Myckovick were Easter Sunday dinner guests of Mr. and Mrs. Louis Ahma in Grand Rapids. Mr. and Mrs. Fred Roth visited Mr. and Mrs. Gordon Edwards and Vickie in Lansing over the week end.

Grayling, Michigan

Grayling, Michigan, has the world's longest and fastest made toboggan run. Tobogganists have attained 100 miles per hour on the 3,000 foot run. Huge rocks carved by wind and sea tower into unusual rock formations in the Upper Peninsula. Popularly called "picture rocks" they have become a major tourist attraction.

Methuist Notes
A full church greeted Rev. McDonald Sunday. The church was tastefully decorated with potted plants with a lovely arrangement of Callas and Snapdragons on the communion table. Special music by the choir and by the guest musician, Mrs. Edwin Nash of Clarksville, Every-thing went smoothly. The 4th Quarterly Conference for the two churches will meet next Sunday afternoon at 3:00 p. m. at the Bowser Center church. All people will be welcome also next Sunday afternoon a Sub-district Youth Rally will be held at Lowell Church at 3:30. We hope some of our young people will be able to attend.

Sunday dinner guests at the Dan Wingeler home were Mr. and Mrs. Bob Wingeler of Grand Rapids. Afternoon callers were Mr. and Mrs. Paul Johnson and family of Grand Rapids. Mr. and Mrs. Perry Damouth were hosts Sunday for the Annual Easter Day get-together of four couples of friends who started spending Easter together 27 years ago. Those present were Mr. and Mrs. O. D. Dygert of Kalamazoo, Mr. and Mrs. R. D. Bancroft and Mr. and Mrs. Claud Silcox.

Mrs. Frieda Frederick of Grand Rapids was a week-end guest of the Dan Walkers. LOST SOMETHING? Look for it in the Want Ads.

Mr. and Mrs. Ernest Rosenberg and Mrs. Merle Rosenberg and Larry, Dr. and Mrs. R. D. Siegel and family, Mr. and Mrs. Lloyd Houghton and Susanne of Ionia and Mrs. Josephine Foote all enjoyed their annual Easter dinner together for over thirty years. Mr. and Mrs. Glen Layer were Easter dinner guests of their friends-law and daughter Mr. and Mrs. Jack Craig and family at Clarksville. Mrs. Ray Linton and Mrs. John Postma visited John Postma at the Ferguson hospital Saturday afternoon. Mrs. Eunice Courter and Mrs. Kenneth Lyon attended Sunrise Easter services at the Hope church of the Brethren Sunday.

Mr. and Mrs. Clifford Lyon and daughter Diane of Grand Rapids spent Sunday afternoon with Mrs. Bernice Lyon. Mr. and Mrs. James Marsh of Lowell visited the latter's parents, Mr. and Mrs. Charles Rittenberg, Monday. Mr. and Mrs. Emerson Stauffer were Sunday dinner guests of the former's brother-in-law and sister, Mr. and Mrs. Clayton Nieland and family of Nashville.

Mr. and Mrs. Emerson Couby of Battle Creek spent Sunday with the latter's parents Mr. and Mrs. Henry Slater. They also visited Mr. and Mrs. Earl Colby and Mr. and Mrs. Robert Slater and Donna and Mr. and Mrs. Harvey Slater and children were entertained for Easter at the home of Mr. and Mrs. Richard Link of Campau Lake. Mrs. Harold Scott spent the week-end with her brother-in-law and sister, Mr. and Mrs. Rex Alteman of Shepherd. Mrs. Vera Verbeke enjoyed Easter with her parents, Mr. and Mrs. Andrew Wright of Marne. Mr. and Mrs. Lawrence Rich and Mr. and Mrs. Clare Forritt were Easter Day dinner guests of Mr. and Mrs. Walter Walbridge of Dutton. Mr. and Mrs. McDonald and Carla were Sunday dinner guests of Mr. and Mrs. Lawrence Headworth.

