Three Still Hospitalized From Crash Friday is Deadline for

LOWELL, MICH., THURSDAY, MAY 26, 1955

The above picture was taken at the scene of the head-on collision last Sunday on M-21 just west of here. The car pictured above is a 1936 mcdel, owned by William Booth, 76, of Lowell. He and his passenger, Mrs. Rosa Breastley, 74, also of Lowell, were the only passengers in this car. Mr. Booth was driving west out of Lowell, and was attempting a left-hand turn off the highway to the Pig-and-Whistle restaurant when a late-model car, driven by Charles K. Ford, 33, Bay City, struck the Booth auto almost head-on, Mr. Ford's wife was the only passenger in his car. All were taken to Blodgett hospital where they remain, except for Mr. Ford, who was released after treatment for cuts and bruises. Mr. Booth is suffering from broken elbow and knee, and head lacorations and Mrs. Breastley sustained a broken arm, and possible internal injuries. Both will be hospitalized for some time. Mrs. Ford incurred a possible concussion and rib fractures.

The Lowell Rebekah Lodge held their usual meeting last Tuesday night, and many interesting subjects were discussed. Noble Grand Mrs. Charles Clark presided, and the following activities were portded:

Plans have been completed to send two boys to Rebekah and ances for the betterment of the tioned the mausoleum would be Oddfellow Camp at Big Star safety and health of the Village, in Oakwood cemetery which in Lake in June. # Less Friction with Trop:Artic Motor Oil!

## IT'S PERFORMANCE THAT COUNTS!

New Phillips 66 TROP-ARTIC reduces friction far more effectively than any ordinary oil. By reducing friction, it extends gasoline mileage. And it can reduce wear, even to the extent of doubling the life of an engine. It can cut oil consumption 15% to 45%. It keeps pistons cleaner. New TROP-ARTIC is the first all-weather type motor oil to meet the highest standard ever established for automobile motor oils, the Mil-0-2104 Supplement 1 Test. Get TROP-ARTIC from your Phillips 66 Dealer.

In Service Stations, too IT'S PERFORMANCE THAT COUNTS!

# This '55 Buick must have something that

Two months ago, in the public print, we said that this looks like Buick's biggest year-and

But what has happened-and continues to happen - is almost beyond belief.

People buy up these stunning new Buicks practically as fast as we get them from the factory. Buick production-already revised upward several times -keeps forging shead to new highs every month to meet the mounting demand.

And Buick sales keep soaring higher and higher and higher - outstripping by far the phenomenal success of last year - the success that moved Buick into the "Big Three" of America's best sellers.

What is it about the '55 Buicks that folks by the

A glance at this chart will show you how far Plymouth leads other

low-price cars in value as it does in performance When you see and drive a new Plymouth, you'll be surprised how much like a high-price car it is-in everything except the low figure on its price tag. And don't be fooled by the claims of medium-price cars that they cost "practically the same" as Plymouth. You'll find that, model for model, Plymouth costs as much as \$500 less!