Homemaking Award Goes To Lowell High Senior;
Eleanor Vandenhovel has been named the Homemaker of Tomorrow in Lowell High school. She received the highest score in a written examination which tested the homemaking aptitude of the senior girls in her graduating class. She will receive a golden award pin, cook books for her self and her school, and she will be entered in competition for the title of Betty Crocker American Homemaker of Tomorrow. The national winner in this search conducted among 197,463 young women in 8,000 of the nation's public, private and parochial high schools will be named April 21 at an American table set in Philadelphia. Michigan's representative in the national finals will be chosen from 264 school winners in the state. A scholarship of \$1,500 will be awarded each state winner, and she will receive a trip with her school adviser to Washington, D. C. colonial Williamsburg, Va., and Philadelphia. Her school will receive a set of the Encyclopedia Britannica. The scholarship of the young woman named All-American homemaker of Tomorrow will be increased to \$5,000. Eleanor's parents are Mr. and Mrs. Peter Vandenhovel of Alto. A senior in Lowell High. Eleanor has been a consistent honor student and this year received the DAR reward. She is 16 years of age.

Mr. and Mrs. Gene Berg and Russell Nash of Paw Paw were week-end guests of Mr. and Mrs. Gordon Strickland. On Sunday the Stricklands and their guests and Mr. and Mrs. Warren White and children all enjoyed dinner with Mr. and Mrs. Bernard Scheidt at their cottage on Jordan Lake at Clarksville. The community is extending congratulations to Mr. and Mrs. Fred Pattison who celebrated their Golden Wedding anniversary Tuesday, April 12. On Sunday they enjoyed a family dinner at the home of their daughter, Mrs. O. E. Meyer of Alaska. The family was present and the honor guests received some lovely reminders of the occasion which included a beautiful set of dishes. The Chas. Deming family spent Sunday afternoon with Mrs. Deming's father, Owen Nash and wife of Harris Creek. Mr. and Mrs. M. A. Watson were entertained for dinner Sunday at the home of their son-in-law and daughter Mr. and Mrs. Robert Carnahan in Grand Rapids. Mrs. Sophia Gramer of Lowell was also a guest of her son and wife. Mrs. E. L. Timpon was one of several guests who ate Easter Breakfast with Mr. and Mrs. John Timpon of near Lowell. Others present were Mr. and Mrs. Robert Hill, Mr. and Mrs. George Lundberg of Lowell, Mr. and Mrs. Thomas Graham of Huntington, L. I., and Mrs. Paul Hilton and daughters Margaret and Paula. Mr. and Mrs. Paul Blocher had their Easter Day dinner at the home of Mr. and Mrs. George Lax and Mrs. Laverne Blocher and family of Grandville for their Easter Day guests. Mr. and Mrs. George Lax arrived morning in the Fairchild house this week. Steven Green is out of school because of illness. Miss Lila Green returned Wednesday from a visit to Denver, Colo. to see Robert Grummet of Lowell who has been confined for several months in the Fitzsimmons Army hospital there. Miss Green accompanied Robert's parents, Mr. and Mrs. Ronald Grummet on the trip.

Mr. and Mrs. Ronald Grummet will be in the Hall on Friday evening of this week, April 15. Floyd Berg and wife and Bruce were entertained Sunday at the Walter Berg home in South Easton. Bruce has been confined for 15 weeks with rheumatic fever and this was his first venture out of doors since coming home from the hospital. CARD OF THANKS
I thank all who voted for me in the recent election. Will always remember your fine support. Enoch Carlson, Bowser Township

Vote "YES" For The New School Monday

Questions - Answers Explain Cost, Plans, Need of New Grade School

Here is a question-and-answer summary of the proposed \$250,000 bond issue for a Lowell elementary school. The registered voters and taxpayers of the school district will vote on the proposal April 18, at the Lowell City Hall.

Q. Do we need more classrooms? A. Yes. Marginal rooms are being used today which should not be used, and additional marginal rooms will have to be pressed into service for the additional grade room next fall. Total facilities which were designed to accommodate not to exceed 500 students are now being used by 925.

Q. How soon should an Elementary School be completed? A. If approved, plans call for completion of the building by a year from next September in time for the 1956 school year. If construction could be started in June or July, it would require from 10 to 12 months to finish the building.

Q. Do building plans make provision for future expansion if needed? A. Yes, should additional classrooms be needed, the building is so designed as to extend the east corridor to Washington St. If necessary.

Q. What kind of an Elementary School building is proposed? A. The new structure would be of cinderblock with brick veneer.

Q. Will it be an extravagant building? A. No, the cost will be kept at a minimum commensurate with common sense used in materials and workmanship.

Q. How much will the new school cost? A. A bond issue of \$250,000 will pay for the school.

Q. How long will it take to pay off the bonds? A. The bonds will be retired in less than fifteen years.

Q. Why then is it necessary to extend the bonding period to 20 years? A. This is the margin of safety limited to satisfy the state Finance Commission, and also demanded by bond purchasers.

Q. Can't Lowell get more money for schools from the state or federal government? A. No. Both state and federal government provide to help "distressed" school districts which cannot sell their bonds on the open market, by guaranteeing payment much as FHA does now for home-owners.

Q. Why then do we go to vote and where? A. The special election will be held at the Lowell City Hall on Monday, April 18, between the hours of 1 p. m. and 8 p. m.

Q. Who is eligible to vote? A. Any qualified voter in the Lowell school district can vote on increasing the millage.

Q. Who is a resident taxpayer? A. Any qualified voter (or his spouse) who is a resident taxpayer in the Lowell school district is eligible to vote.

Q. How do we go to vote and where? A. The special election will be held at the Lowell City Hall on Monday, April 18, between the hours of 1 p. m. and 8 p. m.

Q. How do we go to vote and where? A. The special election will be held at the Lowell City Hall on Monday, April 18, between the hours of 1 p. m. and 8 p. m.

Q. How do we go to vote and where? A. The special election will be held at the Lowell City Hall on Monday, April 18, between the hours of 1 p. m. and 8 p. m.

Q. How do we go to vote and where? A. The special election will be held at the Lowell City Hall on Monday, April 18, between the hours of 1 p. m. and 8 p. m.

Floor Plan of Proposed New Elementary School Shows Seven Classrooms

Michigan ranks first in the nation in the production of calcium-magnesium chlorides, gypsum and salt.

Our forefathers founded an enduring republic that has probably endured more than they ever expected it would.

These are the only two rooms in the Lowell Schools that are available next fall for the expanding elementary school. Both are located in the basement of the High School and are now used for High School recreation rooms.

Without building additional classrooms the fall of 1957 will bring half-day sessions to some of the grade children. It is because of this vital need that Lowell School District voters are being urged to vote funds for a new elementary school Monday, April 18. The polls will be in the City Hall and will be open from 1 p. m. to 8 p. m.

For a take-it-easy summer - Ship'n Shore's seersucker check that needs no ironing unless you prefer it! Soft new continental collar is a blend of club and cardigan. Pretty-pressed and deontone checks on white, with fine smoked pearl buttons. Sizes 28 to 38.

Miss Joan Coppens, daughter of Mr. and Mrs. John Coppens of Madawaska, Maine, and Charles E. Kelley, son of Mr. and Mrs. Harold Kelley of Lowell, will be married May 7, at Limestone AFB, in Maine.

Miss Coppens graduated in 1953 from Madawaska High School and is now employed at the Fraser Paper Company, Limited. Mr. Kelley has been stationed at Limestone AFB for a year. The couple plan to make a short visit in Lowell, arriving May 12.

Be Civic Minded and Improve Business Profit "Your business will not be successful unless you can take your eyes off the dollar signs long enough to work for the betterment of your community."

That advice was given to the 18th delegates at the 1955 Annual Tourist and Resort Institute at Michigan State College by Prof. Earl A. McIntyre of the Journalism Department.

"Bigger profits and a richer life will come back to you if you take part in the chamber of commerce, PTA, community chest, and other civic groups," Mr. McIntyre assured.

The three-day conference was sponsored by the Tourist and Resort Institute of the Land and Water Conservation Department, Conservation Division of the School of Agriculture, Cooperative Extension Service and Continuing Education Service.

'Poor Farmer' is Doing All Right

Have you been feeling sorry for the poor farmer, as his friends in Congress describe his sad condition and his falling income? Take heart; an infallible barometer says he's doing all right.

The Department of Agriculture has just reported that beginning in February farm land prices in the Midwest, Southwest and Pacific Coast regions had resumed their long upward trend—interrupted for six or seven months last year.

This has taken place in the face of persistent weakness in prices of future contracts for the crops that will be marketed this summer. Wheat for September delivery is 34 cents a bushel cheaper than wheat today, soybeans 19 cents; only cotton promises to cost a little more after next harvest.

The answer to the puzzle is that fewer persons are collecting the lower farm income; so many fewer that income per farm enterprise is rising. One of the most vocal friends of the farmer in the House of Representatives recently deplored the fact that 2.3 per cent of the nation's farms marketed 30 per cent of the wheat and 14 per cent of the cotton sold last year.

Most farm state legislators have done nothing but deplore this concentration. One, Senator Eastland of Mississippi, got up courage the other day to point to price-support laws as the cause of fewer and bigger farms, and urge that supports be ended.

BRIDAL SHOWER HONORS MISS BEVERLY BEDELL

Miss Beverly Bedell, whose marriage to Carlen Anderson will be an event of April 30th, was guest of honor at a miscellaneous shower, given by Mrs. Louis Smit at her home on Thursday, April 7th.

Eighteen ladies were present from Grand Rapids and Lowell. Games were played and a delicious lunch was served by the hostess. The guest of honor received many useful and lovely gifts.

INVITE DEBORAH TO NEXT PRISCILLA MEETING

The Priscilla Group of the Methodist W. S. C. S. has invited the Deborah Group of the Congregational Church to be their guests at a meeting to be held at the church at 8:00 p. m., Wednesday, April 20. Mrs. P. R. Glotfelty, Jr., will give a talk. Co-hostesses will be Mrs. David Miller and Mrs. Jack Fonger. Devotions will be presented by Mrs. Robert Barnes.

Vote "Yes" Monday on both proposals to permit bonding for better schools in Lowell.

South Merriman Community Farm Bureau group met with Mr. and Mrs. Lloyd Yelter Friday night. The group discussed "Michigan's Problem of Water Rights and Resources." Next meeting will be held at the Marlon Shade home, April 22.

Rummage and bake goods sale by Rebekah ladies at Lowell City hall, April 15-16. If you wish your donations picked up call 9444. Mrs. Ralph Mullen, chairman of Ways and Means committee.

Swiss Ladies Aid will meet on April 21, in the home of Mrs. Alvin Wittenbach on West St.

American Legion Auxiliary, Clark-Ellis Post 152, will meet with Mrs. Robert Ellis at her home at 2719 Bewell Road, Monday April 18.

Open bowling hours: Wednesday, 9:00-11:00 p. m.; Thursday 7:00-9:00 p. m. c-51

Lowell Rebekah Lodge next meeting will be Tuesday April 19, beginning with a 6:30 supper, to which all members, families and friends are invited. Business meeting following at 8:00 p. m.

The W.S.C.S. of the Methodist Church will meet Friday evening April 15, at eight o'clock in the Women's Lounge with the program in charge of Mrs. Tyrus Wessel and Mrs. Robert Barnes. Mrs. Ralph Shoemaker is tea chairman.

Clarksville Booster Club meeting Tuesday, April 19, at 8:00 at the school. Guest speaker will tell of trip to Mexico.

Vote "Yes" Monday on both proposals to permit bonding for better schools in Lowell.

The Lowell FFA will hold a Baked Goods sale at Hahn's Hardware Store, Friday April 15. Sale starts at 9 o'clock. c-51

The new place and dates for the Congregational Fellowship rummage sale is at City Hall, April 28, 29, 30.

The Three M's of the Methodist Church will meet Thursday, April 14, at eight o'clock with Mr. and Mrs. Seymour Dawson. St. Rita's will meet at the school Tuesday April 19, at 8 o'clock. Carol Regan and Barbara Litschewski will be co-hostesses.

Women's Relief Corps is holding a Card Party April 20 at 8 p. m. at the City Hall. Public invited. p-51

Costs are Higher To Own & Run Your Family Car

Owning a car this year will cost \$30 to \$40 more than in 1954, according to Automobile Club of Michigan.

"Fixed costs" of car operation have risen nearly 10 cents a day for the average owner of a medium priced car, Harry N. Rogan, Auto Club travel services director reports. A major portion of this increase is due to higher depreciation rates on new cars.

"Auto Club now recommends a formula of \$1.65 a day plus three and one half cents a mile in computing car costs. Last year the recommended allowance called for \$1.55 a day with the same mileage figure," Rogan said.

Mileage allowance is based on "variable costs" of gasoline, oil, maintenance and tires. Fixed costs (insurance, license fees and depreciation), which go on whether the motorist drives his car or not, determine the daily allowance.

Mr. Rogan offered the following breakdown of average current car operation costs, (averaged nationally by an AAA survey): Gasoline and oil, 2.29 cents a mile; maintenance, .74 cents a mile; and tires .51 cents a mile, for a total of 3.54 cents a mile.

"Other factors, such as individual driving habits, speeds maintained, and type of territory traveled, also enter into the picture," Rogan said.

Copies of the AAA's latest report on costs of car operation are available from Automobile Club of Michigan.

Tennis, Track Win Season Openers As Baseball Team Falls to Godwin

In the opening of the Grand Valley Conference tennis competition Tuesday Lowell defeated Godwin 4 to 1. Winning teams were Jack Nash and Chad Walters, scoring 6-3 and 6-1; Jack Hartley and John Bergin, 6-4 and 7-5; George DeVries in singles scored 6-1, 6-1 and Jim Lind made 6-1, 6-2. The only losing Lowell team was Art Litschewski and Eugene Champion.

Lose Opener
Lowell lost their baseball opener Tuesday to Godwin by the tune of 5-0. Tom Charon, a right hander from Godwin, allowed Lowell only two hits struck out 16 and walked three. Lowell pitchers were Floyd Shepard and Bud Demming.

Meet Godwin Friday
First Grand Valley Conference track meet will be tomorrow (Friday) when the Lowell boys will meet the strong Godwin team at Lee field. We understand that over 70 boys have turned out at Godwin for this sport, and promise to be stiff competition for our lads. Time of this event is 6 p. m.

Win Track Meet
Lowell Track Team scored 44½ points in a meet last Wednesday with Caledonia and Saranac, at the latter's field. Caledonia was second with 36, and Saranac earned 28½. Lowell won 5 first, 2 seconds, 6 thirds, and 3 fourths.

Lowell boys scored as follows: Shot Put—Roger Topp, 1st; Pat Swan, 3rd; 100 yd. dash—Orison Abel tied for 3rd; 220 yd. dash—Don Dawson, 3rd; 440 yd. dash—Roger Topp, 1st, with a time of 58.5 seconds, George Graham 2nd; Half Mile—Dick Stauffer, 3rd.

In the Mile race, Bob Carigan placed first with a time of 17 minutes 11.8 seconds, not a record-breaking time, but very good considering weather conditions, season of year and condition of track. Toby Watters placed 3rd in this race.

Other Lowell winners were: Low hurdles—Leonard Fase, 1st, Keith Fase, 4th; High hurdles—Leonard Fase, 1st time 17.4 seconds; John Norton 4th; Lowell team of Ron Ford, Don Vidcan, Keith Fase and Ron Metternick were disqualified in the Sprint Medley relay, in which they came in first; charge was interference.

The 880 Relay team was noosed out of first by Caledonia, for a close second rating. Running for Lowell were Jerry Pollice, Orison Abel, Leonard Fase and George Graham. High Jump—Jerry Pollice, tied for 3rd.

The Pole Vault and Broad Jump competitions were struck from the program because of unfavorable weather conditions.

COMING EVENTS

Vote "Yes" Monday on both proposals to permit bonding for better schools in Lowell.

South Merriman Community Farm Bureau group met with Mr. and Mrs. Lloyd Yelter Friday night. The group discussed "Michigan's Problem of Water Rights and Resources." Next meeting will be held at the Marlon Shade home, April 22.

Women's Relief Corps is holding a Card Party April 20 at 8 p. m. at the City Hall. Public invited. p-51

Congress Votes Funds to Discover More Crop Uses

By Gerald R. Ford, Jr., M. C.

One of the five appropriations bills the House passed in recent sessions is the agricultural appropriations bill for fiscal 1956. This bill allocates \$800 million for our price support program along with an additional \$80 billion for agricultural research. Although this latter figure only represents 10 per cent of that spent for price supports, it seems more than likely that proper research can eventually aid in the solution of some of the current ills of agriculture by helping the farmer adjust to changing times and relieving growing surpluses.

Recently I came across examples of how these funds earmarked for research will be used for finding new ways to use common farm products. For instance, apple growers in and around Sparta will be interested to learn that a method has been developed for producing a concentrated apple juice with the aroma, flavor and taste of fresh apple cider. McIntosh apples are considered especially fine for producing this new full-flavored juice.

Oats After Wheat

Oats can be an excellent crop replacement for wheat. Consequently, work is being done to produce new varieties of oats with the aim of finding more attractive feeding outlets and uses. A new form of dehydrated potatoes, potato flakes by name, which make delicious fluffy mashed potatoes as quickly as you can mix with hot water has been devised. This added convenience and ease of preparation will make housewives, restaurants, armed forces and public institutions more desirous of using potatoes, hence help reduce any market surpluses.

A new tomato powder has been added to the growing family of fruit-juice powders. This powder can be converted into tomato juice when mixed with water, even ice-water. The powder is equally good for tomato pastes or purees and other recipes.

Miss Thomas Weds James Ryder

Miss Mary Thomas, daughter of Mrs. Albert Thomas of 36th st., became the bride of James Ryder, March 19. Mrs. Louis Oesch, North Hudson st., and Fred Ryder, Avery st., are the parents of the groom. Rev. Philip R. Glotfelty, Jr., officiated at the ceremony in the Methodist church parsonage, before the members of the immediate family.

The bride, given in marriage by her uncle, Jack Inman, was attended by her sister, Audrey. Roger Ryder served his brother as best man.

A reception was held in the Lowell City Hall immediately following the ceremony.

Buying a House? Check 4 Points Says U-M Expert

If you're buying a house your list of things to check should include location, structural condition, functional arrangement and orientation.

Location is the most important item, including nearness to schools, churches and playgrounds; condition of the streets; present condition of the surrounding structures; zoning possibilities, and probable change, and general stability of the neighborhood. Any possible unusual situations, such as undesirable odors from adjacent sections because of prevailing winds, also should be investigated.

All pertinent structural items should be checked, from the cause of plaster cracks—which may involve settlements—to the number of electrical outlets and their location. All utilities should be examined as to type, age and size to determine their adequacy.

Functional factors include the matters of living, working and storage space. An analysis should be made of room sizes and possible furniture arrangement; closets as to type, size and number; and the size, arrangement and equipment in the kitchen.

How livable the house is will be determined largely by how well the various sizes and layouts of rooms and equipment have been devised to provide the best functional arrangement.

Orientation includes the position of the house with reference to the available sunlight, ventilation (prevailing breezes) and view.

Other valuable information should be obtained at the various county and city offices. This information should include the year the house was built, the assessed valuation, previous taxes and other matters of interest to the prospective buyer.

Thousand of Indian Photographs may be seen near Bad Axe. Here primitive rock carvings of men, animals and other decorations cover the boulders over a four acre area.

Current News Items About Our Servicemen

Airman Third Class Bernard D. Dawson, son of Mr. and Mrs. Lester Dawson of 9635 Portland Rd., Clarksville, has recently been assigned to Altus Air Force Base.

He attended Lowell High school and was employed for Wittenbach Sales and Service in Lowell before entering the Air Force in April, 1954.

Altus Air Force Base is a Fifteenth Air Force installation of the Strategic Air Command, the nation's global striking force.

Mr. and Mrs. George M. Kinley of R2, Lowell, have received the address of their son Richard who entered the army, March 23. Pvt. E. L. Richard P. Kinley, US 55530931 Tank Co. 1st TFR, 2nd Platoon, Camp Gordon, Ga.

A-2C Darrel Hescha, 23, R2, is currently assigned as an aircraft maintenance technician at Kimpo Air Base, a major installation of the Fifth Air Force in Korea. He enlisted in the Air Force at Grand Rapids in November 1951 and was stationed at Ellington Air Force Base, Houston, Texas, before his Far East assignment. He has been awarded the National Defense Service medal.

His parents, Mr. and Mrs. Raymond Hescha; his wife, the former Luella Higgins, and 2-year-old daughter, Luella May, all live in Snow District.

IN MEMORIAM

In loving memory of our darling daughter Cheryl Kay who passed away 3 years ago April 13, 1952.

You were never out to keep,
Only God's precious loan,
But because we loved you so,
Our lives have fuller grown.

We know not why your life was short,
Nor why you had to go,
We only know that it was best
Because God willed it so.

You were an angel loaned to us
That's why we always try,
To think of you as just away,
For angels never die.

Mr. and Mrs. Matt Metternick, Jr.
